TERMS AND CONDITIONS of AUCTION

Auctioneer and Auction

1 This auction is presented by Heritage Numismatic Auctions, Inc. or its subsidiary Currency Auctions of America or its affiliate, Heritage Comic Auctions, as identified with the applicable licensing information either on the title page of the catalog or on the Internet site (the "Auctioneer"). The auction is conducted under these Terms and Conditions of Auction and applicable state and local law.

Buyer's Premium:

2 On bids placed through Heritage, a Buyer's Premium equal to fifteen percent (15%) of the hammer price will be added to the successful bid. If the bid is placed through eBay Live a Buyer's Premium equal to twenty percent (20%) of the hammer price will be added to the successful bid. There is a minimum Buyer's Premium of \$6.00 per lot.

Auction Venues:

3 Exclusively Internet, CurrencyAuction.com, Amazing Comics Auctions, and Bullet Auctions are auctions conducted on the Internet. Signature auctions accept bids on the Internet first, followed by a floor bidding session. Bids may be placed prior to the floor bidding session by Internet, telephone, TeleBid™ fax, or mail.

Bidders:

4 Any person participating in or who registers for the auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").

5 All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a customer in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such a determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the auction.

6 If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

7 Auctioneer reserves the right to exclude any person it deems in its sole opinion is disruptive to the auction or is otherwise commercially unsuitable.

Credit References:

8 Bidders who do not have established credit with the Auctioneer must either furnish satisfactory credit information including two collectibles-related references well in advance of the auction date or supply valid credit card information. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a customer in good standing at Auctioneer may be disqualified and will not be awarded lots. Auctioneer reserves the right to disqualify any Bidder even after the close of the auction. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders. Bidders who are not members of HeritageCoin.com or HeritageComics.com should pre-register at least two business days before the first session to allow adequate time to contact references.

Bidding Options:

9 Bids may be placed for a Signature Sale as set forth in the printed catalog section entitled "Choose your bidding method." For Exclusively Internet, CurrencyAuction.com, Amazing Comics Auctions, and Bullet auctions see the alternatives shown on each website. Review at www.HeritageCoin.com/Auctions/howtobid.asp.

10 The Auctioneer cannot be responsible for your errors in bidding, so carefully check that your bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. Internet bids are evaluated as received first. The decision of the Auctioneer and declaration of the winning Bidder is final. The Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is the Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the auction begins. To ensure the greatest accuracy, your written bids should be entered on the standard bid sheet form and be received at the Auctioneer's place of business at least two business days in advance of the auction date. Internet bids may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX, 214-443-8425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the auction unless prearranged in advance.

Conducting the Auction:

11 Notice of the consignor's liberty to place reserve bids on his lots in the auction is hereby made in accordance with Article 2 of the Texas Uniform Commercial Code. A reserve is an amount below which the lot will not sell. **THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN RESERVE BIDS ON HIS LOTS IN ADVANCE OF THE AUCTION ON LOTS SUBJECT TO A RESERVE. IF THE LOT DOES NOT MEET THE RESERVE THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS.** Reserves are generally posted online about 72 hours prior to the auction closing. **IF THERE IS AN UNMET RESERVE BID POSTED ON A LOT, THE CURRENT BID DISPLAYED ONLINE WILL GENERALLY BE ONE INCREMENT BELOW THE RESERVE BID.** The Auctioneer will not knowingly accept (and reserves the right to reject) live telephone or floor bids from consignors. Any successful bid placed by a consignor on his consigned lot on the auction floor or by telephone during the live session will be considered an unqualified bid, and in such instances the consignor agrees to pay full Buyer's Premium and Seller's Commissions on the lot(s).

12 The highest qualified Bidder shall be the buyer. In the event of any dispute between floor Bidders at a Signature Sale, the Auctioneer may at his sole discretion put the lot up for auction again. The Auctioneer's decision shall be final and binding upon all Bidders.

13 The Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid which, in his sole discretion, is not submitted in "Good Faith," or is not supported by satisfactory credit, numismatic references, or otherwise. A bid is considered not made in "Good Faith" when an insolvent or irresponsible person or a person under the age of eighteen makes it. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith."

14 Auctions are to be purchased per lot as numerically indicated and no lots will be broken. The Auctioneer reserves the right to withdraw, prior to the close, any lot or lots from the auction. Bids will be accepted in whole dollar amounts only.

15 No "buy" or "unlimited" bids will be accepted. Bidders will be awarded lots at approximately the increment of the next highest bid. No additional commission is charged for executing bids other than the Buyer's Premium applied to all successful bids. Off-increment bids may be accepted by the Auctioneer at Signature auctions.

16 Estimates will be given upon written request. It is recommended that Bidders approach or exceed the estimates in order to increase the chances of bidding successfully.

17 Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, Auctioneer's clerical error or omission in exercising bids and reserves, or otherwise.

18 Outage Policy. Auctioneer occasionally experiences Internet and/or Server outages during which Bidders cannot participate or place bids. If such outage occurs, we may at our discretion extend bidding for the auction up to 24 hours. At our discretion, Auctioneer may consider two outages that occur very closely to one another to be one outage when extending such auction. This policy applies only to widespread outages and not to isolated problems that occur in various parts of the country from time to time.

19 Scheduled Downtime: Auctioneer periodically schedules system downtime for maintenance and other purposes; this scheduled downtime is not covered by the Outage Policy.

20 The Auctioneer or affiliates may consign items to be sold in this auction, and may place reserve bids on those items or any other in the auction. The Auctioneer or affiliates expressly reserve the right to modify any such reserve bids on these items or any others at any time prior to the live auction or the online closing based upon data made known to the Auctioneer or its affiliate.

21 The Auctioneer may extend advances, guarantees, or loans to certain consignors, and may extend financing or other credits at varying rates to certain Bidders in the auction.

Payment:

22 All sales are strictly for cash in United States dollars. Cash includes U.S. currency, bank wire, cashier checks, travelers checks, and bank money orders, all subject to reporting requirements. Credit Card (Visa or Master Card only) payments may be accepted up to \$10,000 from non-dealers at the sole discretion of the auctioneer, subject to the following limitations: a) sales are only to the cardholder, b) purchases are shipped to the cardholder's registered and verified address, c) Auctioneer may preapprove the cardholder's credit line, d) a credit card transaction may not be used in conjunction with any other financing or extended terms offered by the Auctioneer, and must transact immediately upon invoice presentation, e) rights of return are governed by these Terms and Conditions, which supersede those conditions promulgated by the card issuer, f) floor Bidders must present their card. Personal or corporate checks may be subject to clearing before delivery of the purchases.

23 Payment is due upon closing of the auction session, or upon presentation of an invoice. The Auctioneer reserves the right to void a sale if payment in full of the invoice is not received within 7 days after the close of the auction.

24 Lots delivered in the States of Texas, California, or other states where the auction may be held, are subject to all applicable state and local taxes, unless appropriate permits are on file with us. Lots from different auctions may not be aggregated for sales tax purposes.

25 In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law.

26 If the auction invoice(s) submitted by the Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. If the Auctioneer refers the invoice(s) to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by the Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.

27 In the event a successful Bidder fails to pay all amounts due, the Auctioneer reserves the right to resell the merchandise, and such Bidder agrees to pay for the reasonable costs of resale, including a 10% seller's commission, and also to pay any difference between the resale price and the price of the previously successful bid.

28 The Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise to the buyer.

29 The Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any auction invoice or any other amounts due the Auctioneer from the buyer. With respect to these lien rights, the Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code. In addition, with respect to payment of the auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice.

30 If a Bidder owes Auctioneer or its affiliates on any account, the Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession.

31 Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered.

Return Policy:

32 Signature Sales: The auction is not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to void a sale. Such request for evaluation must be made in writing detailing the alleged gross error, and submission of the lot to the Auctioneer must be preapproved by the Auctioneer. A Bidder must notify Jack

Hinton, (ext. 312) in writing of the Bidder's request and such notice must be mailed within three (3) days of the mail Bidder's receipt of the lot. Any lot that is to be evaluated must be received in our offices within 30 days from the date of auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. **AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY.** Lots returned must be housed intact in the original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others). Late remittance for purchases may be considered just cause to revoke all return privileges.

33 Exclusively Internet, CurrencyAuction.com, Amazing Comics Auctions™ and Bullet auctions **THREE (3) DAY RETURN POLICY.** All lots paid for within seven days of the auction closing are sold with a three (3) day return privilege. You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Customer Service by phone (1-800-872-6467) or e-mail (bids@HeritageCoin.com), and immediately mail the lot(s) fully insured to the attention of Returns, care of Heritage Plaza, 100 Highland Park Village 2nd Floor, Dallas TX 75205. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes all Return-Restock privileges.

34 All Bidders who have inspected the lots prior to the auction will not be granted any return privileges, except for reasons of authenticity.

Delivery:

35 Postage, handling and insurance charges will be added to invoices. Please either refer to Auctioneer's web site www.HeritageCoin.com or www.HeritageComics.com for the latest charges or call Auctioneer.

36 Auctioneer is unable to combine purchases from other auctions or Heritage Rare Coin Galleries into one package for shipping purposes. Successful overseas Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States.

37 All shipping charges will be borne by the successful Bidder. Any risk of loss during shipment will be borne by the buyer following Auctioneer's delivery to the designated common carrier.

38 Regardless of domestic or foreign shipment, risk of loss shall be borne by the buyer following Auctioneer's delivery to a shipper.

39 Any claims for undelivered packages must be made within 30 days of shipment by the auctioneer.

40 In the event an item is damaged either through handling or in transit, the Auctioneer's maximum liability shall be the amount of the successful bid including the Buyer's Premium.

Cataloging:

41 The descriptions provided in any catalog are intended solely for the use of those Bidders who do not have the opportunity to view the lots prior to bidding.

42 Any description of the lots contained in this auction is for the sole purpose of identifying the items.

43 In the event of an attribution error, the Auctioneer may, at the Auctioneer's sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's money without further obligation. Under no circumstances shall the obligation of the Auctioneer to any Bidder be in excess of the purchase price for any lot in dispute.

Warranties and Disclaimers:

44 **NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION.** Any description of the items contained in this auction is for the sole purpose of identifying the items, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by the Auctioneer.

45 Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the coins.

46 Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes.

47 Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is a statement of opinion and does not constitute a warranty or representation. Any employee of Auctioneer may not alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any alteration is null and void.

48 Coins sold referencing a third-party grading service ("Certified Coins") are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that the Certified Coins are genuine. Certain warranties may be available from the grading services and the Bidder is referred to the following services for details of any such warranties: ANACS, P.O. Box 182141, Columbus, Ohio 43218-2141, Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658 and ICG, 7901 East Bellevue Ave Suite 50, Englewood, CO 80111. Comic books sold referencing a third-party grading service ("Certified Comics") are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that the Certified Comics are genuine. Certain warranties may be available from the grading services and the Bidder is referred to the following services for details of any such warranties: Comics Guaranty Corporation (CGC), P.O. Box 4738, Sarasota, FL 34230. Currency sold referencing a third-party grading service ("Certified Currency") are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that the Certified Currency are genuine. Certain warranties may be available from the grading services and the Bidder is referred to the following services for details of any such warranties: Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887.

49 All non-certified coins and comics and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion. Grading is an art, not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of

others (including trained experts), and the same expert may not grade the same coin with the same grade at two different times. Auctioneer has graded the non-certified items in the Auctioneer's opinion to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of ANACS, NGC, PCGS, ICG, CGC, CGA or any other grading service at any time in the future.

50 Auctioneer offers no opinion as to the validity of a grade assigned by any third-party grading service. Since we cannot examine C.G.A. encapsulated notes or Comics Guaranty Corporation (CGC) encapsulated comics, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the certification service certifying the collectible.

51 Due to changing grading standards over time and to possible mishandling of items by subsequent owners, the Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. For the same reasons as stated above, the Auctioneer reserves the right to grade items differently than the grades shown in the catalog should such items be reconsigned to any future auction.

52 Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot was broken out of a plastic holder and was resubmitted to another grading service or even the same service, the lot could come back a different grade. Certification does not guarantee protection against the normal risks associated with potentially volatile markets.

53 The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

Release:

54 In consideration of participation in the auction and the placing of a bid, a Bidder expressly releases Auctioneer, its affiliates, the Consignor, or Owner of the Lot from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned grade or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise, except as specifically declared herein, e.g., authenticity, typographical error, etc., and as to those matters, the rights and privileges conferred therein are strictly construed and is the exclusive remedy. Purchaser by non-compliance to its express terms of a granted remedy, shall waive any claim against Auctioneer.

Dispute Resolution and Arbitration Provision:

55 By placing a bid or otherwise participating in the auction, such person or entity accepts these Terms and Conditions of Auction, and specifically agrees to the alternative dispute resolution provided herein. Arbitration replaces the right to go to court, including the right to a jury trial.

56 If any disputes arise regarding payment, authenticity, grading or any other matter pertaining to the auction, the Bidder or a participant in the auction and/or the Auctioneer agree that the dispute shall be submitted, if otherwise mutually unresolved, to binding arbitration in accordance with the rules of the Professional Numismatists Guild (PNG) or American Arbitration Association (A.A.A.). The A.A.A. arbitration shall be conducted under the provisions of the Federal Arbitration Act with locale in Dallas, Texas. If an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration. An award granted in arbitration is enforceable in any court. No claims of any kind (except for reasons of authenticity) can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

57 In consideration of his participation in or application for the auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees, that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and his purchases or default in payment thereof shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid or arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. The successful Bidder, purchaser or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

Miscellaneous:

58 Agreements between Bidders and consignors to effectuate a non-sale of an item at auction, inhibit bidding on a consigned item to enter into a private sale agreement for an item, or to utilize the Auctioneer's auction to obtain sales for non-selling consigned items subsequent to the auction are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the 15% Buyer's Premium and consignor a 10% Seller's Commission.

59 Acceptance of these terms and conditions qualifies Bidder as a Heritage customer who has consented to be contacted by Heritage in the future, and as such, and irrespective of any regulation or "do-not-call" list forbidding contact without consent, Bidder agrees that until this consent is revoked in writing, Heritage may from time to time contact Bidder concerning sale, purchase and auction opportunities available through Heritage and its affiliates and subsidiaries.

60 Storage of purchased coins. Purchasers are advised that certain types of plastic may react with the coin's metal and may cause damage to the coins. Caution should be used to avoid storage of coins in materials that are not inert.

State Notices:

61 Notice as to an Auction Sale in California: Auctioneer has in compliance with Title 2.95 of the California Civil Code as amended October 11, 1993 Sec. 1812.600, posted with the California Secretary of State its bonds for it and its employees and the auction is being conducted in compliance with Sec. 2338 of the Commercial Code and Sec. 535 of the Penal Code.

NATIONAL BANK NOTES

The Ralph Graves Collection of National Bank Notes

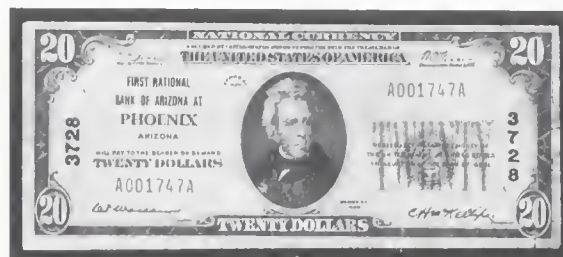

Ralph Graves is a retired Certified Public Accountant who is a long time coin and currency collector. He started collecting as a teenager when a customer at his family's store paid for a purchase with a 1934 Texas Centennial Half Dollar. While attending Texas Christian University in Fort Worth, Texas, Ralph made monthly purchases of coins and currency from legendary local dealer B. Max Mehl. Ralph was one of the founding members of the Fort Worth Coin Club, where his wife served as Secretary for several years. When a relative of his was named Secretary of the Treasury in the 1950's and his signature began appearing on U.S. currency, Ralph began concentrating on paper money. He soon gravitated to National Bank Notes, preferring to obtain high grade examples and different types from many states rather than concentrating on the issues from any one state, although Texas always remained a favorite. He is a fifty year member of the American Numismatic Association, and a long time CAA client, and it gives us particular pleasure to present his fine collection in this sale.

ALABAMA

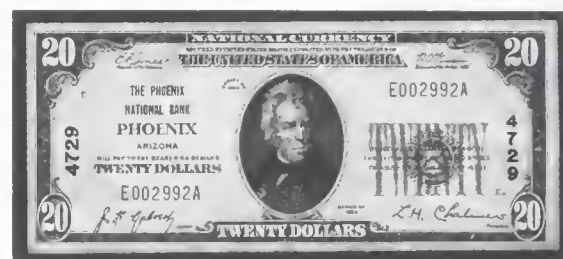

- 28483 Birmingham, AL - \$5 1929 Ty. 1 First NB of Birmingham Ch. # 3185
Not quite fresh enough for a higher grade, but a nice note for type from the state. **Crisp Uncirculated.** (100-200)

ARIZONA

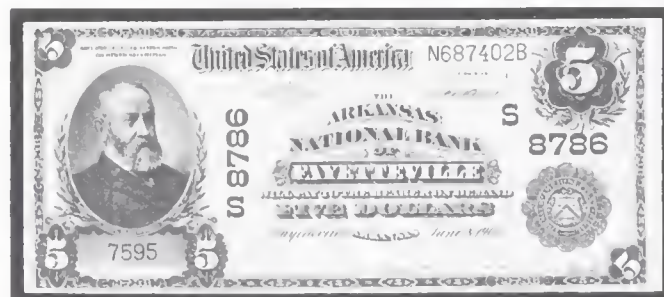

- 28484 Phoenix, AZ - \$20 1929 Ty. 1 First NB of Arizona at Phoenix Ch. # 3728
A problem-free **Fine** small size example from a state that is becoming very difficult to locate in any grade. (600-900)

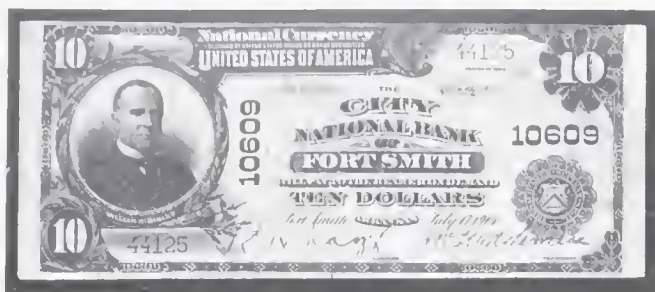

- 28485 Phoenix, AZ - \$20 1929 Ty. 1 Phoenix NB Ch. # 4729
Very well margined example from one of the most popular and challenging states. **Very Fine-Extremely Fine**, and very close to the latter grade. (600-900)

ARKANSAS

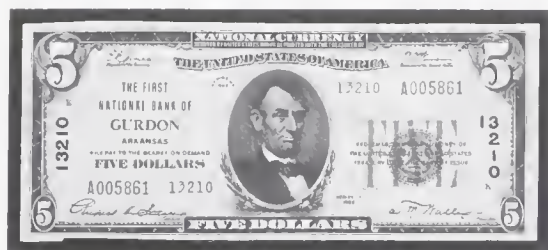

- 28486 Fayetteville, AR - \$5 1902 Plain Back Fr. 600 Arkansas NB of Fayetteville Ch. # (S)8786
Although the signatures are gone and there is a little soiling from circulation on the back, the paper is bright and crisp and the eye appeal is substantial. The census reports 15 large size notes from here, but they seldom reach the market as most are clearly in long-term holdings. **Very Fine.** (700-1,000)

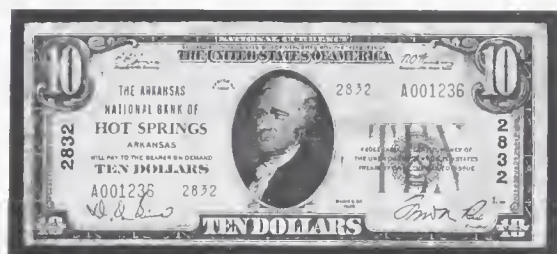

- 28487 Fort Smith, AR - \$10 1902 Plain Back Fr. 631 City NB of Fort Smith Ch. # 10609

A nice large size note with strong purple signatures and good eye appeal. There are a few minor pinholes and a small cut in the center that are mentioned for complete accuracy. (450-650)

- 28488 Gurdon, AR - \$5 1929 Ty. 2 First NB of Gurdon Ch. # 13210

This scarce Gurdon County bank had a mere \$18,835 outstanding in 1935. **Extremely Fine**, with an uneven cut at the bottom edge. (800-1,200)

- 28489 Hot Springs, AR - \$10 1929 Ty. 2 The Arkansas NB Ch. # 2832

A pleasing **Fine+** Type 2 example from this much in demand location. (350-550)

- 28490 Newport, AR - \$10 1902 Plain Back Fr. 624 First NB of Newport Ch. # 6758

A nice large size example from this Jackson County institution, the only bank in town. The signatures have been strengthened, otherwise the note is a nice **Fine+** example. (500-700)

- 28491 Pine Bluff, AR - \$10 1929 Ty. 1 The Simmons NB Ch. # 6680

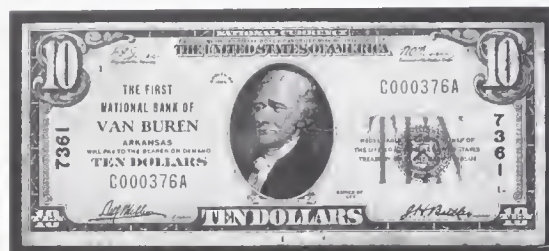

A nice evenly circulated example from this elusive bank. **Bright Fine-Very Fine**. (175-275)

- 28492 Pine Bluff, AR - \$10 1929 Ty. 1 Simmons NB of Pine Bluff Ch. # 6680

A couple of dozen small size notes are known from this Jefferson County bank that is still in business. **Fine**. (125-175)

- 28493 Texarkana, AR - \$10 1929 Ty. 1 State NB of Texarkana Ch. # 7138

One of the more common banks from the "Natural State," and popularly collected as it is from a two-state town on the border of Arkansas and Texas. **About Fine**. (100-150)

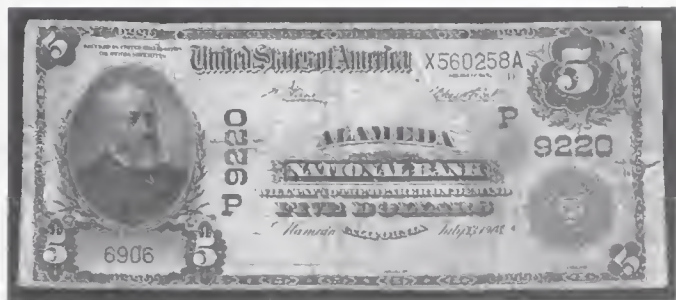

- 28494 Van Buren, AR - \$10 1929 Ty. 1 First NB of Van Buren Ch. # 7361

This Crawford County institution was the only issuing bank in the County, and a mere half-dozen small size notes are recorded in Kelly's census. **Fine+**. (750-1,150)

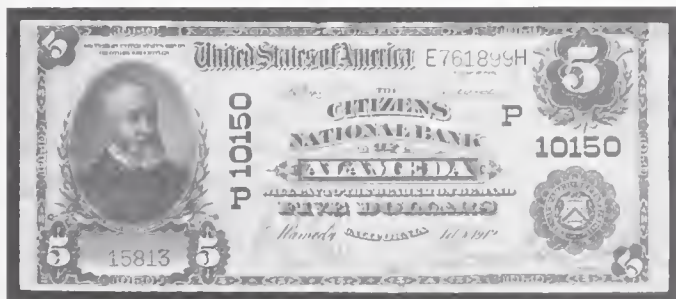

CALIFORNIA

An Extraordinary Offering of California National Bank Notes

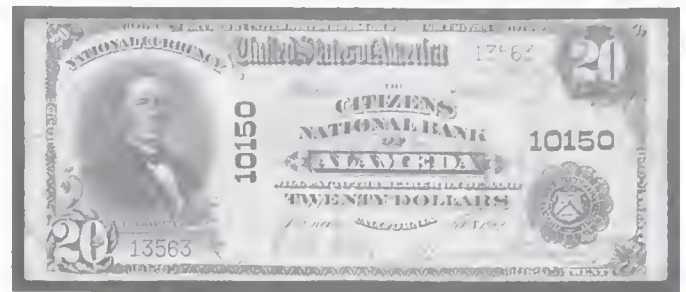

We are pleased to offer below a magnificent collection of California National Bank Notes and National Gold Bank Notes from the estate of a prominent California collector. Replete with rarities and unique items, and extraordinarily high in condition throughout, it is almost equivalent in breadth and scope to our landmark Colver collection offering of 1999, which set numerous price records. Many of the notes bear important pedigrees, and more than a few are from banks that have never before been available at public sale to the numismatic community. This offering marks the dispersal of one of the last great collections formed in the 1965 through 1995 time period, and offers today's generation of collectors an unprecedented opportunity to acquire notes which may again be unavailable for a generation after tonight's sale ends. Enjoy this offering, as its like will not soon be equaled.

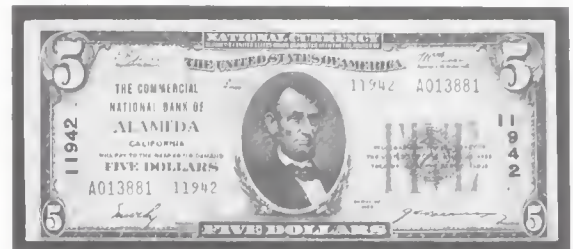

- 28495 Alameda, CA - \$5 1902 Date Back Fr. 591 Alameda NB Ch. # (P)9220
A better Alameda bank with just five notes listed in the census, including this example. **Very Good**, with a tear in the right margin. (500-800)

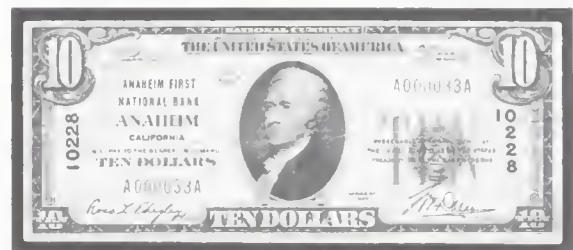

- 28496 Alameda, CA - \$5 1902 Plain Back Fr. 602 The Citizens NB Ch. # (P)10150
One of the nicest notes we've seen from this bank. **Very Fine**, with sharp blue signatures. (550-850)
- 28497 Alameda, CA - \$10 1902 Plain Back Fr. 628 The Citizens NB Ch. # (P)10150
Not the usual denomination seen from this large only bank, as this example is the only \$10 listed in the census. **Very Good-Fine**. (450-650)

- 28498 Alameda, CA - \$20 1902 Plain Back Fr. 654 The Citizens NB Ch. # 10150
While hardly a rare bank, this is the sole \$20 example reported from here to date. **About Fine**. (450-650)

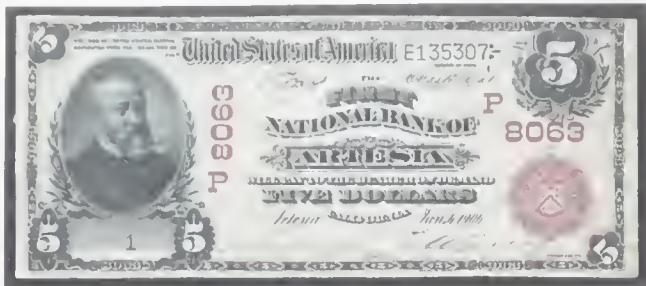

- 28499 Alameda, CA - \$5 1929 Ty. 2 Commercial NB of Alameda Ch. # 11942
A scarce bank with an entire output that was made up of small size \$5s. **Fine-Very Fine**, with a tight bottom margin. (200-300)

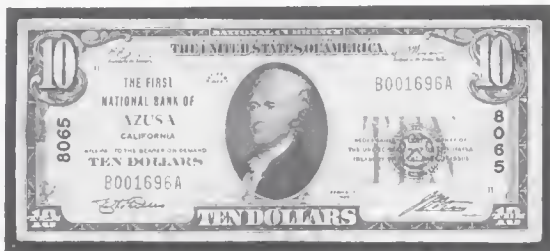

- 28500 Anaheim, CA - \$10 1929 Ty. 1 Anaheim First NB Ch. # 10228
Sixteen small size notes are listed in the census from this bank's second title. **Fine**, a nice example that will prove to be quite popular among the many collectors from this state. (300-400)

Serial Number 1 Artesia Red Seal

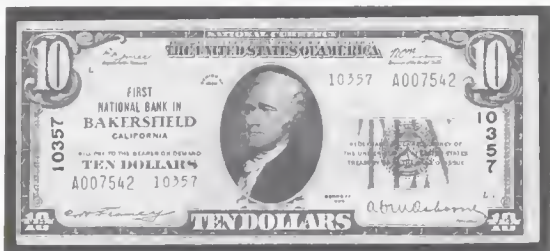

- 28501 Artesia, CA - \$5 1902 Red Seal Fr. 588 The First NB Ch. # (P)8063

A gorgeous serial number 1 Red Seal which is one of a pair known from this rare Los Angeles County bank. The Colver example, which was somewhat higher grade, realized \$15,400 in a much slower 1999 market, and it would not surprise us at all to see this vibrantly colored Very Fine+ number 1 Red Seal reach or even exceed that level this evening. (12,000-16,000)

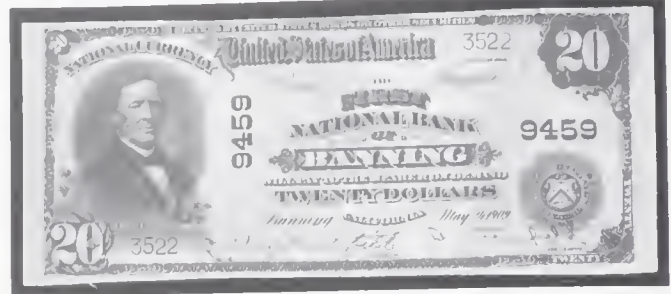

- 28502 Azusa, CA - \$10 1929 Ty. 1 First NB of Azusa Ch. # 8065

Fine or so with the paper a little flat, but the LA area collectors are still likely to send this note toward or above the upper end of our estimate range. (300-500)

- 28503 Bakersfield, CA - \$10 1929 Ty. 2 First NB Ch. # 10357
Type twos are quite scarce from this bank, and this example is one of the very nicest we've seen. Bright Very Fine-Extremely Fine. (350-550)

- 28504 Banning, CA - \$20 1902 Plain Back Fr. 652 The First NB Ch. # 9459

A lovely Riverside County example which is the only \$20 Plain Back listed in the census. Bright Extremely Fine. (1,250-2,250)

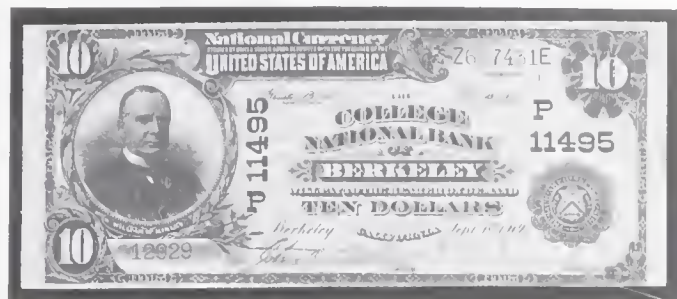

- 28505 Bellflower, CA - \$5 1902 Plain Back Fr. 609 The First NB Ch. # 12328

A just plain rare Los Angeles County location which, despite having had two issuing banks, is very seldom available. Our records indicate no offerings from here at public sale since we sold the Colver collection's serial number 1 large example back in 1999, and a total of only three offering at public sale (including that one) from this bank during the past sixty years. Nice Very Fine. (1,750-2,750)

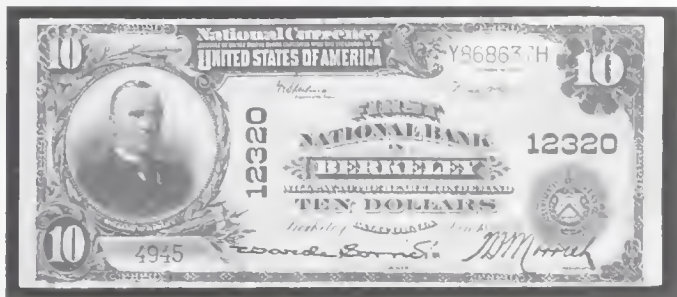

- 28506 Berkeley, CA - \$20 1882 Date Back Fr. 555 The First NB Ch. # (P)5380

An even dozen notes are known from this early Berkeley bank, which liquidated in 1922. Few if any can be much nicer than this peach of a note, which is by far the nicer of the two \$20 Date Backs listed in the census from here. Very Fine-Extremely Fine. (2,500-3,500)

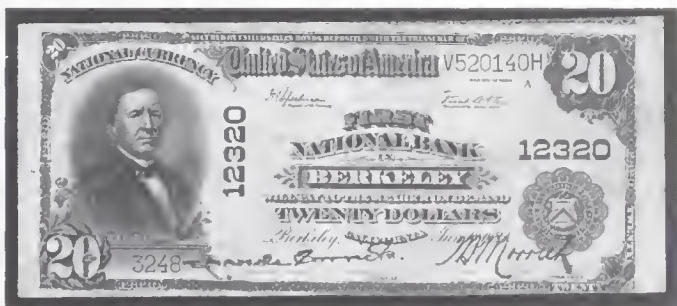

28507 Berkeley, CA - \$10 1902 Plain Back Fr. 632 The College NB Ch. # (P)11495

A very scarce bank with a great title. This piece is the nicest known of the just eight recorded examples, one of which is impounded in an institutional collection. These notes have always been highly prized and closely held, with our records showing just six offerings between 1944 and 2003. **Very Fine+**. (2,500-3,500)

28508 Berkeley, CA - \$10 1902 Plain Back Fr. 635 First NB Ch. # 12320

A very high grade example from this late charter Berkeley bank. Pleasing **Very Fine-Extremely Fine**, likely the second highest grade note reported from here. (1,200-1,800)

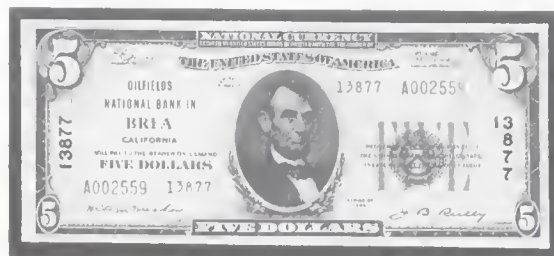

28509 Berkeley, CA - \$20 1902 Plain Back Fr. 661 First NB Ch. # 12320

A late charter Berkeley bank which issued large notes only. This is by no means a common bank, with this example one of the two twenties reported to date. **Fine+**. (800-1,200)

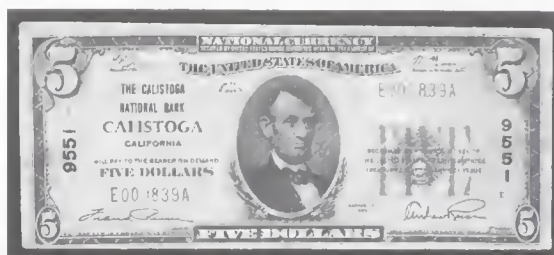

28510 Beverly Hills, CA - \$5 1929 Ty. 1 First NB of Beverly Hills Ch. # 11461

Notes from this community are, for obvious reasons, always popular, and the supply never seems to satisfy the demand. This small size \$5 has a small hole in Lincoln's portrait, otherwise it is a solid **Very Good** example. (250-350)

28511 Brea, CA - \$5 1929 Ty. 2 Oilfields NB Ch. # 13877

An old time hoard note now quite difficult to find. **Choice Crisp Uncirculated**, with a hard to detect sheet fold in the top margin that affects nothing. (800-1,200)

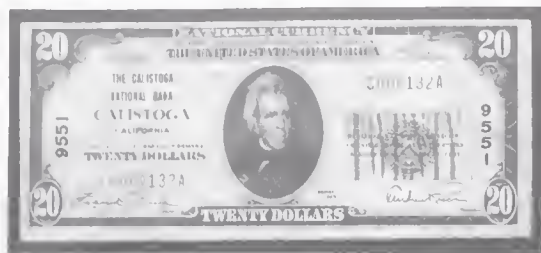

28512 Calistoga, CA - \$5 1929 Ty. 1 The Calistoga NB Ch. # 9551

The California collection we offer here contains no less than three small notes from this sought after Napa County spa location, one of each denomination issued. This \$5 example grades a nice **Fine-Very Fine**. (500-800)

28513 Calistoga, CA - \$10 1929 Ty. 1 The Calistoga NB Ch. # 9551

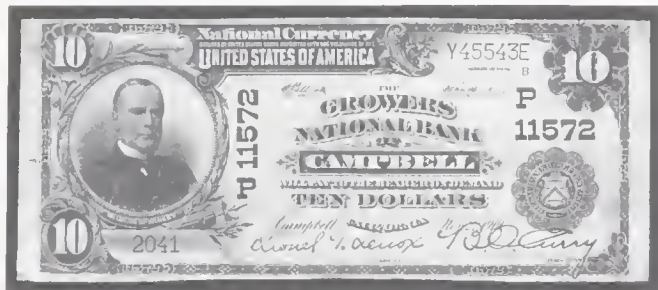

This example bears different signatures than do the \$5 and \$20 notes from here. **Fine**. (500-800)

- 28514 Calistoga, CA - \$20 1929 Ty. 1 The Calistoga NB Ch. # 9551

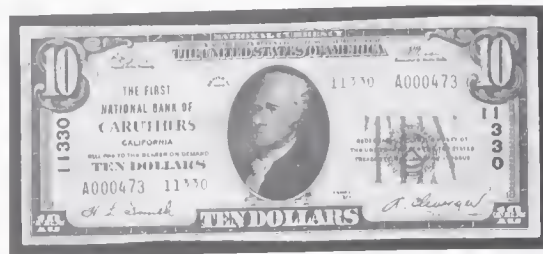

Do not be misled by the three Calistoga notes in this one sale into thinking that this is a common or easily available bank. Our records of over 275,000 appearances of National Bank Notes at public sale covering the period from 1945 to the present shows only six appearances of any note, large or small, from this bank during the past sixty plus years. The collection we offer here is a veritable lifetime's worth of collecting effort by an individual who had both the desire and the resources to acquire whatever material that was available regardless of price, and represents a unique opportunity for this generation of collectors to acquire notes which in many cases have been off the market for ten, twenty, or even thirty years. **Very Fine**, with a tiny light blue stain at left. (500-800)

Excessively Rare Growers NB of Campbell Note

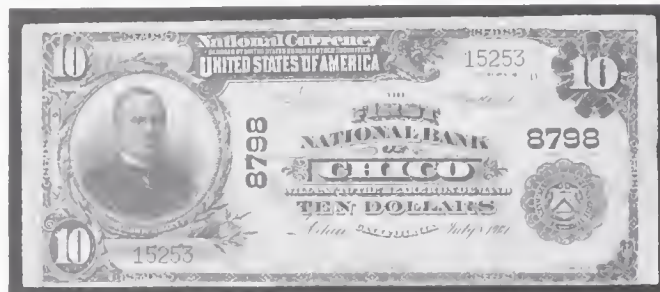

- 28515 Campbell, CA - \$10 1902 Plain Back Fr. 633 The Growers NB Ch. # (P)11572

One of the great rarities in this extraordinary California offering, as this bank, the sole issuer in what was then a sleepy Santa Clara County agricultural community, was not even represented in the Colver collection. Indeed, there have been no offerings from here since the only two in the past sixty years, both of which took place in 1990, when the Krakover collection example and a specimen in our first sale were sold within a few months of each other. Neither has ever reappeared, and with only four examples (including this one) in the census, it may be many more years before the opportunity to obtain any note from here is again available. Nice **Very Fine**. (6,000-9,000)

- 28516 Caruthers, CA - \$10 1929 Ty. 2 The First NB Ch. # 11330

A just plain rare Fresno County bank which was the sole issuer in this farming community. This example bears something we have never before encountered on any Series 1929 National, the word "Vice" handwritten in below the President's signature. This piece bears the only Vice Presidential Signature we know of on any California 1929 example as well. Sharp **Very Fine**. (800-1,200)

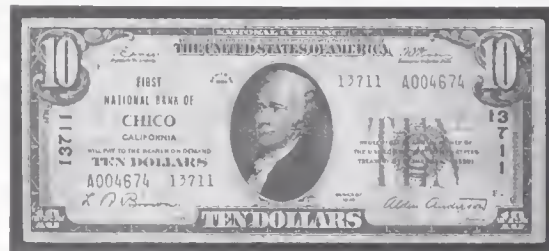

- 28517 Chico, CA - \$10 1902 Plain Back Fr. 626 The First NB Ch. # 8798

A very common bank in small size, but quite scarce in large, with only six such examples recorded in the California census. **About Fine**. (1,250-2,250)

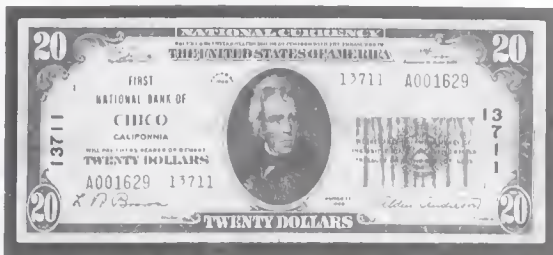

- 28518 Chico, CA - \$10 1929 Ty. 1, \$20 1929 Ty. 1 First NT & SB of Chico Ch. # 8798

A nice circulated pair from this bank's second title, under which all the small size notes were issued. The \$10 is a problem-free **Fine-Very Fine**, and the \$20 is **Very Fine** overall but with a little wallet staining on either side. (Total: 2 notes) (350-550)

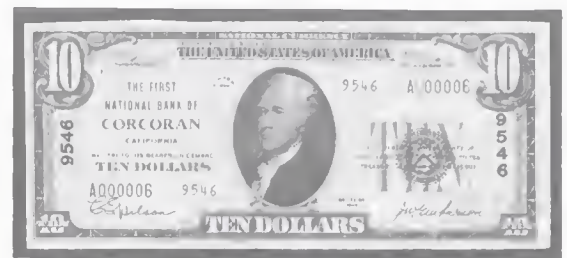

- 28519 Chico, CA - \$10 1929 Ty. 2 First NB of Chico Ch. # 13711

This bank wasn't chartered until 1933 and it only issued Type Two notes. This attractive **Fine** \$10 is likely to be the more affordable of the two notes from this bank here offered, but is still scarce enough and in demand enough to reach or exceed. . . (300-500)

- 28520 Chico, CA - \$20 1929 Ty. 1 First NB of Chico Ch. # 13711

A gorgeous, well centered example that has bright paper and fantastic eye appeal. **Very Fine-Extremely Fine**, and likely one of the nicer looking circulated examples in existence. (450-750)

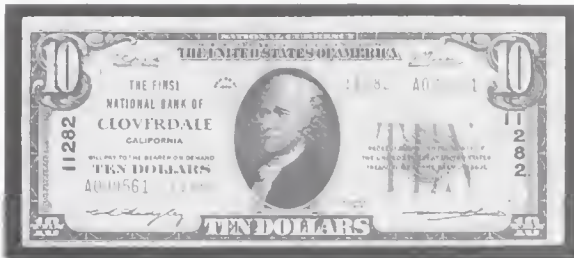

- 28524 Corcoran, CA - \$10 1929 Ty. 2 The First NB Ch. # 9546

A gorgeous piece bearing low serial number A000006, the bottom note from the first sheet of Type 2 examples issued. The first five notes from this sheet are still intact. **Choice Crisp Uncirculated**, by far the nicest note known from this small Kings County community. (1,500-2,500)

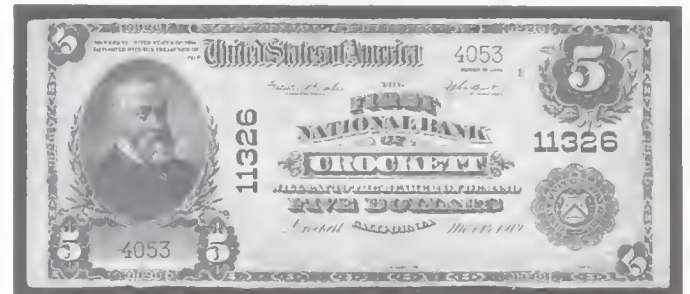

- 28525 Corona, CA - \$10 1929 Ty. 2, \$20 1929 Ty. 1 First National Bank of Corona Ch. # 7867

A nice pair of notes from this popular locale, both grading **Fine**. The \$10 is problem-free for the grade, while the \$20 has the body of a half grade or more finer but has some soiling and a small stain on the back. (Total, 2 notes) (350-450)

- 28521 Cloverdale, CA - \$10 1929 Ty. 2 The First NB Ch. # 11282

Nine small notes are listed in the census from this tougher Sonoma County bank, but not one of them is a Type 2 example. This newly discovered piece is so far unique as a Type 2 note from here. **Fine-Very Fine**. (900-1,400)

- 28526 Crockett, CA - \$5 1902 Plain Back Fr. 606 The First NB Ch. # 11326

Seven large notes are listed in the census from this small one bank Contra Costa County location, with an amazing three being found in the collection we offer here. This example is the nicest of the group, and the highest grade of any of the seven reported notes on the bank. **Fine+++**, likely to reach or exceed... (2,000-3,000)

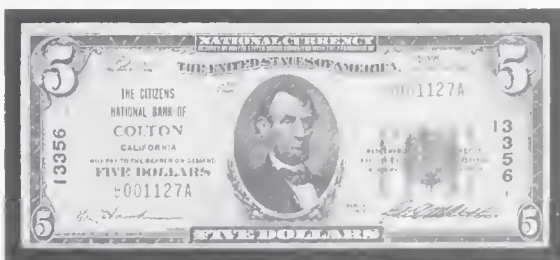

- 28527 Crockett, CA - \$5 1902 Plain Back Fr. 606 The First NB Ch. # 11326

Just a hair lower grade than the other \$5 example from here, and likely to bring just a bit less. **Fine**, with a couple of insignificant spots. (1,750-2,250)

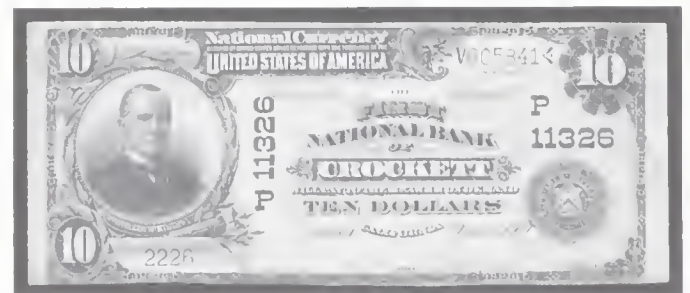

- 28522 Colton, CA - \$5 1902 Plain Back Fr. 600 First NB of Colton Ch. # 3573

This scarce large size-only bank is represented by just over a dozen notes in the census. **Very Good**. (400-600)

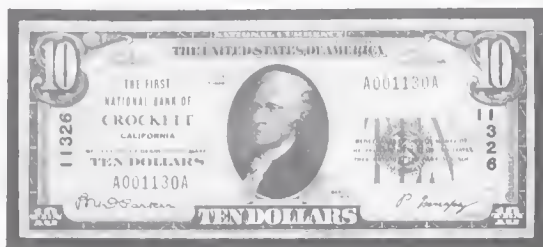

- 28523 Colton, CA - \$5 1929 Ty. 1 Citizens NB of Colton Ch. # 13356

This problem-free **Fine** example is one of just 10 notes reported from this small size-only bank that was chartered in July, 1929. It had only \$47,765 outstanding in 1935 at the end of the National Banking Era, and survivors are seldom offered for sale. (450-650)

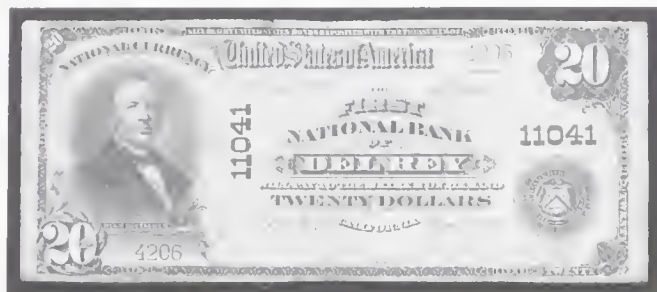

- 28528 Crockett, CA - \$10 1902 Plain Back Fr. 632 The First NB Ch. # (P)11326

The sole \$10 large example, and the only large note to bear the regional letter as well. **Fine**. (1,750-2,250)

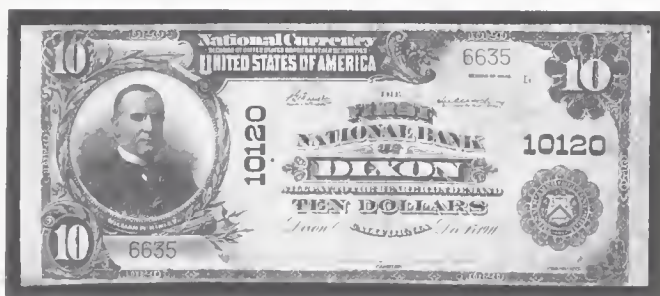

- 28529 Crockett, CA - \$10 1929 Ty. 1 The First NB Ch. # 11326

The sole small example from Crockett in the collection, and a nice one at that. **Very Fine**, with just a touch of soil on the reverse. (750-950)

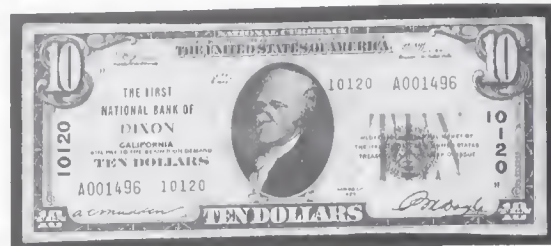

- 28530 Del Rey, CA - \$20 1902 Plain Back Fr. 658 The First NB Ch. # 11041

Twelve notes make up the large size census from this Fresno County community (along with but two small), but of that number close to half are either damaged or so low grade as to be virtually uncollectible. We have never seen a high grade example from here, and it is likely that this newly discovered example may well be the best available, although only grading **Fine**. There is one tiny rust spot at the top margin, but the pen signatures and overall attractive appearance certainly makes up for that tiny flaw. (2,500-3,500)

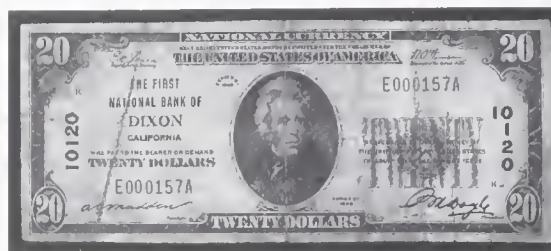

- 28531 Dixon, CA - \$10 1902 Plain Back Fr. 628 First NB of Dixon Ch. # 10120

A very rare Solano County bank that has just three large size examples in the census. Although six public offerings have been recorded in the past sixty years, most have been small size notes. This note, a **Fine** example with some minor restorations, is likely to inspire spirited bidding among the collectors from this state, who do not often get opportunities to own great large size rarities. (3,000-5,000)

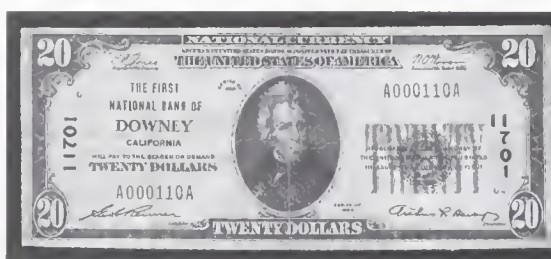

- 28532 Dixon, CA - \$10 1929 Ty. 2 The First NB Ch. # 10120

A very rare Solano County bank from which we are fortunate to have two examples. This piece is the only Type 2 recorded in the census, and may well be the finest of the six small notes known from this one bank community. **Fine-Very Fine**, with a small stain on Hamilton's nose. (1,250-1,750)

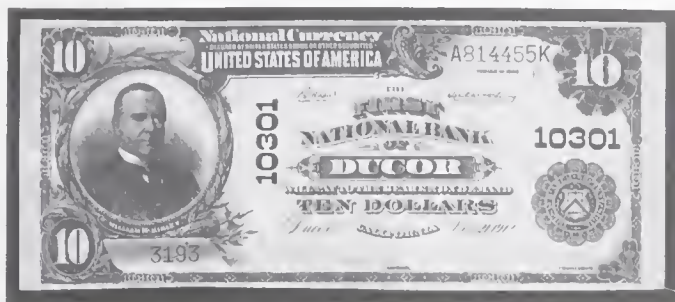

- 28533 Dixon, CA - \$20 1929 Ty. 1 The First NB Ch. # 10120

The last opportunity of the evening (and likely many evenings to come) for a fortunate collector to add this town to his holdings. **Very Good-Fine**. (750-1,250)

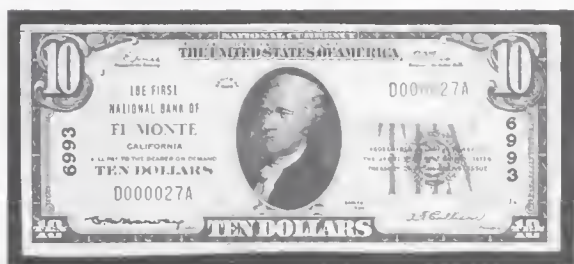

- 28534 Downey, CA - \$20 1929 Ty. 1 First NB of Downey Ch. # 11701

A very scarce one bank community in Los Angeles County. Downey is a town from which Nationals seldom appear. Only eight small size notes are in the census, and only a half dozen public offerings are recorded in our records that cover 60 years of auctions and fixed price lists. **About Fine**, and certainly scarce enough to far surpass our estimate of. . . (650-950)

28535 **Ducor, CA - \$10 1902 Plain Back Fr. 628 The First NB Ch. # 10301**

This bank was the sole issuer in this small Tulare County location, and this is the highest grade of the four large notes which are known from here. The only offering from here since the 1990 Krakover sale came when we sold the Colver example in 1999, which even then realized over \$3500. In a considerably stronger market, expect this **Extremely Fine** beauty to easily reach and perhaps even exceed... (4,500-6,500)

28536 **El Monte, CA - \$10 1929 Ty. 1 First NB of El Monte Ch. # 6993**

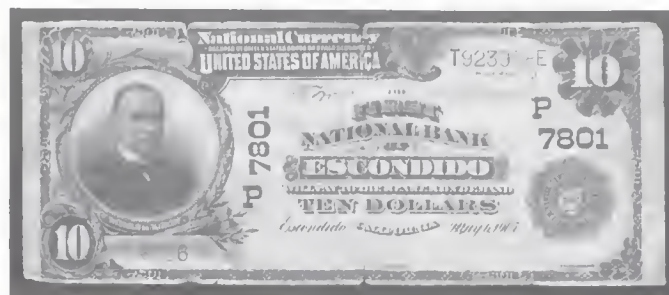

Another rare institution that was the only bank in this Los Angeles County community. Just 11 small size notes are recorded in the census, and this example is well within the top half. **Very Fine-Extremely Fine**. (500-900)

Unique for the Bank and Town

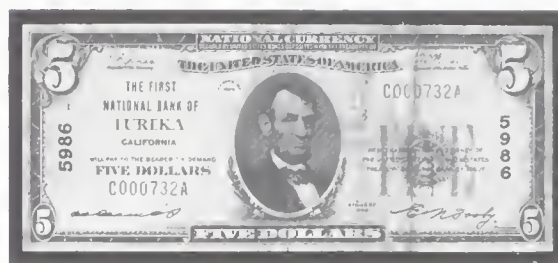

28537 **Emeryville, CA - \$10 1902 Plain Back Fr. 626 The First NB Ch. # (P)9410**

If ever there was a note that represented every California collector's dream National, this is it, as this example combines the ultimate in rarity with the highest in grade and appearance. This note is unique for this Alameda County bank and town, and tonight's offering represents the first appearance of any note from here at public sale ever. Most unusual for a note of its rarity, it is beautiful as well, with bright white paper contrasting with a vivid blue overprint and two color pen signatures. If ever there were a California National that was priceless, this is it, for no amount of money could duplicate this item, which, after tonight, only one collector will be fortunate enough to own. **Choice Crisp Uncirculated**. (27,500-37,500)

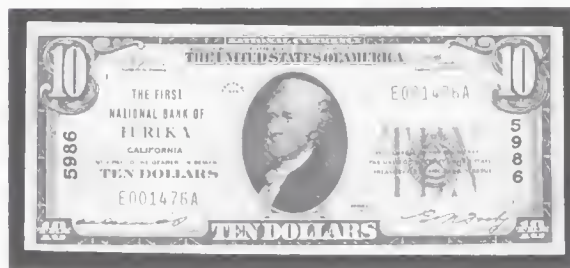

28538 **Escondido, CA - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (P)7801**

A just plain rare San Diego County community which had three issuing banks, one unreported, and two which are almost never available to collectors, with even the Krakover collection lacking even one example from here. This piece, while hardly a beauty, is new to the census, and represents only the fifth time in sixty plus years that any note from here has been available to the collecting fraternity at public sale. **Very Good-Fine**, but with splits at the folds and a couple of small holes at the center. (1,200-1,800)

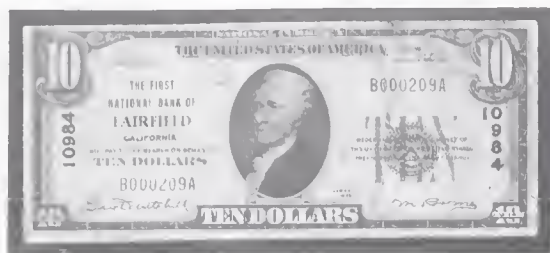

28539 **Eureka, CA - \$5 1929 Ty. 1 First NB of Eureka Ch. # 5986**

Some light soiling is present on the face side of this example, but the body of the note is soundly **Very Fine**. This Humboldt County note will likely prove very popular to California collectors, as this town is always in demand. (250-350)

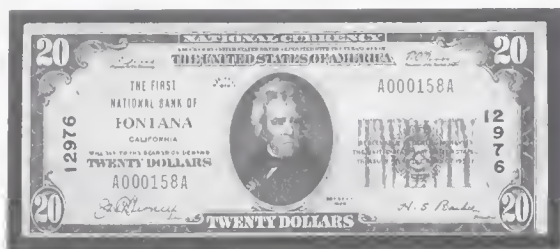

28540 **Eureka, CA - \$10 1929 Ty. 1 The First NB Ch. # 5986**
An attractive note from this Humboldt County bank, which continues to be considerably scarcer in small size than large. **Extremely Fine**. (350-550)

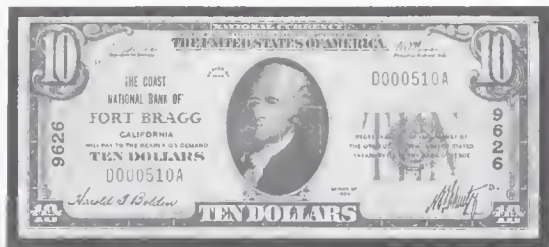

28541 Fairfield, CA - \$10 1929 Ty. 1 First NB of Fairfield Ch. # 10984

A one bank town with a tiny small size-only bank that had a total issue of under \$100,000. This attractive **Fine+++** example, one of only 10 notes in the census, is likely to inspire spirited bidding among the many California collectors. (550-950)

28542 Fontana, CA - \$20 1929 Ty. 1 First NB of Fontana Ch. # 12976

This small size-only bank was the only bank in town and had only \$25,000 outstanding in 1935. Just 14 examples are reported in the census, including this attractive **About Very Fine** example. (550-750)

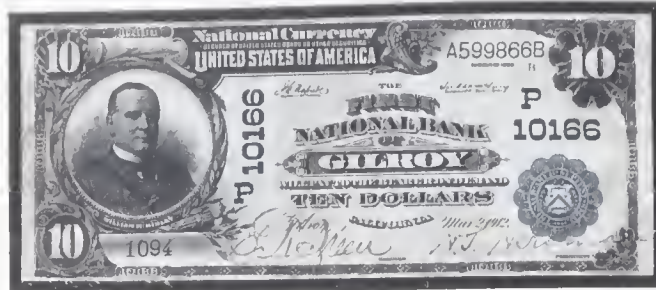

28543 Fort Bragg, CA - \$10 1929 Ty. 1 Coast NB of Fort Bragg Ch. # 9626

A rare bank from this Mendocino County bank that reports just nine small size notes in the census. **Fine**, a little aged but still very acceptable for this scarce bank. (550-750)

28544 Fullerton, CA - \$5 1929 Ty. 1 First NT & SB of Fullerton Ch. # 12764

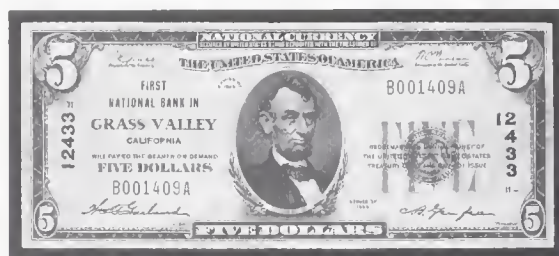

Although this bank was originally chartered in 1925, it did not issue Nationals until 1927. This **Very Good-Fine** small size \$5 is problem-free for the grade save for a few unobtrusive pinholes near the left end. (200-300)

Unique for the Town

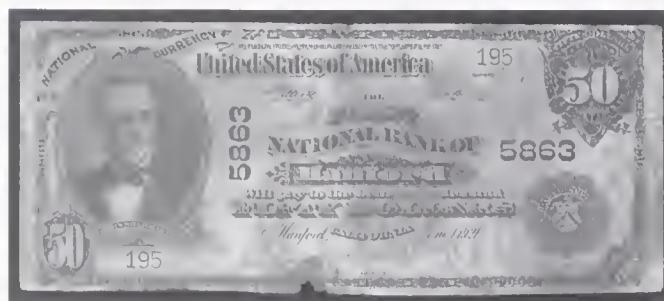

28545 Gilroy, CA - \$10 1902 Date Back Fr. 620 The First NB Ch. # (P)10166

A wonderful note which is one of the fabled rarities of California Nationals. It comes from the only bank chartered in this small Santa Clara County farm community, whose bank lasted less than six years before liquidating in 1918. This is the sole note which has survived. It has been available at public sale to collectors just once, when it was sold as lot 104 of the Krakover collection in 1990, after which it became a part of the collection we are now selling tonight. Phil Krakover paid what was then an outlandish price to obtain this unique note, and we have no doubt this evening that this lovely pen signed **Very Fine** trophy note will fetch another record price. (20,000-30,000)

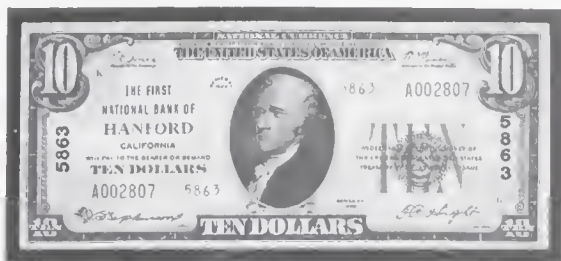

28546 Grass Valley, CA - \$5 1929 Ty. 1 The First NB Ch. # 12433

A nice grade example from this much sought after northern California bank. Despite over 25 notes reported in the census, our total of offerings of any kind from here since 1944 is only nine, indicating just how closely held these notes truly are. **Very Fine**. (900-1,400)

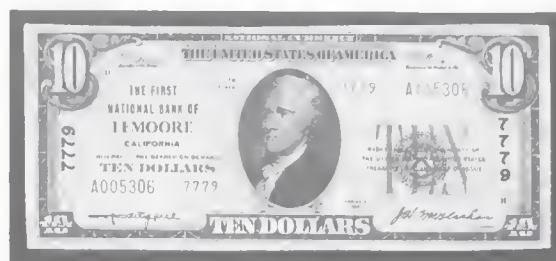

28547 Hanford, CA - \$50 1902 Plain Back Fr. 683 The First NB Ch. # 5863

This is actually a very scarce bank in large size, with just five such examples recorded in the census, and, while this specimen in no prize when it comes to grade, it is not the worst of the group either. It's also one of just two large fifties known from here as well. **Good-Very Good**, with considerable discoloration and a bit of rust erosion at the bottom. (600-900)

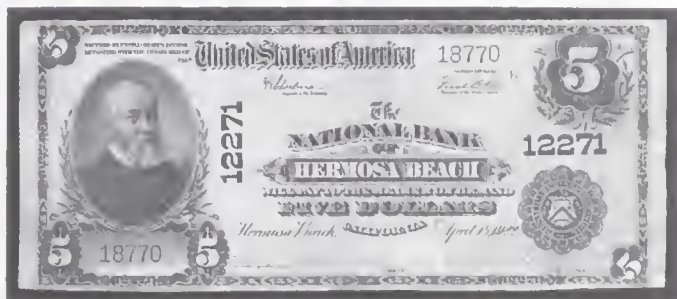

28548 Hanford, CA - \$10 1929 Ty. 2 First NB of Hanford Ch. # 5863

This example is new to the census, which currently numbers 20 small size notes from here. **Very Fine**. (400-600)

28552 Lemoore, CA - \$10 1929 Ty. 2 First NB of Lemoore Ch. # 7779

A lovely **Very Fine** type two \$10 with bright, crisp paper and broad margins. (400-600)

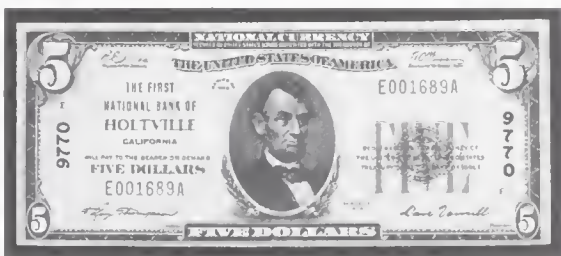

28549 Hermosa Beach, CA - \$5 1902 Plain Back Fr. 609 The NB of Hermosa Beach Ch. # 12271

A nice example from this avidly collected Los Angeles County community. Nice **Fine-Very Fine**, a new piece to the census, and sporting a Vice Presidential signature. (1,500-2,000)

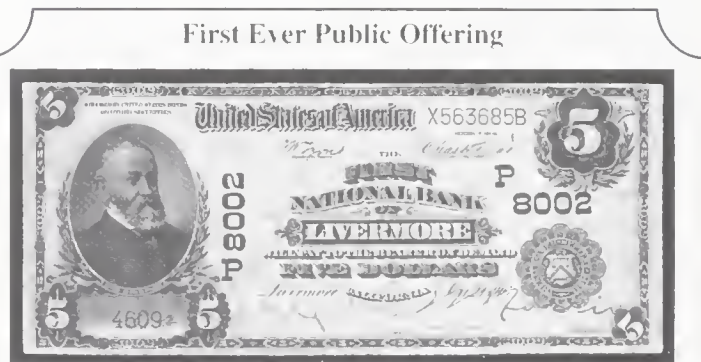

28553 Lemoore, CA - \$20 1929 Ty. 1 First NB of Lemoore Ch. # 7779

This bank was the only bank in town and is extremely rare in large size, making small size notes from here virtually the only representatives available to collectors. **Fine-Very Fine**. (300-500)

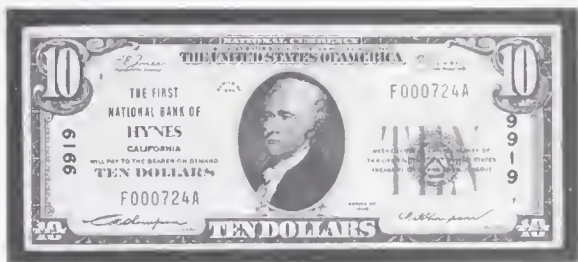

28550 Holtville, CA - \$5 1929 Ty. 1 The First NB Ch. # 9770

A very scarce Imperial County bank which was the sole issuer here. Despite three large and eight small notes in the census, offerings from here have been few and far between, with the count standing at just six in the past sixty years. Nice **Very Fine-Extremely Fine**. (1,000-1,500)

28554 Livermore, CA - \$5 1902 Plain Back Fr. 599 The First NB Ch. # (P)8002

One of the highlights of this collection, and one of California's great rarities, as no example from this bank or town has ever been offered to this state's many collectors at public sale. Three notes are known, including this specimen, with the other two having been impounded in collections for generations. Expect some stiff competition before the hammer falls on this pretty **Very Fine** example, as only one fortunate collector can add this new town to his holdings this evening. (8,000-12,000)

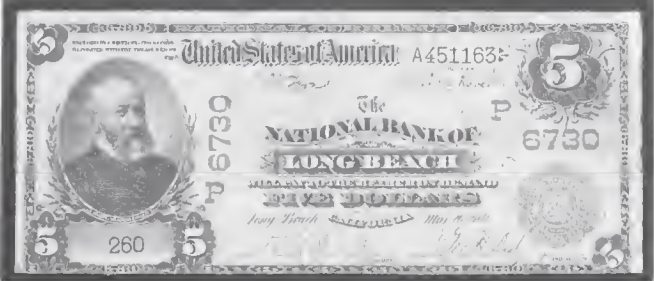

28551 Hynes, CA - \$10 1929 Ty. 1 First National Bank of Hynes Ch. # 9919

A rare Los Angeles County bank that was the only bank in this community and had just \$24,650 outstanding in 1935. The state census lists 11 small size notes from here. **Very Fine**, with one tiny spot on the back in the margin near the bottom edge. (750-1,050)

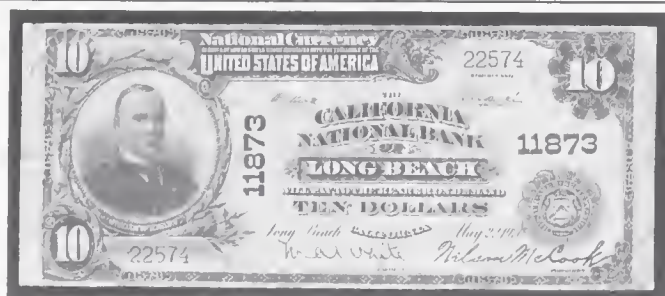

- 28555 Lodi, CA - \$50 1902 Plain Back Fr. 684 The Citizens NB Ch. # (P)12112

A scarcer San Joaquin County note from a bank which issued large examples only before closing in 1925. Of the eight pieces known, two are so poor as to be uncollectible, making it no surprise when our records disclose that the last public offering of any kind from here came back in the Krakover collection sale of 1990. This lovely high denomination piece is up there as either the finest or second finest example reported from the bank. Pen signed **Very Fine+**, a real winner. (2,000-3,000)

- 28556 Long Beach, CA - \$5 1902 Red Seal Fr. 587 The NB of Long Beach Ch. # (P)6730

A great southern California Red Seal which is new to the census and offered here to the collecting community for the first time. Even the massive Colver collection contained only one note from this very scarce bank, with that a terribly low grade Blue Seal. It has been a full generation since any Red Seal from this avidly collected location has been available to the collecting public, so expect some serious competition before the hammer falls on this item tonight. Pen signed **About Fine**, the bottom a bit close but with a sharp red overprint that considerably enhances this rarity. (4,000-6,000)

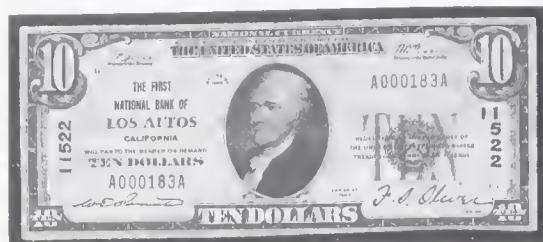

- 28557 Long Beach, CA - \$10 1902 Plain Back Fr. 633 The California NB Ch. # 11873

A popular location and a bank which is by no means common in large size **About Fine**, with strong signatures. (500-800)

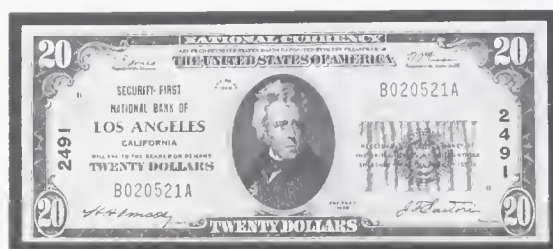

- 28558 Long Beach, CA - \$10 1929 Ty. 1, \$20 1929 Ty. 1 California NB of Long Beach Ch. # 11873

A nice pair from this home of one of the largest and most important coin shows. Both notes grade **Fine**, but the \$20 has a couple of rust spots. (Total: 2 notes) (250-350)

- 28559 Los Altos, CA - \$10 1929 Ty. 1 The First NB Ch. # 11522

A very scarce Santa Clara County bank, from an area with many more collectors than there are notes to satisfy them. **Fine**. (850-1,250)

- 28560 Los Angeles, CA - \$20 1929 Ty. 1 Security-First NB of Los Angeles Ch. # 2491

A bank which issued under three titles, with its 1929 printing being limited to this, the last of the three. **Crisp Uncirculated**. (100-200)

- 28561 Los Angeles, CA - \$5 1929 Ty. 1 Security-First NB Ch. # 2491

A very nice **Choice-Gem Crisp Uncirculated** note that has all the elements to be a Gem but the centering. (150-200)

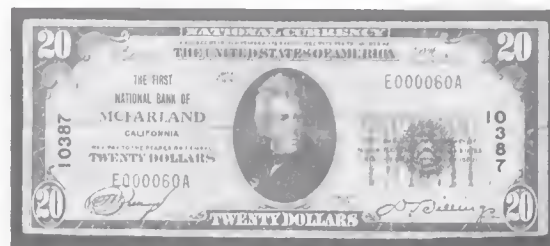

- 28562 Los Angeles, CA - \$10 1902 Plain Back Fr. 635 NB of Commerce of Los Angeles Ch. # 12755

This bank, chartered in 1925, didn't have much time to issue large size notes under its second title, and less than ten examples are recorded in the census. **Very Good**, with the body of a higher grade but with one repaired edge tear and tight margins at the top and bottom. (200-300)

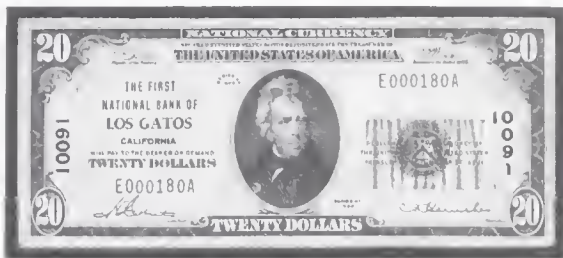

28563 **Half Dozen Small Size Los Angeles Notes.**

Los Angeles, CA - \$5 1929 Ty. 1, \$20 1929 Ty. 1 Security-First NB Ch. # 2491 Fine, VF
 Los Angeles, CA - \$10 1929 Ty. 2, \$20 1929 Ty. 2 Citizens NT & SB Ch. # 5927 Fine, VF
 Los Angeles, CA - \$20 1929 Ty. 2 Farmers & Merchants NB Ch. # 6617 Fine, writing on front near portrait
 Los Angeles, CA - \$10 1929 Ty. 1 Seaboard NB Ch. # 12545 VF
 (Total: 6 notes) (250-350)

28567 **McFarland, CA - \$20 1929 Ty. 1 The First NB Ch. # 10387**

This Kern County bank, the sole issuer here, is just plain scarce, with six of the nine small notes tied up in one uncut sheet. Since large examples from here are basically uncollectible, that leaves just three notes on the bank for collectors to fight over. The last offering of any kind from here came back in our 1999 sale of the Colver collection. Nice Fine-Very Fine. (1,200-1,800)

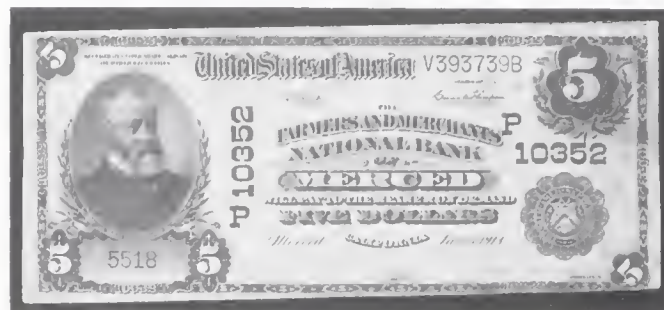

28564 **Los Gatos, CA - \$20 1929 Ty. 1 The First NB Ch. # 10091**

A very much in demand Santa Clara County bank. Expect this high grade \$20 Type 1, one of only two in the census, to be the focus of several bidders tonight. **Extremely Fine.** (800-1,300)

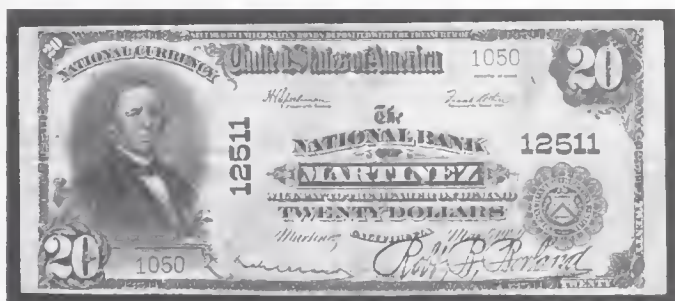

28565 **Martinez, CA - \$5 1902 Plain Back Fr. 600 The First NB of Contra Costa County at Martinez Ch. # (P)8692**

Low grade, but from a tough bank with only eight notes in the census. Well circulated but intact **Very Good.** (650-950)

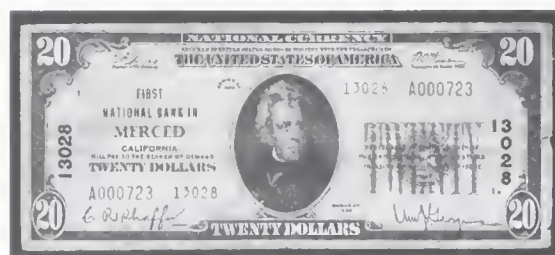

28568 **Merced, CA - \$5 1902 Plain Back Fr. 603 The Farmers & Merchants NB Ch. # (P)10352**

Large notes only from this bank, with most all of the known examples from this avidly collected community having been tightly held for many years. This is only the fourth opportunity collectors have had in over six decades to add a note from this bank to their holdings at public sale. Nice Fine+++. (2,500-3,500)

28566 **Martinez, CA - \$20 1902 Plain Back Fr. 661 The NB of Martinez Ch. # 12511**

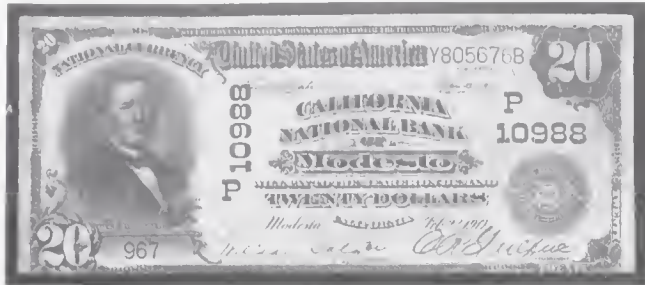

A short lived bank which issued for just three years before bowing out in 1927. This is a truly scarce bank which is represented by just four notes, including this example, in the census and has had but three offerings during the past sixty years. **Very Fine**, with just the barest touch of light aging. (3,250-5,250)

28569 **Merced, CA - \$20 1929 Ty. 2 First NB Ch. # 13028**

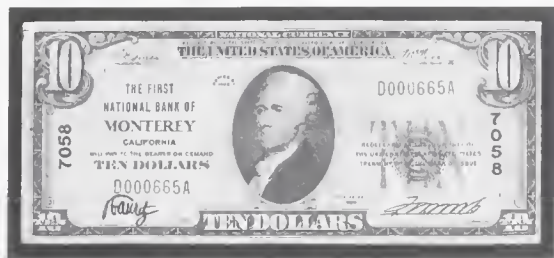

Despite four issuing banks, notes from this agricultural community have always been difficult to obtain, with offerings few and far between. This nice **Fine-Very Fine** example is one of only three pieces from this location we have handled in thirty years...and that includes the large example offered above. (900-1,400)

Unique for the Bank

- 28570 **Modesto, CA - \$20 1902 Plain Back Fr. 658 California NB Ch. # (P)10988**

A great California rarity from a bank which lasted barely four years before the receiver arrived early in 1921. This note is unique to the bank, and has not been on the market since it became part of this collection in its lone prior public offering in January of 1974. Rarities of this magnitude are seldom available, particularly from hotly contested states such as California, so any estimate is but a speculation, but if rarity, desirability and opportunity are any guide, expect this pleasing pen signed **Fine++** example to reach and likely exceed the five figure mark early in the bidding. (10,000-15,000)

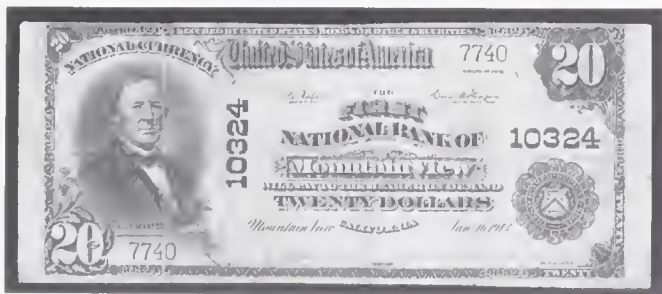

- 28571 **Monterey, CA - \$10 1929 Ty. 1 First NB of Monterey Ch. # 7058**

A problem-free **Fine** example from this ever-popular coastal community. (350-550)

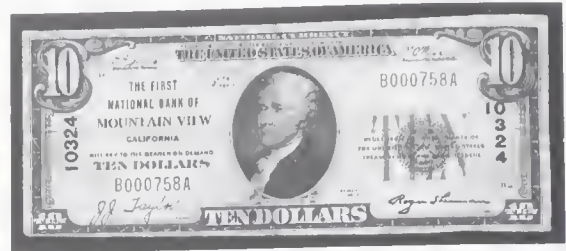

- 28572 **Monterey, CA - \$20 1929 Ty. 1 First NB of Monterey Ch. # 7058**

Well worn but still quite solid for the grade. **Very Good**, but an attractive representative from this highly-collected one bank town. (250-350)

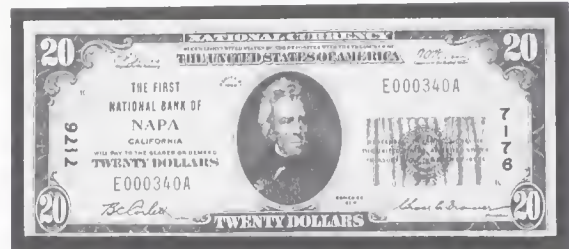

- 28573 **Mountain View, CA - \$20 1902 Plain Back Fr. 655 The First NB Ch. # 10324**

A very hard to find Santa Clara County bank, particularly in large. **Fine**. (1,500-2,500)

- 28574 **Mountain View, CA - \$10 1929 Ty. 1 The First NB Ch. # 10324**

Almost as tough in small size, with only nine such examples recorded in the census. **Fine+**. (750-1,250)

- 28575 **Napa, CA - \$20 1929 Ty. 1 First NB of Napa Ch. # 7176**

Although the census lists 84 small size notes from this bank, the only issuer of Nationals in town, examples from here are extremely popular and usually bring quite a premium when offered. **Extremely Fine** and problem-free for the grade. (250-450)

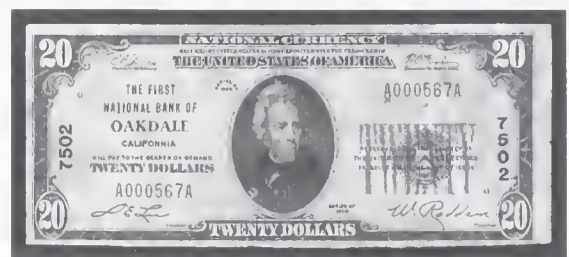

- 28576 **Napa, CA - \$20 1929 Ty. 2 First NB of Napa Ch. # 7176**

A much scarcer type two from here. **Very Good** with a small edge split at the top center. (150-250)

- 28577 **Oakdale, CA - \$5 1929 Ty. 2 First NB of Oakdale Ch. # 7502**

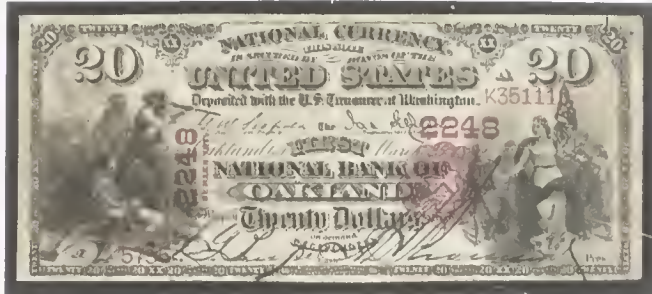

Fine+, a nice type two from here. (300-500)

- 28578 **Oakdale, CA - \$20 1929 Ty. 1 First N of Oakdale Ch. # 7502**

A nice Stanislaus County note that is one of just two dozen small size notes listed in the census. **Fine-Very Fine** with a little honest soiling from circulation. (350-550)

California First Charter Twenty
One of Six Non-Gold Bank Notes Known

- 28579 **Oakland, CA - \$20 1875 Fr. 434 The First NB Ch. # 2248**

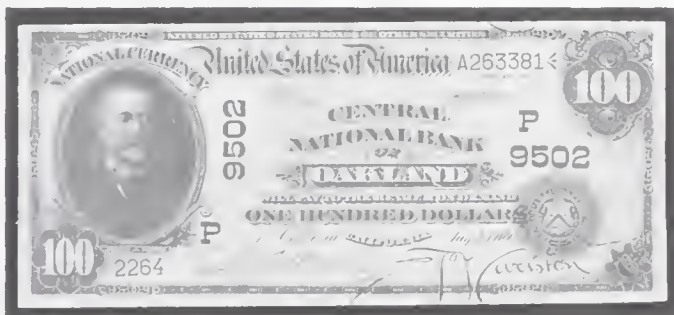

One of the treasures of this extraordinary collection, as this is one of only six recorded \$20 First Charter non-Gold Bank examples known from the entire state, and is either the nicest or the second nicest in the census as well. The note is very bright, with vivid colors, strong signatures, and good borders all around. Expect this **Very Fine** rarity to reach or exceed... (25,000-35,000)

- 28580 **Oakland, CA - \$5 1902 Plain Back Fr. 600 Central NB of Oakland Ch. # 9502**

A nice problem-free **Fine** large size example that should fit nicely into any Bay Area collection. (150-250)

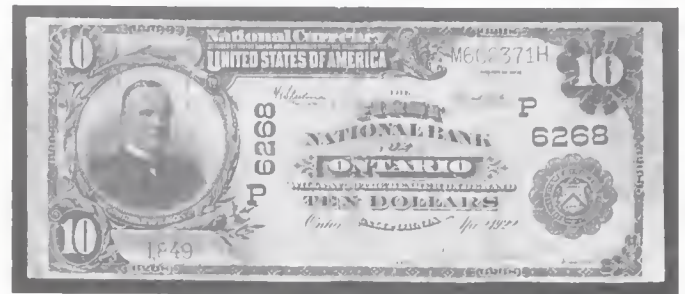

- 28581 **Oakland, CA - \$10 1902 Plain Back Fr. 626 Central NB Ch. # 9502**

Nice **Very Fine**, with engraved signatures. (125-175)

- 28582 **Oakland, CA - \$100 1902 Date Back Fr. 691 Central NB Ch. # (P)9502**

A rare type and denomination from this bank (where the census shows just two large hundreds known) and the state as a whole, where the census shows fewer than seventy notes from all banks combined. This is a most attractive piece, with a few minor pinholes and a couple of tiny edge splits more than offset by the bright colors, broad margins, and strong signatures that this piece displays. Nice **Very Fine**. (1,400-1,900)

- 28583 **Ontario, CA - \$10 1902 Plain Back Fr. 635 First NB of Ontario Ch. # (P)6268**

A nice problem-free **Very Good** example from this "fourth charter" 1922 dated issue. One signature is still clear and bold. (550-750)

- 28584 **Ontario, CA - \$20 1902 Plain Back Fr. 661 The Citizens NB Ch. # 13092**

A very scarce bank in large size, with just five examples now recorded including this piece, which is new to the census. Two of the four pieces listed in the census are wretched, including the Colver collection piece, which graded Fair and was the best that Charley could find in thirty years of searching. **Very Good**, with some staining at the top. (800-1,200)

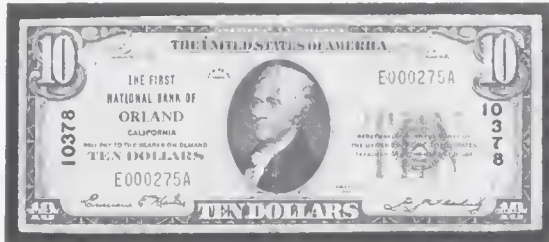

- 28585 **Orange Cove, CA - \$5 1902 Plain Back Fr. 607 The First NB Ch. # 11616**

A very scarce bank in large size, with just six notes recorded in the census, including this example. **Fine+**, the bottom margin trimmed a bit close. (2,500-4,500)

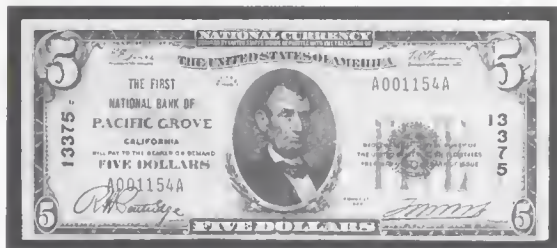

28586 Orange Cove, CA - \$5 1929 Ty. 2 The First NB Ch. # 11616

A nice companion to the large example offered above, and much in demand for its most unusual town name. This high grade piece is new to the census. **Extremely Fine.** (900-1,300)

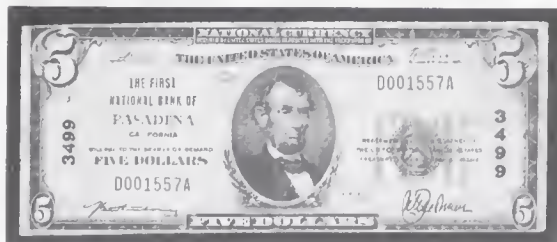

28587 Orland, CA - \$10 1929 Ty. 1 The First NB Ch. # 10378

A rare bank which was the sole issuer in this rural community, located in remote Glenn County. Our records show only five offerings of any kind from here during the past sixty years, with the last one coming almost seven years ago in our September, 1996 auction. **Fine.** (1,250-1,750)

28588 Pacific Grove, CA - \$5 1929 Ty. 1 First NB of Pacific Grove Ch. # 13375

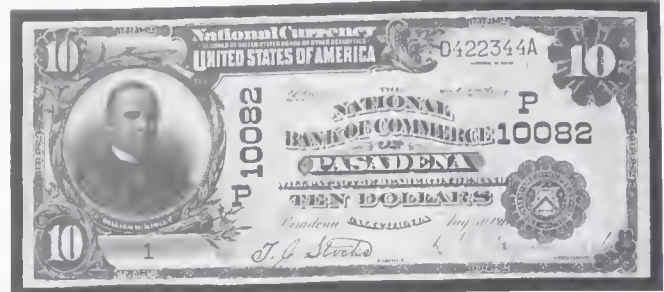

Although not rare with 45 notes listed in the census, this small size-only bank is another rather common bank that has been an uncommon note on the market in recent years. **Fine.** (400-600)

28589 Pasadena, CA - \$5 1929 Ty. 1 First NB of Pasadena Ch. # 3499

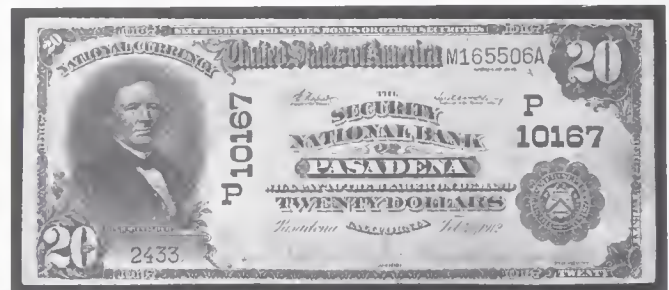

The census records 19 small size notes from this bank, but most are tightly held as it has been more than three years since the last was publicly offered. **Fine.** (250-450)

Serial Number 1 Pasadena Note

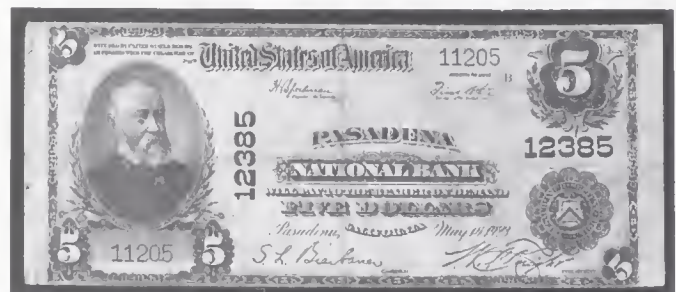

28590 Pasadena, CA - \$10 1902 Date Back Fr. 620 The NB of Commerce Ch. # (P)10082

A spectacular serial number one example which is certain to satisfy the most demanding of collectors. Only four notes are known from here with this title, used for less than three years at the beginning of the bank's issue, with even the massive Colver collection lacking any example with this nomenclature. Pen signed **About Uncirculated**, a great Pasadena note fit for the finest of collections. (6,000-9,000)

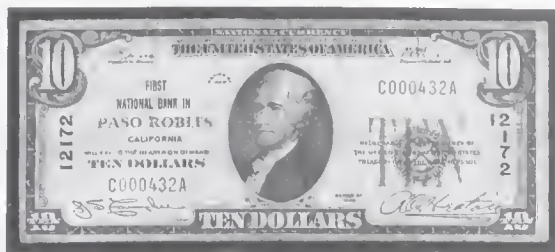

28591 Pasadena, CA - \$20 1902 Date Back Fr. 646 The Security NB Ch. # (P)10167

A scarcer type and denomination from this otherwise available bank, with this the only Date Back \$20 in the census. Pleasing **Very Fine.** (700-900)

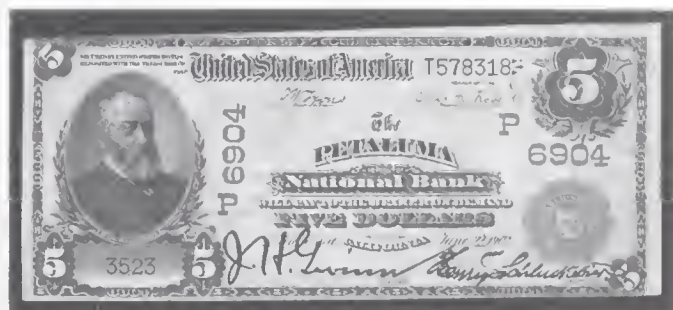

28592 Pasadena, CA - \$5 1902 Plain Back Fr. 609 Pasadena NB Ch. # 12385

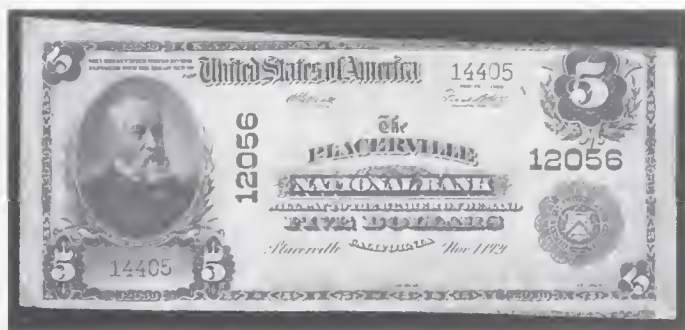

Only a dozen large size survivors are documented from this scarce but popularly collected bank, and examples aren't available very often for collectors to add to their holdings. This note, new to the census, is a solid **Fine** that is basically problem-free for the grade. (750-1,250)

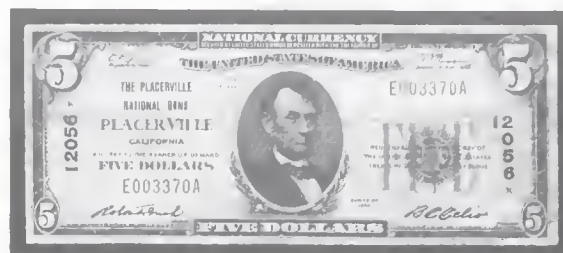

- 28593 Paso Robles, CA - \$10 1929 Ty. 1 First NB Ch. # 12172
A much in demand San Luis Obispo County bank, and one which is seldom available. Evenly circulated **Fine**. (900-1,300)

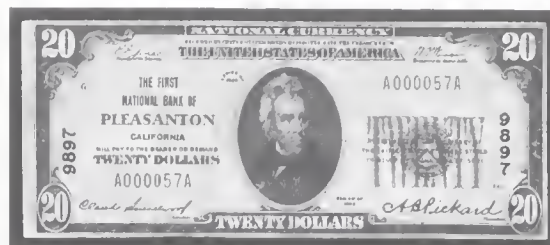

- 28594 Petaluma, CA - \$5 1902 Red Seal Fr. 587 The Petaluma NB Ch. # (P)6904
Four Red Seals are known from this bank, three of them serial number 1 examples, making this the only non-number 1 Red Seal in the census. Any small town California Red Seal is a desirable item, and this Sonoma County Red Seal is certain to be a highly popular note. **Very Fine-Extremely Fine**, the bottom trimmed just a bit close but not into the design. ex-Philip Krakover sale lot 351. (4,000-7,000)

- 28595 Placerville, CA - \$5 1902 Plain Back Fr. 608 The Placerville NB Ch. # 12056
An always popular Gold Rush community located in aptly named El Dorado County. **Fine**, but cut poorly, typical of most all of the notes we've seen from here. ex-Krakover collection sale, lot 358. (900-1,200)

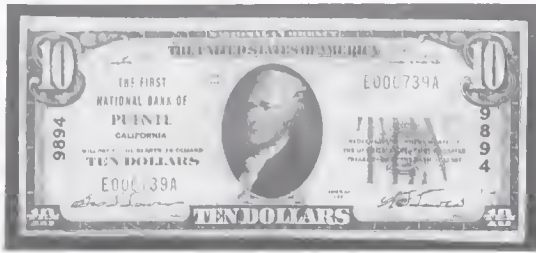

- 28596 Placerville, CA - \$5 1929 Ty. 1 Placerville NB Ch. # 12056
Fine, one of just 11 small size notes from this one bank town in the census. A scarce bank that is usually a couple of years between appearances. (650-950)

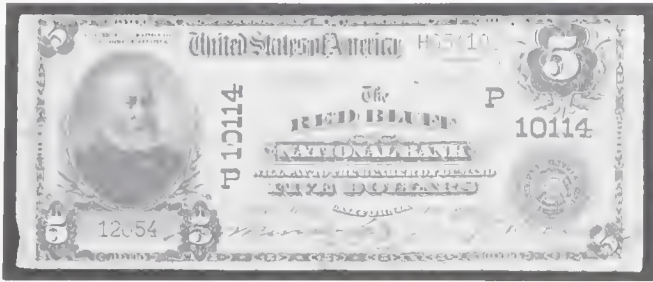

- 28597 Pleasanton, CA - \$20 1929 Ty. 1 The First NB Ch. # 9897
A very scarce Alameda County note from the only bank here to issue. Despite a small total number of sheets emitted from here, this institution elected to change type faces in the middle of its issue. This piece bears the first style used by the bank. **Very Fine**. (800-1,400)

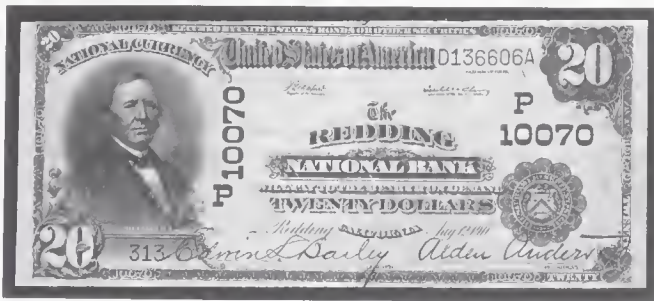

- 28598 Pleasanton, CA - \$20 1929 Ty. 1 The First NB Ch. # 9897
This example bears the second title layout selected by the bank. According to the California census, the pair of twenties offered here are the only two notes of this type and denomination known from here, save for a number 1 \$20 uncut sheet. **Very Fine+++**. (900-1,500)
- 28599 Pomona, CA - \$5 1929 Ty. 1 (2) First NB of Pomona Ch. # 3518
A nice pair of notes that both grade **Very Good** and are problem-free representatives of this Los Angeles County bank. (Total: 2 notes) (250-350)

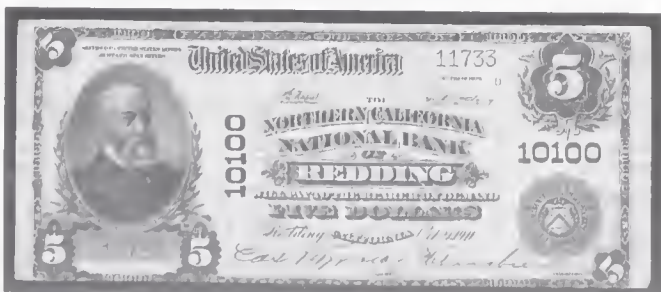

- 28600 **Puente, CA - \$10 1929 Ty. 1 First NB of Puente Ch. # 9894**
A few tiny rust stains on the back of this note do not impair its appeal as a scarce small size example from this one-bank town. **Fine.** (300-500)

- 28601 **Red Bluff, CA - \$5 1902 Plain Back Fr. 602 The Red Bluff NB Ch. # (P)10114**
An exceptionally rare note from the sole bank to issue in this remote northern California county. Only seven notes are known from the bank, covering both of its issuing titles, and, even more important, our records show no offerings whatever from here at public sale since 1990. This bank was missing from both the Krakover and Colver collections, making its appearance tonight an unusual opportunity for this state's many collectors to acquire a note from this hitherto unobtainable location. **About Fine**, with strong signatures. (2,000-4,000)

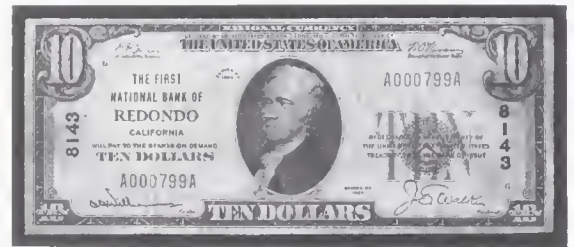

- 28602 **Redding, CA - \$20 1902 Date Back Fr. 646 The Redding NB Ch. # (P)10070**
A lovely example from this none too common bank which issued large notes only. This is the sole \$20 Date Back in the census. **Very Fine+**. (1,200-1,800)

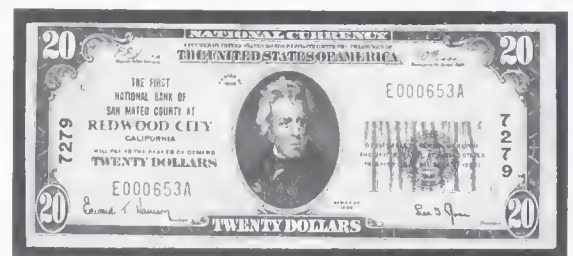

- 28603 **Redding, CA - \$5 1902 Plain Back Fr. 602 The Northern California NB Ch. # 10100**
A scarcer large size note from this tough Shasta County bank. Nice **Very Fine**, the bottom margin a bit trimmed in, as nice or nicer than any of the ten large examples from this institution listed in the census. (1,200-1,800)
- 28604 **Redding, CA - \$5 1902 Plain Back Fr. 602 The Northern California NB Ch. # 10100**
A slightly lower grade but still quite attractive example. Pen signed **Fine**. (800-1,300)

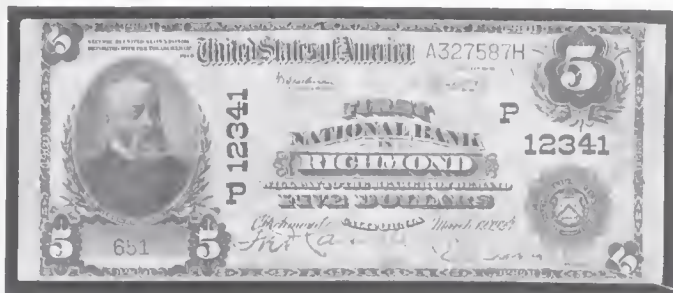

- 28605 **Redding, CA - \$5 1929 Ty. 1 Northern California NB of Redding Ch. # 10100**
A problem-free **Fine+** example from this scarce and highly collectible bank. (250-450)

- 28606 **Redondo, CA - \$10 1929 Ty. 1 First NB of Redondo Ch. # 8143**
A nice **Fine-Very Fine** small size note that is likely to stir competitive bidding among Los Angeles area collectors. (450-750)
- 28607 **Redwood City, CA - \$5 1929 Ty. 1, \$10 1929 Ty. 1 First NB of San Mateo County at Redwood City Ch. # 7279**
A nice circulated pair, both **Fine**. (Total: 2 notes) (350-550)
- 28608 **Redwood City, CA - \$10 1929 Ty. 1 First NB of San Mateo County at Redwood City Ch. # 7279**
A nice companion piece to the \$20 also here offered. **Very Fine**. (200-400)

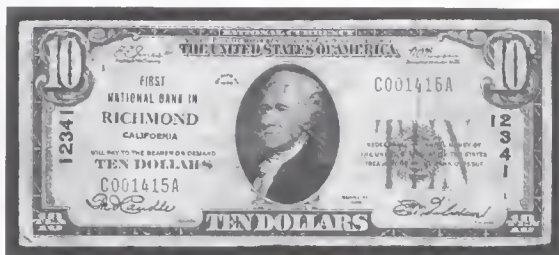

- 28609 **Redwood City, CA - \$20 1929 Ty. 1 First NB of San Mateo County at Redwood City Ch. # 7279**
Not at all a rare bank, but always popular due to strong local appeal. **Very Fine+**. (200-400)

- 28610 **Richmond, CA - \$5 1902 Plain Back Fr. 609 First NB**
Ch. # (P)12341

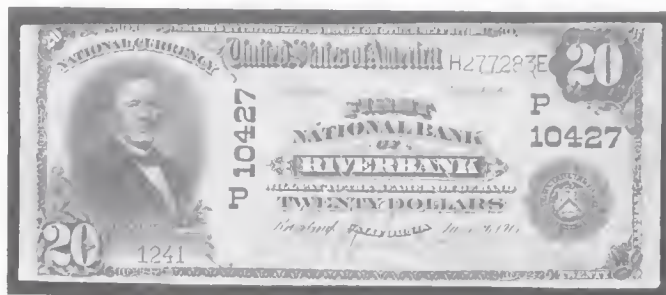

As nice a large note as we've ever seen from this northern California bank. **Fine-Very Fine**, with bright purple signatures. (600-900)

- 28611 **Richmond, CA - \$10 1929 Ty. 1 First NB in Richmond**
Ch. # 12341

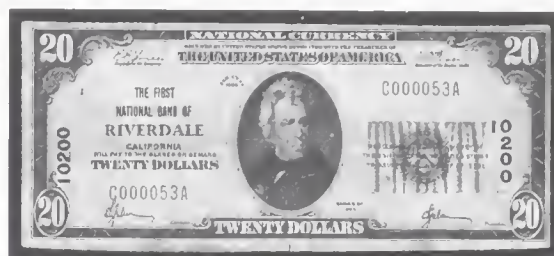

A lovely small size Ten from a Contra Costa County bank that was the only small size issuer of the two banks in town. A dozen notes are reported by Kelly, but they hardly ever appear on the market. **Fine-Very Fine**. (350-650)

Unique for the Bank and Town

- 28612 **Riverbank, CA - \$20 1902 Plain Back Fr. 656 First NB**
Ch. # (P)10427

Another amazing note from this collection, as this Stanislaus County example is unique both for the town and the bank. This represents the first opportunity this state's collectors have had to add this unique note to their collections. What it will realize tonight is hard to say, but, whatever the final number, where can another be obtained at any price. Nice **Fine**, with two color signatures. (17,500-32,500)

- 28613 **Riverdale, CA - \$20 1929 Ty. 1 The First NB Ch. #**
10200

A great note from one of the most thinly capitalized banks in the state. This Fresno County community is represented by only one bank, which has just two notes recorded in the census, one large and one small. This is the small note. There have been no opportunities for collectors to obtain any note from here since the dispersal of the Krakover collection in 1990, and this evening may represent the last chance for any of this generation's collecting fraternity to acquire a note from here for many years to come. Pleasing **Fine+**, difficult to estimate in today's market, but if rarity and desirability are any guide, likely to reach and even exceed... (4,000-8,000)

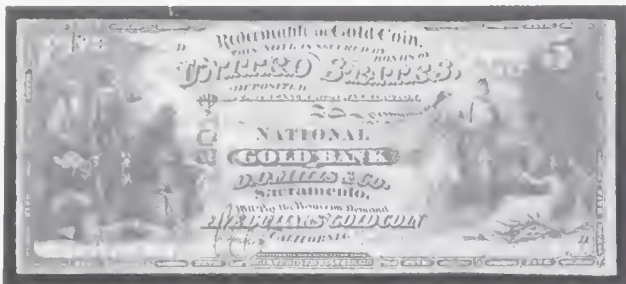

- 28614 **Riverside, CA - \$5 1902 Plain Back Fr. 600 The Citizens NT & SB Ch. # 8907**

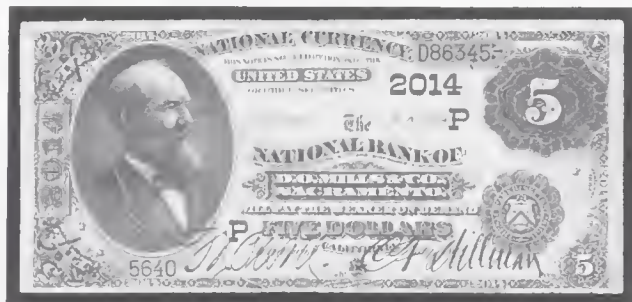

A much scarcer title in large size, with just eight notes, all fives, recorded in the census. Pen signed **Fine-Very Fine**, with just a bit of light staining. (500-900)

- 28615 Riverside, CA - \$5 1929 Ty. 1, \$10 1929 Ty. 1 Citizens NT & SB of Riverside Ch. # 8907
A nice circulated pair from this bank's second title, both Fine-Very Fine. (Total: 2 notes) (150-250)
- 28616 Riverside, CA - \$10 1929 Ty. 1 The Citizens NT & SB Ch. # 8907
Evenly circulated Fine-Very Fine. (125-175)

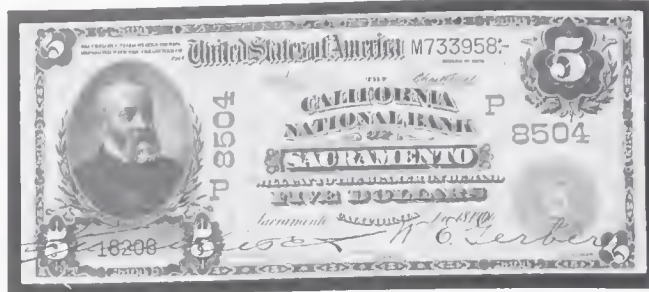

Lovely Sacramento National Gold Bank Note

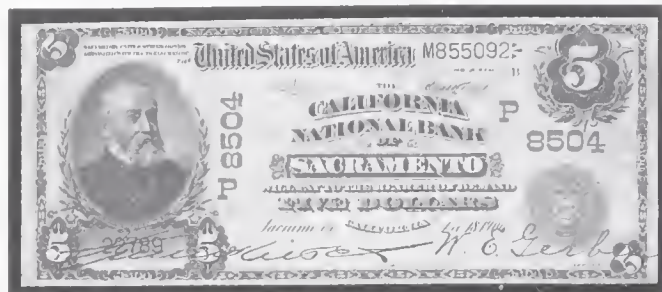

- 28617 Sacramento, CA - \$5 Original National Gold Bank Note Fr. 1138 The National Gold Bank of D O Mills & Co. Ch. # 2014
A simply exceptional National Gold Bank Note that is tied for second finest of any of the \$5 Sacramento National Gold Bank Notes known. We sold a similarly graded example back in September of 2000 that realized \$15,400 (on a \$7000-12000 pre-sale estimate) and we would not be at all surprised if this absolutely problem free **Very Fine** example brought that amount or more this evening. (12,500-17,500)

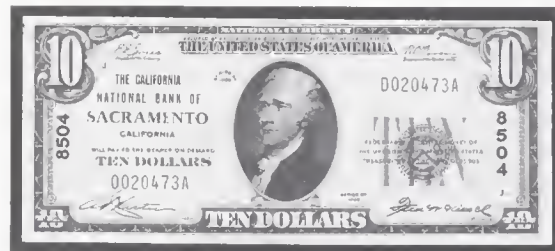

- 28618 Sacramento, CA - \$5 1882 Date Back Fr. 533 The NB of D.O. Mills & Co. Ch. # (P)2014
A rare type and denomination from this much sought after bank, with this example one of only two \$5 Date Backs recorded in the California census from here. Pleasing **Fine-Very Fine**, with bold signatures. (1,200-1,600)

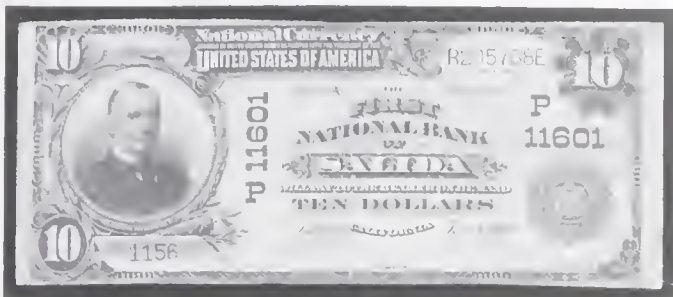

- 28619 Sacramento, CA - \$5 1902 Red Seal Fr. 589 The California NB Ch. # (P)8504
A gorgeous note that is by a huge margin the finest Red Seal known from this bank. Bright **Extremely Fine**, with an exceptionally vivid red overprint. A great Red Seal which is fit for the finest of collections. (3,500-6,500)

- 28620 Sacramento, CA - \$5 1902 Red Seal Fr. 589 The California NB Ch. # (P)8504
A second Red Seal from this outstanding collection, a significant note on its own but somewhat overshadowed by the high grade piece above. This example is not significantly lower grade, with a bright red overprint, bold black signatures, and a very pleasing overall appearance. Nice **Fine-Very Fine**. (2,000-4,000)

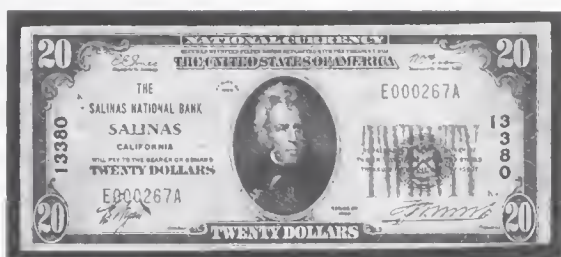

- 28621 Sacramento, CA - \$10 1929 Ty. 1 The California NB Ch. # 8504
A crackling fresh state capital example. There is one tiny handling mark, but this piece still easily merits the **Gem Crisp Uncirculated** grade. (200-300)
- 28622 Sacramento, CA - \$10 1929 Ty. 1 (2), \$20 1929 Ty. 1 California National Bank of Sacramento Ch. # 8504
A trio of state capital notes, the two \$10s **Very Fine** and the \$20 **Fine-Very Fine**. (Total: 3 notes) (175-325)
- 28623 Sacramento, CA - \$10 1929 Ty. 1 (2) Capital NB of Sacramento Ch. # 10107
A nice pair of small size notes from this popular state capital bank. **Very Fine** and **Fine**. (Total: 2 notes) (100-150)

- 28624 Salina, CA - \$10 1902 Plain Back Fr. 633 The First NB Ch. # (P)11601

An extremely rare Stanislaus County note from the only bank in town to issue. Only three large notes (along with two small) are recorded in the census, and our records show only two offerings of any kind from here during the past six decades, one in the 1990 Krakover collection and one the next year when the same note was reoffered. Expect some spirited competition tonight before the hammer falls on this lot. **Fine.** (5,000-8,000)

- 28625 Salinas, CA - \$20 1929 Ty. 1 Salinas NB Ch. # 13380

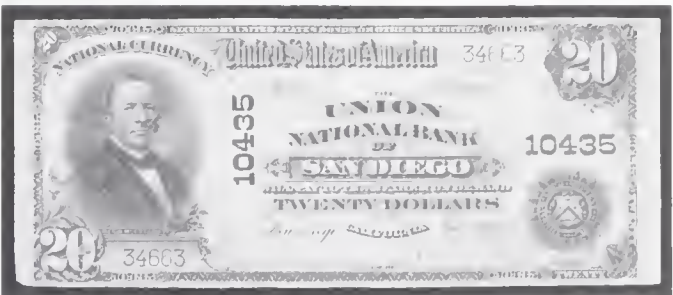

An attractive example from this small size-only bank that was chartered in October, 1929, and managed to survive the economic turbulence that began that month until the end of the National Currency era. **Very Fine.** (300-500)

- 28626 San Bernardino, CA - \$10 1929 Ty. 1 American NB of San Bernardino Ch. # 10931

A nice small size note from the most "common" of the four banks in town. **Fine-Very Fine.** (150-200)

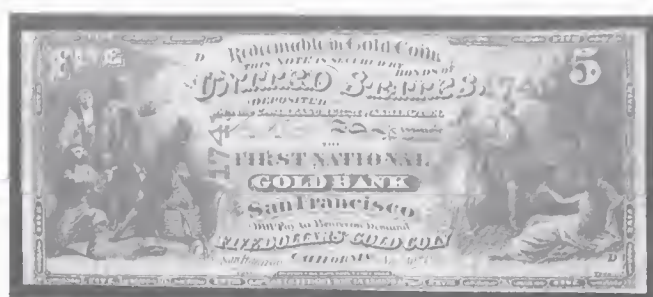

- 28627 San Diego, CA - \$10 1929 Ty. 1, \$20 1929 Ty. 1 (2) First NT & SB of San Diego Ch. # 3050

A nice circulated trio that all grade **Fine** or a trifle better (Total: 3 notes) (250-350)

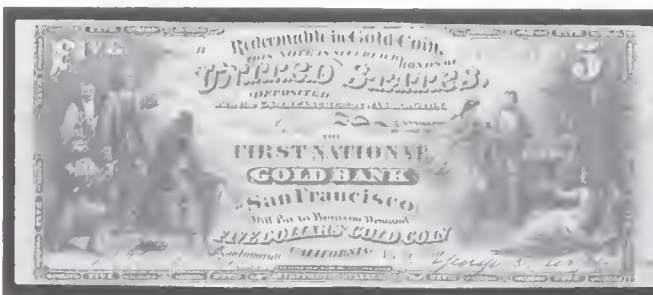

- 28628 San Diego, CA - \$20 1902 Plain Back Fr. 656 Union NB of San Diego Ch. # 10435

A perfectly presentable circulated note from a bank which was in business for only 14 years, closing its doors in 1927 after having issued \$10 and \$20 Plain Backs and Date Backs only. Of these, but six examples are documented by the Kelly census. Our own records of just shy of 275,000 offerings of individual National Bank Notes reveal only nine offerings from here. **Fine.** (1,200-1,800)

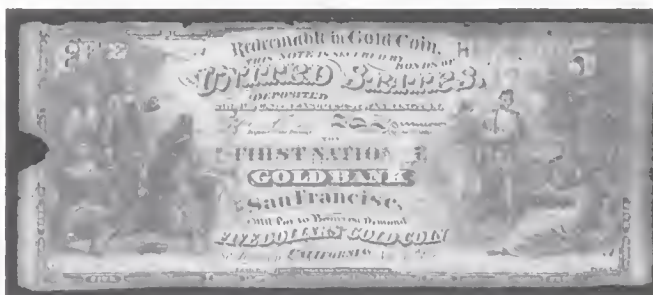

- 28629 San Francisco, CA - \$5 Original National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

An unusually bright example with great color and appeal. The all important coin vignette on the back is sharp and clear, and the note's only defect is a slightly tight bottom left margin, along with a couple of meaningless pinholes, which simply confirm the originality of the piece. **Very Fine.** (6,000-9,000)

- 28630 San Francisco, CA - \$5 Original National Gold Bank Note Fr. 1136 The First National Gold Bank Ch. # 1741

One of the lowest serial number examples listed in the census, and one of the few examples known without the overprinted charter number. CGA has graded this example **Very Fine 25**. Expect to see bidding for this attractive encapsulated example reach or exceed... (6,000-9,000)

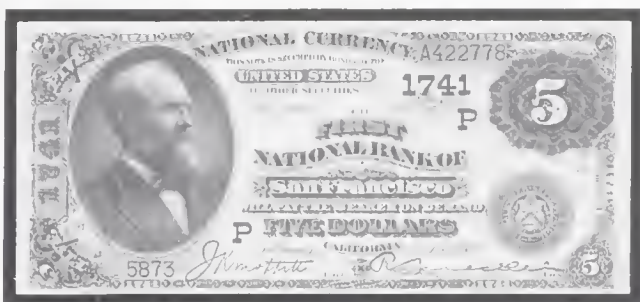

- 28631 San Francisco, CA - \$5 1870 Fr. 1136 First National Gold Bank of San Francisco Ch. # 1741

This Gold Bank Note is a low grade but presentable example from the most common issuer of this type, therefore this is an ideal representative for the budget-constrained collector. **Good**, with the edges aged, tattered, and brittle, and with a small piece missing from the left end. (550-750)

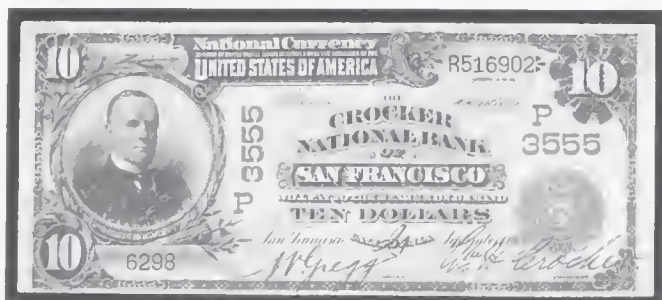

CGA Graded \$20 National Gold Bank Note

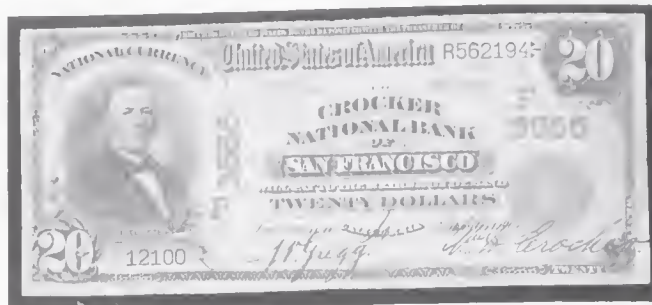

- 28632 San Francisco, CA - \$20 Original National Gold Bank Note Fr. 1152 The First National Gold Bank Ch. # 1741
A nice bright example which bears the lowest serial number of any of the recorded \$20 Original San Francisco examples. This piece has been graded **Fine 12** by CGA, and we no reason whatever to disagree. The rarity of the National Gold Bank Notes, especially those in higher grades or denominations above \$10, has now been recognized, and prices have risen sharply in recent years. As the supply of these note dwindles, expect that to continue as well. (15,000-20,000)

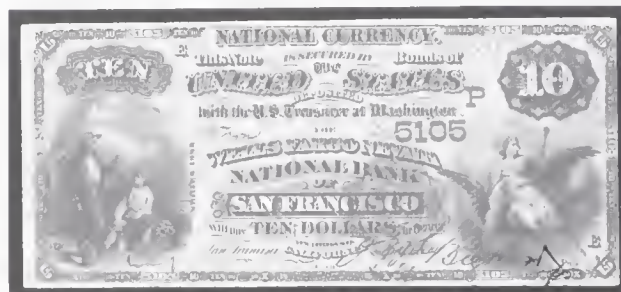

- 28633 San Francisco, CA - \$5 1882 Date Back Fr. 532 The First NB Ch. # (P)1741
A tougher type and denomination from this otherwise common bank. **Very Fine**. (450-750)
- 28634 San Francisco, CA - \$20 1902 Plain Back Fr. 653 Crocker First National Bank of San Francisco Ch. # 1741
This is the last of the three titles under which this institution issued. **Very Fine**. (100-150)

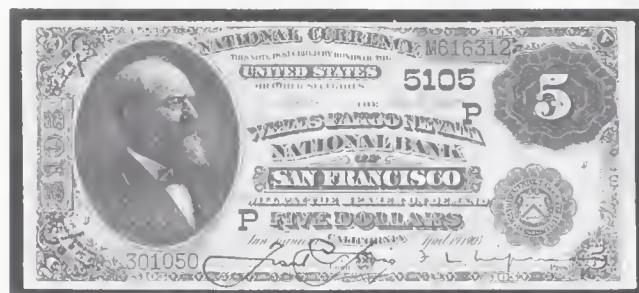

- 28635 San Francisco, CA - \$10 1902 Red Seal Fr. 615 The Crocker NB Ch. # (P)3555
A nice Red Seal which is the only non-serial number \$10 example listed in the census from here. **Very Fine**, with good color and the signature of Wm. H. Crocker as President. (1,500-2,500)

- 28636 San Francisco, CA - \$20 1902 Red Seal Fr. 641 The Crocker NB Ch. # (P)3555
A nicely matched example to the \$10 Red Seal from this bank offered above. Only three \$20 Red Seals from here are listed in the census, one of which is a serial number one which has been ensconced in a major collection for almost thirty years. Bright **Fine+++**, with a sprinkling of pinholes that affect little. (1,750-2,750)

- 28637 San Francisco, CA - \$10 1882 Brown Back Fr. 490 Wells Fargo Nevada NB of San Francisco Ch. # 5105
An attractive middle grade Brown Back from the second of two titles under which this prolific issuer ordered notes. **Very Fine**. (400-600)

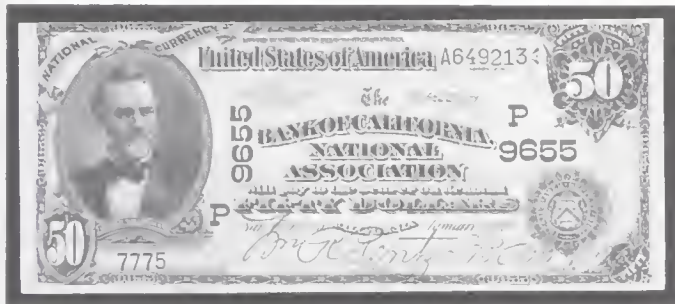

- 28638 San Francisco, CA - \$5 1882 Date Back Fr. 537 The Wells Fargo Nevada NB Ch. # (P)5105
One of the nicest examples we've seen from this perennially popular bank. Bright **Extremely Fine**, a premium specimen. (750-950)
- 28639 San Francisco, CA - \$10 1882 Date Back Fr. 545 The Wells Fargo Nevada NB Ch. # (P)5105
A pleasing evenly circulated Date Back from this always popular bank. **Fine**, with a miniscule paper pull on the back. (250-450)

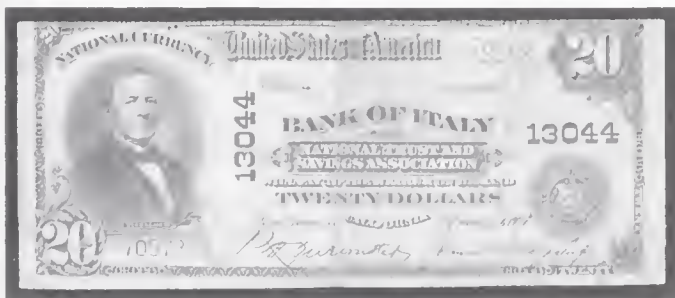

- 28640 San Francisco, CA - \$5 1902 Date Back Fr. 592 London-Paris NB of San Francisco Ch. # (P)9174
Although this bank is extraordinarily common under its second and third titles, notes bearing the first title are decidedly scarce. Only ten notes, all large size, are reported in the census from this title, and this note certainly challenges the top of the list in terms of both condition and eye appeal. Problem-free **Very Fine-Extremely Fine** with strong claims to the latter grade, an absolutely unmo-
lested original example that is likely to surprise many with its final realized price. (450-650)

- 28641 San Francisco, CA - \$5 1902 Plain Back Fr. 600 Anglo & London Paris NB Ch. # 9174
Fine. (50-75)

- 28642 San Francisco, CA - \$50 1902 Date Back Fr. 670 The Bank of California NA Ch. # (P)9655
An attractive high denomination example from this otherwise available bank. **Very Fine+**, the top margin trimmed just a bit close. (1,000-1,400)
- 28643 San Francisco, CA - \$5 1902 Plain Back Fr. 609 Bank of Italy NT & SA Ch. # 13044
An always sought after title, especially on large examples. Nice **Fine-Very Fine.** (125-175)

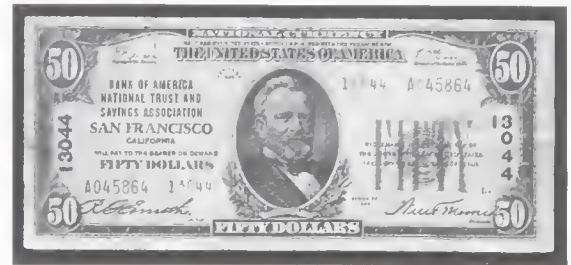

- 28644 San Francisco, CA - \$20 1902 Plain Back Fr. 661 Bank of Italy National Trust & Savings Association Ch. # 13044
This bank was an especially prolific issuer, ordering in excess of \$100 million worth of notes under two different titles. **Fine.** (100-150)

- 28645 San Francisco, CA - \$20 1929 Ty. 1 Bank of America NT & Savings Association Ch. # 13044
We don't often use the grade **Superb Gem Crisp Uncirculated** on Nationals, but this letter perfect, hugely mar-
gined, and originally embossed piece leaves us no choice. **Flawless.** (150-250)

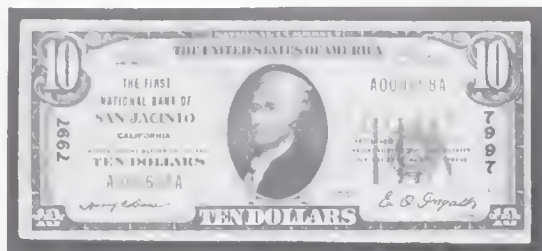

- 28646 San Francisco, CA - \$50 1929 Ty. 2 Bank of America NT & SA Ch. # 13044
New to the census, which in all lists only about 275 Type 2 fifties in all grades from all banks. This piece is well within the top fifth grade-wise. **About Uncirculated**, a very scarce item in this state of preservation. (900-1,200)

- 28647 San Francisco, CA - \$50 1929 Ty. 2 Bank of America NT & SA Ch. # 13044
A decent example of this much in demand type and denomination. **Fine++.** (200-300)

- 28648 San Francisco, CA - \$100 1929 Ty. 2 Bank of America NT & SA Ch. # 13044
While hardly rare from here, Type two hundreds can not be considered common from any bank. **Very Fine**, a per-
fect piece for the collector looking for a nice circulated example. (300-400)

- 28649 **San Jacinto, CA - \$10 1929 Ty. 1 First NB of San Jacinto Ch. # 7997**

The supply of notes from this one-bank Riverside County town has never caught up to the demand, and it isn't likely that it ever will. This is a lovely, problem-free **Fine+++** example that would make any collector proud. (500-900)

- 28650 **San Joaquin, CA - \$5 1902 Plain Back Fr. 606 The First NB Ch. # 11484**

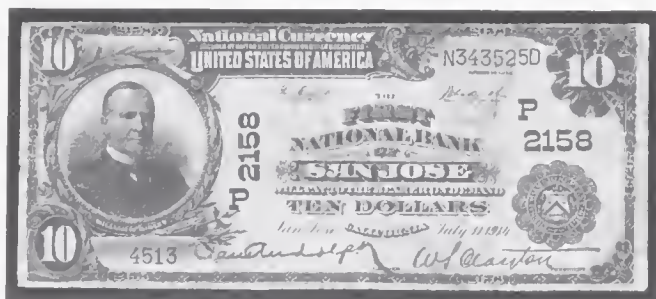

A very rare one bank Fresno County town with just five notes listed in the census, most all of which have been closely held for years. We note only two offerings, one by Superior in 1991, and the second when this piece was sold as lot 619 of the Krakover collection back in 1990. **Fine**, with a paper clip rust mark at the upper left. Rare enough to see bidding easily reach or exceed... (3,000-5,000)

- 28651 **San Jose, CA - \$10 1902 Plain Back Fr. 631 The First NB Ch. # 2158**

A higher grade large note from here, but with a minor splits and pinholes, and a very close top margin which is trimmed into the design. **Fine-Very Fine**. (350-550)

- 28652 **San Jose, CA - \$10 1902 Plain Back Fr. 631 The First NB Ch. # 2158**

Variety without the regional letter. **Fine**. (350-550)

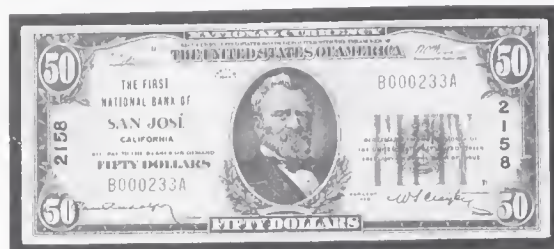

- 28653 **San Jose, CA - \$10 1902 Plain Back Fr. 631 The First NB Ch. # (P)2158**

A decent large example from this avidly collected community. **Fine**, with strong signatures. (350-550)

- 28654 **San Jose, CA - \$5 1929 Ty. 1, \$5 1929 Ty. 2, \$10 1929 Ty. 1 First NB of San Jose Ch. # 2158**

A nice trio of notes from this bank, the Type One \$5 grading **Fine-VF**, the Type Two \$5 **VF-XF**, and the \$10 **Fine** with a couple of numbers written in ink on the face. (Total: 3 notes) (350-450)

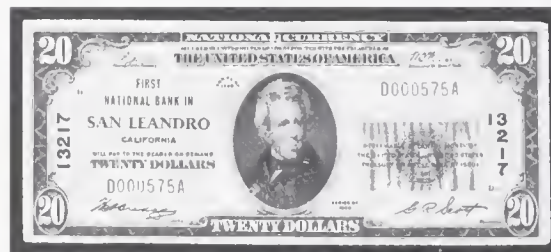

- 28655 **San Jose, CA - \$50 1929 Ty. 1 The First NB Ch. # 2158**
A high denomination example which is new to the census. **Extremely Fine**. (350-550)

- 28656 **San Jose, CA - \$5 1929 Ty. 1, \$20 1929 Ty. 1, \$10 1929 Ty. 1 San Jose NB Ch. # 13338**

A very nice circulated trio from this bank, all three grading **Fine-Very Fine** or slightly better. A nicely matched group that forms an instant collection from here. (Total: 3 notes) (450-650)

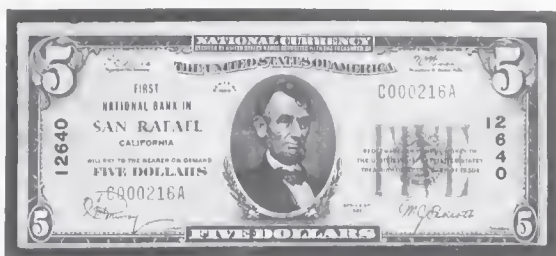

- 28657 **San Leandro, CA - \$10 1929 Ty. 1, \$20 1929 Ty. 1 First NB in San Leandro Ch. # 13217**

A nice circulated pair of small size notes from this scarce small size-only bank. Both grade **Fine**, a nice pair for the specialized collector. (Total: 2 notes) (450-650)

- 28658 **San Leandro, CA - \$20 1929 Ty. 1 First NB in San Leandro Ch. # 13217**

The census reports 23 notes from this small size-only bank in Alameda County. **Fine-Very Fine**, with no problems worthy of mention. (300-500)

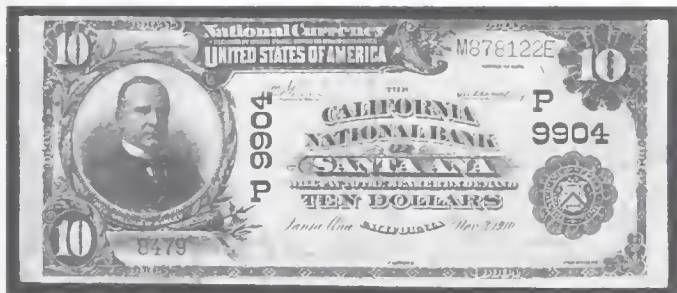

- 28659 **San Rafael, CA - \$5 1929 Ty. 1 First NB Ch. # 12640**
A high grade example from this much in demand Marin County bank, which, despite receiving its charter in 1925, elected to issue Series 1929 examples only. Any note from here is always subject to intense competition, as the supply is never quite large enough to satisfy the demand from California collectors to add a note from this town to their holdings. This example is likely to see even more spirited bidding because, according to the census, it is one of the two highest grade pieces known on the bank. **Very Fine-Extremely Fine.** (1,750-2,750)

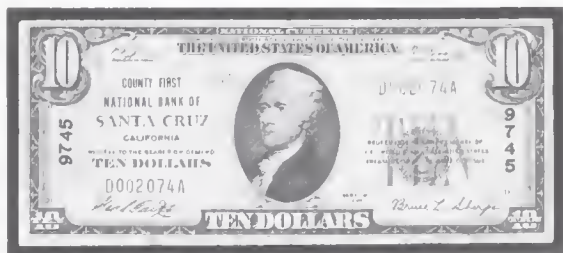

- 28660 **Santa Ana, CA - \$10 1929 Ty. 1 First NB of Santa Ana Ch. # 3520**
Fine-Very Fine. (75-125)

- 28661 **Santa Ana, CA - \$10 1929 Ty. 1 (2), \$20 1929 Ty. 1 First NB of Santa Ana Ch. # 3520**
A nice circulated trio, **Very Fine, About Fine, and Fine** respectively. (Total: 3 notes) (200-300)

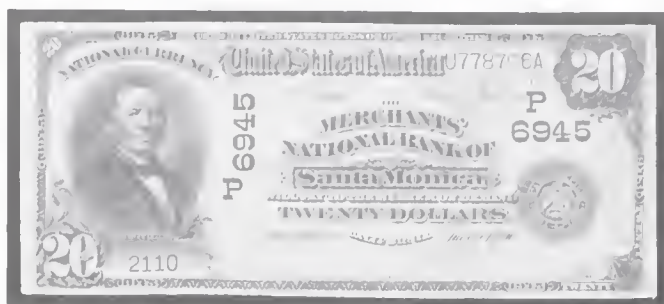

- 28662 **Santa Ana, CA - \$20 1929 Ty. 1 First NB of Santa Ana Ch. # 3520**
Problem-free **Very Fine.** (100-150)

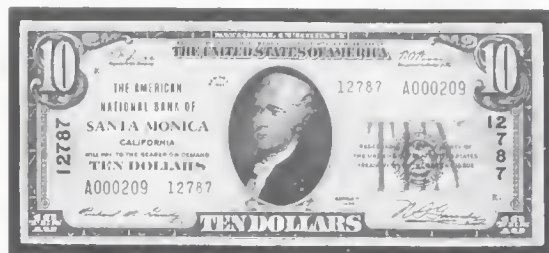

- 28663 **Santa Ana, CA - \$10 1902 Plain Back Fr. 627 California NB of Santa Ana Ch. # (P)9904**
A rare Orange County large size-only bank with just six large size notes in the census. This **Fine+** example is problem-free for the grade, has visible signatures and is likely to bring a runaway hammer price. (1,250-2,250)

- 28664 **Santa Cruz, CA - \$10 1929 Ty. 1 County First NB Ch. # 9745**
One of the nicer small notes recorded from this well collected location. **Very Fine.** (600-900)

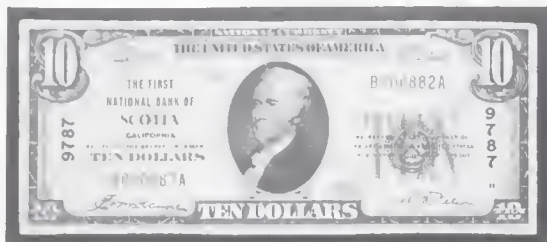

- 28665 **Santa Monica, CA - \$20 1902 Date Back Fr. 642 The Merchants NB Ch. # (P)6945**
This example is the finest of any of the known specimens from this bank under either of its issuing titles, of which this was the first. **Bright Extremely Fine**, with two color signatures, perfect for the serious collector who desires only the best. (2,000-3,000)

- 28666 **Santa Monica, CA - \$10 1929 Ty. 2 American NB of Santa Monica Ch. # 12787**
The limited supply of notes from this locale has never kept up with demand, and this was the only small size-issuing bank. This lovely Type Two example grades **Very Fine+++** and is likely, in today's ever-increasing market for Nationals, to easily reach or exceed. . . (300-500)

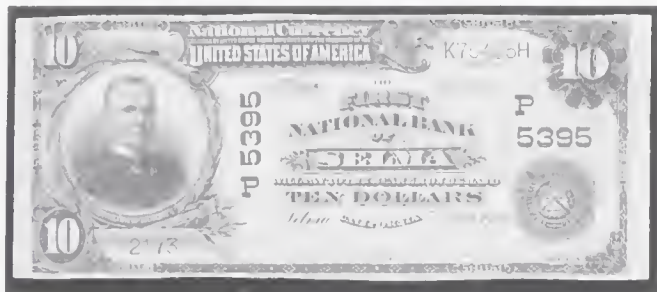

- 28667 **Scotia, CA - \$5 1929 Ty. 1 First NB of Scotia Ch. # 9787**
Large size notes from this Humboldt County town are extremely rare, therefore most collectors are more than content to obtain one of the small size examples issued by this bank that was the only issuing institution in town. **Very Fine** with a bottom margin that is trimmed slightly into the design. (350-550)

- 28668 **Scotia, CA - \$10 1929 Ty. 1 First NB of Scotia Ch. # 9787**

A second example from this scarce community, this one with a touch more circulation but with better centering. **Fine-Very Fine.** (350-550)

- 28669 **Selma, CA - \$10 1902 Plain Back Fr. 633 The First NB Ch. # (P)5395**

Seven notes are known from this rare Fresno County bank, this small agricultural community's sole issuer. Of that number, five are high denomination Second Charters, with one impounded in a museum collection, and the other two are Plain Back tens. Our records show just three offerings from here, all of high denomination examples. Expect this pleasing **Fine+** note to be quite sought after, and likely more affordable as well. (3,000-4,000)

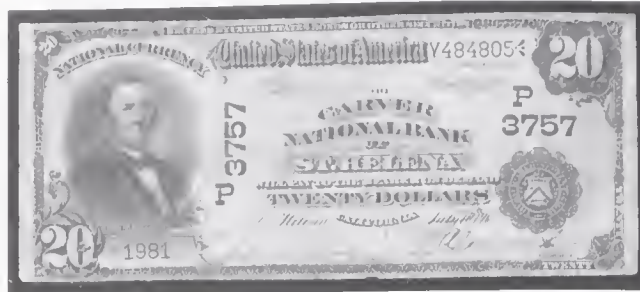

- 28670 **Sonora, CA - \$10 1929 Ty. 1 First NB of Sonora Ch. # 7202**

This is a scarce small size note from the only readily collectible bank in this Tuolumne County town, but there is a light water stain that covers the center of the note and a little circulation soil is present on the ends. **About Fine** or so overall, and likely to still be worth at least. . . (200-400)

- 28671 **Sonora, CA - \$20 1929 Ty. 1 First NB of Sonora Ch. # 7202**

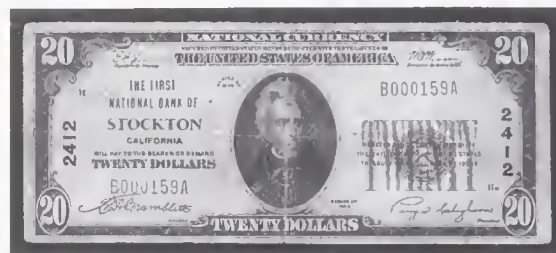

This otherwise pleasing example from this scarce Tuolumne County bank has a few small stains and a small paper peel on the back. **Fine-Very Fine.** (250-350)

Second Public Offering in Sixty Years

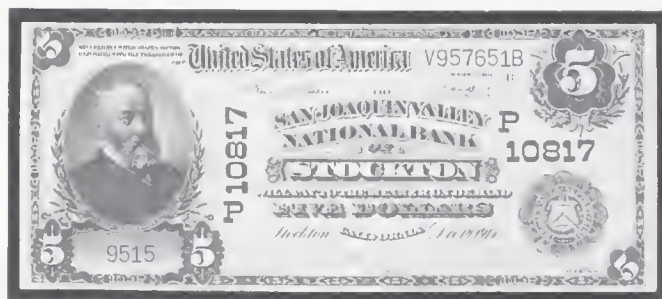

- 28672 **St. Helena, CA - \$20 1902 Date Back Fr. 644 The Carver NB Ch. # (P)3757**

A truly rare Napa County bank, with just five examples reported for both of its issuing titles. This bank was missing from both the Krakover and Colver collections, and has appeared at public sale only once in sixty years, when we sold Bill Litt's example (which bore the unique second title) for over \$6,000 in January of 2000. Expect the many collectors from this area to be out in force tonight to try to capture this prize. Pen signed **Very Good+++.** (3,000-5,000)

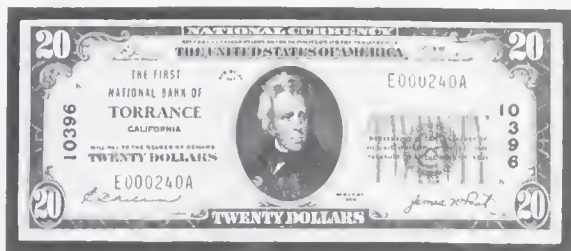

- 28673 **Stockton, CA - \$20 1929 Ty. 1 First NB of Stockton Ch. # 2412**

This rare bank is seldom seen in any grade and only printed 323 sheets of \$20s. It was the only small size issuer in town. **Fine** with moderate wear at the center fold, but still likely to reach or exceed. . . (600-900)

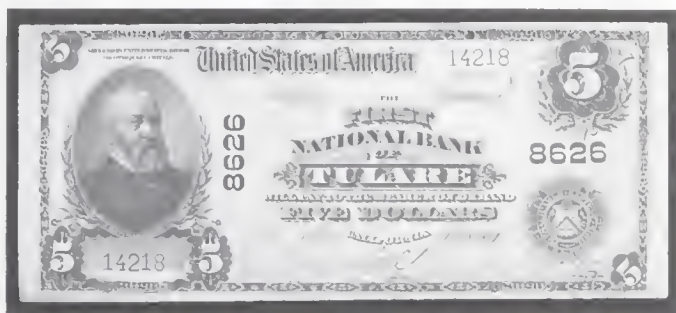

- 28674 **Stockton, CA - \$5 1902 Plain Back Fr. 606 The San Joaquin Valley NB Ch. # (P)10817**

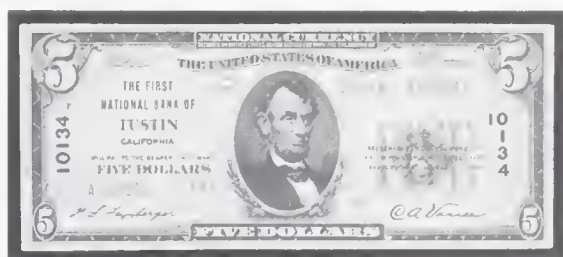

Large notes only from this scarcer Stockton bank. **Very Fine,** with a touch of light soiling on the back. (1,500-2,000)

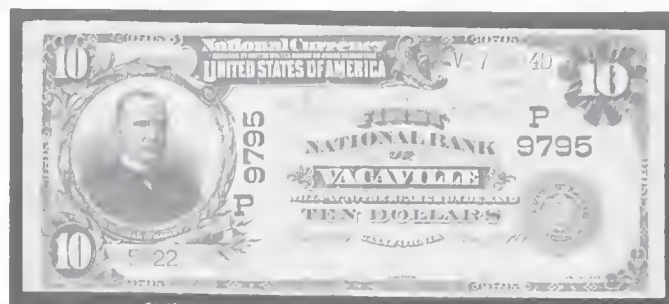

- 28675 **Torrance, CA - \$20 1929 Ty. 1 First NB of Torrance Ch. # 10396**
The census only lists eight small size notes from this bank, the more common of the two banks in town. As a result, there is never enough supply to meet the demand for notes from here. Listed only as Fine in the state census that we have, this note is clearly a nice **Very Fine+** example with crisp paper and excellent eye appeal. (700-1,000)

- 28676 **Tulare, CA - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 8626**
Despite a population that now stands at thirteen notes, examples from this one bank large only community are most difficult to obtain, with our records showing just three offerings from here during the past sixty years. This piece is one of the nicer examples known, grading a solid **Fine-Very Fine**, with just a bit of light foxing. (1,500-2,500)

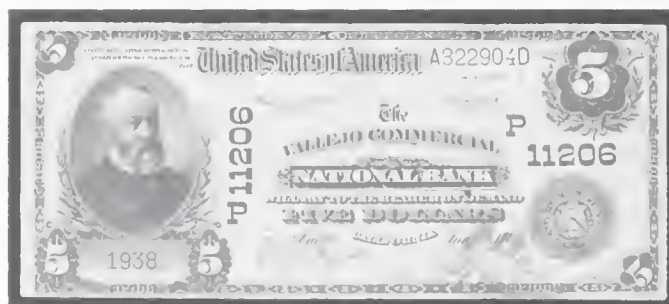

- 28677 **Tustin, CA - \$5 1929 Ty. 2 The First NB Ch. # 10134**
A pleasing **Very Fine** example from this sought after Orange County bank. (600-900)

- 28679 **Vallejo, CA - \$5 1902 Plain Back Fr. 600 The First NB Ch. # (P)9573**
Nine large notes comprise the entire census from this Solano County bank, which liquidated in 1925, with this piece easily in the top third of those known. **Very Fine**. (1,000-1,500)
- 28680 **Vallejo, CA - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 9573**
Variety without the regional letter. **Very Good+**. (500-700)

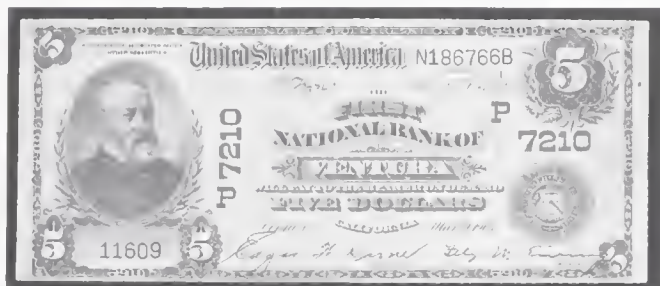

- 28681 **Vallejo, CA - \$5 1902 Plain Back Fr. 606 The Vallejo Commercial NB Ch. # (P)11206**
An attractive piece which is by far the nicest note we've ever seen or handled from here. **Very Fine**, with bright purple signatures. (900-1,400)
- 28682 **Vallejo, CA - \$10 1902 Plain Back Fr. 632 The Vallejo Commercial NB Ch. # 11206**

A crisp **Very Fine-Extremely Fine** small size example from this Solano County community. (300-400)

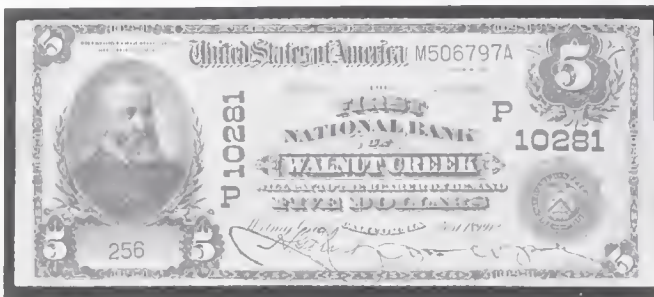

- 28686 Ventura, CA - \$5 1902 Plain Back Fr. 598 **The First** NB Ch. # 7210
Evenly circulated **Fine+** example from this much collected county. (400-600)
- 28687 Ventura, CA - \$20 1929 Ty. 2 Union NB of Ventura Ch. # 12996
Although not at all rare, with more than fifty small size notes in the latest census, this bank is from a town that is always in demand from collectors. **Extremely Fine**, with a touch of light aging at the left end. (150-250)

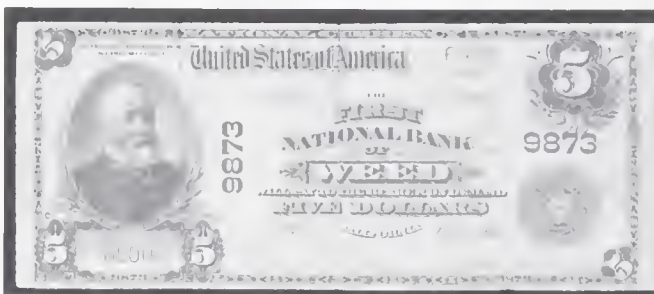

- 28688 Visalia, CA - \$5 1902 Date Back Fr. 592 NB of Visalia Ch. # (P)9173
Twelve notes are reported from this Tulare County bank which went out in 1921, few of which are nicer than this. It has been eleven years since the last offering from here, which came back in our January, 1992 sale. **Very Fine.** (1,750-2,250)

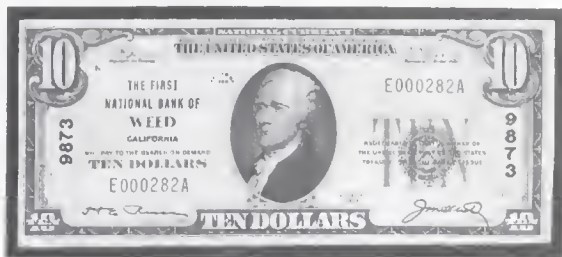

First Ever Public Offering

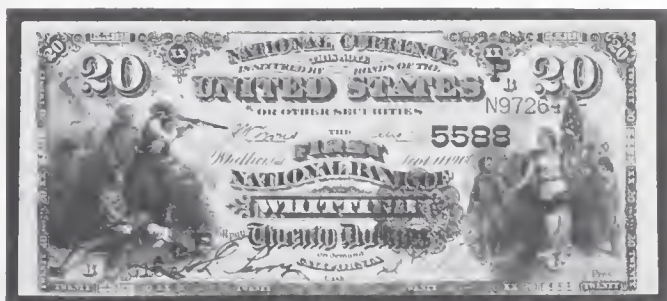

- 28689 Walnut Creek, CA - \$5 1902 Date Back Fr. 594 **The First** NB Ch. # (P)10281
An extremely rare note from the sole issuer in this then rural Contra Costa County hamlet. This is the finest of the three notes recorded from this bank in the census, and this sale represents the first time ever that collectors have ever had the opportunity to obtain any of the notes either via auction or through a fixed price offering. Nice **Fine-Very Fine**, a true wonder note that will likely not be inexpensive tonight but which will look a lot more like a bargain tomorrow morning. (9,000-12,000)

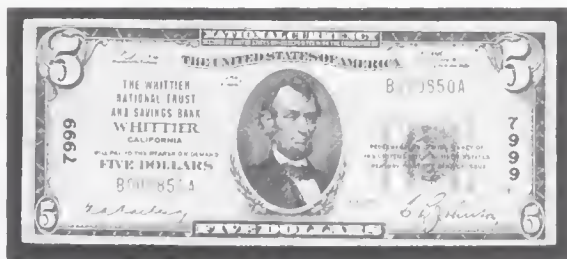

- 28690 Weed, CA - \$5 1902 Plain Back Fr. 601 **The First** NB Ch. # 9873
A much coveted large note, with the census standing at just an even dozen pieces, not near enough for the many collectors who need a Weed. **Fine-Very Fine**, with purple signatures. (1,750-2,750)

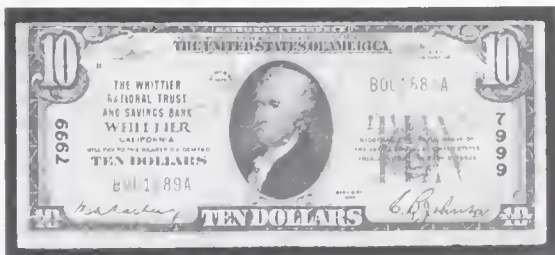

- 28691 Weed, CA - \$10 1929 Ty. 1 The First NB Ch. # 9873
A nice example with an always in demand town name. This piece is one of only two reported \$10 Type 1 examples from the bank to date. **Very Fine-Extremely Fine.** (700-900)

- 28692 Whittier, CA - \$20 1882 Date Back Fr. 555 The First NB Ch. # (P)5588
A beautiful early Whittier note that is nicer than any example that even Charley Colver could obtain. This is one of only three 1882 Date Backs in the census, and the sole \$20 specimen. **Bright Very Fine-Extremely Fine**, with vivid purple signatures, a premium southern California note fit for the finest of collections. (2,500-3,500)

- 28693 Whittier, CA - \$5 1929 Ty. 1 Whittier NT and SB Ch. # 7999
A well worn but solid example from this Los Angeles suburb. **Fine.** (200-300)

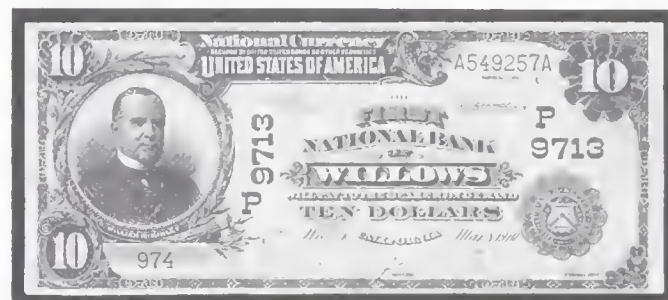

- 28694 Whittier, CA - \$10 1929 Ty. 1 Whittier NB Ch. # 7999
Although the centering is a little high, this note is quite nice for the grade and there is enough demand from here and little enough supply to make it a popular item among bidders. **Fine.** (250-450)

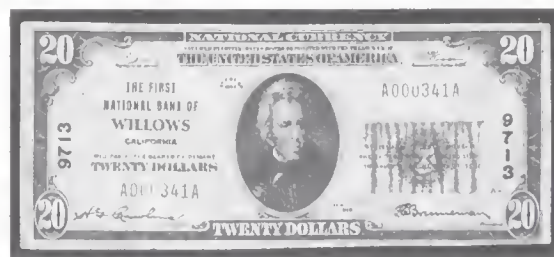

First Ever Public Offering

- 28695 Willits, CA - \$10 1902 Plain Back Fr. 633 The First NB Ch. # 11566
A great California rarity from a Mendocino County bank which has never before been offered at public sale to the collecting fraternity. While other notes from here are known, all have been closely held or been off the market for generations, as this bank and town was missing from the Krakover, Colver and Litt collections. **Very Good**, with a light tan color overall as well as a few minor edge splits, but where can another be found today at any price? (3,500-5,500)

- 28696 Willows, CA - \$10 1902 Date Back Fr. 619 The First NB Ch. # (P)9713
A very scarce bank in large size, with the census numbering seven pieces, including this example, which is as yet unreported. **Nice Fine+++.** (1,750-3,250)

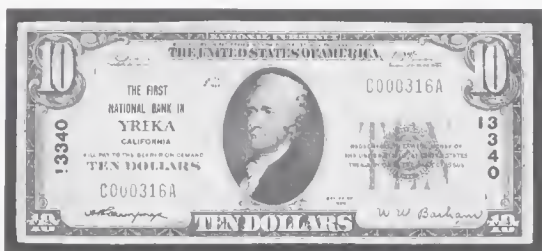

- 28697 Willows, CA - \$20 1929 Ty. 1 First NB of Willows Ch. # 9713
A great Northern California bank that was the only bank in town and one of only two in Glenn County. Only 400 sheets of Type One \$20s were printed. This one grades **Fine-Very Fine** and is just about perfect for the grade. (600-900)

- 28698 **Winters, CA - \$5 1929 Ty. 1 The Winters NB Ch. # 13312**

Although five uncut sheets are known from here, single notes on this small northern California bank are by no means common, with but eight examples, including this note, listed in the census. Nice **Fine**, bearing low serial number C000008A. (550-850)

- 28699 **Yreka, CA - \$10 1929 Ty. 1 The First NB Ch. # 13340**
A nice evenly circulated example from this sought after northern California location. **Fine-Very Fine**. (700-1,200)

(Total: 7 notes) (250-350)

COLORADO

- 28701 **Delta, CO - \$10 1902 Plain Back Fr. 633 First NB of Delta Ch. # 5467**

Large notes only from this elusive bank, with a Kelly census of just six pieces extant. **Fine**, with a touch of light soiling on the back which affects nothing. (1,000-1,400)

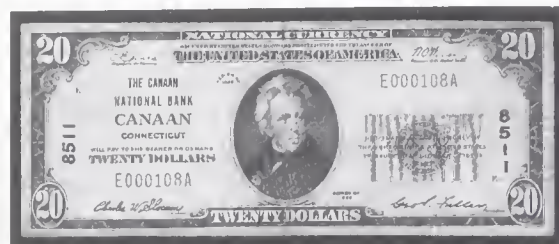

- 28702 **Denver, CO - \$5 1929 Ty. 2 Colorado NB of Denver Ch. # 1651**

A lovely Type Two \$5 with some light handling from this state capital. **Choice Crisp Uncirculated**. (250-350)

- 28703 **Denver, CO - \$10 1929 Ty. 1 United States NB of Denver Ch. # 7408**

A high grade circulated piece bearing the sought after "forbidden" title. **Extremely Fine** (100-150)

CONNECTICUT

- 28704 **Canaan, CT - \$20 1929 Ty. 1 The Canaan NB Ch. # 8511**

One of the very scarcest of Connecticut's small size issuers, with the Kelly census showing just five such examples. Our records show that it has been nearly five years since any example from this bank, large or small, has been offered at public sale to the collecting fraternity. **Fine-Very Fine**. (500-900)

- 28705 **New Haven, CT - \$5 1902 Plain Back Fr. 598 The National Traders Bank Ch. # (N)1202**

Evenly circulated **Very Good+** example with clear signatures. (100-150)

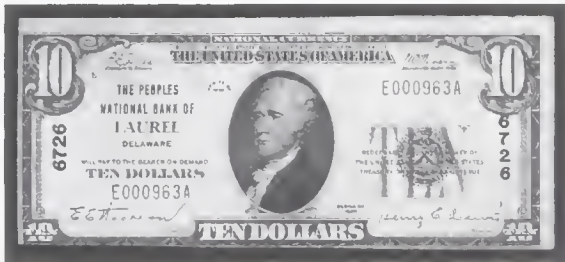

- 28706 **Portland, CT - \$10 Original Fr. 412 The First NB Ch. # 1013**

A very scarce Connecticut type, as Original tens, particularly in this condition, are hardly ever seen. **Very Fine-Extremely Fine**, a nice note from the Ralph Graves collection. (1,250-1,750)

28707 **A Cornucopia of Nutmeg State Nationals**
 Hartford, CT - \$5 1902 Plain Back Fr. 606 Hartford-

DELAWARE

28709 **Laurel, DE - \$10 1929 Ty. 1 Peoples NB of Laurel Ch. # 6726**

DISTRICT OF COLUMBIA

Beautiful District of Columbia Uncut Sheet

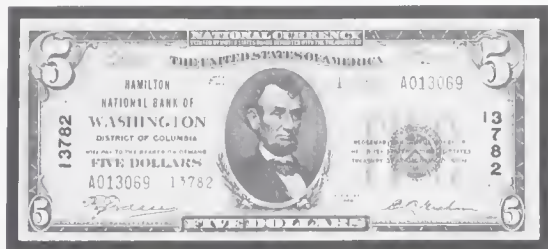

28710 **Washington, DC - \$10-\$10-\$10-\$20 1902 Plain Back Fr. 625 The National Metropolitan Bank Ch. # 1069 Uncut Sheet**

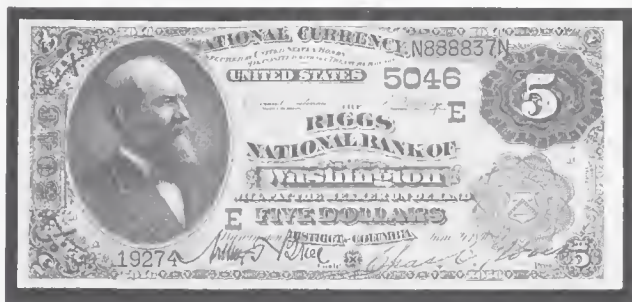

This beautiful sheet is new to the census, raising the total of large size uncut sheets from the District to five. The sheet is well nigh perfect, with crackling fresh white paper, bold pen signatures, and no folds or bends whatever, and easily rises to the top four or five sheets in grade from all locations that we have ever had the pleasure of offering. This will likely not be an inexpensive item, but real quality seldom is. **Gem Crisp Uncirculated**. (5,000-7,000)

- 28711 Washington, DC - \$10 1902 Plain Back Fr. 625 The National Metropolitan Bank Ch. # 1069

- 28712 Washington, DC - \$5 1929 Ty. 2 Hamilton NB of Washington Ch. # 13782
A late chartered District of Columbia institution which issued Type 2 1929 notes only. **Extremely Fine**. (75-150)

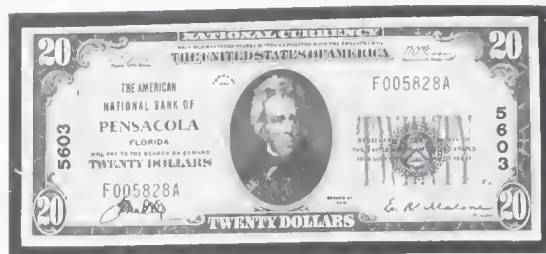

- 28713 Washington, DC - \$5 1882 Brown Back Fr. 474 The Riggs NB Ch. # (E)5046
A very nice District \$5 Brown Back, a most uncommon item, particularly in this state of preservation. Well margined **Choice Crisp Uncirculated**, with a tiny spot on the back left margin and one miniscule repaired split which is barely visible at the bottom left margin. (1,400-1,800)

FLORIDA

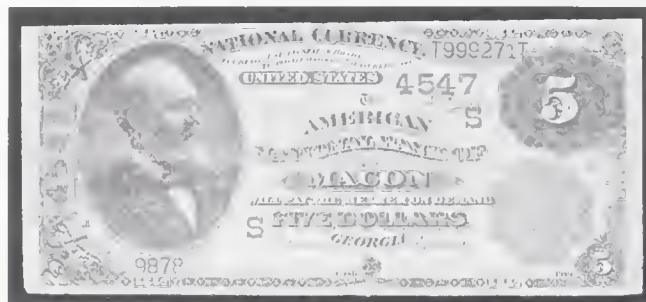

- 28714 Miami Beach, FL - \$20 1929 Ty. 1 The Miami Beach First NB Ch. # 12047
Hardly a rare bank, but there are never enough notes from here to satisfy the collecting fraternity. **Fine-Very Fine**. (300-400)

- 28715 Pensacola, FL - \$10 1929 Ty. 1 American National Bank of Pensacola Ch. # 5603
Faint evidence of circulation. **About Uncirculated**. (100-175)

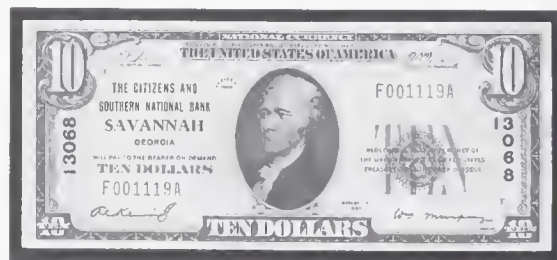

- 28716 Pensacola, FL - \$20 1929 Ty. 1 American NB of Pensacola Ch. # 5603
This **Gem Crisp Uncirculated** example was last sold in our September, 2001 Cincinnati Sale, the first joint effort between CAA and Heritage and a sale that brings back fond memories for this cataloger of marathon cataloging sessions that measured in days instead of hours. A boldly embossed and well centered note. (250-350)

GEORGIA

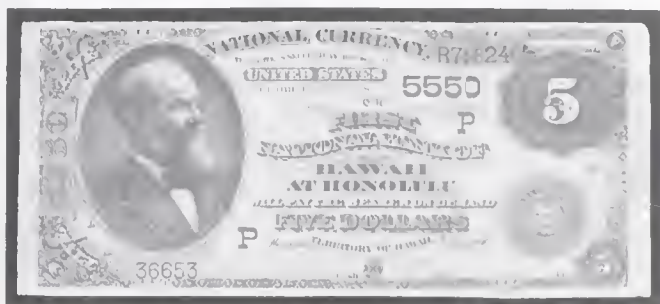

- 28717 Macon, GA - \$5 1882 Brown Back Fr. 471 American NB of Macon Ch. # (S)4547
Brown Back Fives are scarce from this state, and this example is likely to be one of the more affordable ones. It is a problem-free **Very Good** example from a bank that has just over a dozen notes, all large size, in the census. (750-1,250)

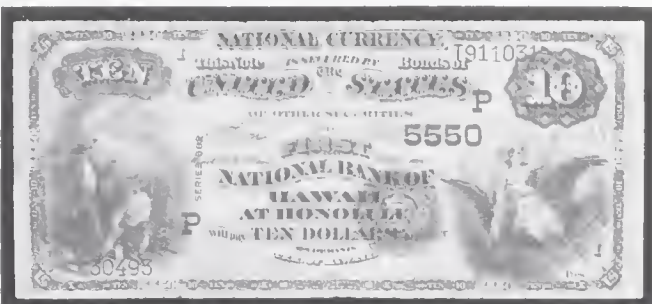

- 28718 Savannah, GA - \$10 1929 Ty. 1 Citizens & Southern NB of Savannah Ch. # 13068

- 28719 Honolulu, HI - \$5 1882 Value Back Fr. 574 The First NB of Hawaii at Honolulu Ch. # (P)5550

A nice evenly circulated example of this scarce Territorial type and denomination. **Fine**, with good margins and color and free of any problems whatever. (2,500-3,500)

- 28720 Honolulu, HI - \$10 1882 Value Back Fr. 577 First NB of Hawaii at Honolulu Ch. # (P)5550

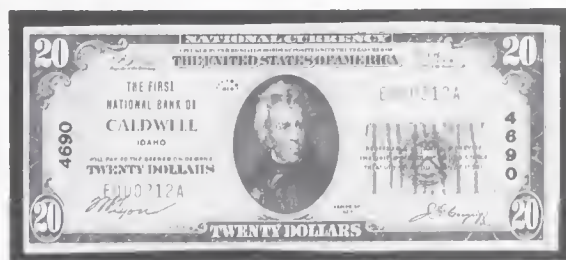

A Value Back Ten from this bank that is basically the only collectible bank for the entire chain of islands. The census reports nine Value Back Tens from here, including this **Very Good-Fine** example. (2,500-3,500)

- 28721 Honolulu, HI - \$10 1929 Ty. 2 Bishop First NB Ch. # 5550

ILLINOIS

Gorgeous Albion, IL Cut Sheet

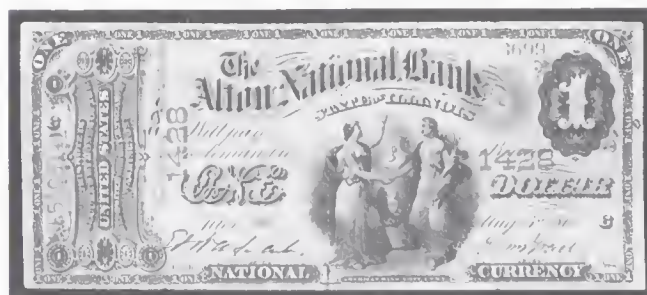

- 28723 Albion, IL - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 8429

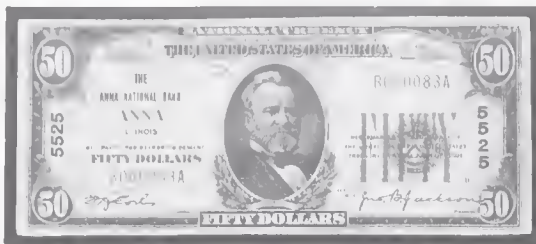

An absolutely lovely cut sheet of four, each bearing fancy serial number 10000. All of the notes are crackling fresh, utterly original, and come with great color and appeal, including sharp pen signatures of D.A. Macaulay and Kemp Bowman on each piece. All would be gem but for some light handling on each, not surprising on what was obviously a presentation item or a keepsake by the bank's officers. **Choice Crisp Uncirculated**, a wonderful item fit for the very finest of collections. (3,250-4,750)

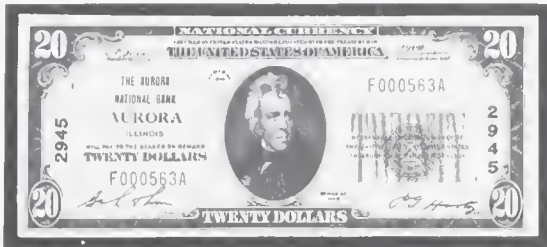

- 28724 Alton, IL - \$1 Original Fr. 380 The Alton NB Ch. # 1428
- A problem free First Charter ace which is perfect for type. **Very Fine+**. (500-700)

- 28725 Alton, IL - \$1 Original Fr. 380 The Alton NB Ch. # 1428
- A bright First Charter example which is problem free but for a single margin spot and a couple of splits, only one of which is truly worthy of mention. **Fine-Very Fine**. (350-450)

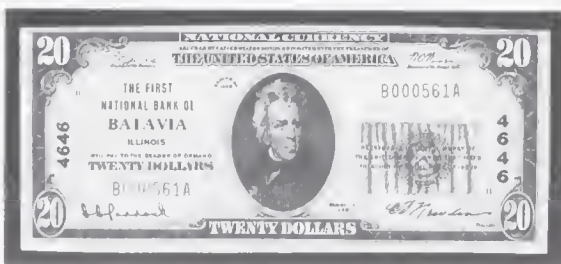

- 28726 Anna, IL - \$50 1929 Ty. 1 The Anna NB Ch. # 5525
A very scarce bank which issued high denominations only in both large and small size. Just three fifties are listed in the new Kelly census, none of which are anywhere close to this nice. **Extremely Fine-About Uncirculated**, with just the slightest trace of an old bank stamp on the back. (600-800)

- 28727 Aurora, IL - \$20 1929 Ty. 1 Aurora NB Ch. # 2945
A beautifully original Kane County note with jumbo margins. **Gem Crisp Uncirculated**. (250-450)

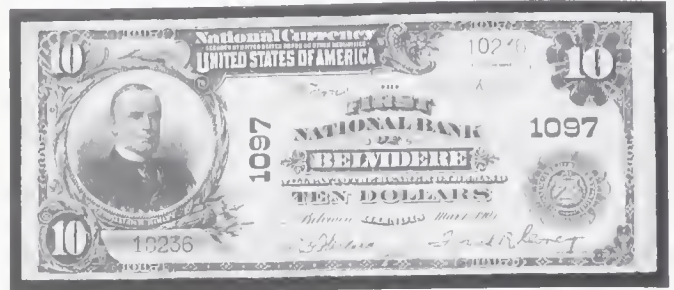

- 28728 Aurora, IL - \$50 1902 Date Back Fr. 669 Merchants NB of Aurora Ch. # (M)3854
This bank only issued high denomination \$50s and \$100s, and this well centered **Gem Crisp Uncirculated** example is one of the nicer ones that we've seen. One of the signatures has faded but the eye appeal is still substantial. (2,500-3,500)
- 28729 Aurora, IL - \$50 1929 Ty. 1 Merchants NB of Aurora Ch. # 3854
A lovely \$50 that would be Choice or even finer if it had a top margin. **Crisp Uncirculated**. (200-300)

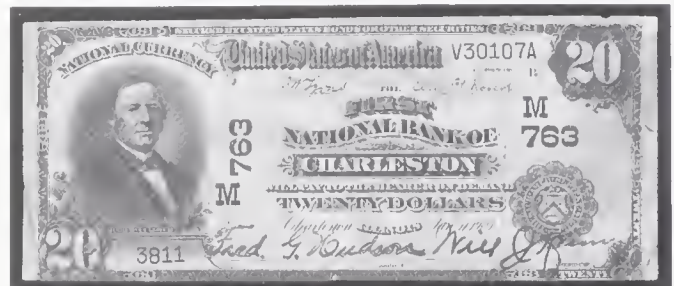

- 28730 Batavia, IL - \$20 1929 Ty. 1 First NB of Batavia Ch. # 4646
The centering is just a bit high on this lovely example from this scarce Kane County bank, otherwise it would

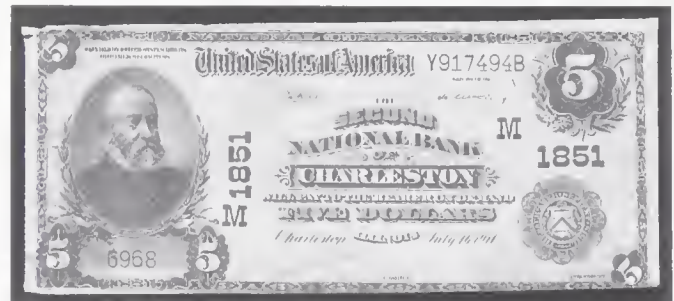

challenge a higher grade classification **Choice Crisp Uncirculated**. (250-350)

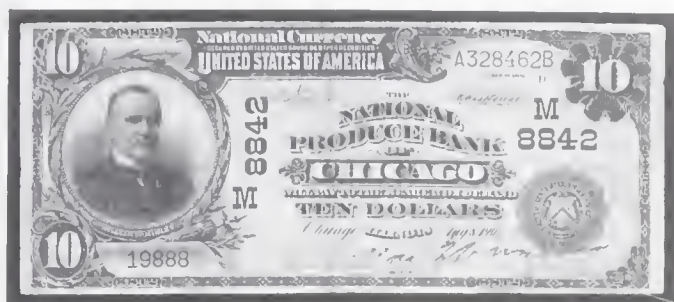

- 28731 Belvidere, IL - \$10 1902 Plain Back Fr. 624 The First NB Ch. # 1097
Despite being chartered in 1865 and issuing large notes continuously until 1929, only seven pieces have been recorded in the Kelly census. This is a more than acceptable example. **Fine+**. (250-450)

- 28732 Charleston, IL - \$20 1902 Date Back Fr. 642 First NB of Charleston Ch. # (M)763
A Coles County Date Back with darkly stamped officers' signatures. **Fine**. (150-250)

- 28736 Chicago, IL - \$10 1902 Date Back Fr. 618 The Live Stock Exchange NB Ch. # (M)9010

Kelly documents six Large Size survivors. Nicely margined, fresh and with strong signatures. **Very Fine**. (250-350)

28753 **Cobden, IL - \$20 1929 Ty. 1 The First NB Ch. # 5630**

28754 **Columbia, IL - \$20 1902 Plain Back Fr. 650 The First NB Ch. # 7717**

A lovely note that our consignor has owned since December of 1983, when he purchased it from the Amon Carter, Jr. holdings. Only four large notes from here are listed in the Kelly census, with this by far the finest of that small group. **Choice Crisp Uncirculated.** (1,250-2,250)

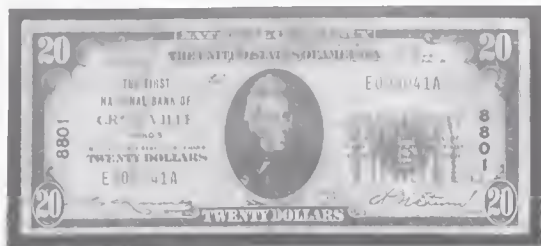

28755 **Columbia, IL - \$20 1929 Ty. 2 The First NB Ch. # 13805**

A very scarce note from this Monroe County location. Our data indicates the last appearance of any example from here at public sale came back in 1997, with this piece being by far the highest grade note we've seen from the bank. **Extremely Fine-About Uncirculated.** (450-750)

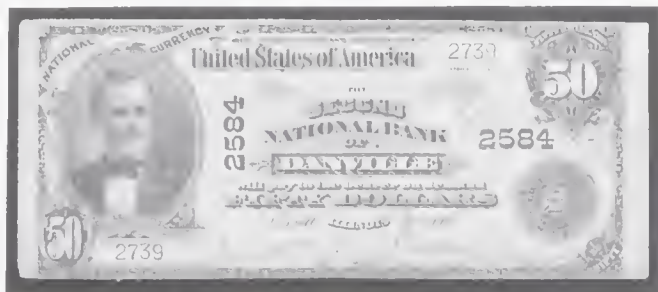

28756 **Coulterville, IL - \$20 1929 Ty. 1 The First NB Ch. # 12000**

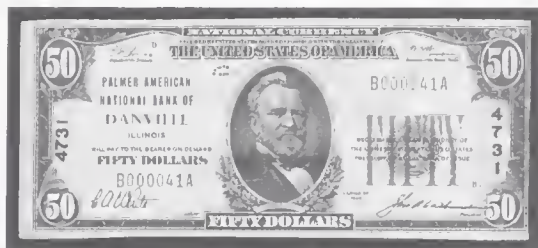

Notes from this small Randolph County community are not rare but might as well be, as the vast majority of the known examples are held by one collector with hands that are not only very strong, but are absolutely immovable when it comes to releasing any of his Coulterville examples. As a result, offerings from here have averaged fewer than one per decade, with the last one coming more than seven years ago, when a low grade and poorly cut large example (which actually are a bit more common than are small notes from here) brought well over \$2000 in a much less active market. Expect this nice problem free **Fine+++** example to bring well over that figure today. (2,500-3,500)

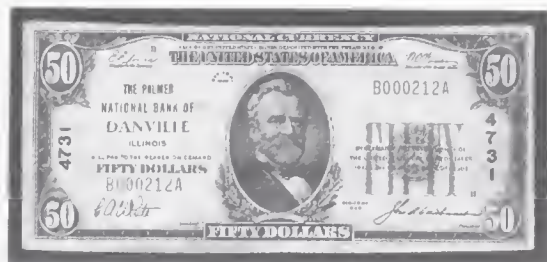

- 28757 Crossville, IL - \$20 1929 Ty. 1 The First NB Ch. # 8801

28766 **East Peoria, IL** - \$10 1929 Ty. 1 First NB of East Peoria Ch. # 6724

- 28850 Peoria, IL - \$20 1882 Brown Back Fr. 493 The Peoria NB Ch. # 2878
An extremely rare Peoria bank which issued Brown Backs and Red Seals only. Two pieces are listed in the Kelly census. A similarly graded Red Seal from this bank brought over \$2500 as part of the Herget collection last January. Pen signed **About Fine**. (1,000-2,000)

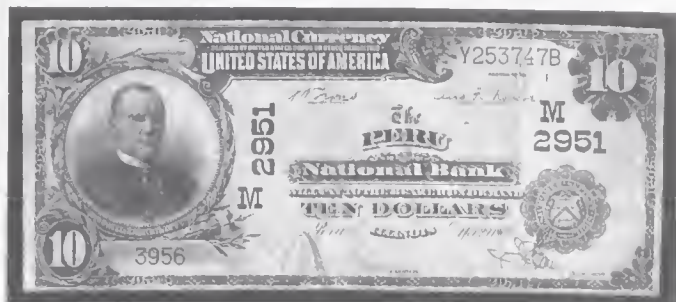

- 28851 Peoria, IL - \$10 1882 Brown Back Fr. 480 The German American NB Ch. # (M)3070
A sharp Brown Back from this very scarce ethnically titled bank which issued Brown Backs and Red Seals only. The Kelly census shows just three examples extant. Pen signed **Fine-Very Fine**, a most attractive note certain to see considerable bidding before the hammer falls. (1,500-2,500)

28858 **A Pair of High Grade Peoria Notes**
Peoria, IL - \$5 1902 Plain Back Fr. 598 Central NB Ch. # (M) 3214 EF

28861 **Peru, IL - \$10 1929 Ty. 1 The State-National Bank Ch. # 13577**

The second title used here, which also, for no reason we can account for, included the state designation in its title as well. **Fine**, with a tiny bit of insignificant fraying noted for the sake of complete accuracy in grading. (300-500)

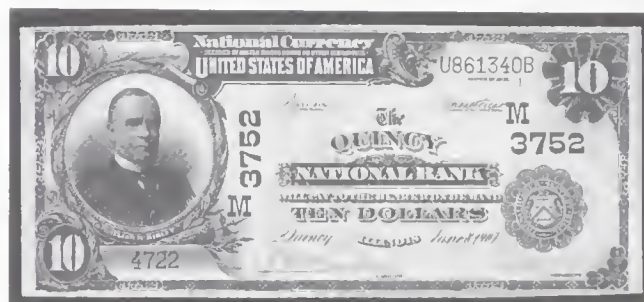

28862 **Quincy, IL - \$5 1882 Value Back Fr. 574 Ricker NB of Quincy Ch. # M 2519**

An Illinois River town with a heritage of early German settlement, Quincy was at one time represented in Congress by Stephen Douglas and was the site of one of the Lincoln-Douglas debates. While not an especially scarce bank, Value Backs from here are a real challenge to locate. The offered example is an attractive **Very Fine** and borders on a higher grade. (450-750)

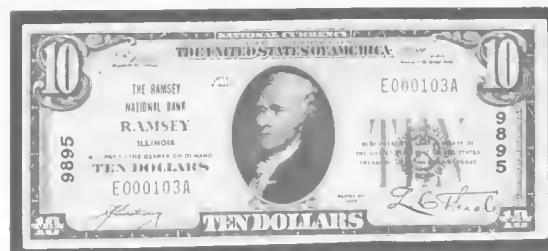

28863 **Quincy, IL - \$20 1902 Plain Back Fr. 659 The Ricker NB Ch. # 2519**

A nice large example from this private name bank. **Fine-Very Fine**, signed by H. M. Ricker as cashier. (125-225)

28865 **Ramsey, IL - \$10 1929 Ty. 1 Ramsey NB Ch. # 9895**

A corner fold away from Uncirculated, and well margined and attractive. There are only eight small size notes reported on the bank, which was the only bank in town and had a mere \$25,000 outstanding in 1935. **About Uncirculated**. (250-350)

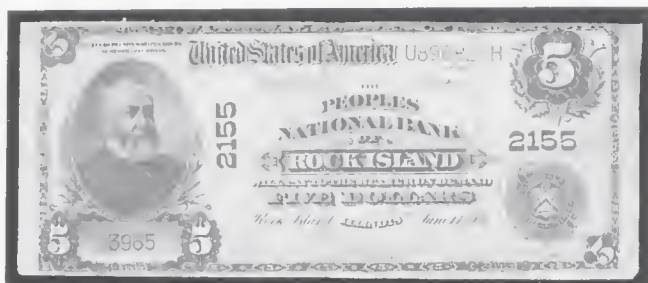

28866 **Ramsey, IL - \$20 1929 Ty. 1 Ramsey NB Ch. # 9895**

A second note from here, not quite as nice as the last but still scarce and desirable. **Extremely Fine**, with no hard folds, but some light circulation. (200-300)

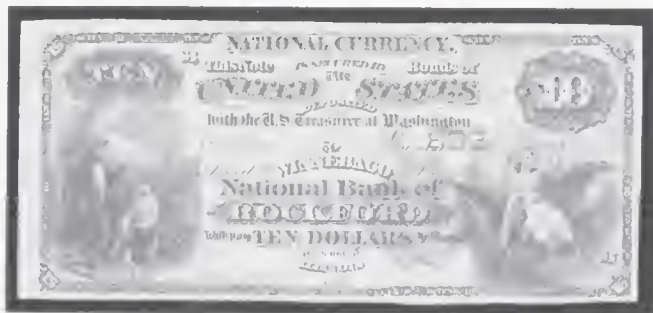

- 28867 Ridge Farm, IL - \$5 1902 Plain Back Fr. 600 City NB of Ridge Farm Ch. # 8630

A **Fine** Brown Back from one of the 11 note issuing banks in this strongly collected Winnebago County community. The note has been silked, suggestive of a pedigree to the Farouk Collection. Kelly documents but four survivors from here. (300-500)

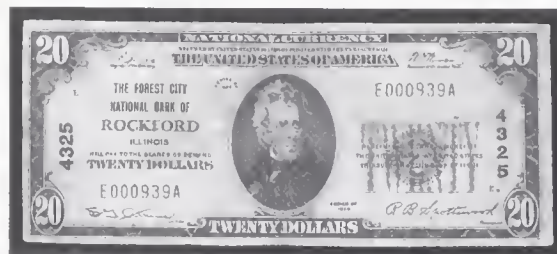

- 28870 Rockford, IL - \$20 1929 Ty. 1 The Rockford NB Ch. # 1816

A really nice note which is far better than those usually seen from here. There is one as made paper inclusion below the right serial number, but this nicely centered example is fully **Choice Crisp Uncirculated** in every respect. (300-400)

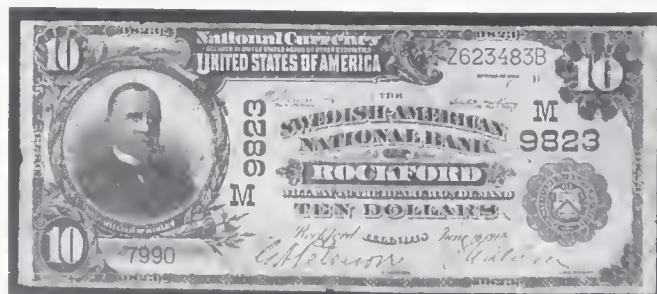

- 28871 Rockford, IL - \$5 1902 Plain Back Fr. 600 The Manufacturers NB Ch. # (M)3952

We sold this lovely note some years ago, and it remains one of the very nicest large examples we have seen from this much collected bank, which is especially in demand due to its unusual title layout, which has both the town and state name together in the tombstone. **Extremely Fine.** (500-700)

- 28872 Rockford, IL - \$20 1929 Ty. 1 The Forest City NB Ch. # 4325

A tougher Rockford bank which issued Type ones only in small size. This example is a replacement note, the first we've seen from this avidly collected community. **Fine.** (150-250)

- 28873 Rockford, IL - \$10 1902 Plain Back Fr. 627 Swedish-American NB of Rockford Ch. # (M)9823

- 28878 **Shawneetown, IL - \$5 1902 Plain Back Fr. 598 The NB of Shawneetown Ch. # 7752**

A tough bank from a historic community which was the first town incorporated in what is now the state of Illinois in 1814. The Kelly census shows just three large and three small examples extant from this institution. **Very Fine-Extremely Fine**. (600-1,000)

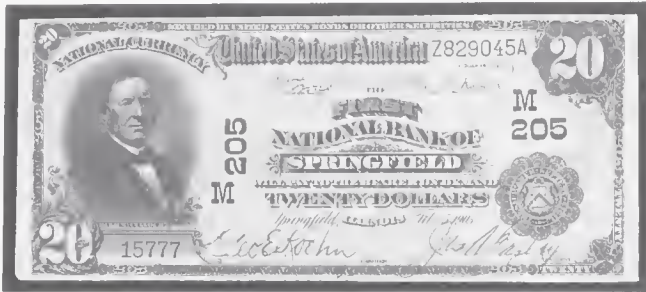

- 28879 **Shawneetown, IL - \$10 1902 Plain Back Fr. 626 The City NB Ch. # 9435**

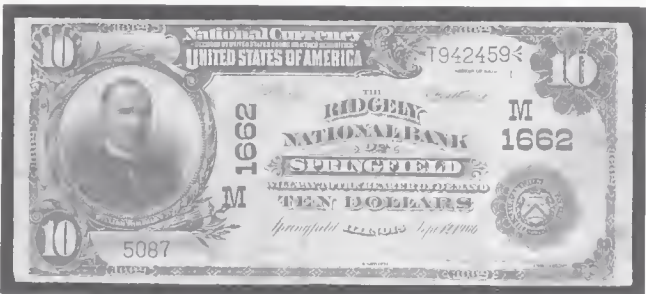

An excessively rare Shawneetown bank which, according to our data listing almost 275,000 appearances of National Bank Notes during the past fifty years, has had but two appearances at public sale during that entire period. Nice pen signed **Fine**, rare enough to see bidding reach or exceed our likely conservative estimate of ... (1,000-2,000)

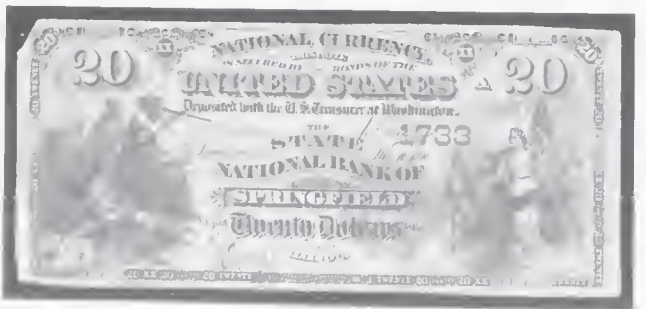

- 28880 Shelbyville, IL - \$10 1902 Plain Back Fr. 624 Citizens NB of Shelbyville Ch. # (M) 7396

- 28881 Springfield, IL - \$20 1902 Date Back Fr. 642 First NB of Springfield Ch. # (M) 205

- 28893 Toledo, IL - \$10 1929 Ty. 2 First NB in Toledo Ch. # 13682
From a Cumberland County institution which failed to survive the depression, closing its doors in 1933. **Fine-Very Fine**. (200-300)

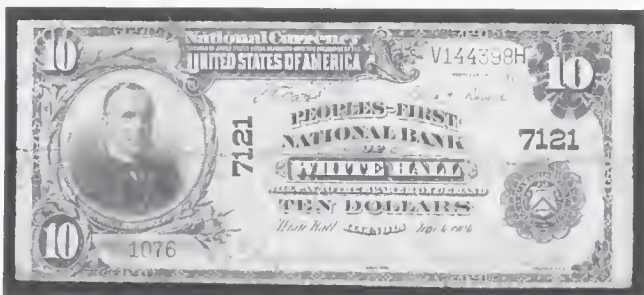

- 28894 Toluca, IL - \$5 1929 Ty. 1 The Citizens NB Ch. # 11333
An excessively rare small note from one of the tiniest banks in the entire state, whose miniscule issue of both large and small notes reflected its constant struggle to maintain even the minimum capitalization required by law to maintain its charter. Only \$5 Type ones were issued in small, and in such low quantities that the bank's final report to the Comptroller in 1935 reflected a circulation of just \$5,000, likely the smallest of any bank in the entire state. The Kelly census lists but two Series 1929 examples extant from this institution, the sole issuer here of small size notes. **Very Fine**. (1,000-2,000)

- 28919 Indianapolis, IN - \$10 Original Fr. 409 The First NB Ch. # 55

One of the scarcer of the first hundred charter banks, and in a much better type than normally seen as well, with this only the second (and by far the nicer) \$10 Original to be reported from here. This is a scarce and very underrated type which is seldom available from any bank, and is outnumbered by its Series 1875 counterparts, especially in the higher grade ranges, by a factor of ten to one or more. This example is an evenly circulated, well margined and absolutely problem free piece that is guaranteed to please. **Very Fine**. (1,250-2,250)

KENTUCKY

28959 Adairville, KY - \$10 1929 Ty. 1 The First NB Ch. # 8814

A by no means common note in small size, and unheard of in this grade, with the two pieces here coming from the same collection as the large example above. 28960 Adairville, KY - \$10 1929 Ty. 1 The First NB Ch. # 8814

Consecutively numbered to the other small example from here, with these the only two notes from here we've ever seen or heard of in this grade. **Choice Crisp Uncirculated**. (500-800)

Superb \$10 Brown Back

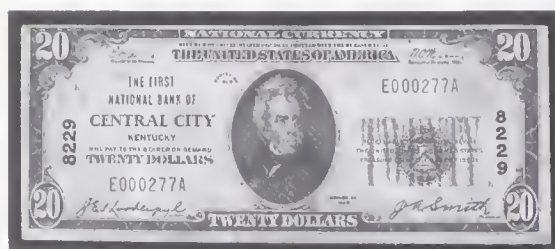

28963 Bowling Green, KY - \$10 1882 Brown Back Fr. 490 The Citizens NB Ch. # (\$5)900

An absolutely beautiful note that rivals any \$10 Brown Back we have ever catalogued. 28964 Bowling Green, KY - \$10 1882 Brown Back Fr. 490 The Citizens NB Ch. # (\$5)900

28968 Glasgow, KY - \$10 1902 Plain Back Fr. 628 First NB Ch. # 4819

From a Barren County institution which fell victim to the Depression in 1932, leaving \$5,600 of its Large Size circulation outstanding. CGA **Very Fine 20**. (400-600)

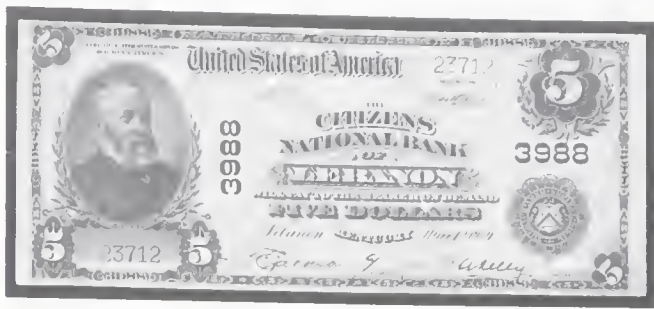

28969 Hustonville, KY - \$10 1902 Plain Back Fr. 624 The NB of Hustonville Ch. # 2917

A nice grade example from a bank which is quite common in small but tough to find in large. **Very Fine**. (450-650)

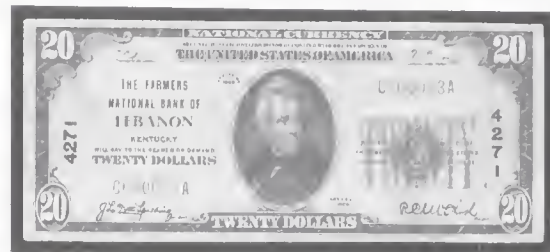

28970 Hustonville, KY - \$10 1929 Ty. 1 NB of Hustonville Ch # 2917

This was the only note issuing bank in this Lincoln County locale. **Fine**. (150-300)

28972 Lebanon, KY - \$20 1929 Ty. 1 Farmers NB of Lebanon Ch. # 4271

28975 Lexington, KY - \$10 1929 Ty. 2 First NB & TC Ch. # 906

28976 Lexington, KY - \$5 1902 Plain Back Fr. 600 Phoenix NB & TC of Lexington Ch. # 3052

Some trace handling and a light center fold prevents a higher grade on this bright, crisp, and fully original **About Uncirculated** example from the Graves Collection. (150-250)

MAINE

- 28994 Bath, ME - \$5 1882 Brown Back Fr. 466 The First NB Ch. # 2743

In addition to his wonderful New York holdings, Bill Sabis also found time to collect \$5 Brown Backs with unusual or distinctive "circus poster" layouts. This piece, the first such example we have seen from this elusive Maine bank, is a beauty, combining vivid colors, bold signatures, and a truly eye-catching layout. Our estimate here will likely prove quite conservative. Sharp **Very Fine+**. (2,000-4,000)

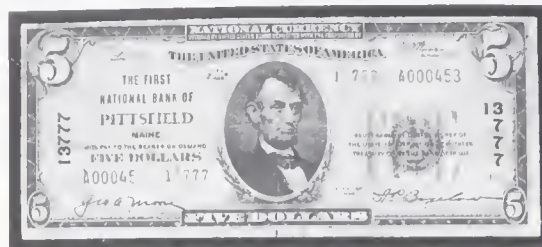

- 28995 Lewiston, ME - \$1 1875 Fr. 383 First NB of Lewiston Ch. # 330

The central vignette has been pen-altered to show the Pope shaking hands with an American soldier, a popular political hot potato at the time when the separation of church and state was in the political limelight. Just in case you missed the point, the artist has written "Church & State" to the left of his artwork. We will estimate the note for its value as a National, and let the buyers decide if the political cartoon adds or detracts. (200-400)

- 28996 Lewiston, ME - \$10 1929 Ty. 2 Manufacturers NB of Lewiston Ch. # 2260

- 29000 Baltimore, MD - \$5 1902 Plain Back Fr. 608 The Old Town NB Ch. # 5984

MASSACHUSETTS

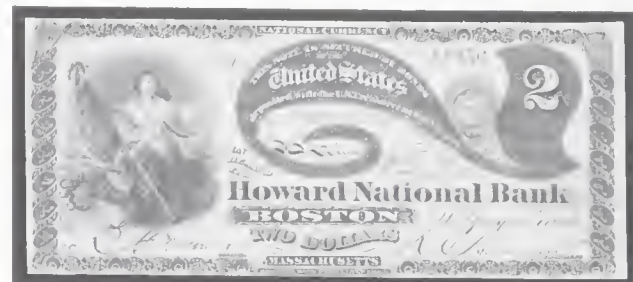

- 29004 **Boston, MA - \$5 1882 Brown Back Fr. 467 The Blackstone NB Ch. # 514**

In addition to Tom Denly's wonderful collection of Boston obsolete notes and scrip, we are pleased to offer in this sale a small but select collection of Boston and Boston area National Bank Notes, assembled in the late 1970's and early 1980's by a gentleman with both good taste and an eye for rarity. He also had, as will be demonstrated below, a particular affinity for \$5 Brown Backs, anticipating this current collecting passion by a good twenty years. While seven examples from this bank are listed in the Kelly census, the new Massachusetts census lists only four pieces, including this one, by serial number, with this the sole Brown Back of the group **Nice Fine-Very Fine**, with bold pen signatures. (600-900)

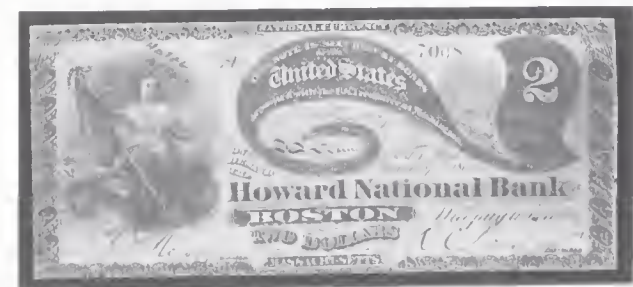

- 29005 **Boston, MA - \$5 1882 Brown Back Fr. 467 The Broadway NB Ch. # 551**

An interesting and very seldom used title layout is found on this \$5 Brown Back, along with a title that seems less Boston than it does New York. This is a very scarce bank which went out in 1899 after issuing First Charters and Brown Backs only. Pen signed **About Fine.** (500-700)

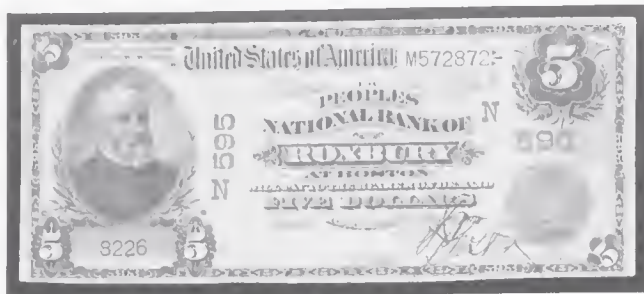

- 29006 **Boston, MA - \$2 Original Fr. 387 Howard NB of Boston Ch. # 578**

Thirteen notes, all large size, are reported in Kelly from this bank, a surprising five of which are \$2s. All of those recorded in the census however are series 1875s, making this the first reported Original Series Deuce. **Very Fine** with nice pen signatures. (2,000-3,000)

- 29007 **Boston, MA - \$2 Original Fr. 387 The Howard NB Ch. # 578**

A well circulated but intact Lazy Deuce, perfect for the collector who wants a presentable specimen of this much sought after type without spending a fortune. There are some old hinge repairs on the reverse, and a bit of graffiti over the left vignette, but the note is overall a decent **Very Good.** (750-1,150)

- 29008 Boston, MA - \$5 1902 Red Seal Fr. 587 The Peoples NB of Roxbury at Boston Ch. # (N)595

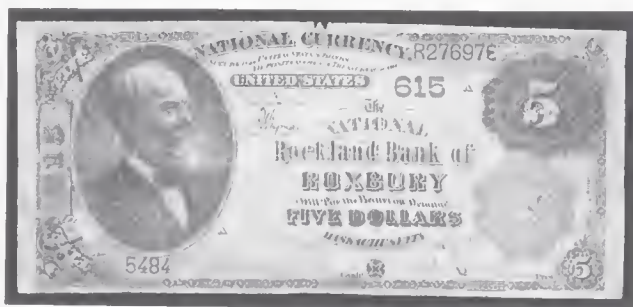

A nicely colored Red Seal from this very scarce bank. This is one of only two Red Seals recorded in the census from here, and one of only six examples of all types that are enumerated. **Pleasing Fine.** (750-1,050)

- 29009 Boston, MA - \$5 1902 Red Seal Fr. 587 The New England NB Ch. # (N)603

All three are relatively low grade, with this example right in the middle. **Very Good**, with a couple of small chips out of the top margin. (600-900)

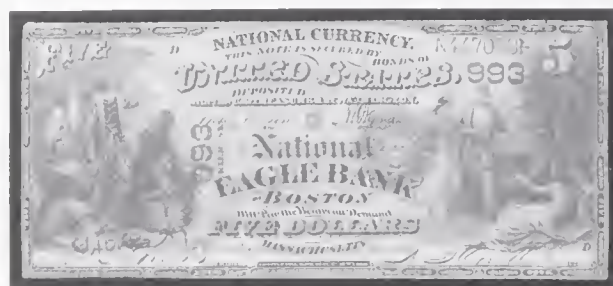

- 29012 Boston, MA - \$5 1902 Plain Back Fr. 602 The Fourth-Atlantic NB Ch. # (N)643

- 29013 Boston, MA - \$5 1882 Brown Back Fr. 467 The Mount Vernon NB Ch. # 716

A nice evenly circulated \$5 Brown Back from one of Boston's scarcest issuers, with the census from here standing at just four pieces including this example. Pen signed **Fine.** (700-1,100)

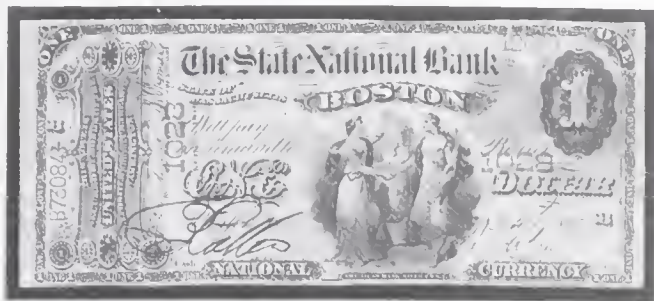

- 29014 Boston, MA - \$5 1875 Fr. 402 The National Eagle Bank Ch. # 993

An evenly circulated example with good color and body for the grade. The margins are trimmed close in the typical New England style. **About Fine.** (350-550)

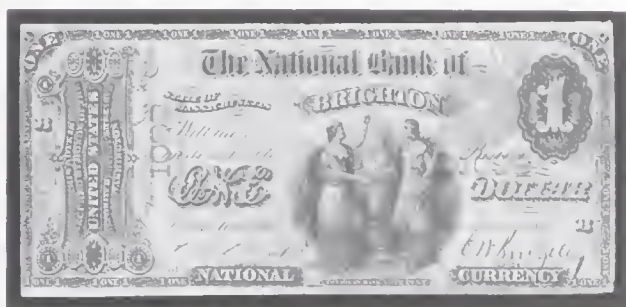

- 29015 Boston, MA - \$5 1882 Brown Back Fr. 467 The Old Boston NB Ch. # 1015

Another very scarce Boston bank, this with just five examples listed in the census, not including this unreported piece. Pen signed **Fine**, but with the tight New England trim all around that normally afflicts First Charters from this region. (400-600)

29016 Boston, MA - \$1 1875 Fr. 384 State NB of Boston Ch. # 1028

Unlike many first charter Aces from this region, this example is well margined and does not have the typical "New England trim." **Very Good-Fine** with some minor paper softness on the back. (250-450)

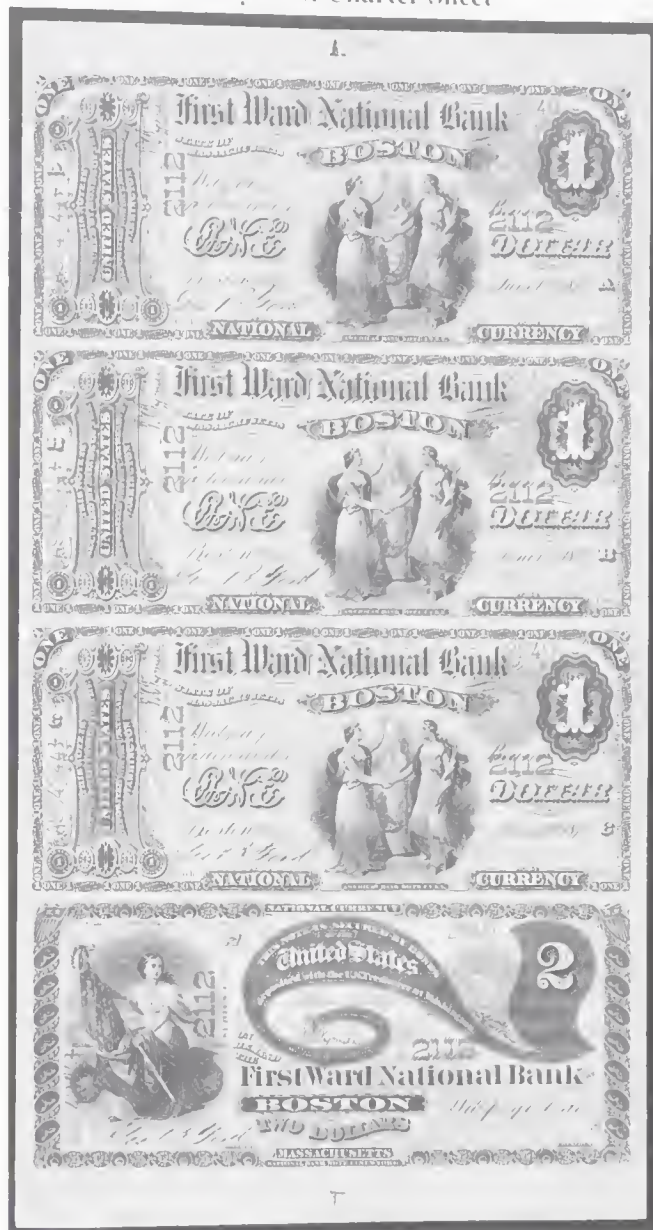

29017 Brighton, MA - \$1 1875 Fr. 385 The NB of Brighton Ch. # 1099

For some reason we can not divine, this bank has been listed under a Boston issuing location, although there is no mention of same on the note itself, which plainly states "Brighton, Mass." in its text. Nevertheless, this is a very scarce bank which issued First Charters only before bowing out in 1881. The census currently stands at four, including this piece. **Fine**, with a repaired split at the center. (500-900)

29018 Boston, MA - \$5 1929 Ty. 2 Webster & Atlas NB Ch. # 1527

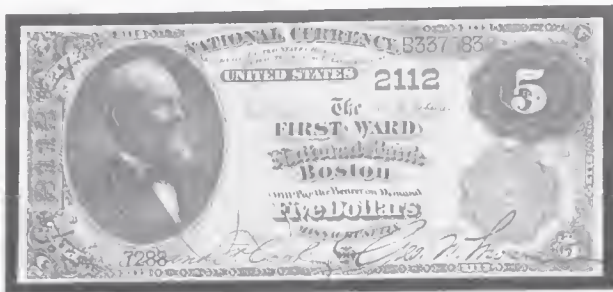

Evenly circulated **Very Fine** small example. (75-125)

Lovely First Charter Sheet

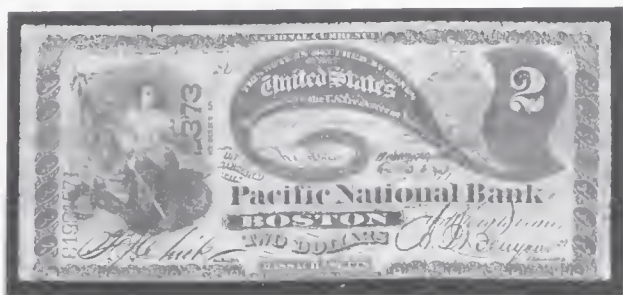

29019 Boston, MA - \$1-\$1-\$1-\$2 1875 Fr. 384/391 The First Ward NB Ch. # 2112 Uncut Sheet

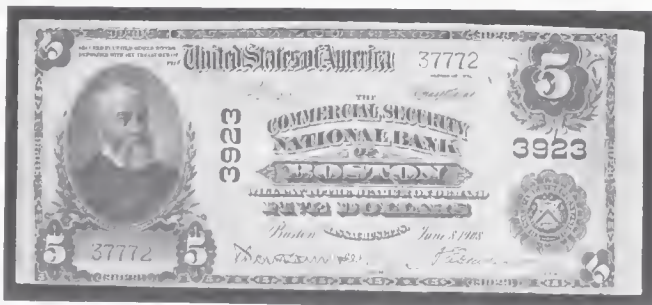

An incredibly vivid uncut sheet, with the appearance of an item which has been printed yesterday. There is a light horizontal fold through the sheet and folds into the notes which can only be seen upon close inspection, but, as we said when we last sold this sheet in September of 2001, "in our combined 75+ years in this business, we have never had the opportunity to offer a more attractive First Charter sheet." This is a wonderfully rare item fit for the finest of collections, and is far superior to the \$1-\$1-\$1-\$2 sheet we sold from Philadelphia in our last sale which realized \$21,850 against a pre-sale estimate of \$10,000-\$15,000. If quality and eye appeal are any guide, expect this rare and beautiful sheet to bring even more this evening. (20,000-25,000)

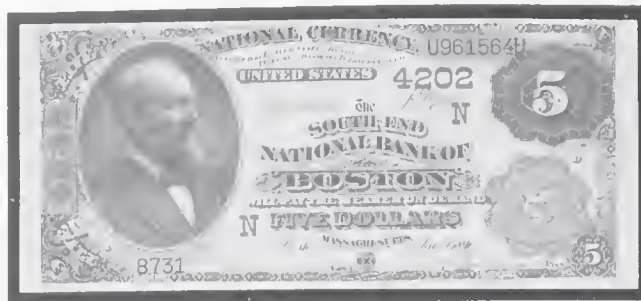

- 29020 Boston, MA - \$5 1882 Brown Back Fr. 472 The First Ward NB Ch. # 2112
A nice layout on this \$5 Brown Back, one of only two of this type and denomination reported from here. **Fine-Very Fine.** (450-650)

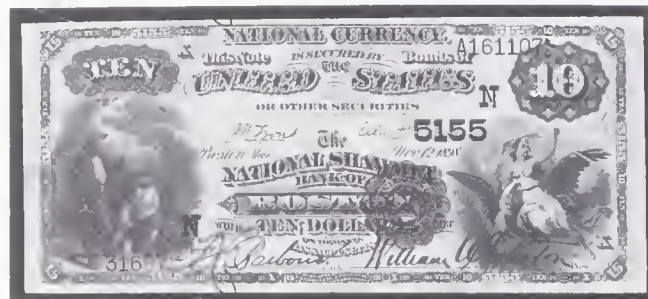

- 29021 Boston, MA - \$2 1875 Fr. 392 The Pacific NB Ch. # 2373
An extremely rare Boston bank which was in business for less than five years before closing its doors forever in early 1882. The Massachusetts census shows only two notes known from here, one listed without serial number. That is probably the lone piece listed in the new Kelly Lazy Deuce census, also without serial number. This note bears the highest charter number of any reported Lazy Two, and it is certainly possible that this is the example already in the census, making it unique for type from the bank. The note is a well circulated but quite intact **Very Good** example, with decent margins and surprisingly bright colors for the grade. If rarity is any guide, expect this note to see bidding reach or even exceed... (1,000-1,500)

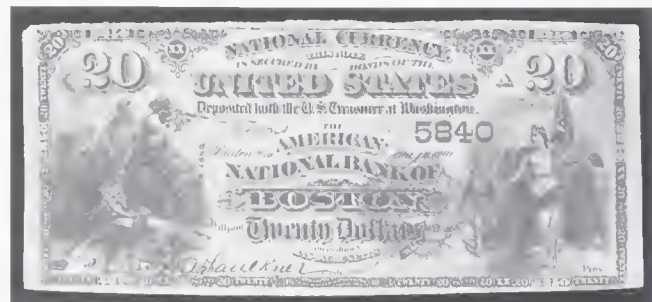

- 29022 Boston, MA - \$5 1902 Plain Back Fr. 600 The Commercial Security NB Ch # 3923
A very scarce title used only from 1923 until the bank closed in 1928. Just three notes are listed in the census plus this unreported piece. **Very Fine**, with engraved signatures. (350-550)

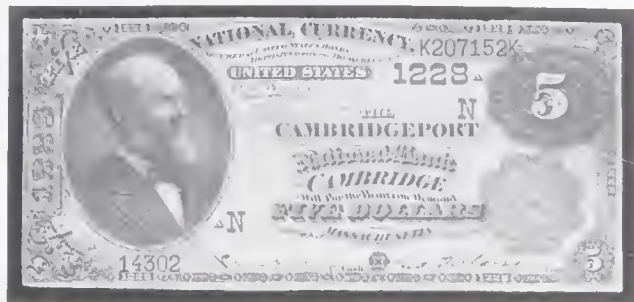

- 29023 Boston, MA - \$5 1882 Brown Back Fr. 471 The South End NB Ch. # (N)4202
A rare Boston bank which liquidated in 1914. The census stands at just four pieces, with this the only \$5 Brown Back reported. Our consignor obtained this example in early 1985, and it has been off the market for the past eighteen years. Bright **Extremely Fine**, a gorgeous and rare item. (1,250-1,750)

- 29024 Boston, MA - \$10 1882 Date Back Fr. 545 National Shawmut Bank of Boston Ch. # (N) 5155
A nicely centered Boston Second Charter Date Back with dark signatures. The paper is fresh and original. **Extremely Fine.** (450-650)

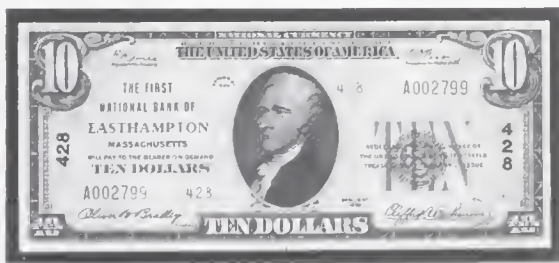

- 29025 Boston, MA - \$20 1882 Brown Back Fr. 504 The American NB Ch. # 5840
A great note from one of the rarest of Boston's issuing banks. Chartered in 1901, this institution lasted only until 1905, issuing but a relative handful of Brown Backs only. For years the census has remained unchanged at one, with that piece not having been available since 1986. This newly reported example brings the total known to two. It is a lovely note, grading a strong **Extremely Fine**, with bright colors and sharp pen signatures. Expect some stiff competition amongst the Massachusetts collectors tonight before the hammer falls on this most desirable note. (1,500-2,500)

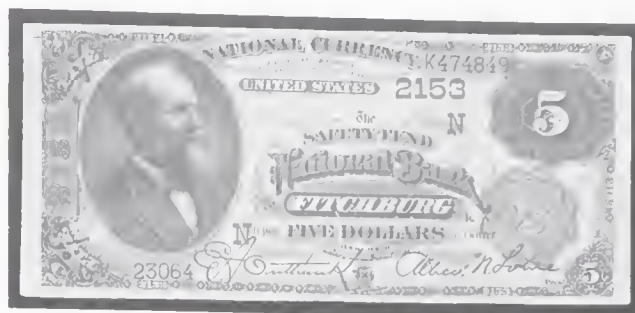

- 29026 **Cambridgeport, MA - \$5 1882 Brown Back Fr. 468 The Cambridgeport NB Ch. # (N)1228**
A rare bank which went out in 1905, and whose issuing nomenclature is Cambridgeport, not Cambridge. The census stands at just four pieces from here, with the last offering of any kind coming in an auction appearance fifteen years ago. Pen signed **Fine**, the margins trimmed a bit close. (800-1,300)

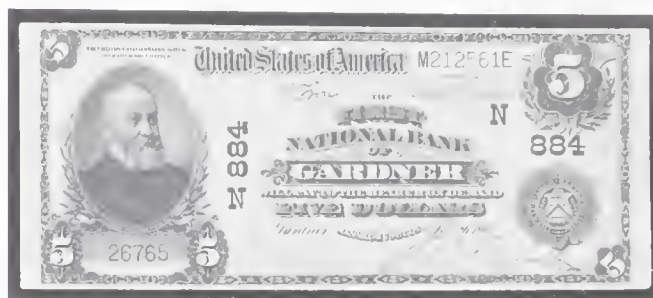

- 29027 **East Cambridge, MA - \$5 1882 Brown Back Fr. 467 The Lechmere NB Ch. # 614**
A decent \$5 Brown Back from this Boston area bank. Pen signed **Fine**. (650-850)
- 29028 **Easthampton, MA - \$10 1929 Ty. 2 The First NB Ch. # 428**
Gem Crisp Uncirculated. (150-200)

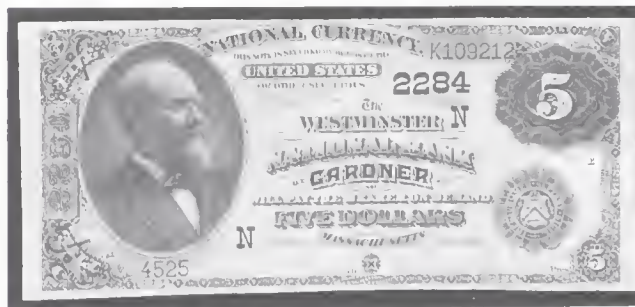

- 29029 **Easthampton, MA - \$10 1929 Ty. 2 FNB of Easthampton Ch. # 428**
This is likely the most available of the 1929 Series in Uncirculated condition. **Gem Uncirculated**. (150-200)

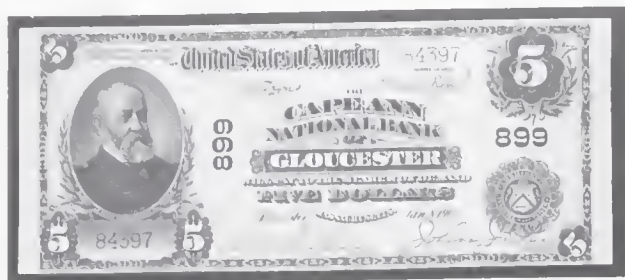

- 29030 **Fitchburg, MA - \$5 1882 Brown Back Fr. 474 The Safe-Ty Fund NB Ch. # (N)2153**
A lovely note bearing one of the classic circus poster layouts. **Very Fine**, with great color, centering and signatures, a winner from the collection of Bill Sabis. (1,000-1,500)

- 29031 **Gardner, MA - \$5 1902 Plain Back Fr. 598 First NB of Gardner Ch. # (N)884**
A lovely **Extremely Fine-About Uncirculated** large size example from the Graves Collection. The census reports 13 large size notes. (275-425)

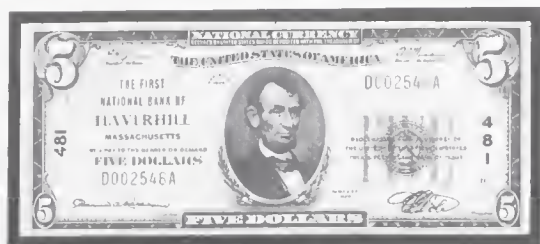

- 29032 **Gardner, MA - \$5 1882 Date Back Fr. 534 The Westminster NB Ch. # (N)2284**
The second title used by this very scarce Worcester County bank, which liquidated in 1916. Just five notes are known from the bank, one from the first issuing location and four from here, and, of that number, this is the sole Date Back. **Fine-Very Fine**, with a most attractive layout. (700-1,200)

29033 Gloucester, MA - \$5 1902 Plain Back Fr. 598 The Cape Ann NB Ch. # 899

One of the highest grade blue seals we've seen from this much collected community. Bright **Extremely Fine**. (300-400)

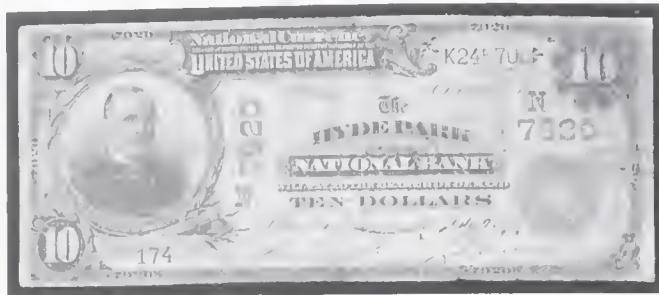

29034 Haverhill, MA - \$5 1929 Ty. 1 First NB of Haverhill Ch. # 481

Haverhill was a center for saw and grist mills in the late 17th century and during the early years of the 18th century evolved as a location for boat building and tanneries, remaining a shoe manufacturing center into the depression. This attractive note for type is well centered. **Choice Crisp Uncirculated**. (125-200)

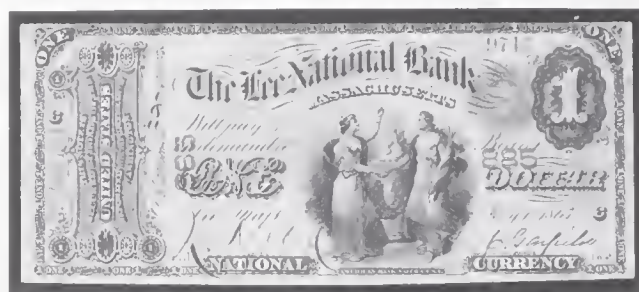

29035 Haverhill, MA - \$10 1902 Date Back Fr. 620 The Merchants NB Ch. # (N)4833

Unique to our best knowledge, as both our offering records and the Massachusetts census indicate that this note is the sole example known from the bank. It has been off the market for eighteen years since our consignor obtained it in a 1985 auction, where it made its only appearance at public sale until this evening. Bright **Fine-Very Fine**, with a scattering of pinholes more than offset by the nice purple signatures, an almost impossible note to estimate, as is anything which is unique, but if true rarity is any guide expect to see the hammer fall in the range of (2,500-4,500)

29036 Hyde Park, MA - \$10 1902 Red Seal Fr. 614 The Hyde Park NB Ch. # (N)7920

Three notes are known from this obscure Boston area bank, with this the only Red Seal. It has been seventeen years since any note has been offered from here, and, with the very tiny issuance and early disappearance of this institution, it might be that many again before another opportunity arises to own any example from here. Well circulated but intact **Very Good**, with pen signatures. (1,250-1,750)

29037 Lee, MA - \$1 Original Fr. 380 The Lee NB Ch. # 380

New to the Massachusetts census, and higher grade than four of the other five known ones from here. Nice **Fine-Very Fine**, from the Graves collection. (550-750)

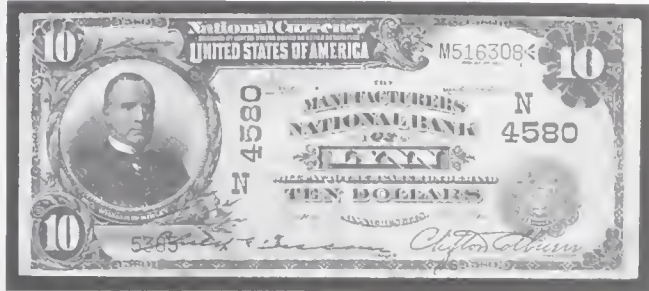

29038 Lee, MA - \$20 1902 Plain Back Fr. 650 The Lee NB Ch. # 885

Also new to the census, and also from the Graves holdings. This is one of only two \$20 Blue Seals reported from here, and by far the nicer of the pair. **Extremely Fine**. (300-400)

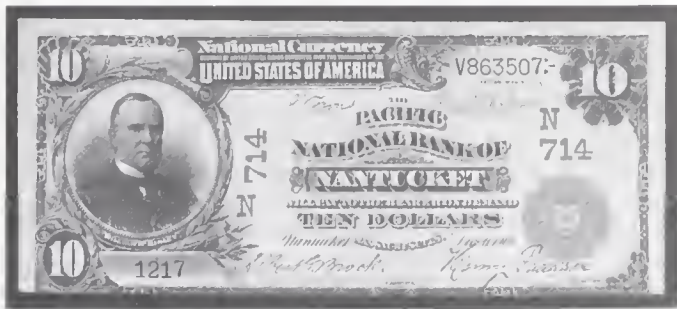

- 29039 **Leominster, MA - \$5 1929 Ty. 2 The Merchants NB Ch. # 10059**
A crackling fresh and well centered beauty. Gem Crisp Uncirculated. (175-275)

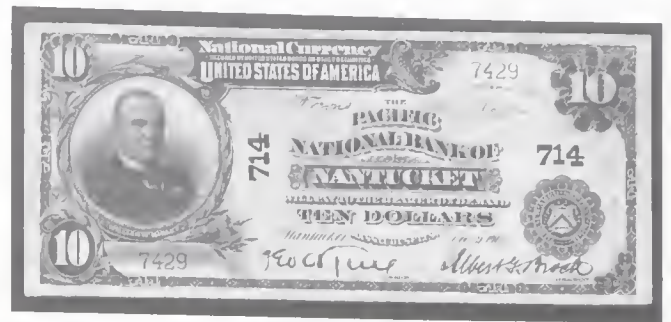

- 29040 **Lynn, MA - \$10 1902 Date Back Fr. 619 The Manufacturers NB Ch. # (N)4580**
A very scarce Lynn bank, with just four large examples recorded in the Massachusetts census including this piece. Fine. (350-550)

- 29041 **Malden, MA - \$5 1902 Plain Back Fr. 598 The First NB Ch. # 588**
Evenly circulated Fine, with good signatures. (125-175)

- 29042 **Marlborough, MA - \$10 1929 Ty. 1 The Peoples NB Ch. # 2404**
A pleasing Very Fine example from this scarcer Middlesex County bank. (150-200)

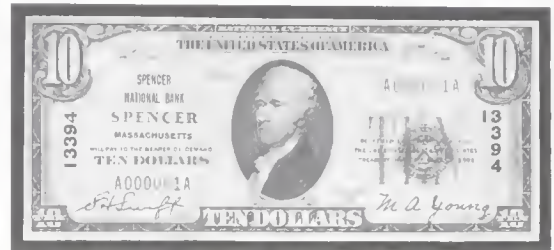

- 29043 **Nantucket, MA - \$10 1902 Red Seal Fr. 613 The Pacific NB Ch. # (N)714**
A very rare type from this much collected bank and town, with the Kelly Red Seal census listing just one other \$10 (and two \$5) extant from Nantucket. This note is an attractive Very Fine-Extremely Fine example, with excellent color and minimal wear, with its only flaw a close bottom margin. Expect to see bidding on this most desirable Red Seal easily reach and quite likely exceed our estimate of ... (1,500-2,500)

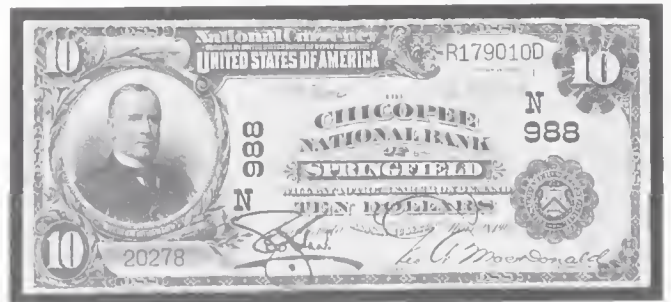

- 29044 **Nantucket, MA - \$10 1902 Plain Back Fr. 624 The Pacific NB Ch. # 714**

A lovely example from the same collection as the Red Seal offered above. This is one of only two Blue Seal tens recorded in the census, and a note that is certain to please its fortunate new owner. Pen signed Extremely Fine+, with broad margins and vivid colors. (600-900)

- 29045 **Shelburne Falls, MA - \$10 1902 Plain Back Fr. 624 The Shelburne Falls NB Ch. # (N)1144**
Pen signed Very Good-Fine, with no problems save honest wear. (225-325)

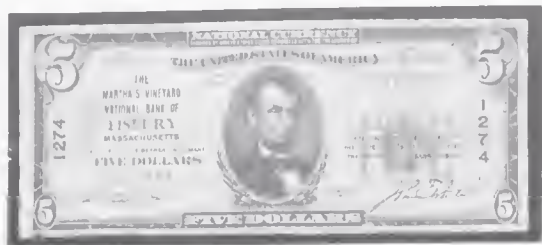

- 29046 **Spencer, MA - \$10 1929 Ty. 1 Spencer NB Ch. # 13394**
A lovely example which is the only \$10 Number 1 note reported from here. It's from the "A" position, making it truly the first \$10 note issued by the bank as well. Gem Crisp Uncirculated. (1,500-2,000)

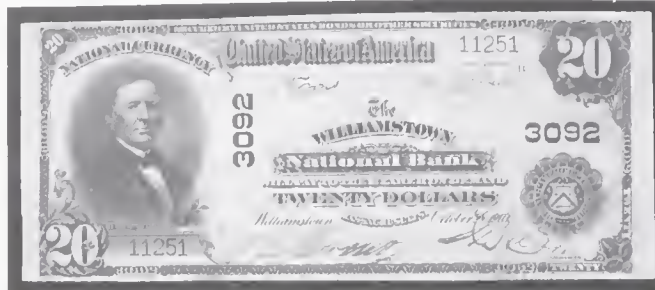

- 29047 **Springfield, MA - \$10 1902 Plain Back Fr. 624 Chicopee NB of Springfield Ch. # (N)988**

A problem-free Fine+++ example from this scarcer large size-only-bank that is represented by just eight notes in the census. (250-350)

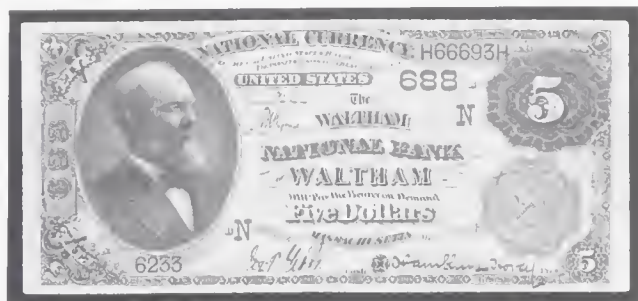

29048 Tisbury, MA - \$5 1929 Ty. 1 The Martha's Vineyard NB Ch. # 1274

A much sought after note from this avidly collected location, which is actually considerably harder to obtain in small than it is in large. This piece, which is new to the census, is only the third Series 1929 \$5 to be reported. **About Fine**, with a tiny nick in the lower left corner. (700-900)

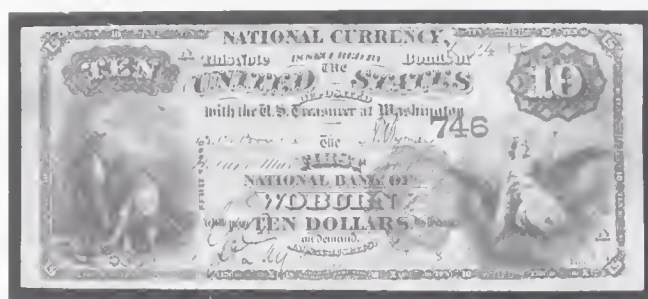

29051 Williamstown, MA - \$20 1902 Plain Back Fr. 650 The Williamstown NB Ch. # 3092

A common bank in small size, but quite rare in large, with the entire census comprised of three pieces, one of which is listed without grade, and the other as Very Good-Fine. This piece comes in as a bright **Very Fine-Extremely Fine**, and may well be the nicest of the trio of known large examples from here. (750-1,250)

29049 Waltham, MA - \$5 1882 Brown Back Fr. 467 The Waltham NB Ch. # (N)688

The census shows Originals and Plain Backs, but no Brown Backs of any denomination. This \$5 Brown Back grades **Very Fine**, but there is a bit of ink erosion at the cashier's signature. (700-900)

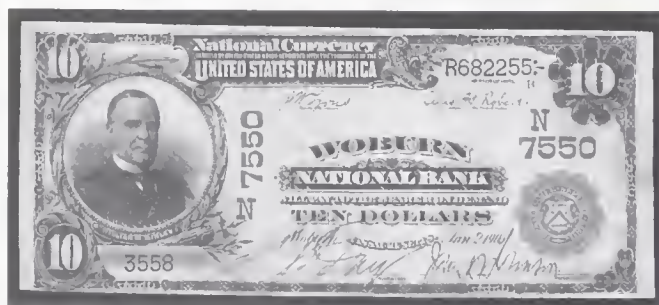

29052 Woburn, MA - \$10 1882 Brown Back Fr. 480 The First NB Ch. # 746

A nice Brown Back from a very scarce Middlesex County bank which liquidated in January of 1905. Both the Kelly and the new Massachusetts census list just three examples of all kinds from here. Pen signed **Fine-Very Fine**. (750-1,250)

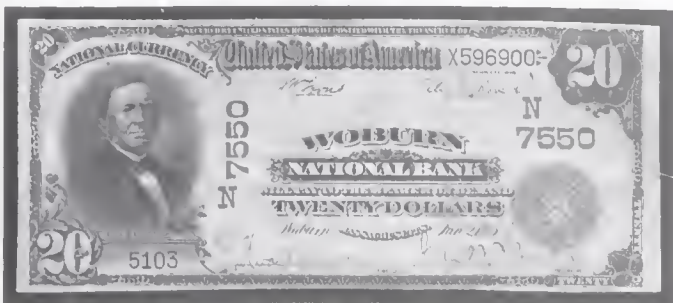

29050 Webster, MA - \$5 1902 Plain Back Fr. 606 The Webster NB Ch. # 11236

A high grade large example. **Extremely Fine+**, with strong signatures (225-375)

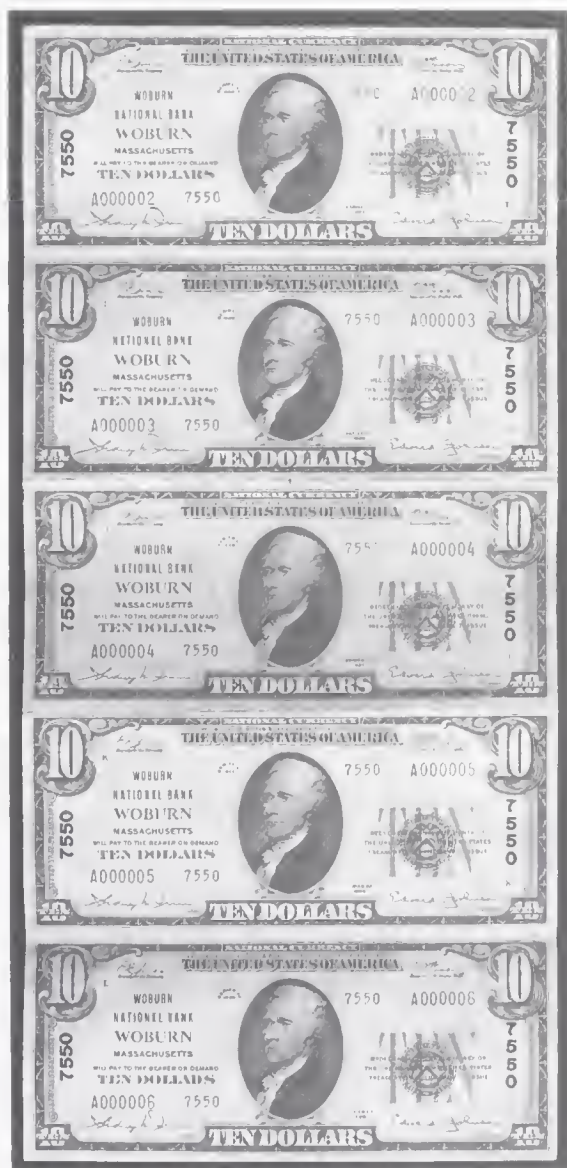

29053 Woburn, MA - \$10 1902 Red Seal Fr. 613 Woburn NB Ch. # (N)7550

One of the highlights of the small Woburn collection offered in this sale. The new Massachusetts census lists only three large examples from this excessively scarce bank, all plain backs, making the two Red Seals offered here new discoveries. The \$10 is a vividly colored example with bold pen signatures of G.H. Day and John N. Johnson. Sharp **Very Fine-Extremely Fine**, a lovely note likely to see bidding easily reach and likely exceed. (1,500-2,500)

29054 **Woburn, MA - \$20 1902 Red Seal Fr. 639 Woburn NB Ch. # (N)7550**

A beautiful companion to the \$10 Red Seal offered above, and in virtually identical grade. This is a very scarce denomination for Massachusetts Red Seals (a none too common type to begin with from this state), with the new Kelly compilation listing only 20 \$20 examples from all banks in the state combined. Brightly colored **Very Fine+++**, with sharp pen signatures of Edward Johnson and John N. Johnson, a premium example offering a great combination of grade and rarity. (1,750-3,250)

29055 **Woburn, MA - \$10 1929 Ty. 2 Woburn NB Ch. # 7550**
The first sheet issued of Type 2 tens, missing the serial number one example. The sheet has been folded between the notes, and there is a crease at the top of the number 2 note, but the notes themselves grade **Choice Crisp Uncirculated**. (1,750-2,250)

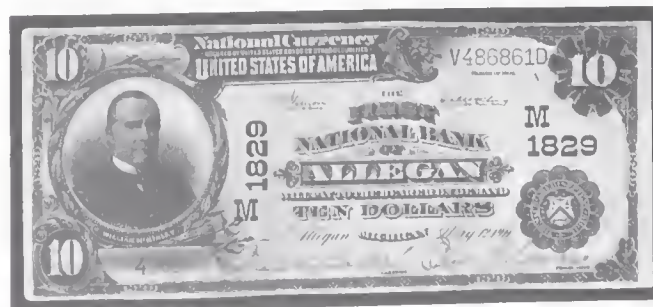

29056 **Woburn, MA - \$20 1929 Ty. 2 Woburn NB Ch. # 7550**

Last in this unprecedented offering of Woburn notes. This is a partial sheet containing the serials number 1, 2, and 3 examples. While folded between the notes, each piece grades **Choice Crisp Uncirculated**, including the all important serial number 1. Expect this important partial sheet to realize... (2,750-3,250)

29057 **A Nice Group of Massachusetts Nationals**

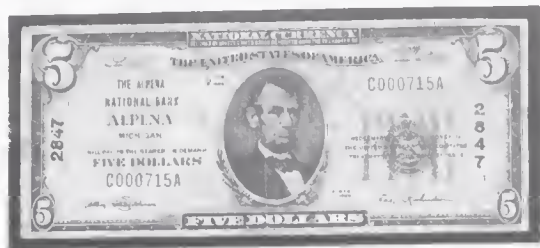

Springfield, MA - \$5 1929 Ty. 1 Springfield NB Ch. # 4907 Gem CU
Easthampton, MA - \$10 1929 Ty. 2 First NB Ch. # 428 Choice CU
Worcester, MA \$5 1902 Plain Back Fr. 598 Worcester County NB Ch. # 7595 EF
Westfield, MA - \$10 1902 Date Back Fr. 616 First NB Ch. # (N)190 VF-EF. (Total: 4 notes) (350-650)

MICHIGAN

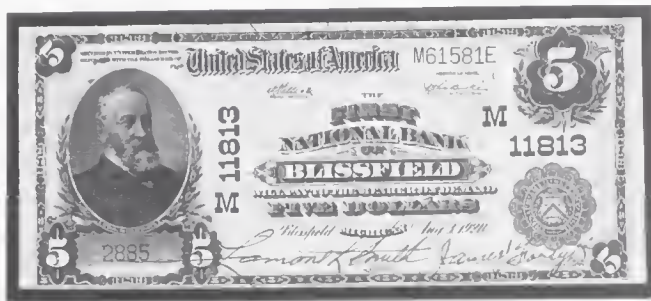

29058 **Allegan, MI - \$10 1902 Plain Back Fr. 627 The First NB Ch. # (M)1829**

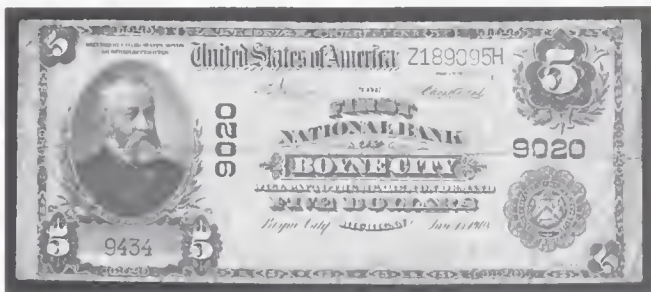

A lovely note from the only bank in rural Allegan County to issue. Bright **About Uncirculated**, a premium example fit for the finest of collections. (800-1,100)

- 29059 **Alpena, MI - \$5 1929 Ty. 1 The Alpena NB Ch. # 2847**
A scarce note from the only bank in the county to issue. **Fine**, with a bit of blue pencil on the front and a touch of graffiti on the reverse. (200-400)

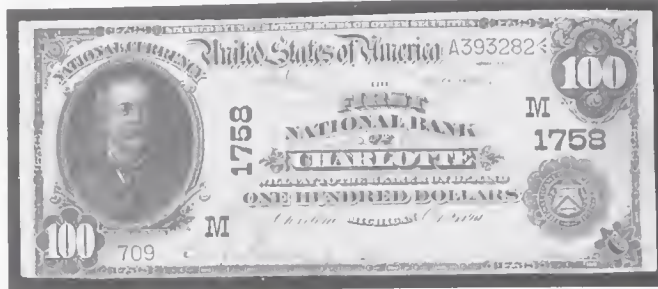

- 29060 **Blissfield, MI - \$5 1902 Plain Back Fr. 607 First NB of Blissfield Ch. # 11813**
Only four large size notes are known from this one-bank town. This rare note is beautifully bright with bold blue signatures of both the cashier and vice president. But for a small paper clip rust stain, this pretty **Very Fine** example is free of flaws. (700-1,000)

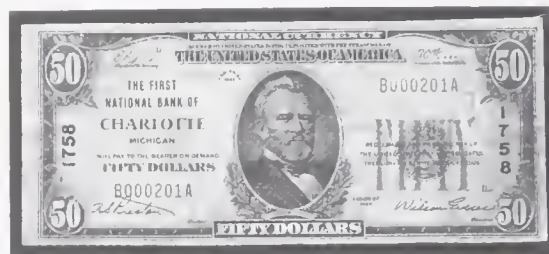

- 29061 **Boyne City, MI - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 9020**
A just plain scarce note from the only bank to issue in remote Charlevoix County. Our records indicate the last offering of any note from here, large or small, came back in 1996. **About Fine**. (600-900)

- 29062 **Cassopolis, MI - \$10 1902 Plain Back Fr. 627 First NB of Cassopolis Ch. # 1812**
A nice pen signed large size note that is signed by Ritter and Ritter. It is fully **Uncirculated** except for a few corner folds and some light handling. **About Uncirculated**. (275-375)

- 29063 **Cassopolis, MI - \$10 1902 Plain Back Fr. 627 The First NB Ch. # 1812**
Pleasing pen signed **Fine-Very Fine** large example. (175-225)

- 29064 **Charlotte, MI - \$100 1902 Date Back Fr. 692 The First NB Ch. # (M)1758**
A very scarce high denomination example, with the new Kelly census listing this piece as one of two large hundreds known, along with one large fifty. **Very Fine**, with a tiny rust spot on the back which affects nothing. (2,500-3,500)

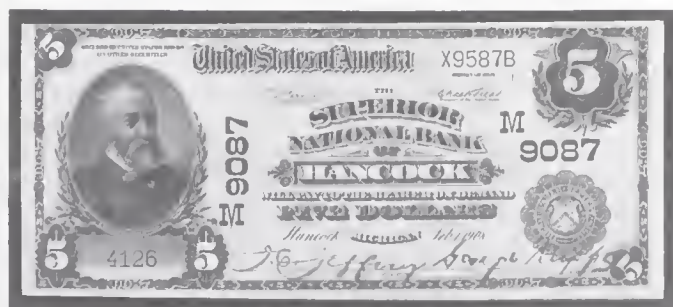

- 29065 **Charlotte, MI - \$50 1929 Ty. 1 The First NB Ch. # 1758**
A nice companion to the large note from here, with this \$50 example higher grade than any now in the census. **Very Fine**, with a bit of blue pencil on the front. (700-1,000)
- 29066 **Detroit, MI - \$10 1882 Brown Back Fr. 483 The Preston NB Ch. # 3730**
A scarcer Detroit bank, but deplorable in condition, with several crude repairs. **Good**. (125-175)
- 29067 **Detroit, MI - \$10 1929 Ty. 1 First NB Ch. # 10527**
Last of the four titles used here, and somewhat scarce, with few single notes known with this nomenclature. **Very Fine-Extremely Fine**. (75-100)

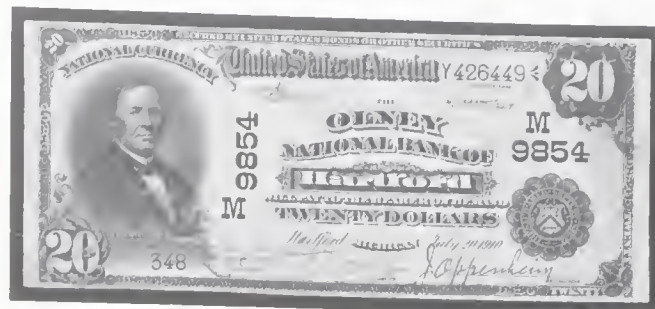

- 29068 Grand Rapids, MI - \$10-\$10-\$10-\$20 1902 Plain Back Fr. 634/660 The Fourth NB of Grand Rapids Ch. # 2611 Uncut Sheet

An attractive pen signed uncut sheet which has retained its full selvage. There are some light folds between the notes and in the top selvage, but the notes are all **Choice Crisp Uncirculated**, and the sheet, which is new to the census, is one of only eight \$10-\$10-\$10-\$20 uncut sheets extant from Michigan. (2,500-4,500)

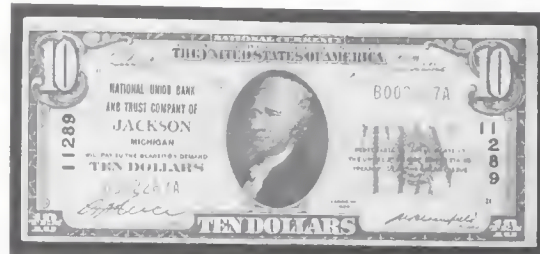

- 29069 Hancock, MI - \$5 1902 Plain Back Fr. 600 The Superior NB Ch. # (M)9087

A lovely example from this Upper Peninsula bank, which is quite scarce in large size. Bright **About Uncirculated**. (650-950)

- 29070 Hartford, MI - \$20 1902 Date Back Fr. 645 The Olney NB Ch. # (M)9854

An ex-Grinnell collection example which is the only \$20 Date Back reported from this bank. Pen signed **Extremely Fine-About Uncirculated**. (450-650)

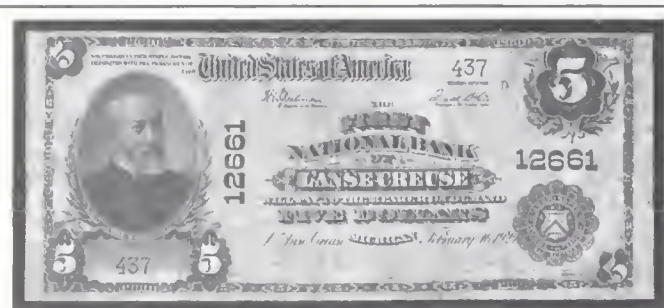

- 29071 Jackson, MI - \$10 1929 Ty. 1 The National Union Bank Ch. # 11289

A very scarce bank in small size, which were issued from here for only about nine months before the bank closed. The Kelly census stands at four. **Fine+++**. (250-450)

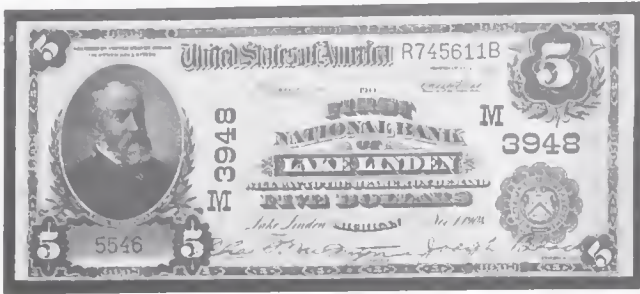

- 29072 Jackson, MI - \$5 1929 Ty. 2 The NB of Jackson Ch. # 13741

Unusually high grade for a note from here, with this reputedly the second finest known example on the bank. **Extremely Fine**. (200-300)

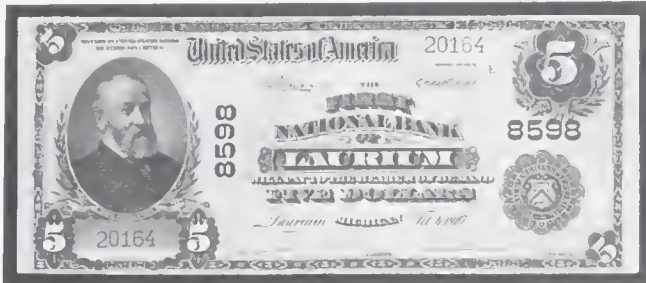

- 29073 L'Anse Creuse, MI - \$5 1902 Plain Back Fr. 609 The First NB Ch. # 12661

A great Michigan rarity and one which is likely to remain so forever. Only a literal handful of notes were issued from here before the before the bank's issuing location changed to St. Clair Shores early in 1927. The Kelly census shows just one large example reported with each title, making this note mandatory for any Michigan collector aspiring to own a note from every issuing location. Quite unusually, this specimen is also a major error note as well, as the BFP mistakenly engraved a plate with the date of February 16, 1924, rather than the correct date of February 16, 1925, an error we've not seen on any other National. **About Fine**, difficult to estimate, but if rarity and desirability are any guide, likely to reach or even exceed... (4,000-6,000)

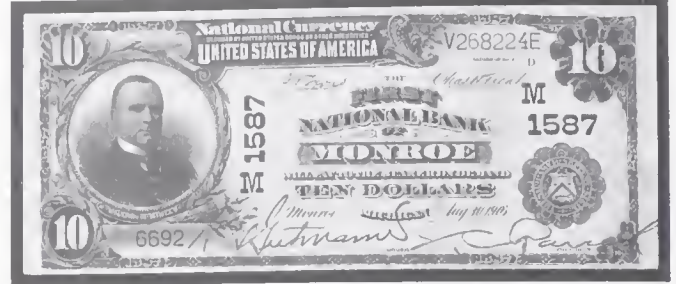

- 29074 Lake Linden, MI - \$5 1902 Plain Back Fr. 600 The First NB Ch. # (M)3948
A very high grade example from this well collected Upper Peninsula community. Bright Very Fine-Extremely Fine. (600-800)

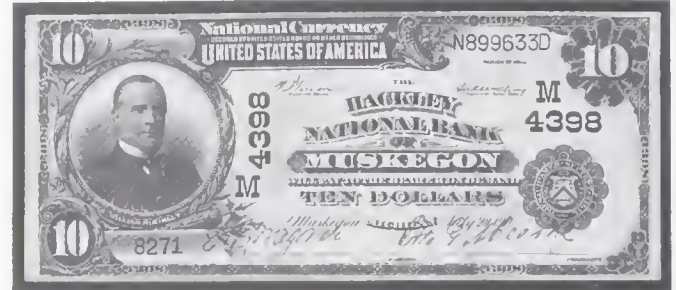

- 29075 Laurium, MI - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 8598
An unusually high grade large example from this UP community. Extremely Fine. (450-650)

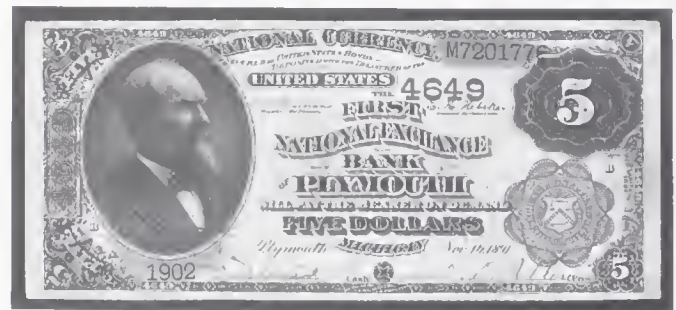

- 29076 Marine City, MI - \$5 1902 Plain Back Fr. 606 The Liberty NB Ch. # 11260
A very scarce large note from the only bank to issue in this St. Clair County location. The Kelly census shows just five large examples extant from here, with this as nice as any we remember seeing. Sharp Fine-Very Fine, with vivid sea-green signatures. (550-850)
- 29077 Menominee, MI - \$10 1902 Plain Back Fr. 627 The Lumbermen's NB Ch. # 4454
A nice occupational title graces this example. Fine-Very Fine, with a bit of soil on the back. (150-200)

- 29078 Monroe, MI - \$10 1902 Plain Back Fr. 625 The First NB Ch. # (M)1587
A high grade example from this one bank community. Sharp Extremely Fine. (700-900)

- 29079 Muskegon, MI - \$10 1902 Plain Back Fr. 627 Hackley NB of Muskegon Ch. # (M)4398
Bright purple stamped signatures of the cashier and vice president add considerably to the already handsome appearance. Crisp Extremely Fine-About Uncirculated, merely two vertical folds and one horizontal fold away from New. Only 13 large size notes are in the census. (250-450)

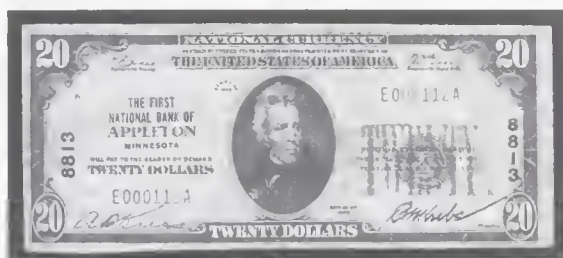

- 29080 Plymouth, MI - \$5 1882 Brown Back Fr. 472 The First National Exchange Bank Ch. # 4649
A nice pen signed \$5 Brown Back. Extremely Fine+. (700-900)
- 29081 Port Huron, MI - \$10 1882 Brown Back Fr. 484 The First National Exchange Bank Ch. # 4446
A tougher Brown Back, but washed, which has lightened the overprint a bit. Fine. (450-650)
- 29082 Saginaw, MI - \$10 1882 Brown Back Fr. 485 The Second NB Ch. # (M)1918
Fine but for a repaired split and missing corner (150-250)

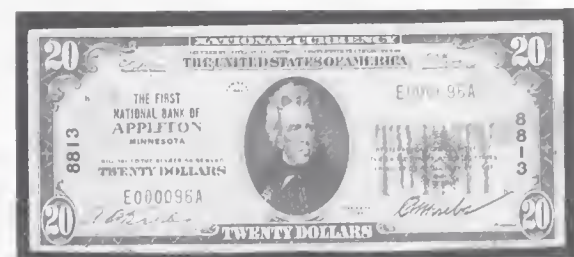

- 29083 **Ypsilanti, MI - \$20 1929 Ty. 2 The First NB Ch. # 155**
An excessively rare type and denomination from this always popular bank, with only 30 Type 2 twenties issued from here. This piece bears serial number A000003. **Fine**, a note certain to excite the Michigan specialist. (400-600)

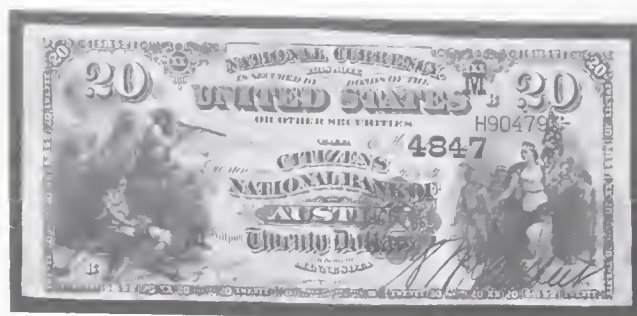

MINNESOTA

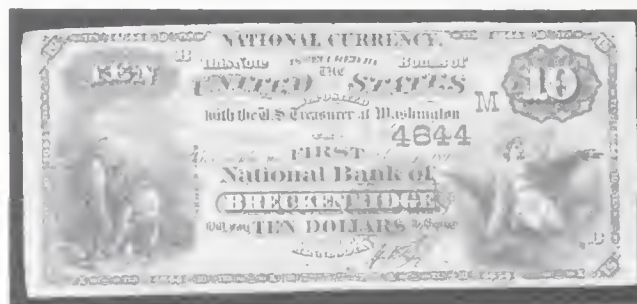

- 29084 **Appleton, MN - \$20 1929 Ty. 1 First National Bank of Appleton Ch. # 8813**
This is an especially scarce note from Appleton's only issuer of the 1929 Series. Our data base of 275,000 National Bank note offerings documents a scant 11 listings in auctions, fixed price lists and other advertisements, the last being a \$10 in our January 2002 Florida United Numismatists Convention auction. **Fine-Very Fine**. (350-550)

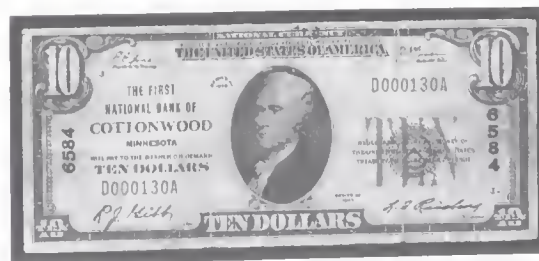

- 29085 **Appleton, MN - \$20 1929 Ty. 1 The First NB Ch. # 8813**
A scarce piece from Appleton's only issuer of Series 1929 examples. **Fine-Very Fine**, with a few pinholes. (300-400)

- 29086 **Austin, MN - \$20 1882 Date Back Fr. 550 The Citizens NB Ch. # (M)4847**
An excessively rare bank which issued Brown Backs and Date Backs only before liquidating in 1912. Two notes are reported from the bank, with our records indicating only one prior offering of any example from this bank at public sale, when a low grade \$5 Brown Back brought \$8250 at auction back in 2000. This piece is light years superior to that note, and, in an even more active market, may well reach or exceed that realization. Pen signed **Very Fine**, a great note which we will conservatively estimate at... (5,000-7,000)

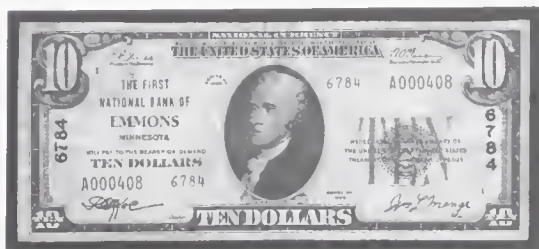

- 29087 **Breckenridge, MN - \$10 1882 Brown Back Fr. 485 The First NB Ch. # (M)4644**
A great new discovery from this excessively rare bank, from which the Kelly census lists just one large note extant. This Brown Back surfaced as the only Minnesota National in a midwest cash hoard set aside by an Illinois banker between 1925 and 1940. We know of no other large notes from this bank save for the census note, and expect some spirited bidding on this rarity before the hammer drops tonight. Pen signed **Fine**. (3,000-5,000)

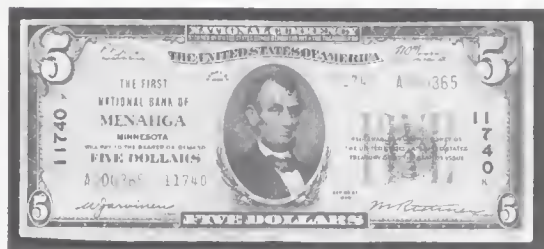

- 29088 **Cottonwood, MN - \$10 1929 Ty. 1 The First NB Ch. # 6584**
Another excessively rare Minnesota note, from a bank that was on the undiscovered list in small size for many years. Two examples have now been accounted for, but the bank's tiny issue makes this a Minnesota location that will likely always remain rare in small. Evenly circulated **Fine**. (1,000-2,000)

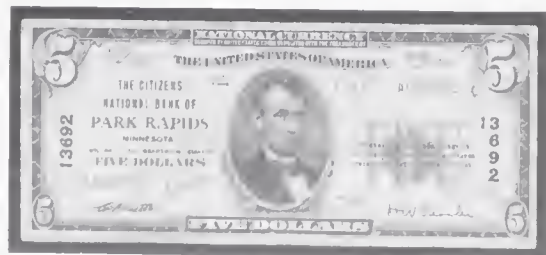

- 29089 Crookston, MN - \$20 1902 Plain Back Fr. 660 The First NB Ch. # 2567
A nice evenly circulated large example. **Fine-Very Fine.** (200-300)

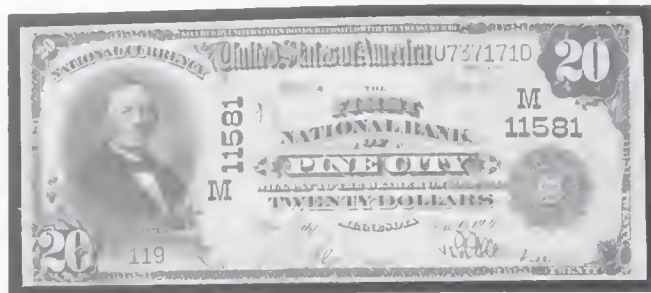

- 29090 Emmons, MN - \$10 1929 Ty. 2 First NB of Emmons Ch. # 6784
A nice **Very Fine** example from the only bank to issue in this Freeborn County town. (250-350)
- 29091 Little Falls, MN - \$10 1929 Ty. 1 FNB of Little Falls Ch. # 4034
Two banks from this locale issued the 1929 Series, this being the scarcer institution. **Fine.** (100-200)

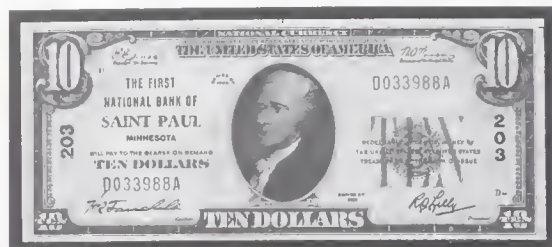

- 29092 Menahga, MN - \$5 1929 Ty. 2 First NB of Menahga Ch. # 11740
Although there are 21 small size notes in the census, this one-bank town is extremely rare in large size and there is plenty of demand to make this a highly desirable note. **Fine**, with one barely mentionable minor stain on the back. (200-300)

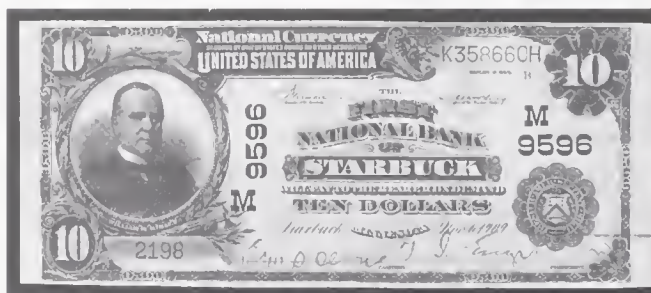

- 29093 Park Rapids, MN - \$5 1929 Ty. 2 Citizens NB of Park Rapids Ch. # 13692
The town of Park Rapids' two bank - it issued small and large - is represented by just seven small notes in the census. **Very Good-Fine.** (300-400)

- 29094 Pine City, MN - \$20 1902 Plain Back Fr. 659 The First NB Ch. # (M)11581
A nice pen signed example from the sole bank to issue in this small town. **Fine**, with a tiny inked number on the front that affects nothing. (850-1,150)

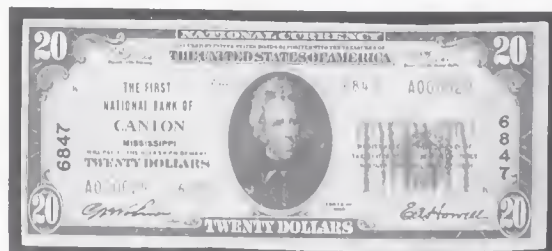

- 29095 Saint Paul, MN - \$10 1929 Ty. 2 First National Bank of Saint Paul Ch. # 203
A type note displaying exceptionally nice margins. **CGA Gem Uncirculated 66.** (250-350)

- 29096 Starbuck, MN - \$10 1902 Plain Back Fr. 627 First NB Ch. # (M) 9596
An especially fresh note from what is perhaps the most well known National Bank Note hoard from an individual bank. While there is the faintest and most minimal evidence of circulation, this note is so fresh and nicely embossed that it should fetch a premium over its purely technical grade. **Choice About Uncirculated.** (300-500)

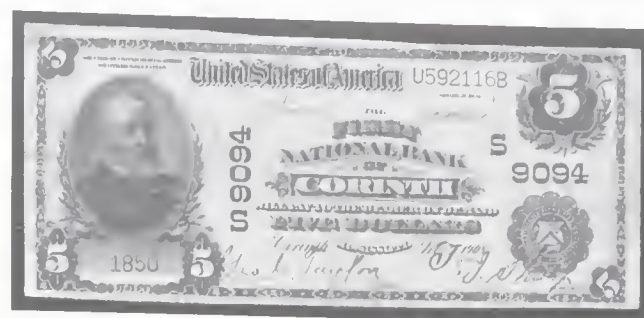

MISSISSIPPI

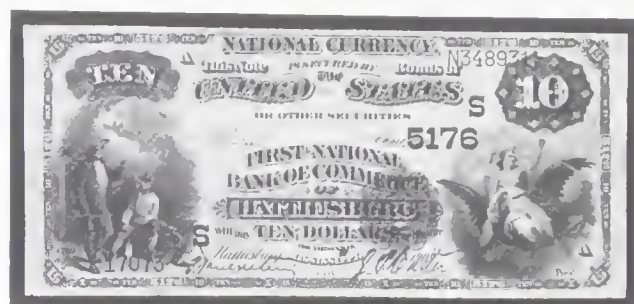

- 29097 Canton, MS - \$20 1929 Ty. 2 The First NB Ch. # 6847
A nice Type 2 example from the town whose claim to fame is its location as the site of Casey Jones' accident while working as an engineer on the Illinois Central railroad. **Very Fine-Extremely Fine.** (300-400)

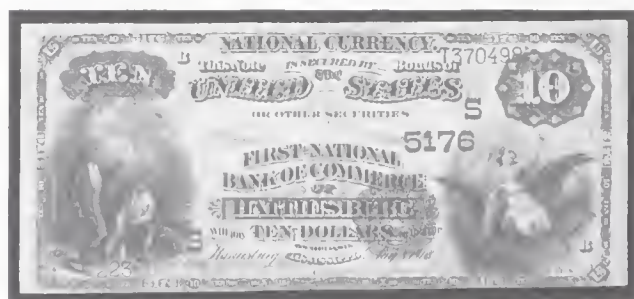

- 29098 Columbus, MS - \$5 1929 Ty. 2 First-Columbus NB Ch # 10738 Uncut Sheet
We are indeed fortunate that an early Columbus banker saved a few uncut sheets from here, otherwise the supply of Mississippi uncut sheets would be non-existent. There is a fold through the center of the sheet between the third and fourth notes, but the notes themselves grade Choice Crisp Uncirculated. (2,000-2,500)

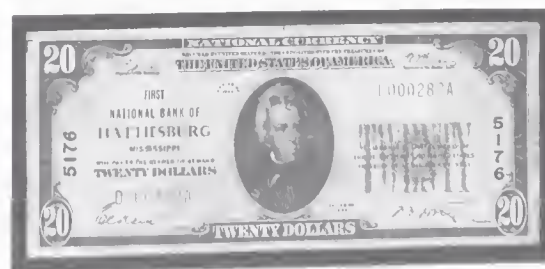

- 29099 Cornith, MS - \$5 1902 Plain Back Fr. 600 FNB of Cornith Ch. # (S)9094
An evenly circulated and quite pleasing example from this seldom offered bank. This piece bears the regional letter and clear signatures of Geo. I. Taylor and F. J. Sharp. Fine. (600-900)

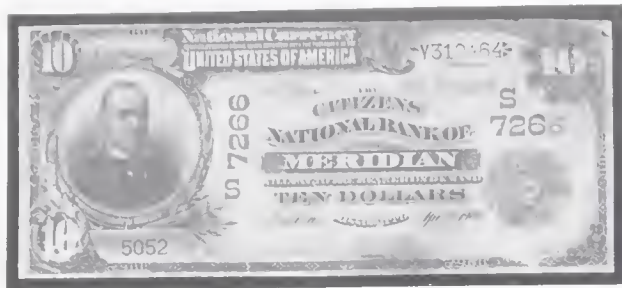

- 29100 Hattiesburg, MS - \$10 1882 Date Back Fr. 546 First-NB of Commerce of Hattiesburg Ch. # (S)5176
An unusually nice example of this very scarce Mississippi type. Well centered Fine-Very Fine, with clear signatures and the appearance of an even higher grade note. (1,500-2,500)

- 29101 Hattiesburg, MS - \$10 1882 Date Back Fr. 546 First-NB of Commerce of Hattiesburg Ch. # (S)5176
Eight notes from this bank's second title, all Second Charter Date Backs, are reported in the census. Fine, just a touch more worn than the previous lot. (1,000-1,500)

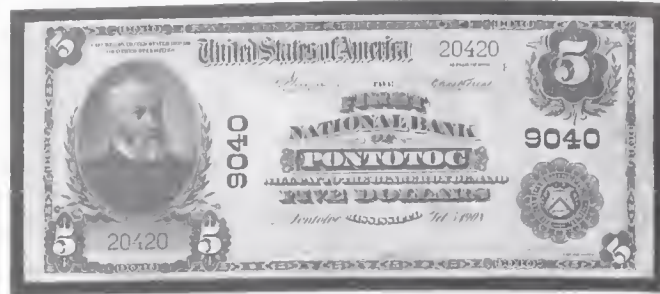

- 29102 Hattiesburg, MS - \$20 1929 Ty. 1 First NB of Hattiesburg Ch. # 5176
Fine-Very Fine, with a repair in the right margin. (250-350)

- 29103 Meridian, MS - \$10 1902 Red Seal Fr. 613 The Citizens NB Ch. # (S)7266

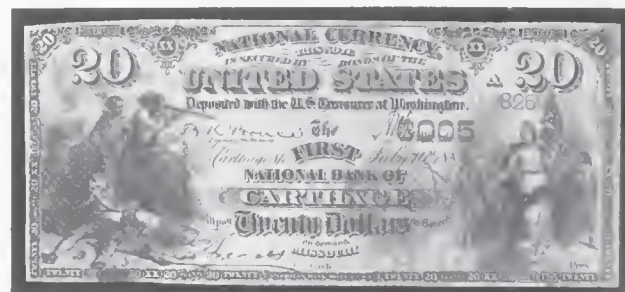

The new Red Seal census by Don Kelly lists just 26 examples from the entire state of Mississippi, three of which are from this bank. Any Mississippi Red Seal is a scarce item indeed, and, while this note will not make the state's condition census list, it is presentable enough to be quite collectible. There is a repair to the top right corner, and there are a few paper peels on the front, but the red overprint is still boldly colored and the overall appearance here is more than decent. **Very Good**, and rare enough to bring... (2,000-3,000)

- 29106 Pontotoc, MS - \$5 1902 Plain Back Fr. 600 First NB of Pontotoc Ch. # 9040

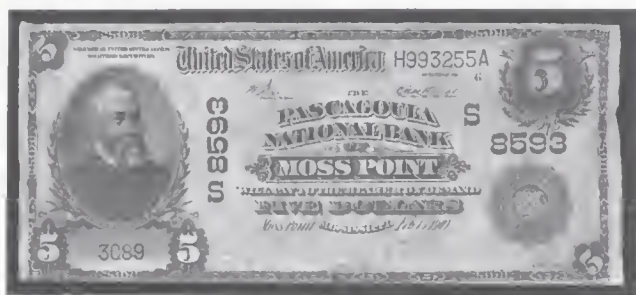

A very much above average note for both the bank and the state itself. Only six large size notes from this bank, the only issuer in town, are reported. **Very Fine**, the signatures somewhat faded. (700-1,000)

MISSOURI

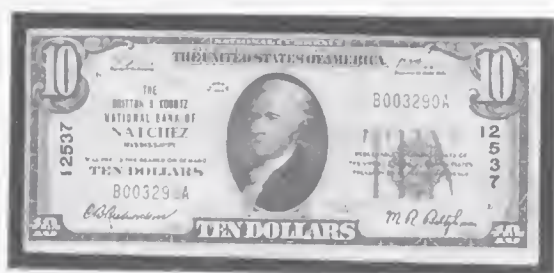

- 29107 Carthage, MO - \$20 1882 Brown Back Fr. 494 The NB of Carthage Ch. # 3005

A very scarce early note from this none too common bank. **Fine**, or a bit better, with a small rust spot at the bottom left, the margins closely trimmed all around. (750-1,250)

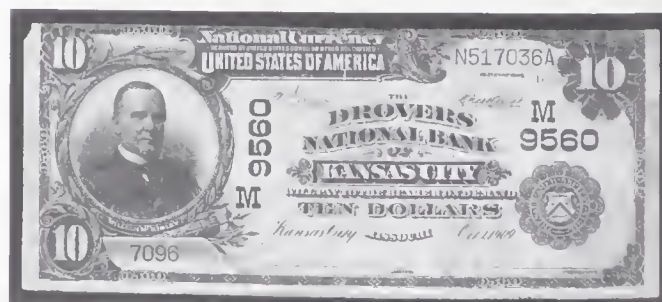

- 29104 Moss Point, MS - \$5 1902 Date Back Fr. 592 The Pascagoula NB Ch. # (S)8593

A very scarce bank in large size, with this the first Date Back we've ever seen from here. **Fine**, with pink signatures, certain to be a popular lot with state's many collectors. (1,250-2,250)

- 29105 Natchez, MS - \$10 1929 Ty. 1 Britton & Koontz NB of Natchez Ch. # 12537

A solid **Fine-Very Fine** example from this private bank, one of just 14 small size reported and from a difficult Southern state. (250-350)

- 29108 Kansas City, MO - \$10 1902 Date Back Fr. 618 The Drovers NB Ch. # (M)9560

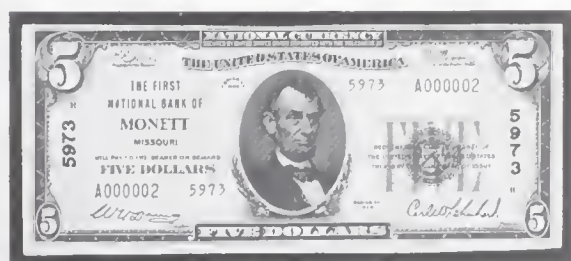

A scarce and short lived bank which bears a nice occupational title. The Kelly census shows just four notes known from here. **Fine-Very Fine**, with the top margin a bit close and a tiny corner tip gone. (350-550)

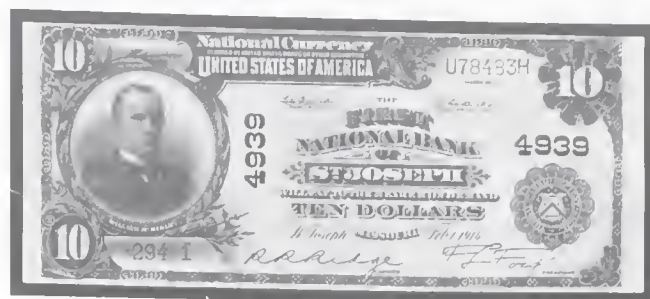

- 9109 Kansas City, MO - \$10 1902 Plain Back Fr. 627 The Liberty NB Ch. # 10039
An unusually high grade example from here, with excellent color and body. A couple of tiny corner tip folds lower the grade to Crisp Uncirculated. (300-500)

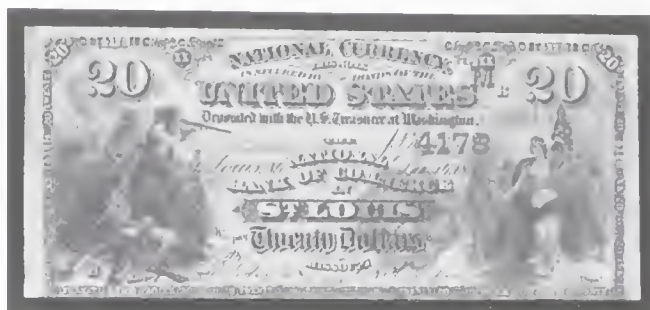

- 9110 Kansas City, MO - \$5 1902 Plain Back Fr. 606 Fidelity NB & TC of Kansas City Ch. # 11344
The Large Size issue of this institution extended solely to \$5 1902 Plain Backs, of which Kelly traces 12. This example is fresh, original, well centered and displays darkly stamped officers' signatures. **Extremely Fine**. (100-200)

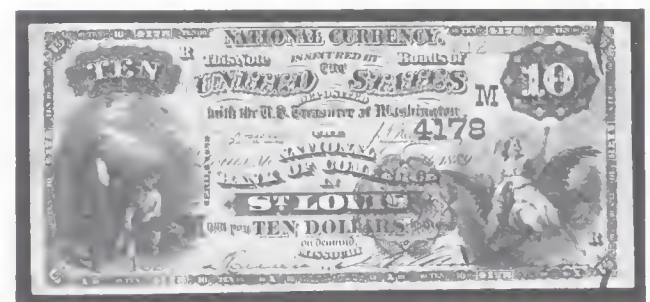

- 9111 Monett, MO - \$5 1929 Ty 2 First NB of Monett Ch. # 5973
A really pretty serial number 2 Type Two Five from this bank that is represented in the census in small size by just an uncut sheet and six singles. **Choice Crisp Uncirculated**. (400-600)

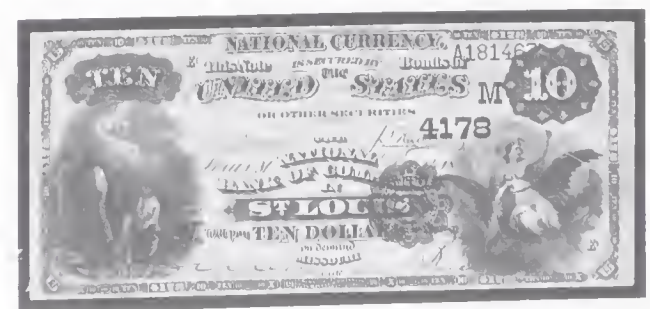

- 29112 Saint Joseph, MO - \$10 1902 Plain Back Fr. 631 The First NB Ch. # 4939
A crackling fresh and fully original example that is just a bit of teller handling from the gem grade. **Choice Crisp Uncirculated**. (400-600)

- 29113 Saint Louis, MO - \$20 1882 Brown Back Fr. 484 NB of Commerce in St. Louis Ch. # (M)4178
A problem-free Brown Back Twenty with nice eye appeal and good pen signatures. **Fine-Very Fine**, and temptingly close to the higher of the two grades. (375-475)

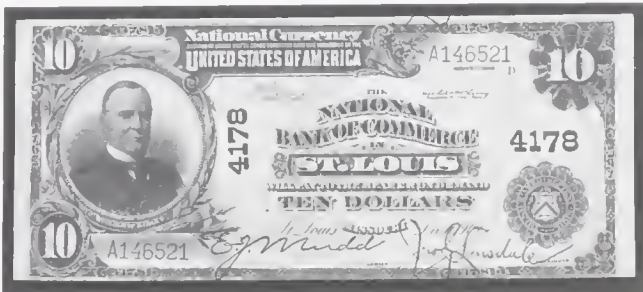

- 29114 Saint Louis, MO - \$10 1882 Brown Back Fr. 484 NB of Commerce in St. Louis Ch. # (M)4178
From a prolific issuer of Brown Backs, a pleasing example that is ideal for a type set of Nationals. **Very Fine** and just about perfect for the grade. (300-500)

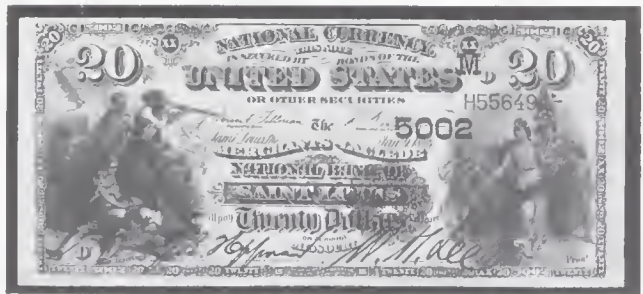

- 29115 Saint Louis, MO - \$10 1882 Date Back Fr. 539 The NB of Commerce Ch. # (M)4178

- 29116 Saint Louis, MO - \$10 1902 Plain Back Fr. 627 The NB of Commerce Ch. # 4178
A bright high grade example bearing the "A" serial number prefix, from one of only a handful of banks that issued enough large size notes to be assigned a prefix. **Choice Crisp Uncirculated**, tight at the bottom right. (250-350)

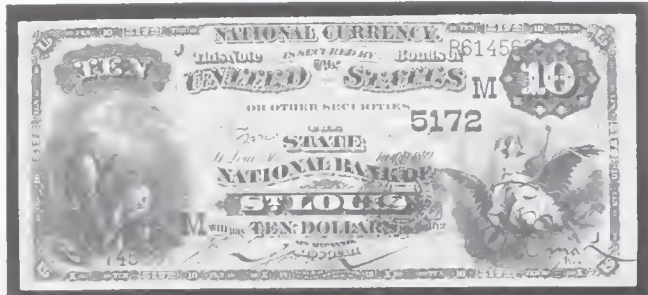

- 29117 Saint Louis, MO - \$10 1902 Plain Back Fr. 627 NB of Commerce in St. Louis Ch. # 4178
An **Uncirculated** Third Charter example from a prolific St. Louis issuer. (200-300)

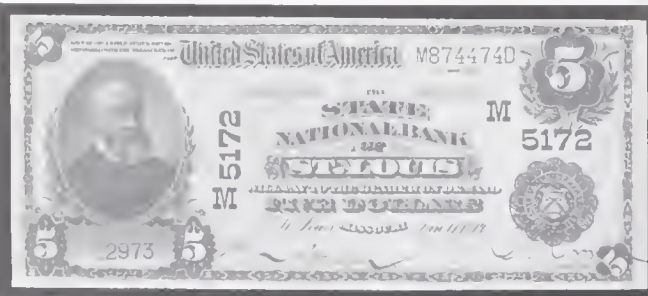

- 29118 Saint Louis, MO - \$20 1882 Date Back Fr. 552 Merchants-Laclede NB of St. Louis Ch. # (M)5002
A really pretty Second Charter Date Back from the Ralph Graves collection, with great signatures and fantastic eye appeal for the grade. **Extremely Fine-About Uncirculated**, and although common as a bank, certainly a difficult type to obtain this nice. (500-700)

- 29119 Saint Louis, MO - \$5 1882 Date Back Fr. 537 State NB of St. Louis Ch. # 5172
Dark ink signatures and crackling fresh paper enhance this original St. Louis Date Back. **Extremely Fine**. (400-600)

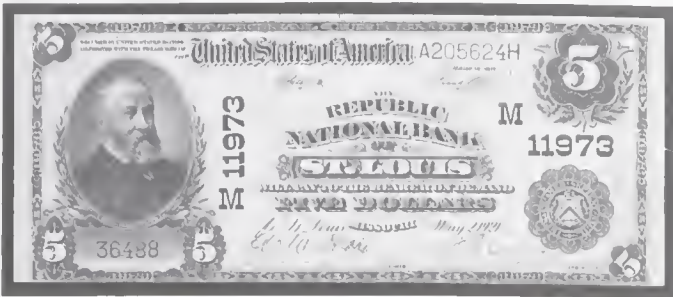

- 29120 Saint Louis, MO - \$10 1882 Date Back Fr. 545 The State NB Ch. # (M)5172
A lovely example which is as nice as any collector could hope for. The colors are vibrant, the centering is perfect on both face and back, the signatures are bold, and the overall appearance is lovely. **Gem Crisp Uncirculated**, a perfect type note. (1,250-1,750)

- 29121 Saint Louis, MO - \$5 1902 Plain Back Fr. 606 The State NB Ch. # (M)5172
A lovely type example, purchased by our consignor at the beginning of his collecting days over 40 years ago for all of \$15, and likely to bring somewhat more this evening. **Gem Crisp Uncirculated**. (450-650)

MONTANA

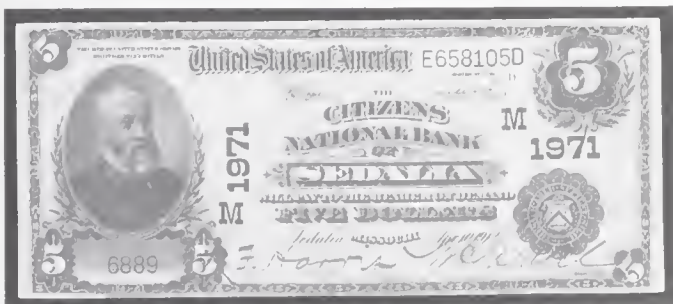

- 29122 Saint Louis, MO - \$5 1902 Plain Back Fr. 609 The Republic NB Ch. # (M)11973
A tougher St. Louis bank, especially in this grade. **Choice Crisp Uncirculated**, closely cut on the bottom, a note purchased by our consignor in 1970 for \$32.50. (400-600)

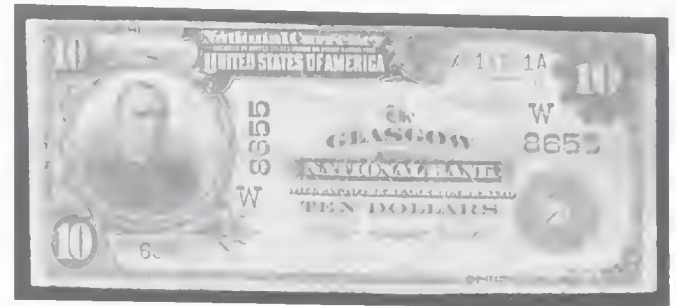

- 29123 Saint Louis, MO - \$5 1902 Plain Back Fr. 608 National City Bank of St. Louis Ch. # 11989

- 29124 Saint Louis, MO - \$5 1902 Plain Back Fr. 609 The American Exchange NB Ch. # 12506
A tougher St. Louis bank which was located at Gravois and Kings highway. **Fine-Very Fine**, with clear stamp signatures. (175-325)

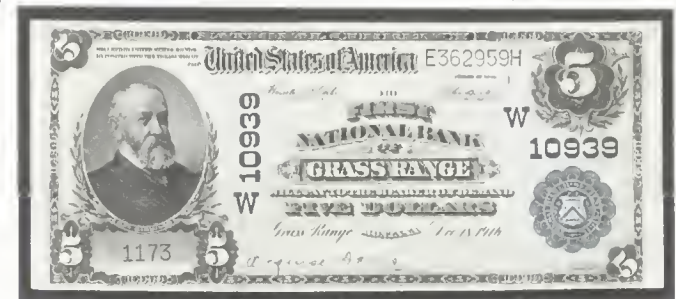

- 29125 Sedalia, MO - \$5 1902 Plain Back Fr. 602 Citizens NB of Sedalia Ch. # (M)1971
An example from a Missouri community founded in 1860 which was an important railroad center during the later half of the 19th century. **Extremely Fine**. (150-250)
- 29126 Sedalia, MO - \$5 1902 Plain Back Fr. 602 Citizens NB of Sedalia Ch. # 1971
The variety without the regional sorting letter. Sedalia was the first community in Missouri to have a Carnegie Library built. **Very Fine**. (125-200)

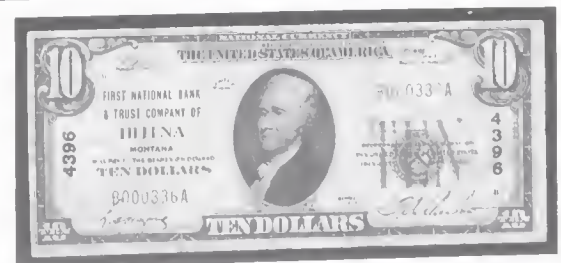

- 29127 Glasgow, MT - \$10 1902 Date Back Fr. 618 The Glasgow NB Ch. # (W)8655
Large notes only from this institution, by far the smaller and scarcer of Glasgow's two issuing banks. The Kelly census shows only six examples extant from here. Well circulated and somewhat soiled, but fully intact **Very Good**. (700-900)

Magnificent Large Size Grass Range Note

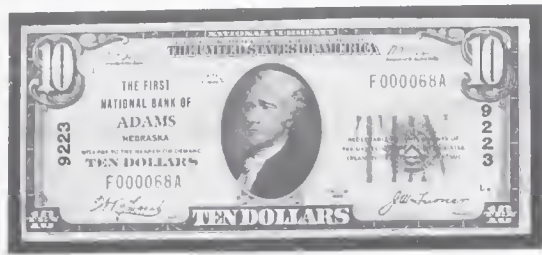

- 29128 Grass Range, MT - \$5 1902 Plain Back Fr. 606 The First NB Ch. # (W)10939
A simply lovely note with an impeccable pedigree, as it was obtained by our consignor in February of 1984 from the Amon Carter, Jr. collection holdings. Seven notes are known from this one bank community, most all well circulated. This is unquestionably the finest of the known examples, most all of which, like this piece, have been closely held for many years. The color, paper quality, and originality are superb, and the two color signatures, one of female cashier W. Louise Davis, are strong and clear. The slightest evidence of light handling simply testifies to the complete originality of the note, and by no means takes this from the **Gem Crisp Uncirculated** class. If you are putting together the ultimate state set of Third Charters, this is the Montana piece you will want to own (7,500-12,500)

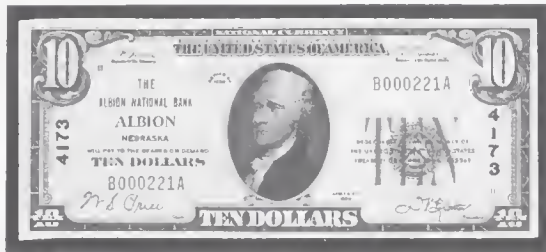

- 29129 Helena, MT - \$10 1929 Ty 1 First NB & TC of Helena Ch. # 4396
A problem-free circulated example from this popular and scarce western state capital. **Fine+++**. (250-350)

NEBRASKA

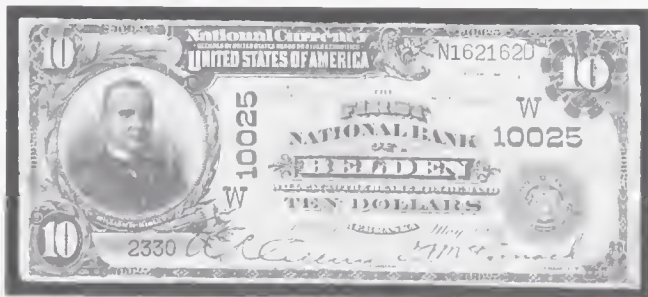

- 29130 Adams, NE - \$10 1929 Ty. 1 First NB of Adams Ch. # 9223

This tiny community had only one bank, which had a mere \$10,000 outstanding in 1933 when it went into receivership. Only 261 sheets of small size notes were printed, and just two survivors are recorded in the census. This is the first small size offering of any kind over the past 60 years for which we have records, and only the second note of any size ever to reach the market—we sold a large size example in our June, 1995 sale in Memphis. **Very Fine**, a problem-free circulated example that is likely to reach or exceed. . . (900-1,400)

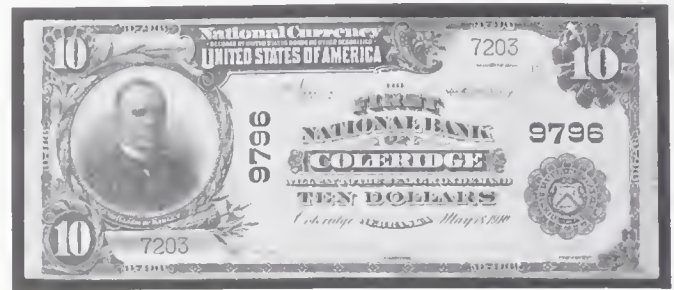

- 29131 Albion, NE - \$10 1929 Ty. 1 Albion NB Ch. # 4173

A lovely, cavernously embossed Gem with outstanding paper originality. (250-350)

- 29132 Belden, NE - \$10 1902 Plain Back Fr. 627 First NB of Belden Ch. # (W)10025

Nine large size notes appear in the census from this Cedar County bank. **Very Good**, pleasing for the grade with nice, bold pen signatures. (250-450)

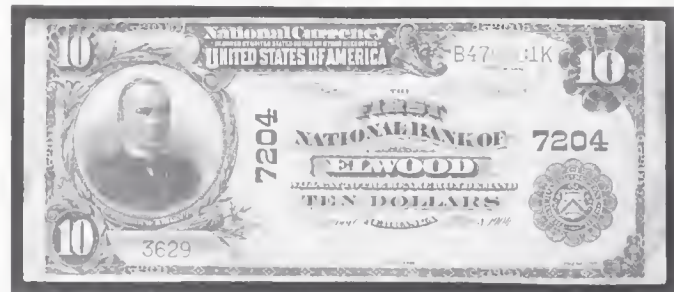

- 29133 Coleridge, NE - \$10 1902 Plain Back Fr. 627 First NB of Coleridge Ch. # 9796

This large-size only bank is represented by just a half dozen notes in the census, and rarely surfaces in public offerings. This nice **Fine+++** note has legible purple signatures and is problem-free for the grade. (650-950)

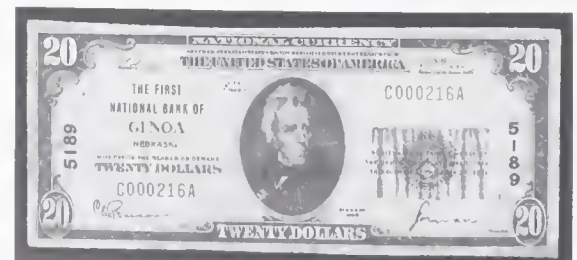

- 29134 Columbus, NE - \$20 1929 Ty. 1 Commercial NB Ch. # 5180

A tough note to find from this Platte County location, with seven examples documented in the Kelly census. **Extremely Fine**. (225-325)

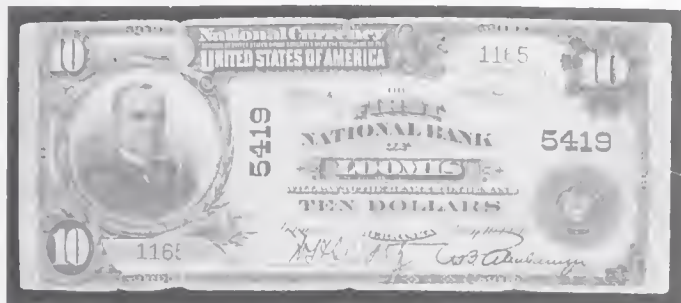

- 29135 Elwood, NE - \$10 1902 Plain Back Fr. 624 First NB Ch. # 7204

This was the only bank in the town and in Gosper County, and it is quite scarce with only six large size notes recorded. **Very Good-Fine**, with faded signatures but an attractive appearance for the grade. (350-550)

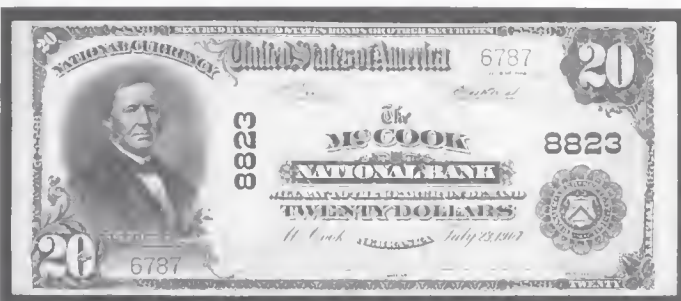

- 29136 Genoa, NE - \$20 1929 Ty. 1 FNB of Genoa Ch. # 5189

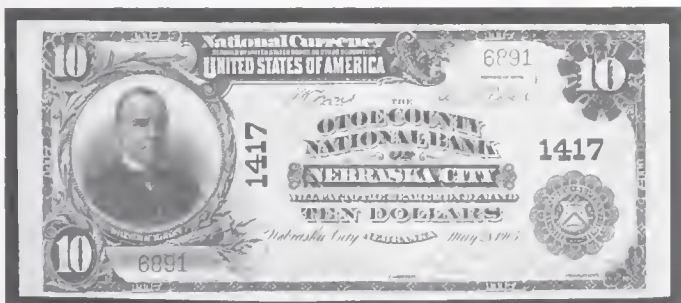

This is the more challenging to locate of the two issuing banks from here. **Very Fine**. (125-175)

- 29137 **Loomis, NE - \$10 1902 Plain Back Fr. 633 First NB Ch. # 5419**
This rare note has wonderful pen signatures that give it eye appeal far above its technical grade of **Very Good**. Only six large size examples are reported in the census. (350-650)

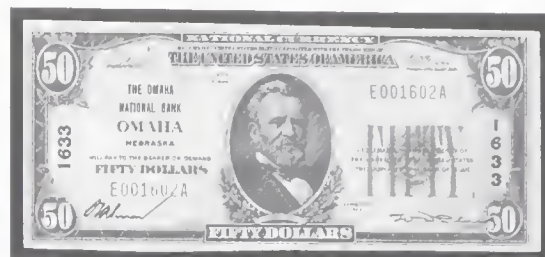

- 29138 **McCook, NE - \$20 1902 Plain Back Fr. 652 McCook NB Ch. # 8823**
Red rubber stamp signatures and a nice overall appearance, from this Red Willow County bank. Only 10 large size notes appear in the census. **Extremely Fine**. (350-550)

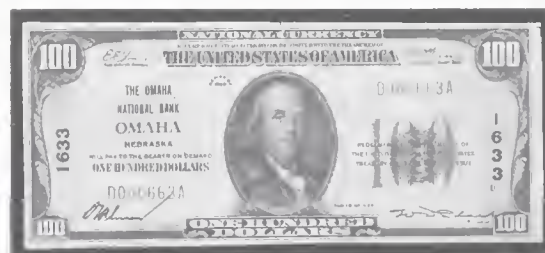

- 29139 **Nebraska City, NE - \$10 1902 Plain Back Fr. 624 Otoe County NB of Nebraska City Ch. # 1417**
Although common in large size from an old hoard, this **Gem Crisp Uncirculated** example nears perfection with ideal centering, cavernous embossing, and nice stamped signatures. The original county name of Quasim-Otoe was shortened to save the note's layout. (400-600)

- 29140 **Nebraska City, NE - \$10 1902 Plain Back Fr. 624 The Otoe County NB Ch. # 1417**
A nice example of this classic large size hoard note. **Crisp Uncirculated**, with one light handling fold, the signatures a bit faded. (200-300)

- 29141 **Omaha, NE - \$50 1929 Ty. 1 Omaha NB Ch. # 1633**
The 1929 Series issue from here included only the \$50 and \$100 denominations, an example of each being available in this sale. **CGA Extremely Fine. 45**. (200-300)

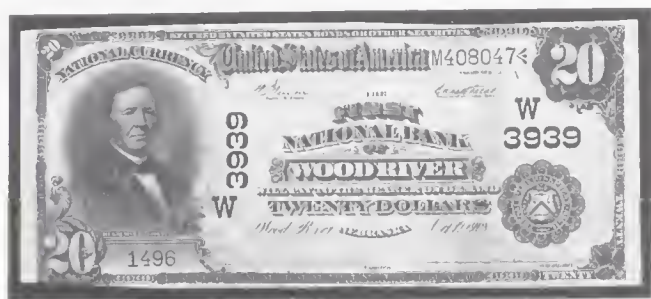

- 29142 **Omaha, NE - \$100 1929 Ty. 1 Omaha NB Ch. # 1633**
A mate to the \$50 from this institution offered above. **CGA Extremely Fine 40**. (250-350)
- 29143 **Ord, NE - \$10 1902 Plain Back Fr. 624 First NB of Ord Ch. # (W)3339**
A bright, well centered **Extremely Fine** example with pen signatures, one of them partially faded, and a little fading on the back. (200-300)
- 29144 **South Omaha, NE - \$20 1929 Ty. 1 The Live Stock NB Ch. # 8949**
Attractive **Extremely Fine**. (75-125)

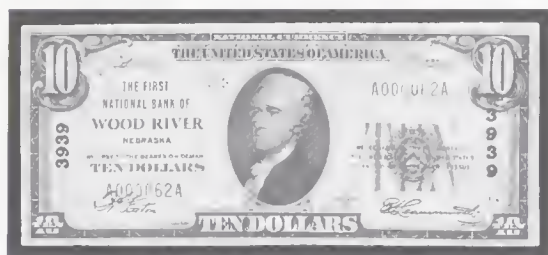

29145 Wahoo, NE - \$10 1902 Plain Back Fr. 624 Saunders County NB Ch. # 3118

A well-worn but fully intact note from one of the neater town names from this state. Only four large size notes are reported in the Kelly census, and only four public offerings of any kind are chronicled during the past 60 years. **Good.** (200-400)

29146 Wood River, NE - \$20 1902 Plain Back Fr. 652 First National Bank of Wood River Ch. # 3939

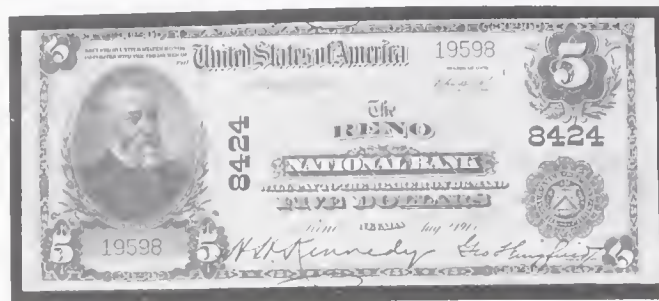

Issued by the only National Bank in this Hall County local, this Third Charter \$20 shows only minimal evidence of circulation. A few very light stains are noted. Purple stamped signatures. **About Uncirculated.** (250-450)

29147 Wood River, NE - \$10 1929 Ty. 1 First NB of Wood River Ch. # 3939

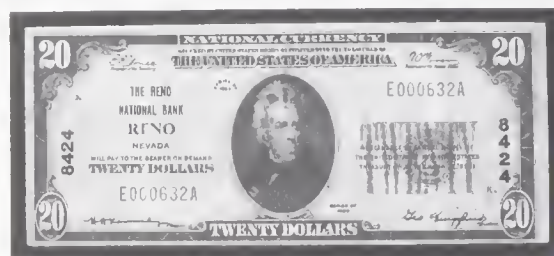

This was the only bank to issue from here. Although its population of notes is well represented in Large Size due to the existence of a now dispersed hoard, its Small Size notes are quite elusive, with the Kelly census recording only four. This example is especially attractive. **Extremely Fine.** (450-650)

NEVADA

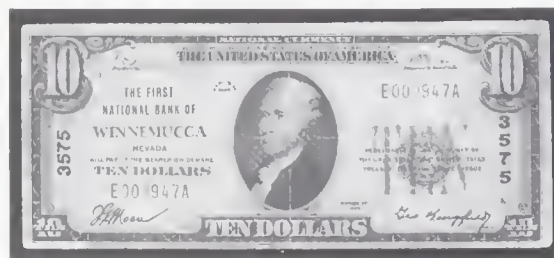

29148 Reno, NV - \$5 1902 Plain Back Fr. 606 The Reno NB Ch. # 8424

A high grade large Reno note which looks even nicer than its technical grade from the front, as most all of the evidence of circulation is confined to the back, where there is a bit of light wallet soil. With the demand for better Nevada examples through the roof, expect some stiff competition before the hammer falls on this lot tonight. Bright **Very Fine-Extremely Fine.** (2,500-3,500)

29149 Reno, NV - \$20 1929 Ty. 1 Reno NB Ch. # 8424

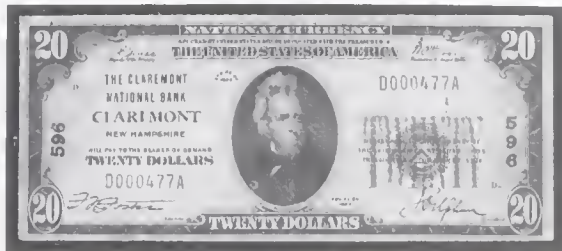

A problem-free **Very Fine** example from this common bank in this extremely popular and difficult state. (800-1,200)

29150 Winnemucca, NV - \$10 1929 Ty. 1 The First NB Ch. # 3575

This is one of only a handful of circulated Type 1 tens known from here, as the vast majority of the known examples are CU pieces from the Redfield holdings. Any Winnemucca note will see considerable demand, and this **Fine+** example will likely be no exception. (900-1,300)

NEW HAMPSHIRE

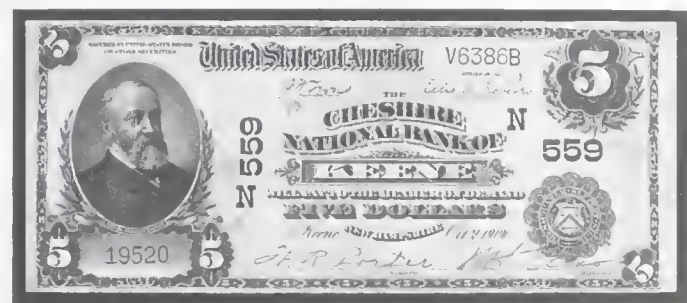

- 29151 Claremont, NH - \$20 1929 Ty. 1 Claremont NB Ch. # 596

A nice **Fine-Very Fine** example with a couple of minor rust spots that are of no consequence. Only nine small size notes are reported. (250-450)

- 29155 Portsmouth, NH - \$1 Original Fr. 380 The First NB Ch # 19

A nice, evenly circulated example from low charter number 19, the first bank chartered in New Hampshire. **Fine++**. (600-900)

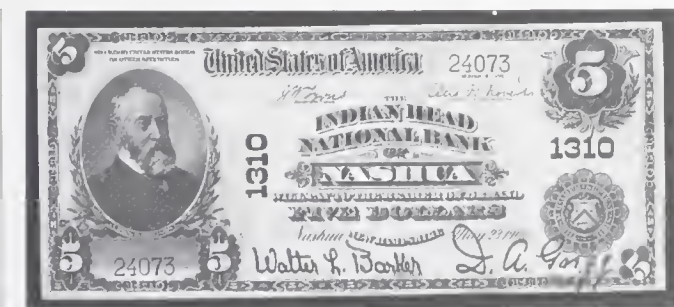

- 29152 Keene, NH - \$5 1902 Plain Back Fr. 598 Cheshire NB of Keene Ch. # (N)559

This well centered note has nice sigs and good eye appeal, although a couple of unimportant stains on the front are mentioned for accuracy. **Very Fine-Extremely Fine**. (250-450)

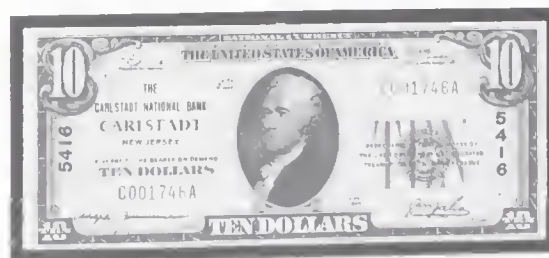

- 29153 Keene, NH - \$10 1929 Ty. 1 Keene NB Ch. # 877

A bright, fresh **Extremely Fine** small size example from this Cheshire County bank. (150-250)

- 29154 Nashua, NH - \$5 1902 Plain Back Fr. 598 The Indian Head NB Ch. # 1310

A very high grade example which bears a unique and always popular title. **Extremely Fine**, with clear black signatures. (750-1,250)

- 29157 Carlstadt, NJ - \$10 1929 Ty. 1 Carlstadt NB Ch # 5416
A lovely example from this Bergen County community. There is only the very faintest bend separating this from full uncirculated status. **Choice About Uncirculated**. (100-150)

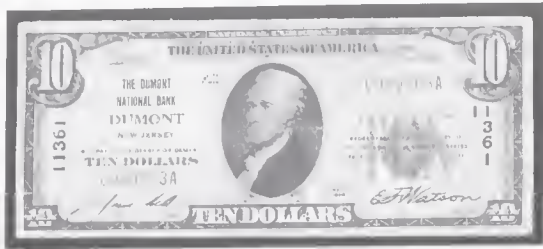

NEW JERSEY

Extremely Rare & Perhaps Unique \$100 New Jersey Date Back

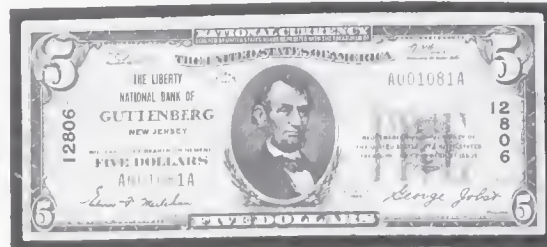

- 29156 Camden, NJ - \$100 1902 Date Back Fr. 689 The National State Bank Ch. # (E)1209

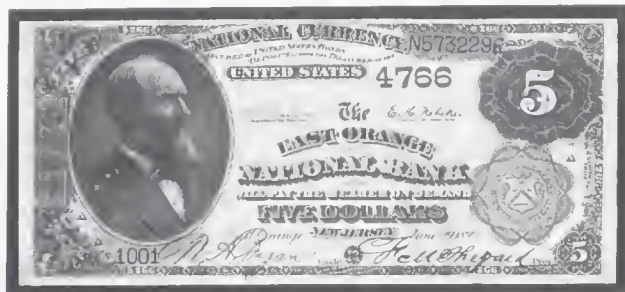

A prohibitively rare type and denomination from New Jersey, as the Kelly census reports no \$100 Date Backs from any New Jersey bank. This piece may well be the finest example known of any Third Charter New Jersey hundred, as the three Plain Backs recorded in the census are all of considerably lesser quality than this example. **Bright Very Fine-Extremely Fine**, with vivid colors and sharp pen signatures, a note of considerable significance to the many collectors of this state's notes. (3,000-5,000)

- 29158 **Dumont, NJ - \$10 1929 Ty. 1 Dumont NB Ch. # 11361**
From a Small Size census of six notes, this example comes well centered and grades a solid **Fine**. (250-350)

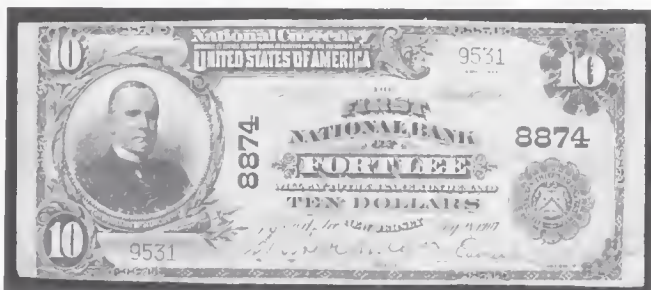

- 29162 **Guttenberg, NJ - \$5 1929 Ty. 1 Liberty NB of Guttenberg Ch. # 12806**
A from Hudson County which fell victim to the depression and closed its doors in 1934. **Fine**. (200-300)

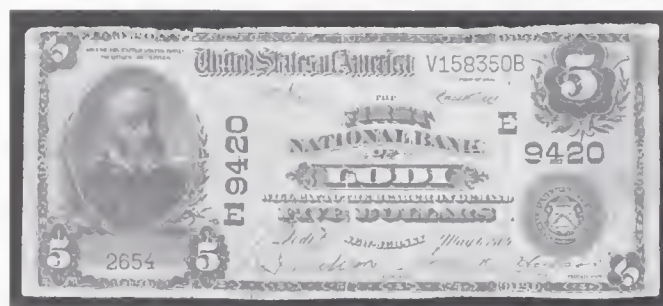

- 29159 **East Orange, NJ - \$5 1882 Brown Back Fr. 472 The East Orange NB Ch. # 4766**
A nice \$5 Brown Back from the only bank to issue in this Essex County community, which lasted but ten years before bowing out in 1902. It's been over seven years since any example from this Brown Back only bank has been offered to the collecting fraternity. Pen signed **Very Fine-Extremely Fine**, a winner from the collection of Ralph Graves. (800-1,200)

- 29163 **Kearny, NJ - \$5 1929 Ty. 1 FNB & TC of Kearny Ch. # 8627**
This is the second of two titles under which this Hudson County bank issued. (150-250)

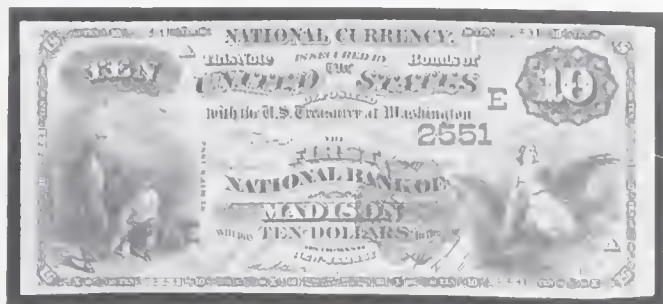

- 29160 **Fort Lee, NJ - \$10 1902 Plain Back Fr. 626 First NB of Fort Lee Ch. # 8874**
An extremely scarce large size note from this bank that is represented in the census by a half-dozen large size notes. **Fine**, with bold stamped signatures. (700-900)

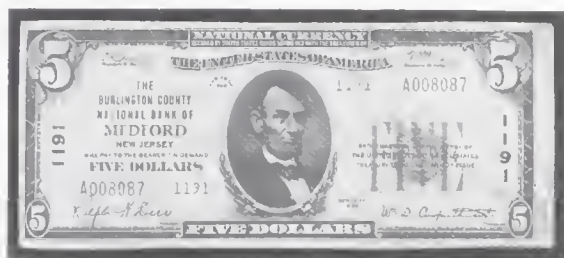

- 29164 **Lodi, NJ - \$5 1902 Plain Back Fr. 600 The First NB Ch. # (E)9420**
A bank which underscores the mistakes that can be made when collectors rely on population censuses rather than offering records to assess questions of rarity and value. Six notes are extant from this Bergen County bank, which issued for only eight years ending in 1917, but all have been tightly controlled by New Jersey collectors for a generation or more, as the only offering of any example from here giving collectors the actual opportunity to obtain one of these notes came over twenty years ago when the Saffin collection was sold by Christie's in 1982. While the census is likely absolutely correct, it is also somewhat meaningless in determining true value to real world collectors if every note in it has been off the market for two decades or more. Expect this piece, which allows New Jersey collectors their first opportunity to obtain any note from this community since 1982, to bring far more than your average bank with six notes listed in the census. Pen signed **Very Good-Fine**, with a couple of small internal splits and the paper a bit dark. (1,500-2,500)

- 29161 **Garfield, NJ - \$5 1929 Ty. 1 FNB of Garfield Ch. # 8462**
A more than acceptable example from this Bergen County community. **Fine**. (125-200)

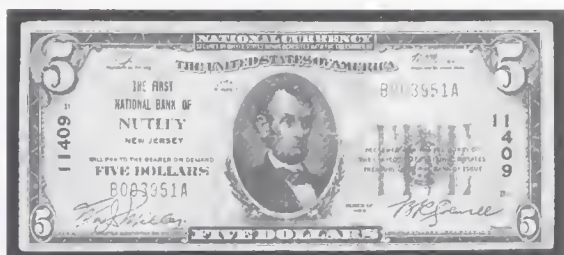

- 29165 **Madison, NJ - \$10 1882 Brown Back Fr. 490 First NB of Madison Ch. # (E)2551**

Nice bold pen signatures add to the already considerable eye appeal on this nice \$10 Brown Back. Only 910 sheets of \$10s and \$20s of this design type were printed. (700-900)

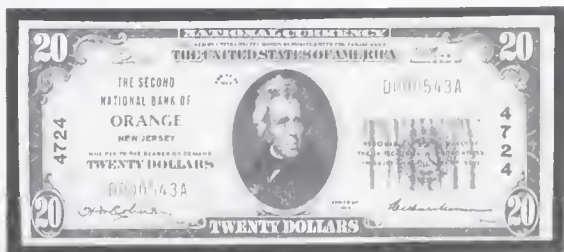

- 29166 **Medford, NJ - \$5 1929 Ty. 2 Burlington County NB of Medford Ch. # 1191**

This is the only denomination in Type 2 printed for this institution, which is itself the only issuing bank in this Burlington County community. **Fine.** (200-300)

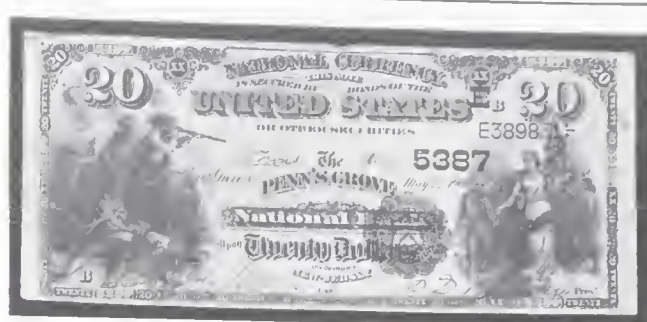

- 29167 **Nutley, NJ - \$5 1929 Ty. 1 FNB of Nutley Ch. # 11409**

This example is from one of the two Federally chartered banks in this Essex County community, both of which ordered delivery only of the 1929 Series. **Fine.** (200-300)

- 29168 **Orange, NJ - \$20 1929 Ty. 1 Second NB of Orange Ch. # 4724**

A nice piece for type. **Choice Crisp Uncirculated.** (150-250)

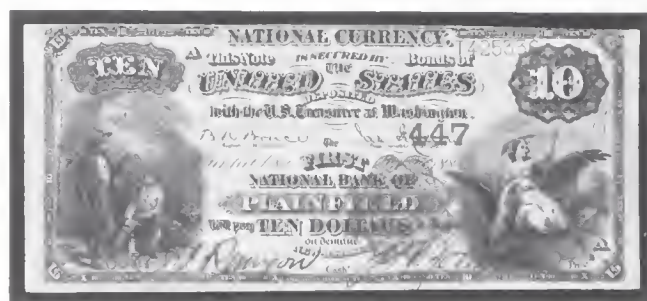

- 29169 **Penn's Grove, NJ - \$20 1882 Date Back Fr. 555 The Penn's Grove NB Ch. # (E)5387**

Small notes from this tiny Salem County community do turn up from time to time, but large examples are another matter altogether, with the census standing at just three, covering both issuing titles. This is the first early note from here we can ever remember seeing for sale. Nice pen signed **Fine+++**, a great South Jersey item which will certainly see some spirited bidding before the hammer falls. (2,500-4,500)

- 29170 **Pitman, NJ - \$10 1929 Ty. 1 Pitman NB & TC Ch. # 8500**

The Small Size issue of this bank is represented only by the \$10 denomination. **Fine**, with subtle staining on the face. (100-150)

- 29171 **Plainfield, NJ - \$10 1882 Brown Back Fr. 479 The First NB Ch. # 447**

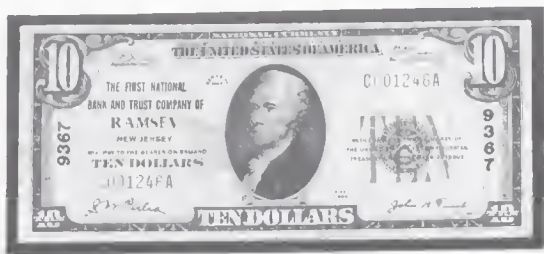

An attractive pen signed Brown Back with enough grade to matter. **Extremely Fine**, the top margin trimmed just a hair close at the right. (550-750)

- 29172 **Plainfield, NJ - \$5 1902 Plain Back Fr. 605 City NB of Plainfield Ch. # (E) 2243**

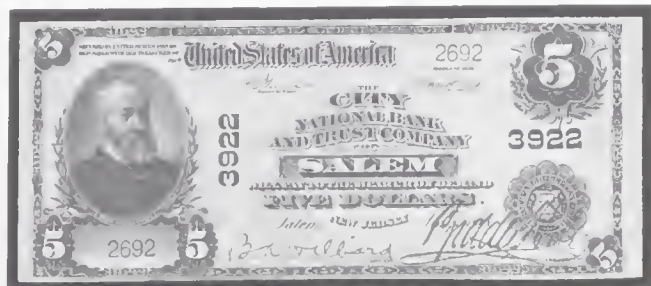

This bank was liquidated in 1926 just after celebrating its 50th Anniversary. **Very Good.** (75-125)

- 29173 **Princeton, NJ - \$5 1929 Ty. 1 First NB of Princeton Ch. # 4872**

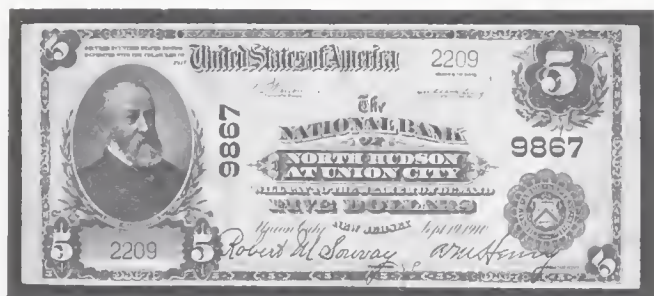

A nice circulated **Fine-Very Fine** example from this popularly collected university town. (150-250)

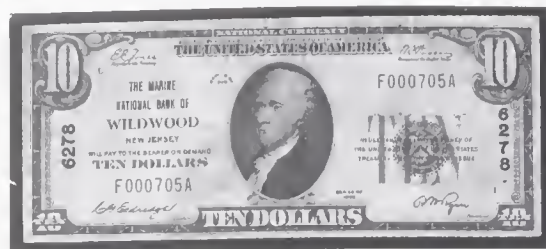

- 29174 **Ramsey, NJ - \$10 1929 Ty. 1 FNB & TC of Ramsey Ch. # 9367**
This was the only note issuing bank in this Bergen County community. A pleasing circulated example grading **Very Fine.** (200-300)

- 29175 **Salem, NJ - \$5 1902 Plain Back Fr. 600 City NB & TC of Salem Ch. # 3922**
A lovely second title example with nice stamped signatures and good eye appeal. **About Very Fine.** (300-500)

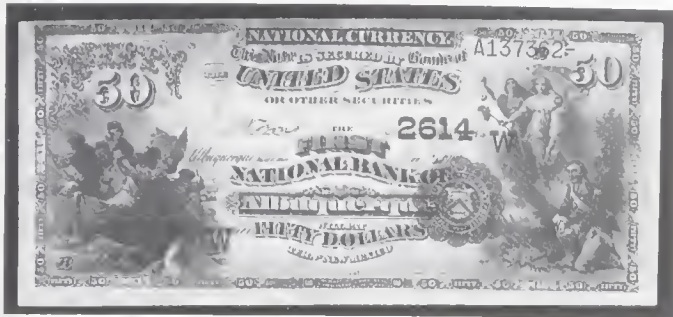

- 29176 **Union City, NJ - \$5 1902 Plain Back Fr. 601 NB of North Hudson at Union City Ch. # 9867**
This is the second of the two titles under which this institution issued. Kelly traces ten survivors in Large Size with this name. One of the many casualties of the depression, failing in 1931. **Very Fine.** (350-650)

- 29177 **Wildwood, NJ - \$10 1929 Ty. 1 The Marine NB Ch. # 6278**
A very scarce Jersey shore note from a community represented by only one bank, which is considerably harder to find in small size than large. The last small note offered from here brought a four figure price, and we expect this nice **Fine-Very Fine** example will do as well or better. (1,250-1,750)
- 29178 **Two Experienced New Jersey First Charter Aces**
Jersey City, NJ - \$1 Original Fr. 380 First National Bank Ch. #374 G-VG

NEW MEXICO TERRITORY

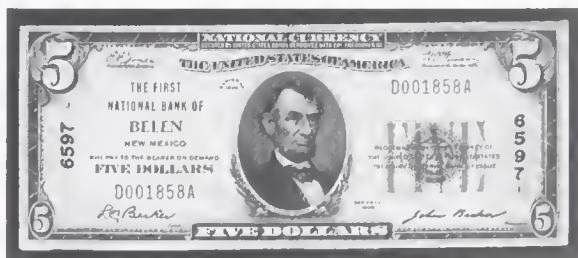

1882 \$50 Territorial Date Back- The Only Example in Private Hands

29183 Albuquerque, NM - \$50 1882 Date Back Fr. 563 The First NB Ch. # (W)2614

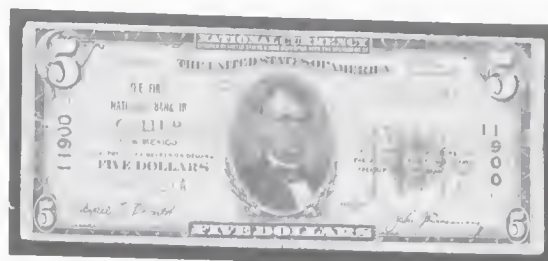

A great Territorial rarity, as this is one of only two \$50 1882 Territorial Date Backs known to exist. This is also the only chance for any collector to actually own such a note, as the other example, which is on the Arizona NB of Tucson, is now and likely forever ensconced in the permanent collection of the Higgins Museum in Okoboji, Iowa. Even the legendary J.L. Irish, whose Territorial collection overshadowed all others, could never obtain an example of this type and denomination. This piece traces its pedigree back to a 1969 Kagin sale, and has never traded publicly since that appearance. It grades **Very Fine**, although there is a bit of foxing at the borders and a closed margin split or two. Notes such as this have become almost impossible to estimate, as the opportunity to obtain prohibitively rare material comes along so infrequently, so any estimate is mere speculation, but considering the true rarity of this item, we would not be at all surprised to see bidding easily reach and quite possible exceed... (\$35,000-55,000)

NEW MEXICO

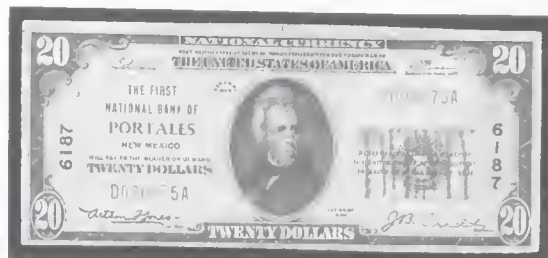

29184 Belen, NM - \$5 1929 Ty. 1 First NB of Belen Ch. # 6597

Although the census on this bank shows 50+ in small size, most are tightly held in collections. This nice example has only a single center fold, but the note is lightly aged **Extremely Fine**. (500-700)

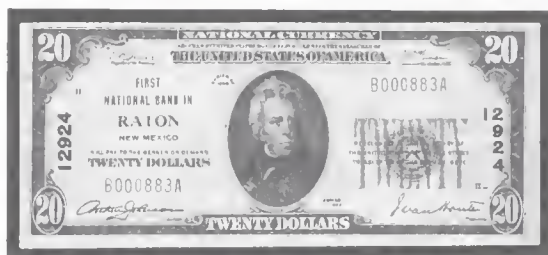

29185 Gallup, NM - \$5 1929 Ty. 1 The First NB Ch. # 11900

Small notes from here are considerably scarcer than large, with just eight examples recorded in the Kelly census. Evenly circulated **Very Good-Fine**. (400-600)

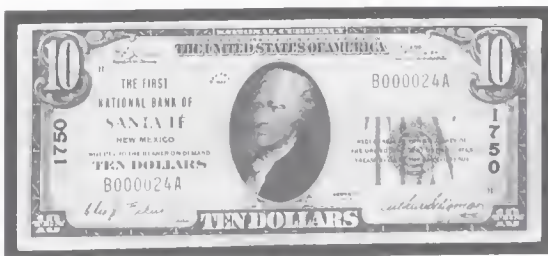

29186 Portales, NM - \$20 1929 Ty. 1 The First NB Ch. # 6187

A nice evenly circulated example from this scarce town. Unlike many of the known examples, this piece is nicely margined all around. **Fine**. (500-800)

29187 Raton, NM - \$20 1929 Ty. 1 First NB Ch. # 12924

A very nice note which is one of the highest grade examples we've seen from here. **Very Fine-Extremely Fine**. (400-600)

29188 Santa Fe, NM - \$10 1929 Ty. 1 The First NB Ch. # 1750

A high grade small example from the always in demand New Mexico state capital. Bright **Very Fine-Extremely Fine**, considerably nicer than most examples offered from this difficult to find community. (600-900)

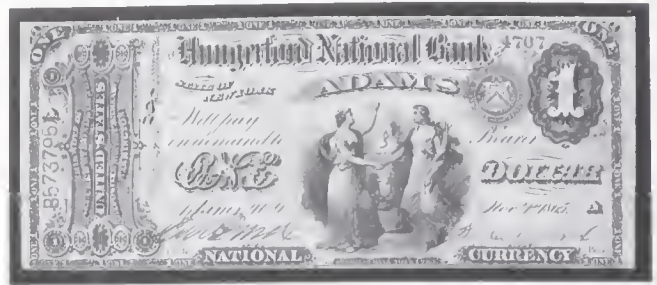

NEW YORK

The Bill Sabis Collection of New York National Bank Notes

It gives us great pleasure to present below the extraordinary collection of New York National Bank Notes formed by our friend and client Bill Sabis. Bill is a native of Syracuse, New York who began to collect paper money even before he reached his teens. At the age of 13 he was devoting half of his paper route earnings to the purchase of Confederate Currency from old-time Philadelphia dealer Stephen Nagy. After obtaining a degree in Civil Engineering from Syracuse University in 1964 and then a Masters in the same field two years later specializing in the then-new field called Environmental Engineering, he began a professional career that was to take him to Delaware and then Florida, where he started his own environmental engineering firm with two partners.

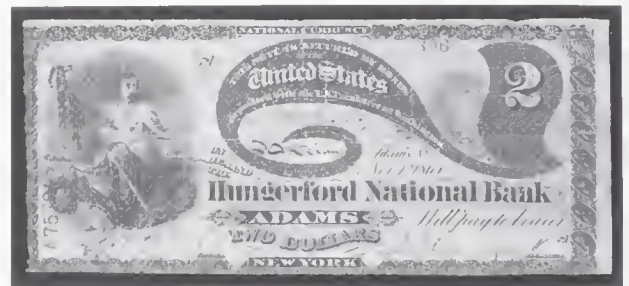

After a collecting hiatus during which Bill started both a family and his engineering practice, he rediscovered currency, and was introduced to Nationals when a local dealer offered him a trio of small size Syracuse notes from the bank where his father had done all of his banking years earlier. Once this passion was ignited Bill resolved to collect notes from the entire state of New York, and, while keeping a low profile, proceeded to do just that, buying numerous notes from long time collectors such as Marvin Levine and Danny Parvis, who became a special friend and mentor as the collection expanded. He was also helped by Richard Gross, who, as Bill said, "spent untold hours on my behalf picking up rarities at prices I never could have negotiated for myself." Many of Bill's notes have illustrious numismatic pedigrees, in more than a few cases reaching back to the landmark Grinnell sale of 1946.

Now semi-retired, Bill has made the decision to let his collection go to the next generation of collectors, although his personal ties to many of the towns and cities represented in his notes have made it a very difficult decision. As Bill has said on many occasions, "for sheer beauty, nostalgia and history, is there any better hobby than National Bank Notes?" He has always felt that "we never really own anything. We simply hold and protect it for a while until we pass it along to the next caretaker." It's a concept that all collectors might share, and in offering his collection here, Bill will have the satisfaction in seeing these historical treasures pass to others who appreciate this hobby as much as he did, and who will now have their turn to protect and enjoy these wonderful artifacts. Enjoy this offering, as its like may be many years in coming.

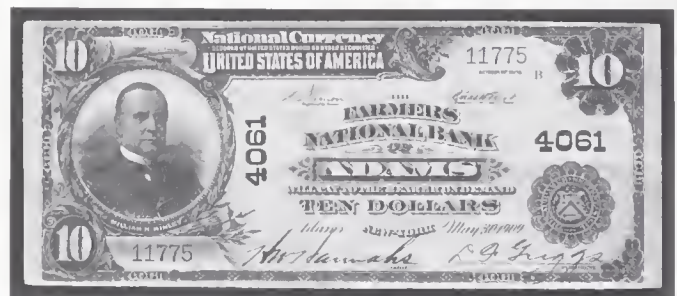

29189 Adams, NY - \$1 Original Fr. 380 The Hungerford NB Ch. # 1531

The Sabis collection offering opens with two notes from this rare private name institution, which issued First Charter examples only before liquidating in early 1881. The Kelly census shows just three notes extant from here, showing the incredible breadth of the Sabis holdings. This one is by far the nicest note known on the bank. **Very Fine+**. (2,250-4,250)

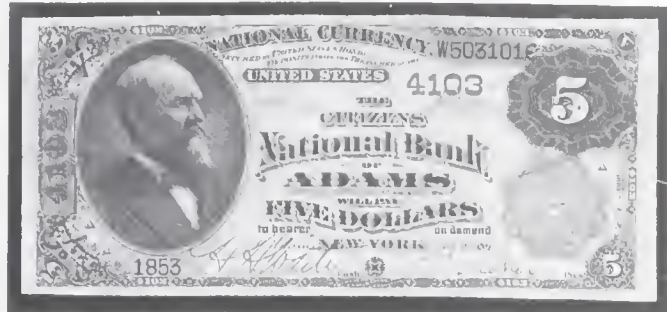

29190 Adams, NY - \$2 Original Fr. 387 The Hungerford NB Ch. # 1531

This piece is unlisted in the new Kelly compilation of known Lazy Twos, which shows nothing whatever from Adams. **Very Good-Fine**, the left margin trimmed close. (1,750-3,250)

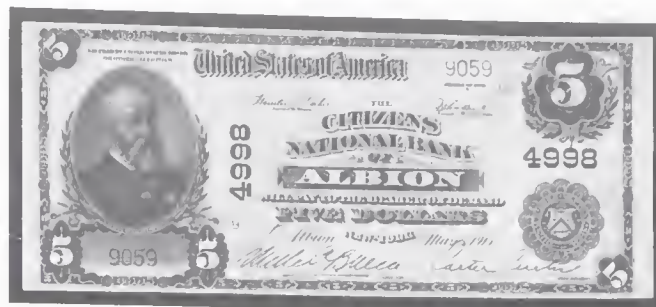

29191 Adams, NY - \$10 1902 Plain Back Fr. 626 The Farmers NB Ch. # 4061

Of the four banks chartered in this Jefferson County location, this is the only one which is even remotely "common," with even this institution having only seven pieces recorded in the census. Nice pen signed **Very Fine**. (400-600)

29192 Adams, NY - \$5 1882 Brown Back Fr. 471 The Citizens NB Ch. # 4103

A just plain rare Brown Back from a bank that lasted only until 1919. The Kelly census lists just three notes of all types from here, with this the sole Brown Back we recall seeing. Pen signed **Fine-Very Fine**. (1,250-2,250)

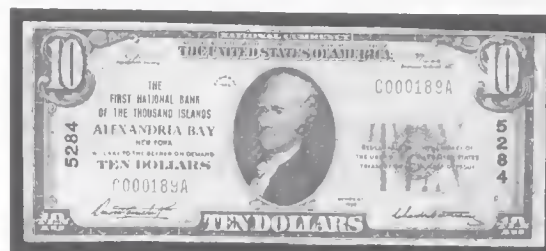

29195 Albion, NY - \$5 1902 Plain Back Fr. 606 The Citizens NB Ch. # 4998

An attractive problem free example from the Sabis holdings. **Extremely Fine**. (250-450)

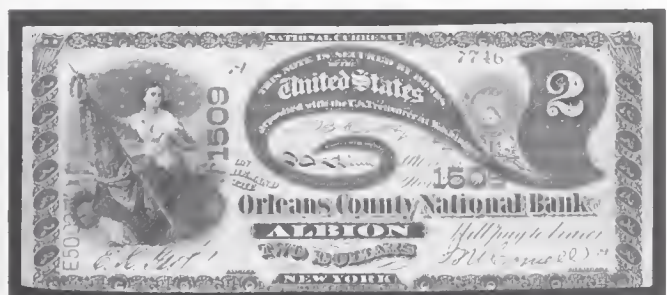

29193 Albany, NY - \$10 1902 Red Seal Fr. 613 The National Commercial Bank Ch. # (E)1301

The sole state capital example in the Sabis collection, and a very desirable one at that. **Choice About Uncirculated**, with great color and eye appeal. (1,250-1,750)

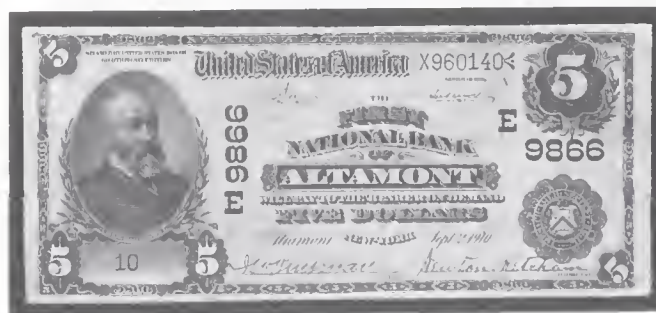

29196 Alexandria Bay, NY - \$10 1929 Ty. 1 The First NB of The Thousand Islands Ch. # 5284

One of the legendary titles of New York Nationals, and one of the highlight items of the Sabis collection. This is the first time in over a dozen years that any example from this bank has been available to the collecting fraternity at public sale, an event which our records show has occurred just one per decade during the past sixty years. Both the Shiva and the Decker collections lacked any example from here, and even Grinnell, Donlon, and Amon Carter, Jr. had only one note each. **Fine**, with just the lightest of soil on the reverse, a difficult to estimate item that will likely bring more rather than less than... (3,500-6,500)

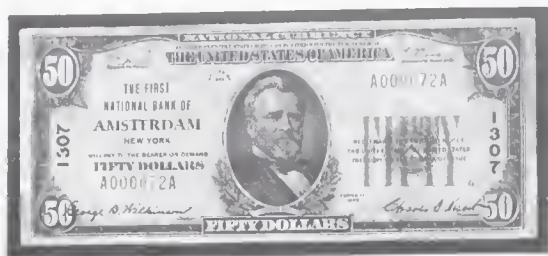

29194 Albion, NY - \$2 Original Fr. 387 The Orleans County NB Ch. # 1509

A vividly colored and exceptionally bright example which is either one of two or the single example known from this bank, as the Kelly census lists one piece without a serial number. **Very Fine**, trimmed close at the bottom and with a miniscule interior split at the center, still a premium example from this by no means common bank. (2,000-4,000)

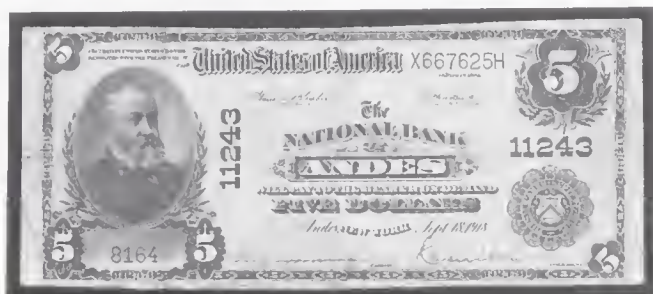

29197 Altamont, NY - \$5 1902 Date Back Fr. 593 The First NB Ch. # (E)9866

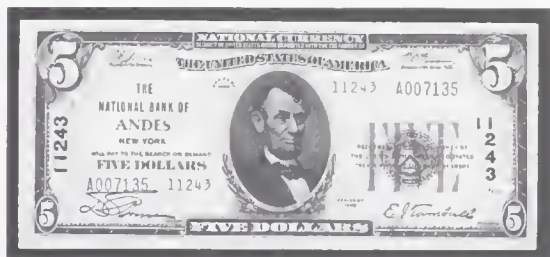

A lovely note which is easily the nicest large example we know of from this small Albany County bank, not that the census of three large notes reported gives collectors much to choose from. Pen signed **Extremely Fine**, a note with everything a collector could ask for. (1,250-2,500)

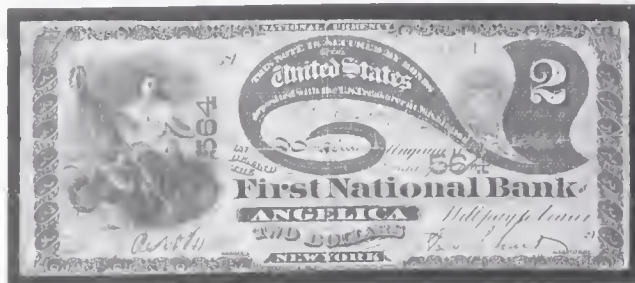

- 29198 Amsterdam, NY - \$50 1929 Ty. 1 The First NB Ch. # 1307
A less often seen high denomination example. **Fine-Very Fine.** (200-400)

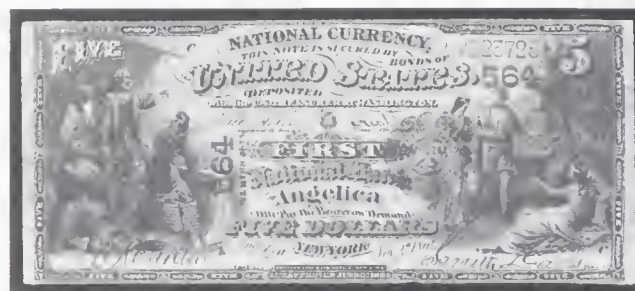

- 29199 Andes, NY - \$5 1902 Plain Back Fr. 606 The NB of Andes Ch. # 11243
A very scarce bank in both large size and small, with the Kelly census showing just two large examples extant. This Delaware County bank (and town) was missing from both the Shiva and Decker collections. **About Fine.** (1,200-1,600)

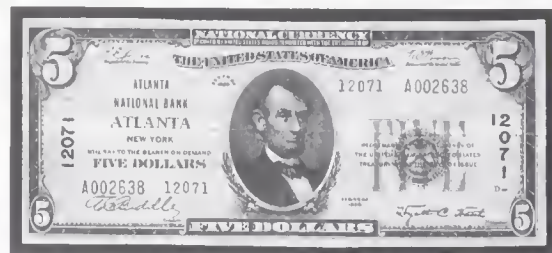

- 29200 Andes, NY - \$5 1929 Ty. 2 The NB of Andes Ch. # 11243
A beautiful piece which has got to be at the top of the rather short list of four known Series 1929 notes from here. Crackling fresh **Choice About Uncirculated**, gem but for one center fold. (800-1,200)

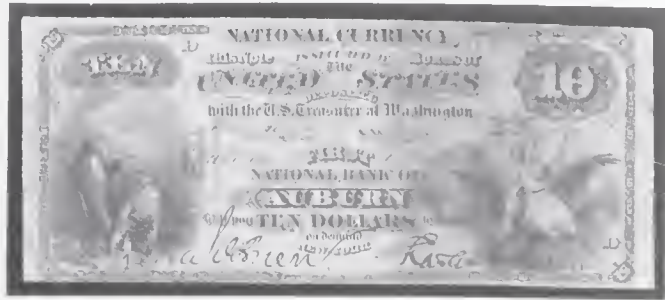

- 29201 Angelica, NY - \$2 Original Fr. 387 The First NB Ch. # 564
An excessively rare Allegany County bank which was the town's sole issuer before lapsing into receivership in 1886. Three notes are known to have survived, an ace (sold as part of the Shiva collection in 1995), a Lazy Deuce, and a \$5 1875, two of which are found in the extraordinary Sabis collection. This Deuce is bright and problem free but for a few small internal splits, along with a miniscule split at the top. If your tastes run to great notes combining type and bank rarity, this **Fine** example should be on your list of things to bring home tonight. (4,000-6,000)

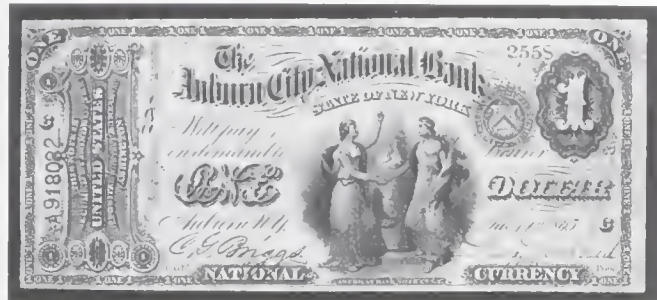

- 29202 Angelica, NY - \$5 1875 Fr. 401 The First NB Ch. # 564
The second note from Angelica in the collection, so rare that even the landmark Grinnell collection lacked an example from the town. We can say without question that this event marks the only offering of two notes from Angelica in a single sale in the history of American numismatics. **Fine+++**, with a few stray pinholes. (3,000-5,000)

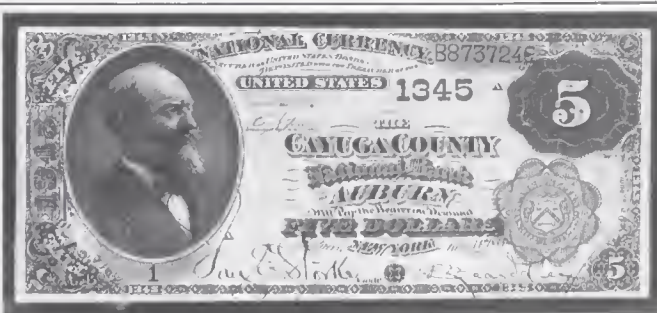

- 29203 Atlanta, NY - \$5 1929 Ty. 2 Atlanta NB Ch. # 12071
Only denomination issued by the sole bank to issue in this Steuben County hamlet. Our records show no offerings of any kind, large or small, from here in the past ten years. **Very Fine-Extremely Fine.** (600-900)

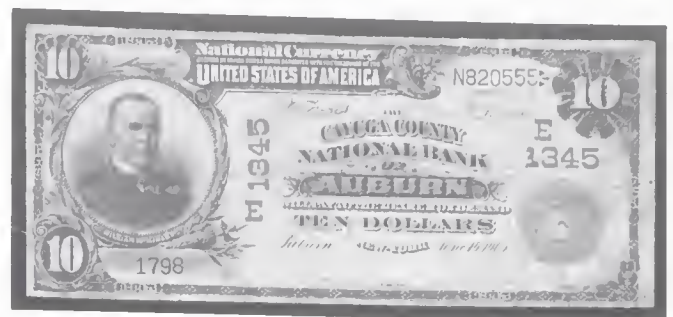

- 29204 Auburn, NY - \$10 1875 Fr. 416 The First NB Ch. # 231
A just plain rare note from a bank which issued First Charters and Brown Backs only before liquidating early in 1888. Just two notes from here are recorded in the census, and, even more important, our records indicate that it has been twenty-three years since any example from here has been offered at public sale. **Very Good-Fine**, with a vivid blue end paper coloration. (1,500-2,500)

- 29205 Auburn, NY - \$1 Original Fr. 380 The Auburn City NB Ch. # 1285
A lovely note from this rare Auburn bank which issued First Charters only before liquidating in 1875. The Kelly census shows one note extant from here, although we are aware of at least one other considerably lower grade example, with our records showing just two offerings of any kind from here, the last when the piece we now offer was sold as part of the Shiva collection in 1995. Bright **Very Fine+**, with a tiny purple spot on the reverse mentioned for cataloguing accuracy only, rare enough to see bidding easily reach or exceed... (2,250-4,250)

- 29206 Auburn, NY - \$5 1882 Brown Back Fr. 469 The Cayuga County NB Ch. # 1345
A lovely serial number 1 \$5 Brown Back with all the attributes that any collector could desire. Pen signed **Extremely Fine**, from Plate A, making it the first Brown Back issued from here, one of Bill Sabis' favorite notes and one that certainly will become one of its new owner's favorites as well (2,750-4,250)

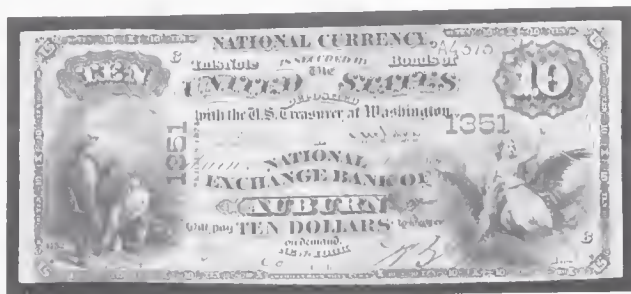

- 29207 Auburn, NY - \$10 1902 Red Seal Fr. 613 The Cayuga County NB Ch. # (E)1345
Listed in the Kelly census as the only Red Seal known from the bank, and, in fact, the only Red Seal listed from any Auburn bank. **Very Good-Fine**. (750-1,250)
- 29208 Auburn, NY - \$10 1902 Date Back Fr. 616 The Cayuga County NB Ch. # (E)1345
A more than acceptable large example from here. **Very Fine**. (150-250)
- 29209 Auburn, NY - \$10 1929 Ty. 1 The Auburn-Cayuga NB & TC Ch. # 1345
A scarcer title used for just two years after the 1931 merger of the NB of Auburn into this bank. **Very Fine-Extremely Fine**. (100-150)

- 29210 Auburn, NY - \$10 1902 Red Seal Fr. 613 The NB of Auburn Ch. # (E)1350
New to the census and the only Red Seal reported from this bank. Pen signed **Very Good**, with rounded corners and a split which is tape repaired on the reverse. (400-700)

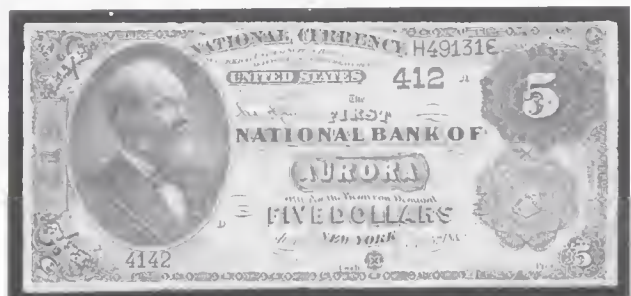

- 29211 Auburn, NY - \$10 1902 Plain Back Fr. 624 The NB of Auburn Ch. # (E)1350
A vividly colored example bearing even serial number 30000, likely saved for just that reason. **Choice Crisp Uncirculated**, with a tight top margin (300-500)

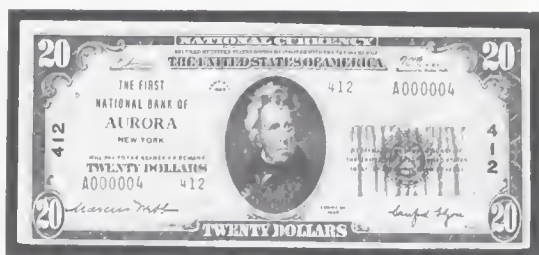

- 29212 Auburn, NY - \$10 1875 Fr. 416 The National Exchange Bank Ch. # 1351

First Charters and Brown Backs only from this bank, which went out in 1888, a particularly bad year for Auburn's banking community. Just two notes are recorded in the Kelly census, with this blue end paper 1875 \$10 considerably the nicer of the pair. Nice **Very Fine**, a tough type from a rare bank. (2,000-4,000)

- 29213 Aurora, NY - \$5 1882 Brown Back Fr. 466 The First NB Ch. # 412

Whenever possible Bill Sabis sought to obtain \$5 Brown Backs from New York banks which issued them, and he found himself a real winner in this note, which features a layout that we have never previously encountered on any Brown Back from any state. It's also the only Brown Back of any denomination we've seen or heard of from this small Cayuga County community. Expect some stiff competition before some fortunate collector takes this note home tonight. **Fine**. (2,000-4,000)

- 29214 Aurora, NY - \$20 1929 Ty. 2 The First NB Ch. # 412
A better type and denomination bearing low serial number A000004. **Very Fine-Extremely Fine**. (350-550)

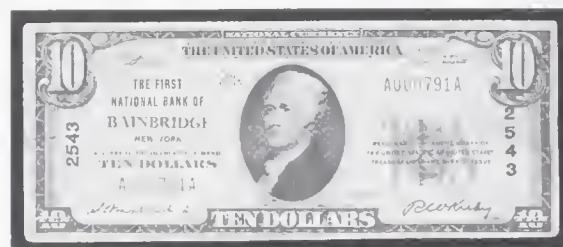

- 29215 Bainbridge, NY - \$5 1875 Fr. 405 The First NB Ch. # 2543

A bright and appealing First Charter five from this tougher Chenango County bank. The Kelly census from here stands at just six large notes known. Nice **Fine-Very Fine**, with a few unimportant splits. (1,000-1,500)

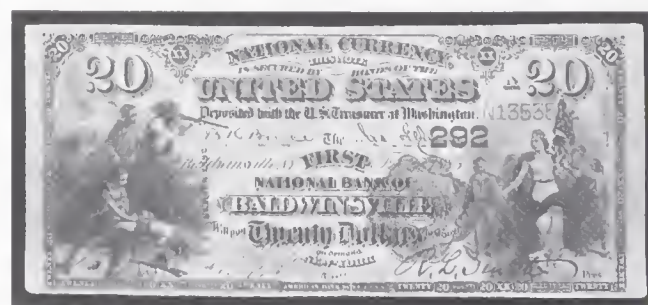

- 29216 Bainbridge, NY - \$5 1882 Date Back Fr. 537 The First NB Ch. (E)2543

A tough bank, but this example has been "improved" by visigoths, resulting in a considerable loss of color, especially on the reverse. The technical grade is **Fine**, and the note, from the front, is not without appeal, having retained even its sharp pen signatures. (300-500)

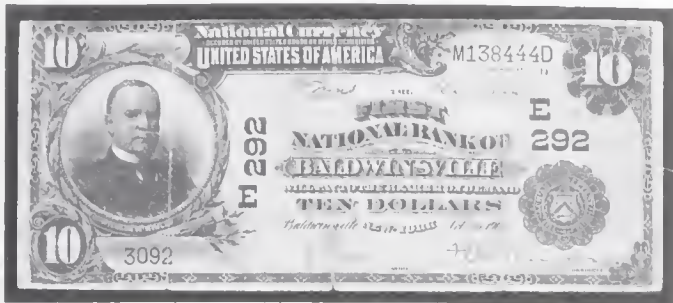

- 29217 Bainbridge, NY - \$10 1929 Ty. 1 The First NB Ch. # 2543

A very seldom seen bank in small size. Nice **Fine+**. (300-400)

- 29218 Baldwinsville, NY - \$20 1882 Brown Back Fr. 494 The First NB Ch. # 292

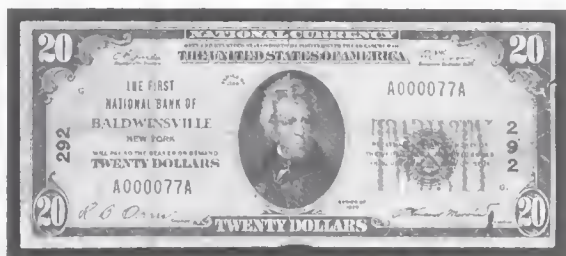

A just plain scarce Onondaga County bank, which, despite a long issue, has remained almost impossible to find in large size. The Kelly census stands at three, and Bill Sabis, an Onondaga County native, was able to obtain two after years of diligent searching. This attractive pen signed **Fine-Very Fine** example is the sole Brown Back we know of from the bank. (1,750-3,250)

29219 Baldwinville, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (E)292

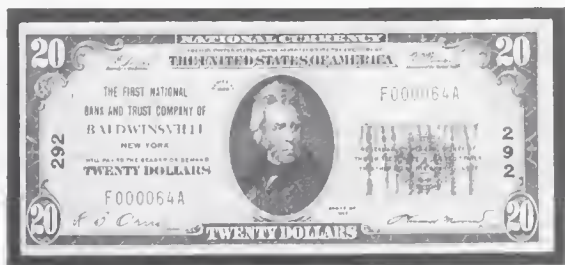

A second large example, this a blue seal. **Fine**, but with a small red stain on both the face and back near the bottom center of the note. (500-700)

Unique With This Title

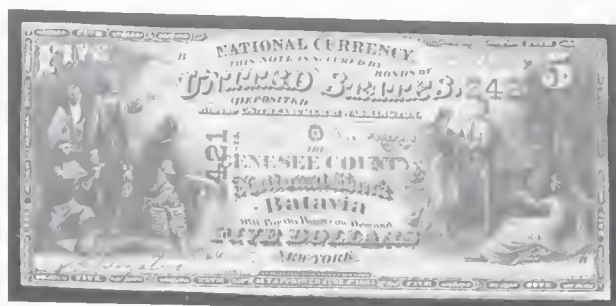

29220 Baldwinville, NY - \$20 1929 Ty. 1 The First NB Ch. # 292

An excessively rare note, as this example is unique in small size with this title. It may well stay that way forever, as the bank issued small notes with this nomenclature for only a couple of months before changing its title. **About Fine**. (900-1,200)

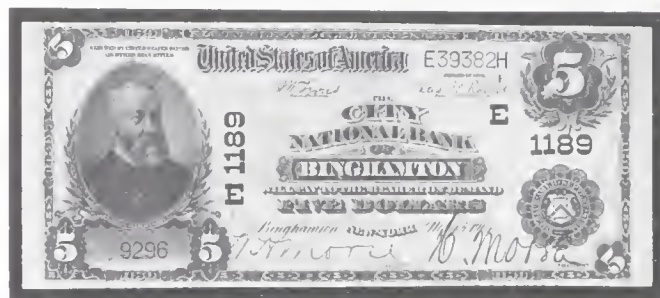

29221 Baldwinville, NY - \$20 1929 Ty. 1 The First NB & TC Ch. # 292

One of just four examples in the census with this title. This piece from the Sabis holdings is as nice as any we know of. **Very Fine**. (500-800)

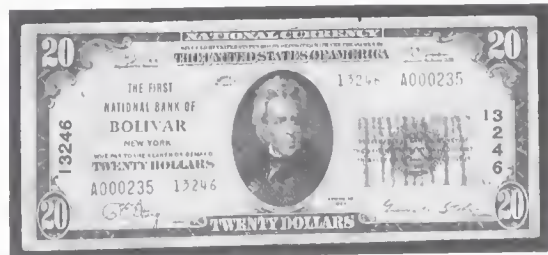

29222 Batavia, NY - \$5 1875 Fr. 404 The Genesee County NB Ch. # 2421

An excessively rare bank which issued First Charter fives only for just five years before disappearing in 1884. By 1910, a miniscule \$495 was outstanding. The Kelly census calls this example unique, but we know of two notes from this bank. This piece is a real peach, with bright colors and a most appealing appearance, despite its tightly trimmed side margins. Bright **Very Fine+**, one of the highlights of the Sabis collection. (2,500-4,500)

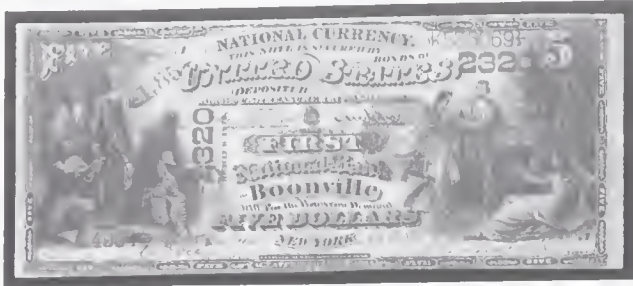

29223 Binghamton, NY - \$5 1902 Plain Back Fr. 598 The City NB Ch. # (E)1189

A simply lovely note which our consignor obtained from the Van Cleave sale in January of 1986. This piece is easily the nicest blue seal we've seen from here, with two color pen signatures, bright white paper, and jumbo margins all around. But for the lightest of handling, and two stray fingermarks on the reverse, it is a sparkling gem example. **Choice Crisp Uncirculated**, sure to be of interest to this area's many active collectors. (600-900)

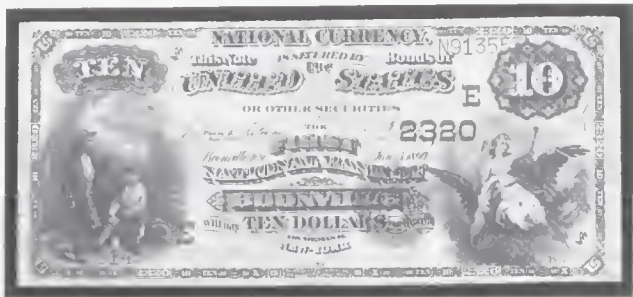

29224 Bolivar, NY - \$20 1929 Ty. 2 The First NB Ch. # 13246

Just two notes are listed in the census from this bank, the sole issuer in this Allegany County community. This institution was unreported for many years, and was unknown up until about ten years ago. Pleasing **Fine+++**, a great opportunity. (900-1,400)

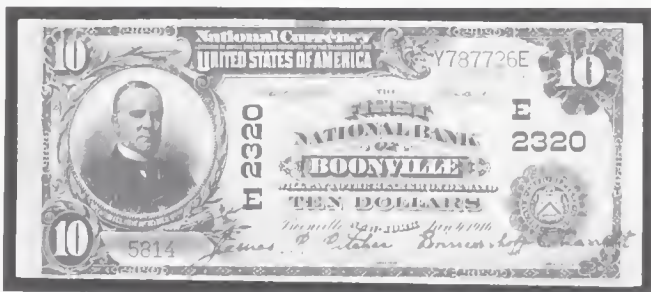

- 29225 Boonville, NY - \$5 1875 Fr. 401 The First NB Ch. # 2320

Eight large notes are listed in the census from this Oneida County community, and the Sabis collection contains one from each charter period. This First Charter five is a very tough note to find from here. **Very Fine**. (900-1,400)

- 29226 Boonville, NY - \$10 1882 Date Back Fr. 542 The First NB Ch. # (E)2320

This is the only Second Charter we've recorded from this community. **Fine**, with a little soil on the reverse. (600-800)

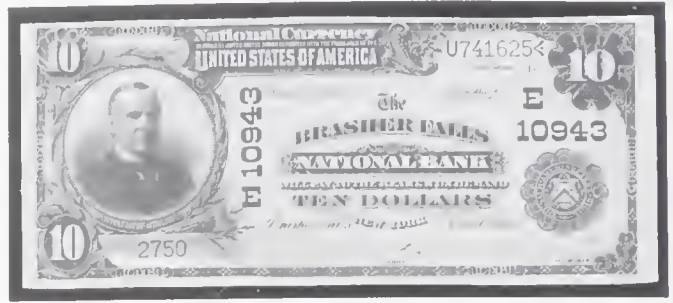

- 29227 Boonville, NY - \$10 1902 Plain Back Fr. 632 The First NB Ch. # (E)2320

A nice high grade example with a vivid blue overprint and bright blue signatures. **Very Fine**, with an unimportant spot in the top margin. (450-750)

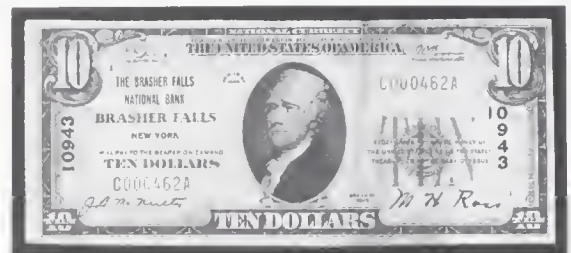

- 29228 Boonville, NY - \$10 1929 Ty. 1 The First NB Ch. # 2320

As nice a small size note as we've handled from here. **Extremely Fine**. (300-400)

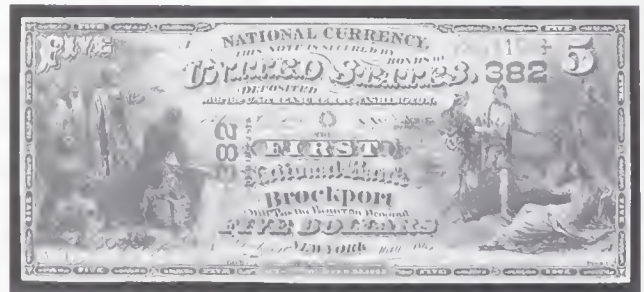

- 29229 Brasher Falls, NY - \$10 1902 Plain Back Fr. 632 The Brasher Falls NB Ch. # (E)10943

A gorgeous large note with all the quality associated with a large note from the Sabis collection. Two such examples are listed in the census, with this piece considerably superior to the other. Don't expect to see very many more from this bank, as the large outstanding from here was a meager \$940 at the bank's close in 1933. **Extremely Fine**. (2,000-4,000)

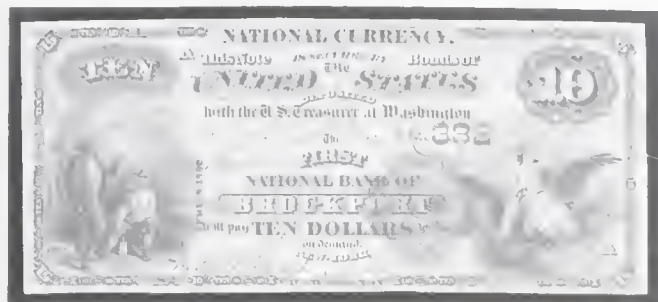

- 29230 Brasher Falls, NY - \$10 1929 Ty. 1 The Brasher Falls NB Ch. # 10943

A very tough bank in small size as well, with only a literal handful of examples recorded in the census. **Fine**, with a bit of wallet staining on the front. (500-700)

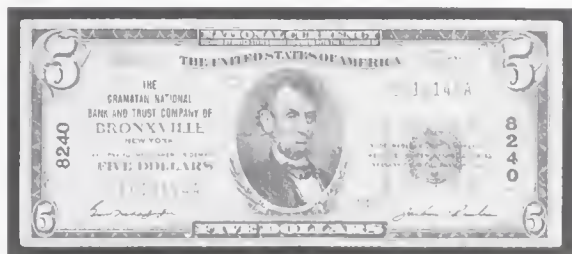

- 29231 Brockport, NY - \$5 1875 Fr. 401 The First NB Ch. # 382

A beautiful First Charter five, with great color, bright paper, and three folds which take it out of the uncirculated class. Choice **Extremely Fine+**, an exceptional piece. (1,100-1,500)

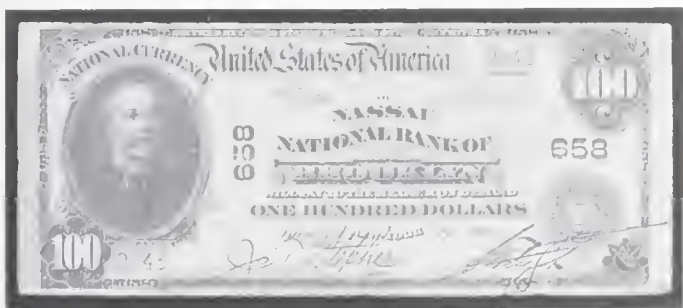

- 29232 **Brookport, NY - \$10 1882 Brown Back Fr. 479 The First NB Ch. # 382**

A perfect mate to the First Charter offered above, and in virtually the same grade. **Extremely Fine-About Uncirculated**, with great paper quality, bold signatures, and colors which look as though they were applied yesterday. (800-1,200)

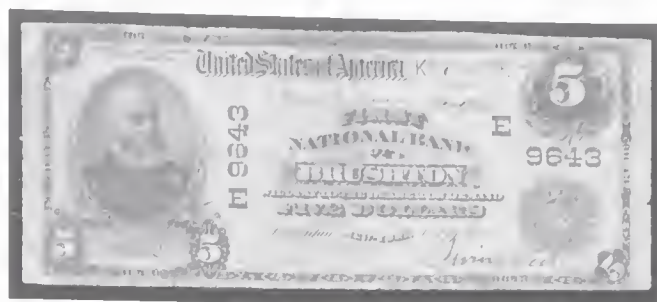

- 29233 **Bronxville, NY - \$5 1929 Ty. 1 Gramatan NB & TC of Bronxville Ch. # 8240**

The second title on this bank from Westchester County. The Kelly census shows 18 small size notes, but the cataloger feels that this note is much scarcer in today's market. **Very Good-Fine**. (250-450)

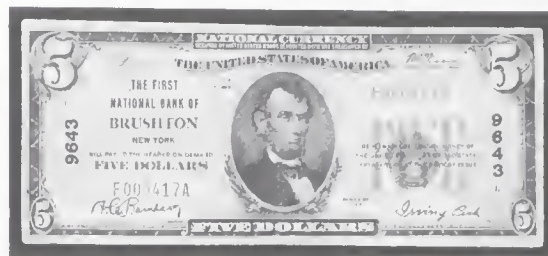

- 29234 **Brooklyn, NY - \$100 1902 Plain Back Fr. 698 The Nassau NB Ch. # 658**

One of just four Plain Back hundreds known from Brooklyn. **About Fine**. (900-1,300)

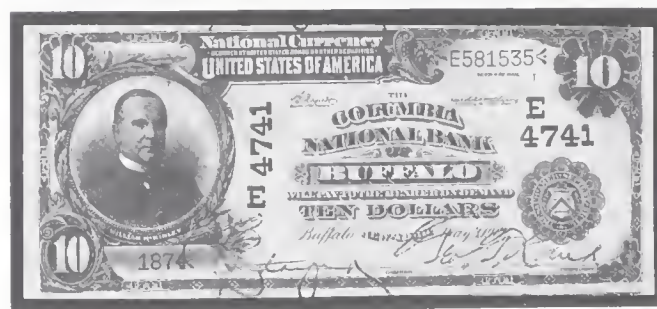

- 29235 **Brushton, NY - \$5 1902 Plain Back Fr. 600 The First NB Ch. # (E)9643**

A very rare note from the only bank to issue in this Franklin County hamlet. Two large notes are listed in the census, with this the only one we have handled. Well circulated but intact **Very Good**. (750-1,050)

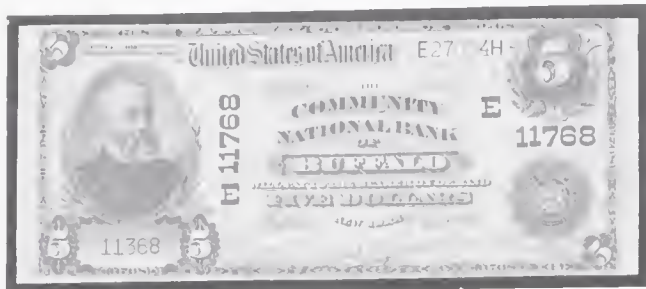

- 29236 **Brushton, NY - \$5 1929 Ty. 1 The First NB Ch. # 9643**

This is one of the scarcest small size issuers in the state, with just two such examples recorded in the census. The last offering from here came back in January of 2000, when we sold this note to Bill Sabis for \$715. Odds are it will go for somewhat more this evening. **Fine**. (700-1,100)

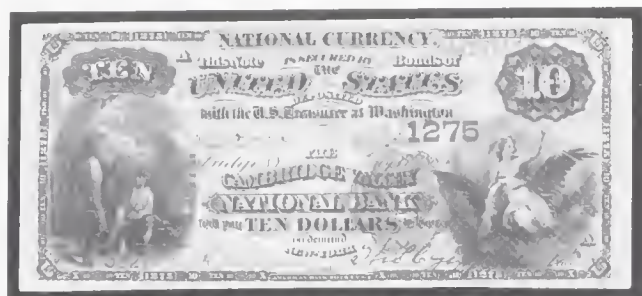

- 29237 **Buffalo, NY - \$10 1902 Date Back Fr. 620 The Columbia NB Ch. # (E)4741**

A very bright example which has retained its full original embossing. There is a bit of light handling, and the cut is not perfect, but the overall appearance here is quite nice. **Choice Crisp Uncirculated**. (350-550)

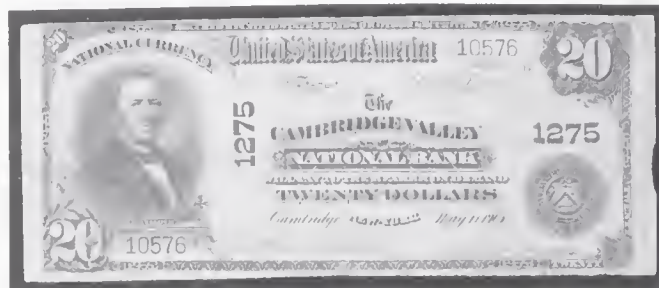

- 29238 Buffalo, NY - \$5 1902 Plain Back Fr. 607 Community NB of Buffalo Ch. # (E)11768
This bank survived for only nine years and issued third charter notes under three different titles. This is the last. CGA Extremely Fine 45. (150-250)

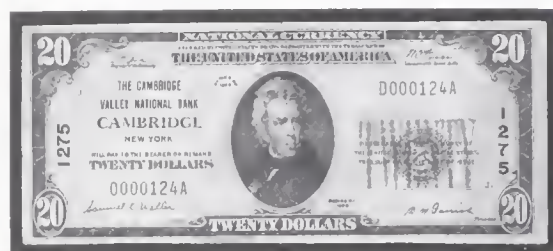

- 29239 Cambridge, NY - \$10 1882 Brown Back Fr. 481 The Cambridge Valley NB Ch. # 1275
This was the bank's second issuing location after it moved from North White Creek in 1875. Five large notes are known from this town, with this the only Brown Back we've had. Very Fine-Extremely Fine. (1,200-1,600)

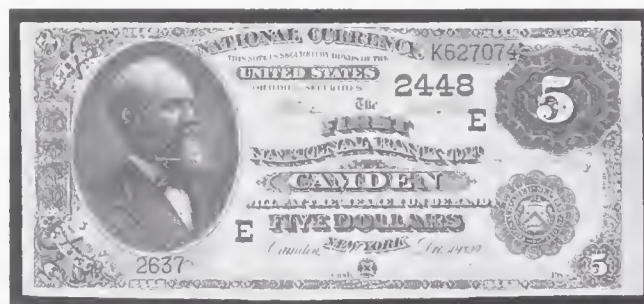

- 29240 Cambridge, NY - \$10 1902 Plain Back Fr. 624 The Cambridge Valley NB Ch. # 1275
A nice Fine-Very Fine example with clear signatures. (500-800)

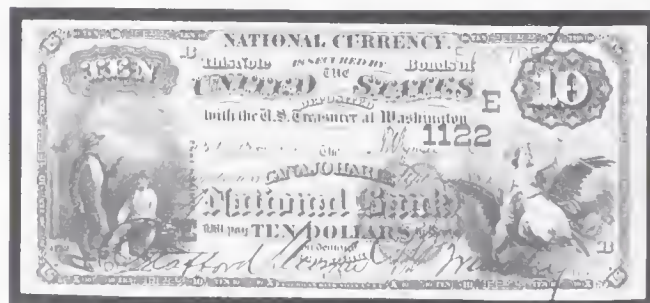

- 29241 Cambridge, NY - \$20 1902 Plain Back Fr. 650 Cambridge Valley NB Ch. # 1275
A scarce bank with either of its two titles, this second title note is one of just five large size notes reported and has excellent eye appeal for the grade. About Fine with nice stamped signatures and a few scattered pinholes. (400-700)

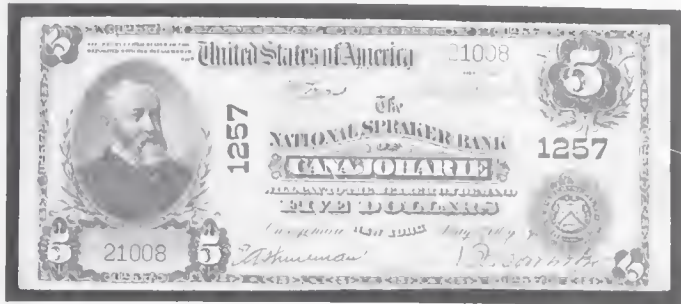

- 29242 Cambridge, NY - \$20 1929 Ty. 1 The Cambridge Valley NB Ch. # 1275
This is a very scarce small note, as, despite the census numbers, we've handled fewer small than large notes from here over the years. Nice Very Fine. (500-800)

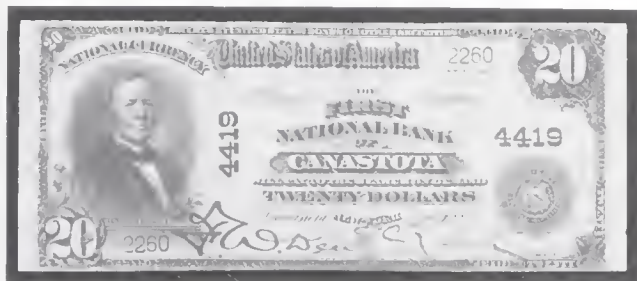

- 29243 Camden, NY - \$5 1882 Date Back Fr. 537 The First NB Ch. # (E)2448
A tougher type from this Oneida County bank. Fine-Very Fine. (550-850)

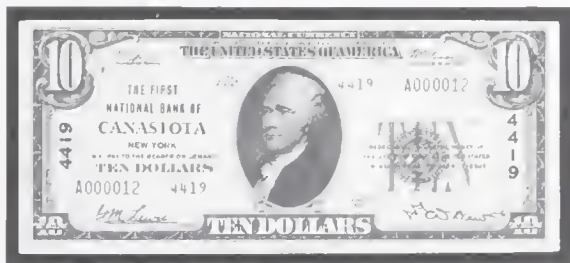

- 29244 Canajoharie, NY - \$10 1882 Brown Back Fr. 480 The Canajoharie NB Ch. # (E)1122
A lovely Brown Back with vanity signatures of both the cashier and the president. Very Fine-Extremely Fine. (750-950)

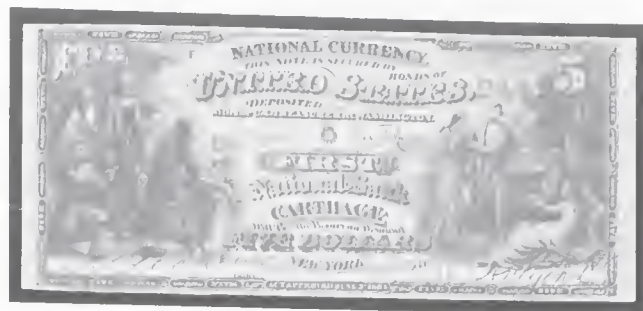

- 29245 Canajoharie, NY - \$5 1902 Plain Back Fr. 598 The National Spraker Bank Ch. # 1257
A pleasing Fine-Very Fine example from this private name bank, with B.F. Spraker signing as President. (175-325)

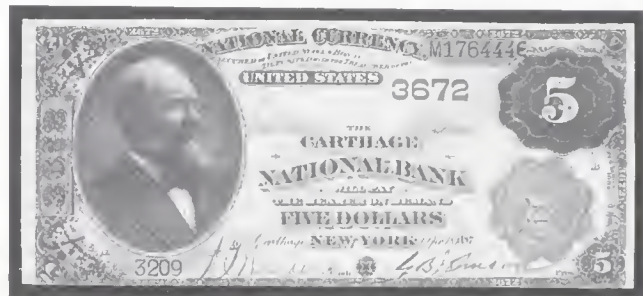

- 29246 Canastota, NY - \$20 1902 Plain Back Fr. 653 The First NB Ch. # 4419
A very scarce Madison County bank, with the census standing at four large and four small examples. With just \$800 outstanding in large, don't expect to see very many more. Bright Fine-Very Fine, with two color pen signatures. (1,000-1,500)

- 29247 Canastota, NY - \$10 1929 Ty. 2 The First NB Ch. # 4419
A lovely example which is easily the finest Series 1929 note we've seen or heard of from here. Bill Sabis paid \$770 when he obtained this example in our May, 2000 sale, and he likely will see this quality piece go for considerably more this evening. About Uncirculated+++. (900-1,300)

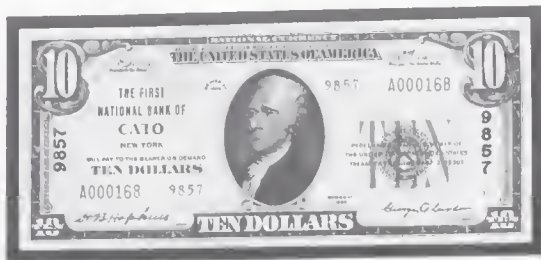

- 29248 Carthage, NY - \$5 1875 Fr. 404 The First NB Ch. # 2442
A very rare note from a bank which issued First Charter fives only before entering receivership in 1898. By 1910, just \$670 was outstanding from here. Only two notes are known from the bank, with this piece coming directly to our consignor from the Shiva collection sale. Prior to that, its provenance can be traced back to the Grinnell collection sale of 1946. Bright Very Fine-Extremely Fine, one of the highlights of the Sabis collection. (2,000-4,000)

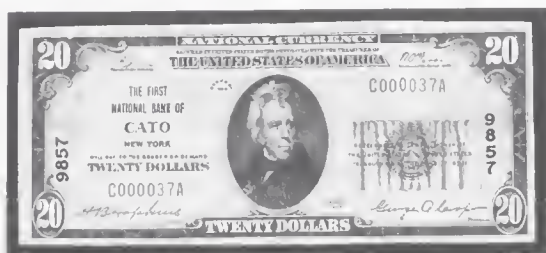

- 29249 Carthage, NY - \$5 1882 Brown Back Fr. 469 The Carthage NB Ch. # 3672
Another scarce Carthage bank, with this \$5 Brown Back also from the Shiva collection sale. Nice Very Fine-Extremely Fine, with nice pen signatures, the bottom trimmed slightly into the design at left. (800-1,200)

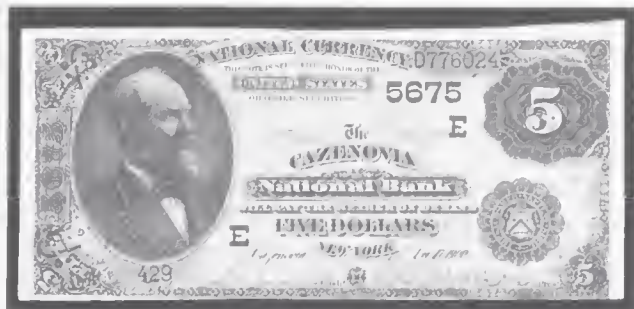

- 29250 Carthage, NY - \$5 1882 Value Back Fr. 574 The National Exchange Bank Ch. # (E)6094
The last bank chartered in New York to issue Value Backs, with this the only \$5 example recorded to date. Nice Very Fine+, with strong purple signatures and unusually broad even margins all around. (800-1,200)

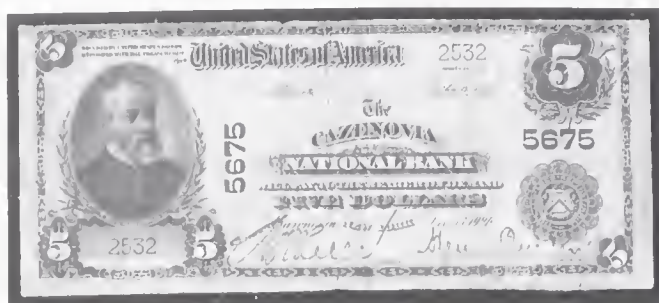

- 29251 **Cato, NY - \$10 1929 Ty. 2 The First NB Ch. # 9857**
This note bears the second type style adopted by this small bank on its later Series 1929 issues. Only six small notes from this one bank community are recorded in the census, and our records show no offerings of any kind from here since 1995. **Extremely Fine**, and likely, as will many notes in this collection, to exceed our conservative estimates tonight. (700-1,000)

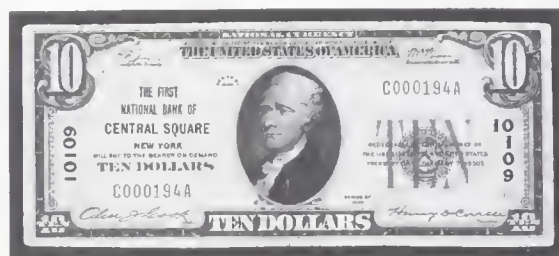

- 29252 **Cato, NY - \$20 1929 Ty. 1 The First NB Ch. # 9857**
The Sabis collection has two examples from this very scarce Cayuga County bank, one with each of the type styles used here on Series 1929 examples. This was the first font used by the bank. Bright **Very Fine-Extremely Fine**, with a tiny blue line that is barely visible on the front mentioned for total cataloguing accuracy. (600-900)

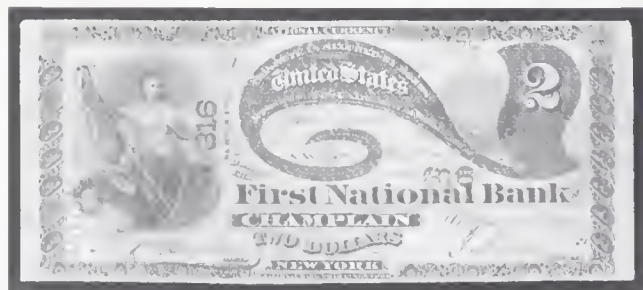

- 29253 **Cazenovia, NY - \$5 1882 Date Back Fr. 537 The Cazenovia NB Ch. # (E)5675**
Large notes only from this extremely rare bank, which was not represented in any of the great New York collections sold at auction including Grinnell, Decker, or Shiva. Although this bank lasted well past 1929, it elected to issue no small notes, and, by 1935, the amount of large notes outstanding from here had declined to just \$410. Three examples are known from here, and the Sabis collection contains two of them, including this piece, which is the only example from here ever publicly offered. **Very Fine**, with purple signatures, cut just a touch close at the bottom. (2,500-4,500)

- 29254 **Cazenovia, NY - \$5 1902 Plain Back Fr. 607 The Cazenovia NB Ch. # 5675**
A second example from this encyclopedic collection, obtained privately by Bill from an old time New York collection. **Fine**, with a couple of insignificant pinholes mentioned solely for total accuracy. (1,500-2,500)

- 29255 **Central Square, NY - \$10 1929 Ty. 1 The First NB Ch. # 10109**
An excessively rare note from a bank which is unreported in large size (and, with just \$40 outstanding, might well be unreported forever) and has but two Series 1929 examples known. Both have traded hands within the past ten years, with this piece coming to Bill Sabis from the Shiva collection sale in 1995 at \$572 and the other example (which is considerably lower grade) selling in our January 2000 sale, where it brought \$1100. When the hammer falls on this piece tonight it may be many years before another from here becomes available to New York's collecting fraternity. **Fine-Very Fine**. (1,500-2,500)

- 29256 **Champlain, NY - \$2 1875 Fr. 390 The First NB Ch. # 316**
An attractive blue end paper example which is the only Deuce reported from this bank in the new Kelly census. Well margined **Fine**. (1,200-1,500)

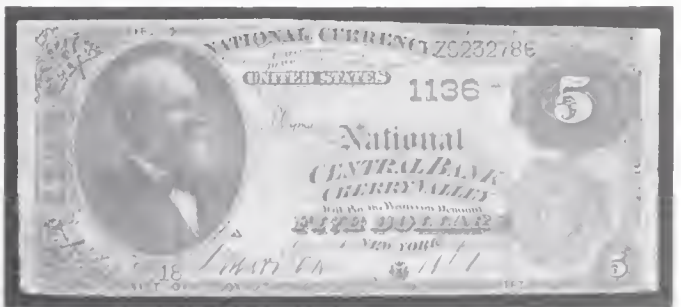

29257 Champlain, NY - \$20 1902 Red Seal Fr. 639 The First NB Ch. # (E)316

A bright and attractive Red Seal from the Sabis collection, the only Red Seal from this bank listed in the new Kelly census. **Fine-Very Fine**, with two color pen signatures. (1,000-1,500)

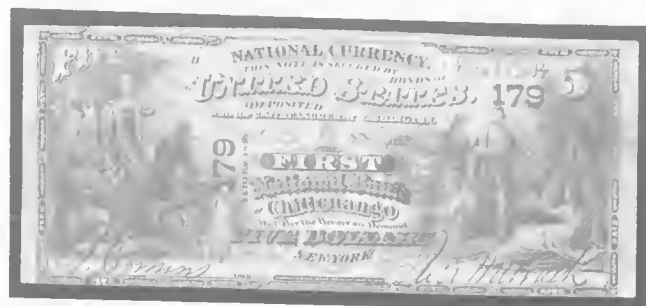

29258 Chateaugay, NY - \$10 1902 Plain Back Fr. 626 The First NB Ch. # 8893

We've handled several small notes from here over the years, but this is the first large example we've had the pleasure of offering from this tiny Franklin County community. Only two notes are listed in the census, with this piece likely lot 2142 from the Grinnell collection sale of 1946. With only \$860 outstanding in large here by 1935, it is no surprise that this bank was missing from both the Decker and Shiva collections. Lovely **Extremely Fine**. (1,750-3,250)

29259 Cherry Valley, NY - \$5 1882 Brown Back Fr. 467 The National Central Bank Ch. # 1136

A tough early type from this bank. **Very Good-Fine**, with most of the wear on the back. (600-900)

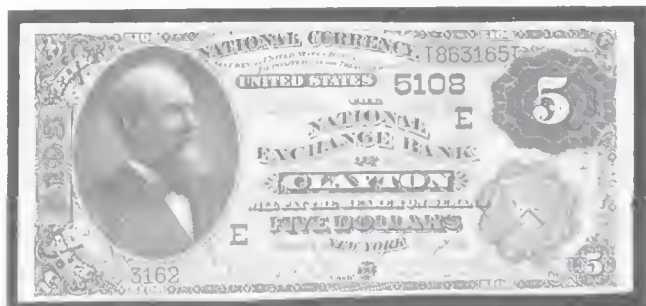

29260 Chittenango, NY - \$5 1875 Fr. 401 The First NB Ch. # 179

A great New York rarity from a bank which issued First Charters only before liquidating at the expiration of its charter in 1882. Only three pieces are recorded from here, one of which is severely impaired, with none appearing in the Grinnell, Decker or Shiva holdings. The last offering of any kind from this bank came when we sold this note to Bill Sabis in 1996 for \$1100. Expect it to bring more, likely considerably more, this evening. Nice **Fine-Very Fine**. (3,000-5,000)

29261 Clayton, NY - \$5 1882 Brown Back Fr. 470 The First NB Ch. # 3797

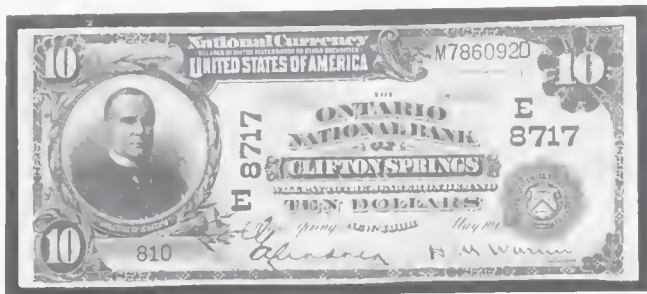

One of a host of attractive \$5 Brown Backs in the Sabis holdings, and from a scarce bank as well. This is the only the second early note we've seen from here, and considerably the nicer of the two. Bright pen signed **Very Fine-Extremely Fine**. (1,000-1,500)

29262 Clayton, NY - \$5 1882 Brown Back Fr. 476 The National Exchange Bank Ch. # (1)5108

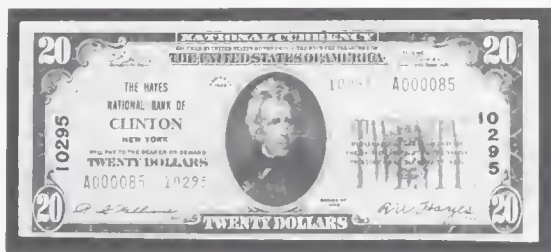

A second high grade \$5 Brown Back from Clayton, this from the other bank to issue large notes here. This note traces its pedigree back to pioneer currency dealer Aubrey Beebe, and comes with his Wade collection label dating from 1956. For those who mourn the "good old days of conservative grading," Mr. Beebe graded this example as "pen signed uncirculated." **Extremely Fine**. (1,000-1,500)

- 29263 Clayton, NY - \$5 1929 Ty. 1 The First National Exchange Bank Ch. # 5108
Evenly circulated Fine-Very Fine. (175-275)

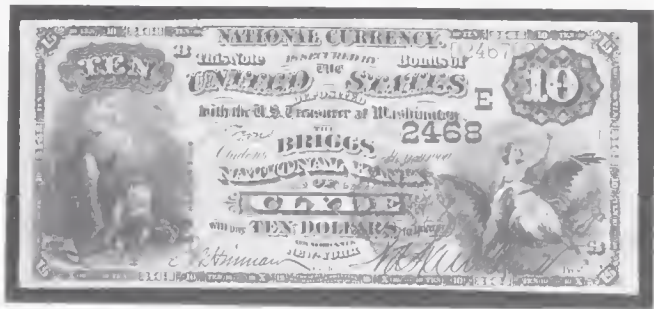

- 29264 Clifton Springs, NY - \$10 1902 Plain Back Fr. 626 The Ontario NB Ch. # (E)8717

One of the great rarities in New York Nationals, as this thinly capitalized bank issued just a miniscule number of sheets during its lifetime. By 1935 just \$380 was outstanding in large notes from this institution, the sole issuer here. The current census stands at two large and one small example known, with no offerings at all from here since Bill Sabis obtained this piece in 1997. Pen signed **Extremely Fine**, a major rarity likely to see considerable bidding before the hammer falls. (2,500-4,500)

- 29265 Clinton, NY - \$20 1929 Ty. 2 The Hayes NB Ch. # 10295

A very scarce small size note from this private name issuer. Three small notes are recorded from here, with this the sole Type 2 twenty we've seen. **Very Fine+**, signed by R.W. Hayes as president. (600-900)

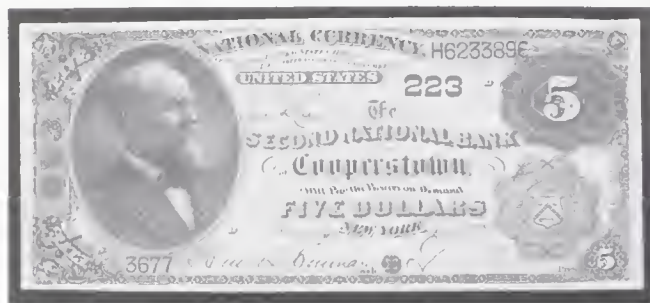

- 29266 Clyde, NY - \$10 1882 Brown Back Fr. 490 The Briggs NB Ch. # (E)2468

A gorgeous example from the only bank to issue in this small Wayne County community. Pen signed **About Uncirculated**. (1,500-2,500)

- 29267 Conewango Valley, NY - \$5 1902 Plain Back Fr. 606 The Conewango Valley NB Ch. # 10930

A lovely example which is the finest of the four notes known from this bank, which closed in 1934 with just \$940 in large outstanding. **About Uncirculated**, ex-Shiva collection sale. (1,750-3,250)

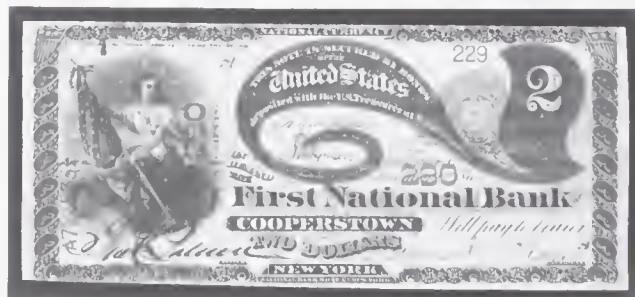

- 29268 Cooperstown, NY - \$5 1882 Brown Back Fr. 466 The Second NB Ch. # 223

A nice \$5 Brown Back with a neat layout from this avidly collected location. **Very Fine-Extremely Fine**. (1,000-1,500)

- 29269 Cooperstown, NY - \$10 1902 Plain Back Fr. 624 The Second NB Ch. # 223

An evenly circulated **Fine** example with the signature of F.W. Spraker as cashier. The Spraker family were prominent local bankers whose interests extended to several local banks, including the National Spraker Bank of Canajoharie. (275-425)

- 29270 Cooperstown, NY - \$2 1875 Fr. 391 The First NB Ch. # 280

The new Kelly census shows just two Lazy Twos from this bank, one Original and one 1875, with the 1875 being the considerably higher grade example. Nice **Fine+**. (1,400-1,800)

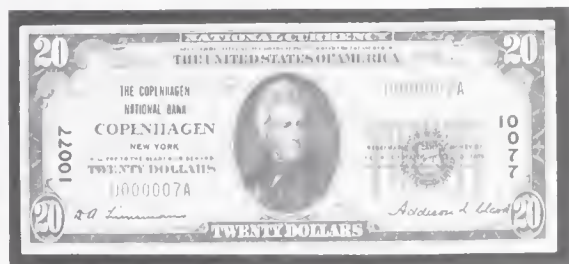

- 29271 **Cooperstown, NY** - \$10 1902 Plum Back Fr. 624 First NB of Cooperstown Ch. # 280
Full signatures grace this note from the home of baseball's Hall of Fame, popular with both National collectors and baseball fans alike. **Very Good-Fine.** (250-450)

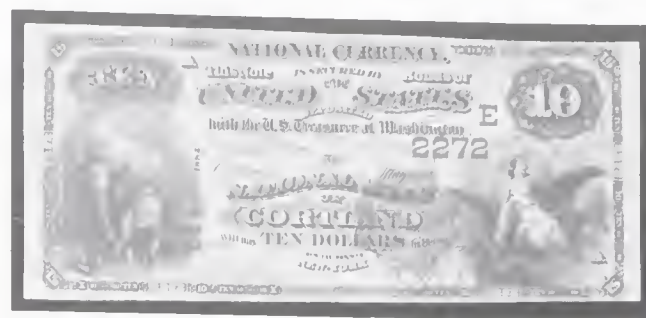

- 29272 **Cooperstown, NY** - \$20 1929 Ty. 2 The First NB Ch. # 280
A lovely note that was no doubt part of the hoard that pioneer currency dealer William P. Donlon of Utica dispersed in the early 1970's. **Gem Crisp Uncirculated.** (300-400)

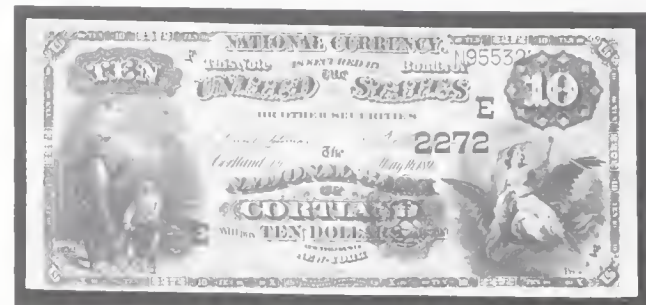

- 29273 **Copenhagen, NY** - \$20 1902 Plum Back Fr. 654 The Copenhagen NB Ch. # 10077
A very rare Lewis County bank which had only \$760 outstanding in large notes by 1935. Two examples are recorded in the census, one of which is this high grade piece, which was lot 1699 in the Decker collection sale of September, 1981. It was purchased there by New York collector Marvin Levine, who held it for fifteen years before trading it to Bill Sabis in 1996. Bright **Very Fine.** (1,750-3,250)

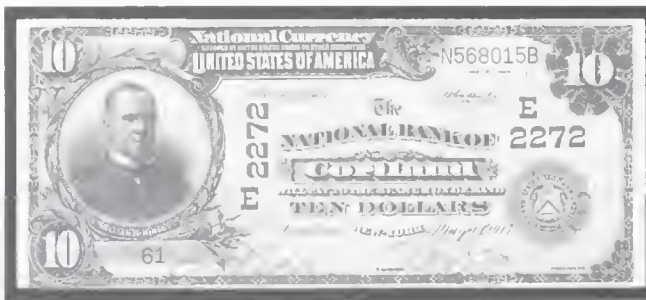

- 29274 **Copenhagen, NY** - \$20 1929 Ty. 1 The Copenhagen NB Ch. # 10077
Five small notes are known from here, with this lovely example right up there with the best. We sold this piece to George Decker back in 1977, and it remained in his personal collection of small size notes for almost twenty years before Bill Sabis obtained it in 1995. **Extremely Fine-About Uncirculated.** (900-1,200)

- 29275 **Cortland, NY** - \$10 1882 Brown Back Fr. 487 The NB of Cortland Ch. # (E)2272
A nice evenly circulated pen signed Brown Back. **Fine-Very Fine.** (450-750)

- 29276 **Cortland, NY** - \$10 1882 Date Back Fr. 542 The NB of Cortland Ch. # (E)2272
A much scarcer type from here. **Very Fine.** (450-750)

- 29277 **Cortland, NY** - \$10 1902 Date Back Fr. 623a The NB of Cortland Ch. # (E)2272
A nice example, and a much scarcer Friedberg number as well. **Extremely Fine.** (300-500)
- 29278 **Cortland, NY** - \$10 1929 Ty. 2 Second NB & TC Ch. # 2827
Only note in the collection from this Cortland bank. **Very Fine-Extremely Fine.** (150-250)

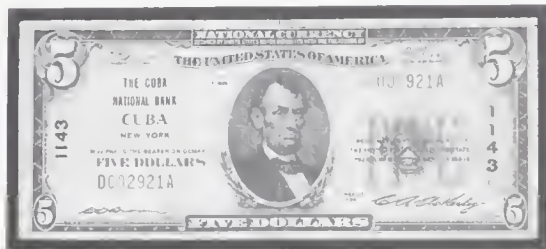

- 29279 **Croghan, NY** - \$20 1929 Ty. 1 The Croghan NB Ch. # 10948
A decent small example from the only issuing bank in town. **Fine+.** (100-700)

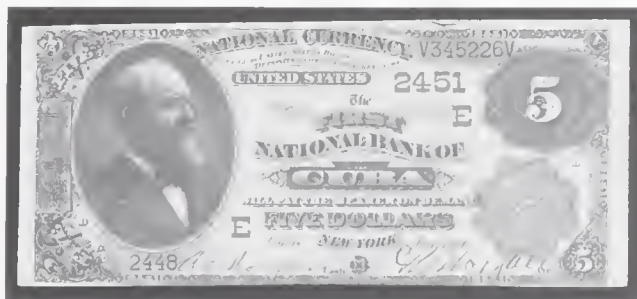

29280 Cuba, NY - \$10 1902 Red Seal Fr. 613 The Cuba NB Ch. # (E)1143

A nice note which is the only Red Seal known from this most popular location. Bill Sabis obtained this example from fellow collector Marvin Levine in a 1996 trade. Pleasing **Fine+++**, with bold pen signatures. (1,400-1,800)

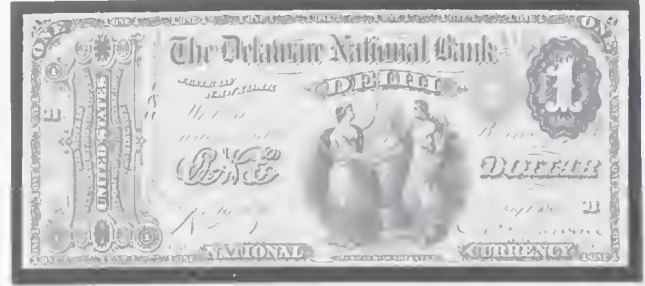

29281 Cuba, NY - \$5 1929 Ty. 1 The Cuba NB Ch. # 1143

A nice evenly circulated example from this always sought after town. **Fine-Very Fine**. (175-225)

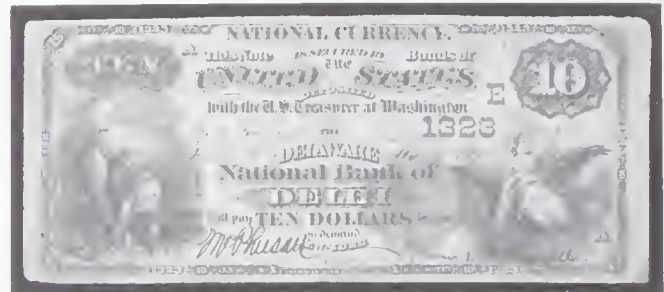

29282 Cuba, NY - \$5 1882 Brown Back Fr. 477 The First NB Ch. # (E)2451

Another of the many \$5 Brown Backs which Bill Sabis went out of his way to acquire. **Extremely Fine-About Uncirculated**, cut just a bit tight at the bottom, which is more than made up for by the sharp pen signatures and most unusual title layout. (1,250-2,250)

29283 Delhi, NY - \$1 Original Fr. 380 The Delaware NB Ch. # 1323

A very scarce early note from this well collected location. **Very Fine**, ex-Decker collection. (1,200-1,600)

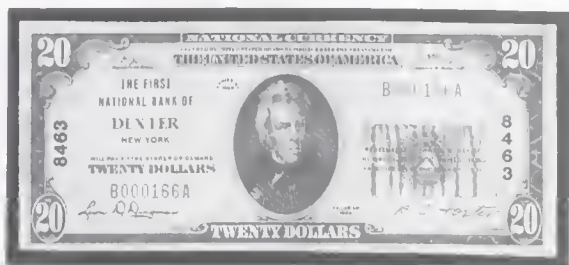

29284 Delhi, NY - \$10 1882 Brown Back Fr. 481 The Delaware NB Ch. # (E)1323

No early note on this bank can be called anything but scarce, with Brown Backs few and far between from here. Pen signed **Fine**, with a sprinkling of pinholes and a few minor margin splits. (700-900)

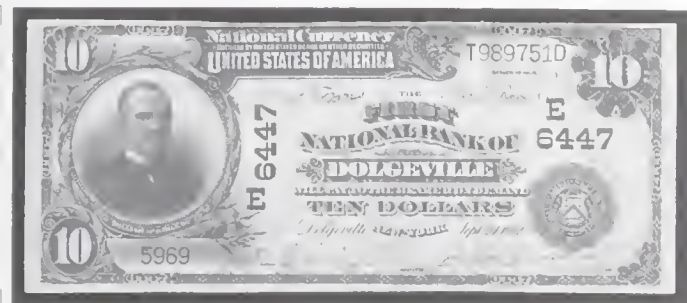

29285 Dexter, NY - \$20 1902 Plain Back Fr. 652 The First NB Ch. # 8463

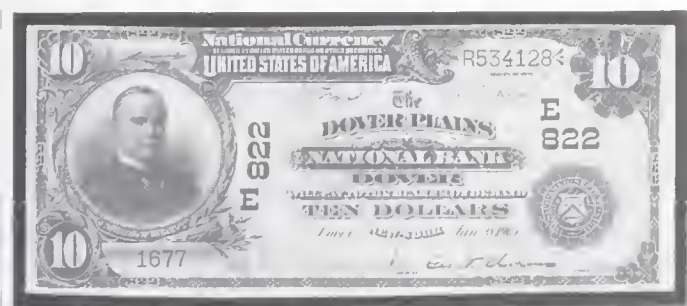

A very scarce large size note from a bank with a Kelly census population of three such specimens. This town was missing in the Grinnell, Decker and Shiva offerings, with a considerably inferior large example selling for almost \$1100 in our September, 2002 auction. Bright **Very Fine-Extremely Fine**. (1,500-2,000)

- 29286 **Dexter, NY - \$20 1929 Ty. 1 The First NB Ch. # 8463**
A nice note which is perfectly matched for grade with the large example offered above. Sharp **Very Fine-Extremely Fine**, a scarce note in itself, although not in the same league as the large size from here. (500-800)

- 29287 **Dolgeville, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (E)6447**
A most attractive piece from this obscure Herkimer County location. Kelly records only five large notes known from this one bank community, with this piece easily the highest grade example we've seen. **Extremely Fine-About Uncirculated**. (650-950)
- 29288 **Dolgeville, NY - \$10 1929 Ty. 1 The First NB Ch. # 6447**
Evenly circulated **Fine-Very Fine**, with a few stray pinholes. (175-225)

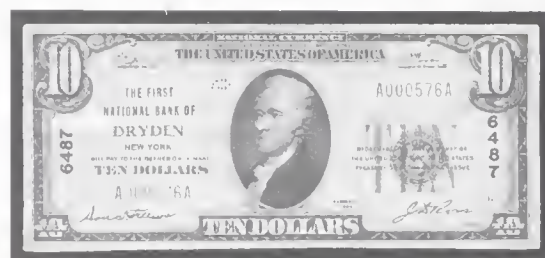

- 29289 **Dover, NY - \$10 1902 Date Back Fr. 616 The Dover Plains NB Ch. # (E)822**
A better Dutchess County large note, with this the sole Date Back we've handled. Pen signed **Fine**. (350-650)

- 29290 **Dover, NY - \$10 1929 Ty. 1 The Dover Plains NB Ch. # 822**

A scarce Dutchess County small note from a bucolic community which is home to the Old Drovers Inn, one of the oldest continuously operating restaurants in the United States. **Fine**. (200-300)

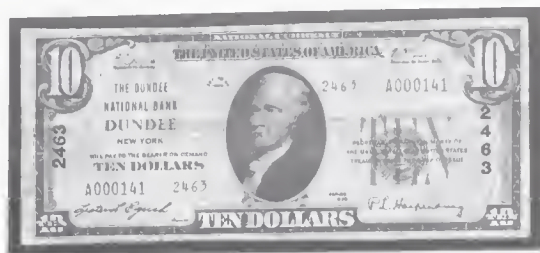

- 29291 **Dryden, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # 6487**
An extremely rare Tompkins County bank which had only \$790 outstanding in large notes in 1935. Two examples are listed in the Kelly census, with this the nicer of the pair. We sold the lower grade example in May of 1999, when it realized \$1705. Expect this lovely pen signed **Extremely Fine+** note to bring somewhat more tonight. (2,500-3,500)

- 29292 **Dryden, NY - \$10 1929 Ty. 1 The First NB Ch. # 6487**
It has been almost ten years since any small note from here has been on the market, making this an opportunity for collectors to add a new town to their small size holdings. **Bright Very Fine**. (800-1,200)

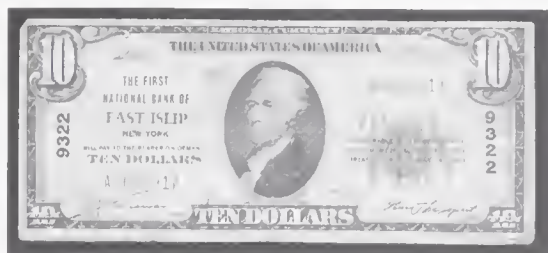

- 29293 **Dundee, NY - \$10 1902 Plain Back Fr. 633 The Dundee NB Ch. # (E)2463**
A very rare note from a bank which, despite five large notes in the census, has not been offered since the Shiva collection example was sold (and promptly disappeared from the marketplace) in May of 1995. Nice **Fine**, with an insignificant internal split. (1,250-2,250)

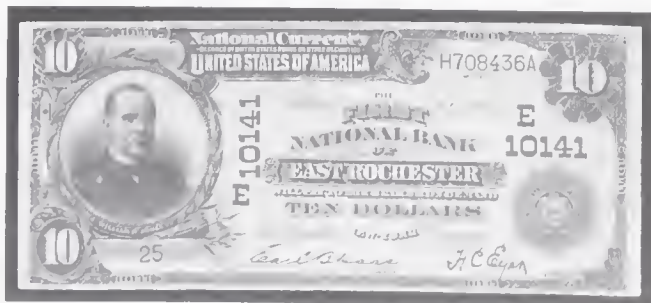

- 29294 Dundee, NY - \$10 1929 Ty. 2 The Dundee NB Ch. # 2463
A very rare and likely unique small size note, with the Kelly census, as well as our records, showing no small notes whatever from this one bank community Nice **Fine-Very Fine**, a key piece to any collector putting together a set of Series 1929 New York Nationals. (1,500-2,500)

- 29295 Earlvile, NY - \$10 1902 Plain Back Fr. 627 The First NB Ch. # 4493
Five large notes are recorded in the census, with this example by far the nicest of any we know. Bright **Very Fine-Extremely Fine**. (900-1,400)
- 29296 Earlvile, NY - \$20 1929 Ty. 1 The First NB Ch. # 4493
A considerably more commonplace Earlvile example. **Very Good-Fine**. (200-300)

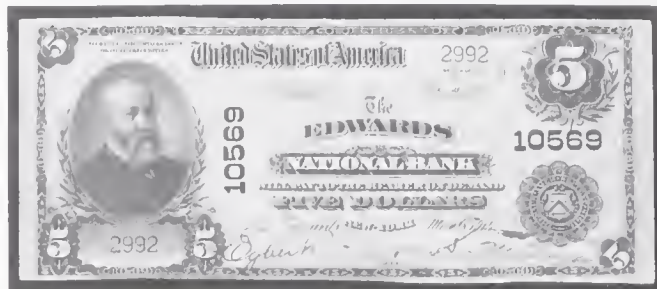

- 29297 East Islip, NY - \$10 1929 Ty. 1 The First NB Ch. # 9322
A tough Suffolk County note from the only bank here to issue. **Fine**, with a small letter stamped near the bottom on the front. (500-800)

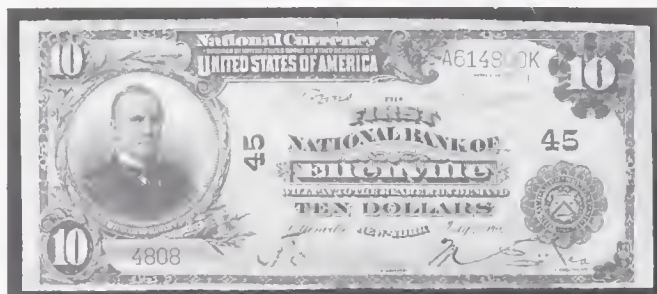

- 29298 East Rochester, NY - \$10 1902 Date Back Fr. 620 The First NB Ch. # (1) 10141
Common in small size, but quite the opposite in large, where the census lists only four examples. This is as nice as any we've seen Pen signed **Very Fine**. (750-1,250)

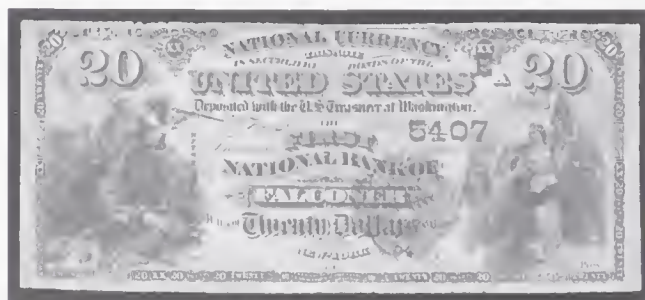

Large Size Edwards-One of Two Known

- 29299 Edwards, NY - \$5 1902 Plain Back Fr. 605 The Edwards NB Ch. # 10569
A true wonder note for for grade and rarity, from a bank which issued a relative handful of large notes and had but \$250 outstanding in large by 1935. This note is strictly new, but handling and an errant corner fold compel us to assign the grade of **About Uncirculated** here. This is a real trophy item fit for the finest of collections. It's not likely to be inexpensive, but, as the market has proved time after time, great items seldom are. (3,000-5,000)

- 29300 Ellenville, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # 45
A just plain rare low charter bank, with just six examples of all kinds recorded in the census. This piece is as yet unreported, raising the total now to seven, not even close to being enough to meet the demand. **Fine**. (1,000-1,500)

- 29301 Falconer, NY - \$20 1882 Brown Back Fr. 504 The First NB Ch. # (E) 5407
A tougher bank in large size, with this the sole Brown Back we've seen from here. **About Fine**, with a small repair and a few minor edge nicks. (500-800)

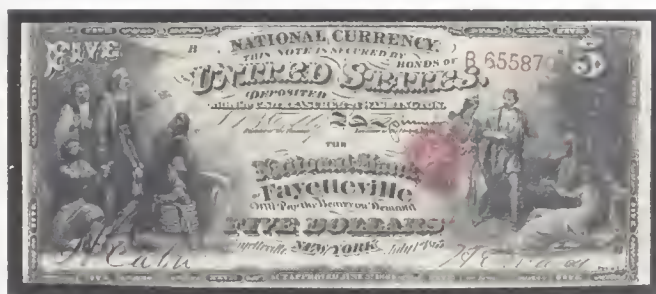

Magnificent Fayetteville Lazy Deuce

29302 Fayetteville, NY - \$2 Original Fr. 387 The NB of Fayetteville Ch. # 1110

An extraordinary note and the first of an extraordinary pair which make up the entire census from this prohibitively rare Onondaga County bank and town. This example comes from the Shiva sale, where it realized \$2640, just about five times its estimate. It is of course the only Lazy Deuce known from this one bank location, and a beauty as well, grading **Very Fine-Extremely Fine**, with spectacular colors and signatures and having the appearance of an even higher grade example. Hard to estimate, but if rarity, desirability and importance are any guides, a five figure realization is certainly not out of the question. (6,000-10,000)

Fayetteville \$5 Original- One of Two Known

29303 Fayetteville, NY - \$5 Original Fr. 397 The NB of Fayetteville Ch. # 1110

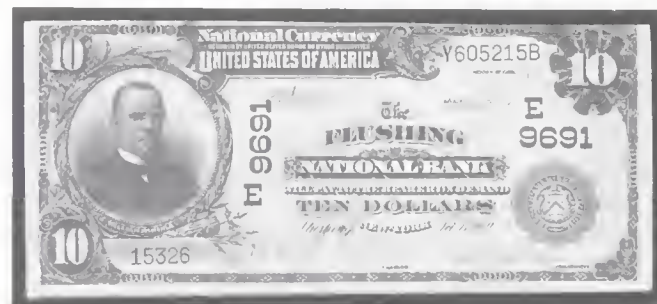

Within just a few months of the Shiva sale, Bill Sabis was afforded the opportunity to purchase the only other note extant from Fayetteville when an old time collector, observing the runaway success of the Shiva sale, opted to sell a substantial portion of his holdings in our October, 1995 sale. Included in that consignment was the other known Fayetteville note, which Bill had the foresight to purchase despite the fact that he already owned a note on the bank. That prescient decision will stand him in good stead tonight, as this may be the last opportunity in a generation or more to add a note from Fayetteville's only issuing bank to any New York collection. Bright **Very Fine+**. (4,000-8,000)

First Ever Public Offering

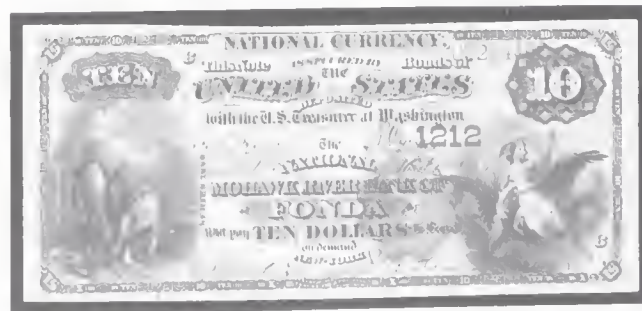

29304 Florida, NY - \$20 1929 Ty. 2 The NB of Florida Ch. # 13825

What could one ask for in this bank's first public offering ever but a serial number 1 example, which comes to us courtesy of the family of the bank's cashier, Clinton E. Mars. The census here stands at just two, both of which have been privately held for years, one of which we handled back in 1973 and the second which is part of a major New York collection and likely to remain off the market for this generation and many others after it as well. Nice **Very Fine-Extremely Fine**, with a missing corner tip far removed from the design, a great combination of rarity and desirability likely destined to reach or exceed... (2,000-4,000)

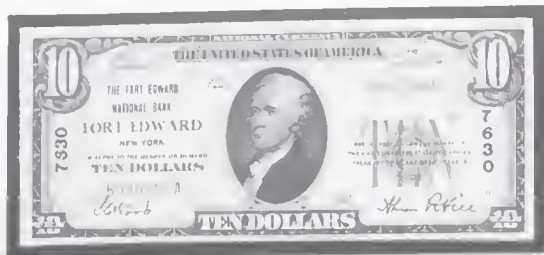

29305 Flushing, NY - \$10 1902 Plain Back Fr. 627 The Flushing NB Ch. # 9691

Large notes only from this scarcer Queens bank, which liquidated in 1928. Our records show only one offering in the last five years, coming when we sold a considerably lower grade example in September of 2002 for \$1840. Bright **Very Fine**, the top margin trimmed just a bit close. (1,200-1,800)

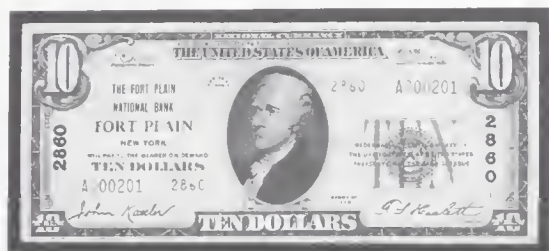

29306 Fonda, NY - \$10 1882 Brown Back Fr. 480 The National Mohawk River Bank Ch. # 1212

We have had our share of notes from this bank, including some pretty nice examples, but this piece is easily the most attractive we've ever seen, displaying great color, full originality and embossing, nice pen signatures, and broad margins all around. **Choice About Uncirculated**, one center fold from being a screaming gem. (1,200-1,800)

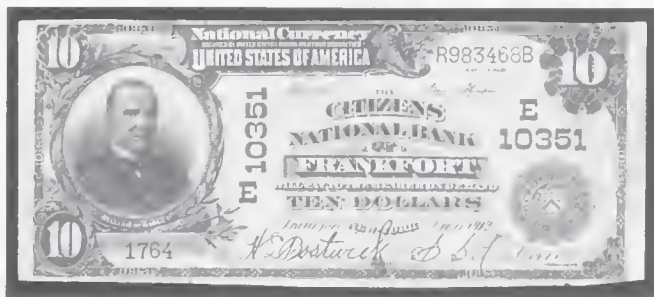

- 29307 **Fort Edward, NY - \$10 1929 Ty. 1 The Fort Edward NB Ch. # 7630**

A very scarce bank, with no large and just four small notes comprising the entire census. This piece, from the Sabis collection, is easily the finest example we have seen or heard of from here. Bright **Crisp Uncirculated**, with a few light ripples in the paper but absolutely no evidence of circulation. (800-1,200)

- 29308 **Fort Plain, NY - \$10 1929 Ty. 2 The Fort Plain NB Ch. # 2860**

A tough bank in small size, with this the first Type 2 example we've encountered. Nice **Very Fine-Extremely Fine**. (400-600)

- 29309 **Frankfort, NY - \$10 1902 Plain Back Fr. 629 The Citizens NB Ch. # (E)10351**

A very scarce bank in large size, although assuredly not so in small. Two issuing titles were used, with this the first. The census for this title stands at just two (with four large notes recorded with the second title), this being the first we've had to offer. Nice pen signed **Fine-Very Fine**. (700-900)

- 29310 **Frankfort, NY - \$10 1929 Ty. 1 Citizens First NB Ch. # 10351**

Only bank here to issue Series 1929 examples. Bright **Very Fine-Extremely Fine**. (175-325)

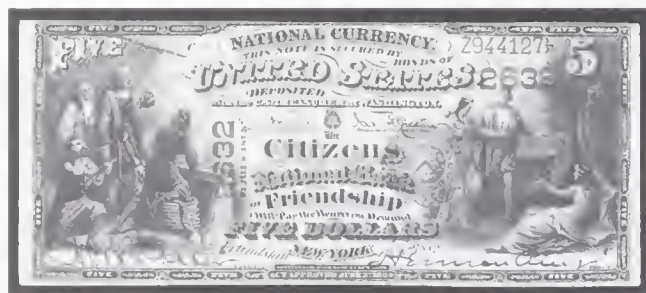

- 29311 **Franklin, NY - \$10 1902 Red Seal Fr. 613 The First NB Ch. # (E)282**

A lovely example which was one of the last notes Bill Sabis added to his collection. This is the only Red Seal known from this small Delaware County bank and it is a beauty, with just the slightest of handling and a barely visible fold taking it from the Choice New designation. **About Uncirculated**, with a vivid red overprint, a great Red Seal worthy of the finest of collections. (2,000-4,000)

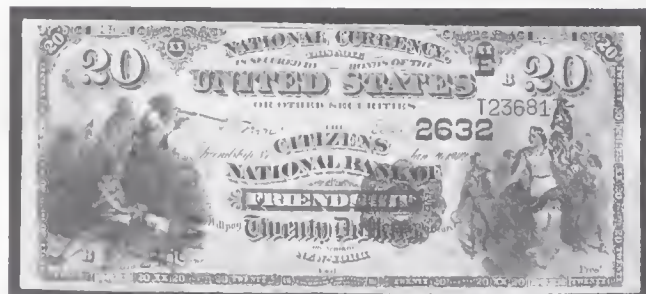

- 29312 **Friendship, NY - \$5 Original Fr. 394 The First NB Ch. # 265**

A very scarce FCP five from a bank which had its last offering a dozen years ago. **Good-Very Good**, with a large repair where a chunk has been removed and replaced with a piece from another note. (200-300)

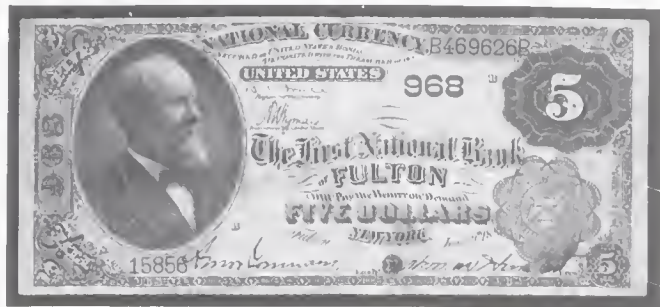

- 29313 **Friendship, NY - \$5 1875 Fr. 405 The Citizens NB Ch. # 2632**

Chartered in early 1882, this was one of the last banks in the state to issue First Charter examples. Just six makes make up the entire census from here, with none finer than this lovely FCP specimen. Bright **Extremely Fine**. (1,250-2,250)

- 29314 **Friendship, NY - \$20 1882 Date Back Fr. 555 The Citizens NB Ch. # (E)2632**

A tougher type from this bank, which liquidated in 1917 **Fine+**. (800-1,200)

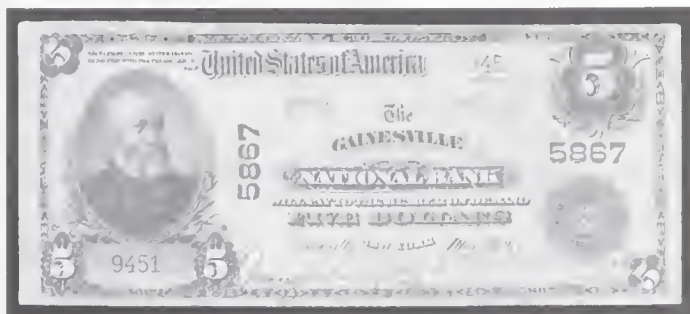

- 29315 **Fulton, NY - \$5 1882 Brown Back Fr. 467 The First NB Ch. # 968**
A very eye catching title layout highlights this nice \$5 Brown Back on a bank which went out in 1917. Pen signed **Fine-Very Fine**. (700-1,000)

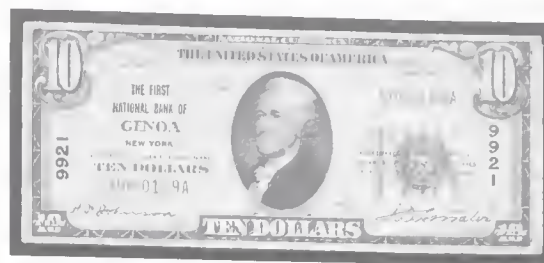

- 29316 **Fulton, NY - \$20 1882 Brown Back Fr. 495 Citizens National Bank of Fulton Ch. # 1178**
A note which has been the victim of a misplaced attempt to "improve" it. **Very Good**. (200-300)

- 29317 **Fulton, NY - \$10 1902 Red Seal Fr. 613 The Citizens NB Ch. # (E)1178**
A most appealing Red Seal which is one of only two from this bank recorded in the new Kelly census. This piece offers everything a collector could desire, with broad even margins surrounding a truly vivid red overprint along with two bold pen signatures. **Very Fine**. (1,200-1,500)

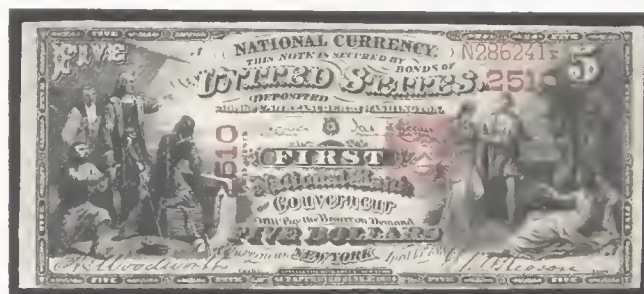

- 29318 **Gainesville, NY - \$5 1902 Plain Back Fr. 607 The Gainesville NB Ch. # 5867**
A scarce Wyoming County bank which had just \$730 outstanding in large notes by 1935. This example comes from the Decker collection sale of 1981, where it was lot 1659. Evenly circulated **Very Good-Fine**. (500-800)

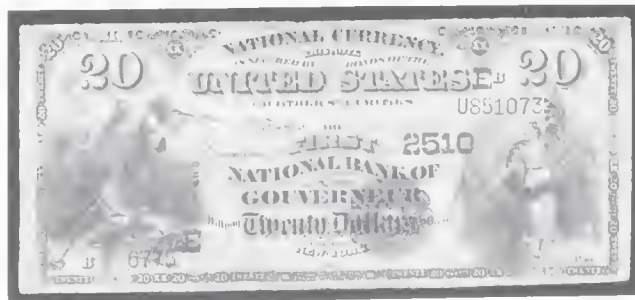

- 29319 **Genoa, NY - \$10 1929 Ty. 1 The First NB Ch. # 9921**
A very rare Cayuga County bank which entered receivership in 1931 after having issued just a handful of small size notes. The Kelly census shows just two examples extant (along with just one large). Nice **Fine**, a rare note certain to see some spirited bidding. (900-1,400)

- 29320 **Gloversville, NY - \$10 1902 Plain Back Fr. 624 The Fulton County NB Ch. # (E)3312**
A considerably nicer grade large example than are most notes seen from here. **Very Fine**. (175-325)

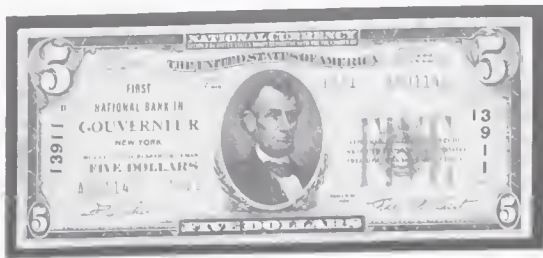

**Series 1875 Serial Number 1
One of 3 Known From New York**

- 29321 **Gouverneur, NY - \$5 1875 Fr. 404 The First NB Ch. # 2510**
Serial number 1, an extreme rarity from both this state and the country as a whole. In the new Kelly census, a total of 6125 number 1 examples are recorded. Of that number only 46 are Series 1875 specimens, with only two others known from New York. Bright **Extremely Fine**, from the "A" position, a great note likely to reach or exceed.. (4,000-7,000)

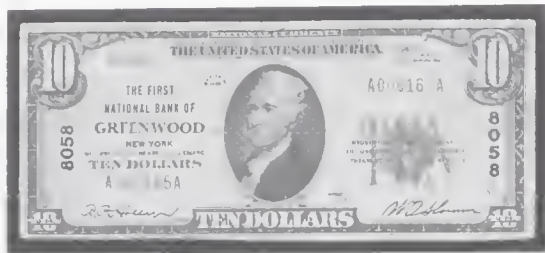

- 29322 **Gouverneur, NY - \$20 1882 Value Back Fr. 581 The First NB Ch. # (1)2510**
The only Value Back known on the bank according to the new Kelly census. **Very Good**. (550-850)
- 29323 **Gouverneur, NY - \$10 1902 Plain Back Fr. 633 The First NB Ch. # 2510**
A nice problem free **Fine** example. (250-450)
- 29324 **Gouverneur, NY - \$10 1929 Ty. 1 The First NB Ch. # 2510**
Pleasing **Very Fine**. (150-250)

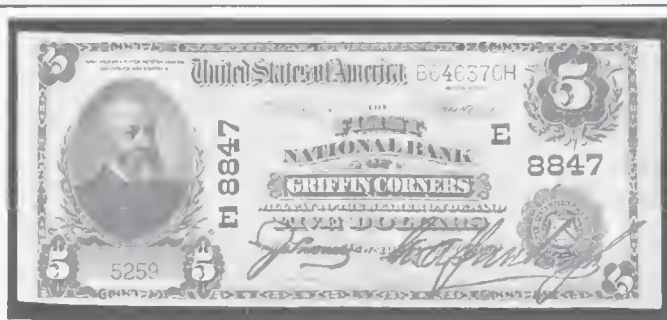

29325 Gouverneur, NY - \$5 1929 Ty. 2 The First NB Ch. # 13911

Two notes are known from this late charter institution, which issued just a handful of Nationals during its brief existence. Our records show just two offerings, both of this note, and nothing since Bill Sabis acquired it in late 1997. Nice **Very Fine+**, an important New York small size rarity. (1,250-1,750)

29326 Greenwood, NY - \$10 1929 Ty. 1 The First NB Ch. # 8058

A very rare Steuben County bank, with this example one of only four Series 1929 notes recorded in the census. All of them are very closely held and have been for years, with this piece the last to be offered publicly, with that offering back in 1993, **Fine**. (800-1,200)

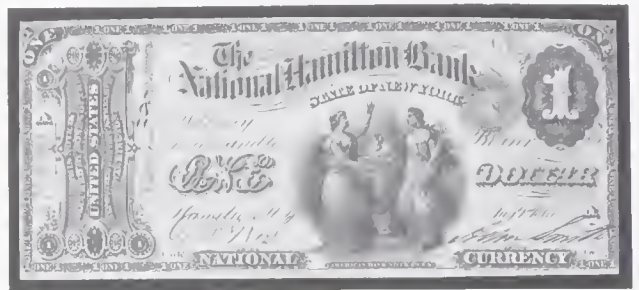

29327 Griffin Corners, NY - \$5 1902 Plain Back Fr. 600 The First NB Ch. # (E)8847

One of the great notes of the Sabis collection, from a bank with a census population of just three large examples, all of which have been ensconced in major New York holdings for many years. It has been well over twenty years since we've seen a note from here for sale, and it may well take that long for the next opportunity to obtain one to come around. **Extremely Fine**, with bold black signatures, a note worth whatever it takes to get it bought tonight. (3,000-5,000)

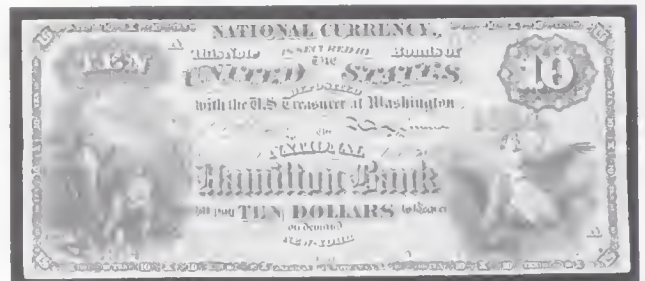

29328 Groton, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # 1083

A pleasing **Fine** large example from this elusive Tompkins County bank. **Fine**, with clear signatures. (175-275)

29329 Hamilton, NY - \$1 Original Fr. 380 The National Hamilton Bank Ch. # 1334

An attractive First Charter ace which is easily the finest large note we've seen from this Madison County bank. **Crisp Uncirculated**, the side margins trimmed a bit close. (1,250-1,750)

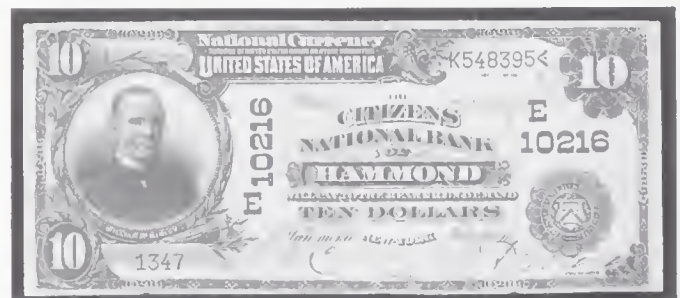

29330 Hamilton, NY - \$10 Original Fr. 412 The National Hamilton Bank Ch. # 1334

A rare and underrated type from this or any other bank, with Original Series tens being outnumbered by their Series 1875 compatriots by at least a ten to one margin. Pleasing **Fine-Very Fine**, with a tiny bit of writing above the cashier's signature. (1,000-1,400)

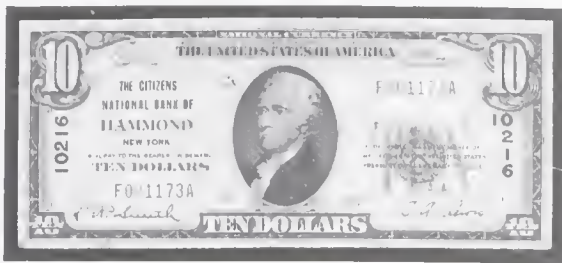

29331 Hamilton, NY - \$20 1929 Ty. 1 The National Hamilton Bank Ch. # 1334

Evenly circulated **Fine** small example. (100-150)

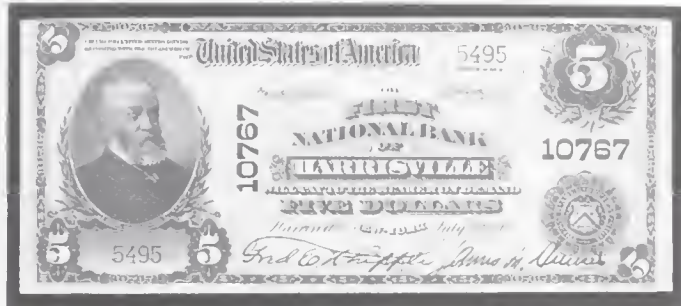

29332 Hammond, NY - \$10 1902 Date Back Fr. 620 The Citizens NB Ch. # (E)10216

A nice example from this very scarce bank, the only issuer in this remote St. Lawrence County village, which had a population of barely 300 in the years this bank issued. The census shows three large examples, one of which is this attractive pen signed **Fine-Very Fine** Date Back. (1,500-2,500)

- 29333 **Hammond, NY** - \$10 1929 Ty. 1 The Citizens NB Ch. # 10216

A nicely matched small example, not all that much more common than the large, with a Kelly census population of four pieces. **Fine-Very Fine.** (700-1,200)

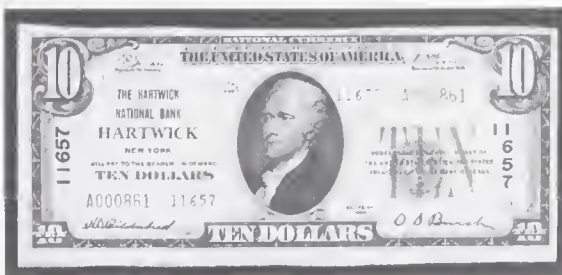

- 29334 **Harrisville, NY** - \$5 1902 Plain Back Fr. 606 The First NB Ch. # 10767

A simply spectacular example which is so bright and vibrant that it appears to have been printed this morning. It traces its pedigree back to lot 2247 of Albert A. Grinnell's New York collection, sold by Barney Bluestone in 1946, where it was described as "Pen signed, Beautiful crisp. Unc." Only two large notes are known from this one bank town, which had but \$550 in large notes outstanding in 1935. This note realized \$10.50 when it sold in 1946. It brought a substantial multiple of that figure when Bill Sabis obtained it many years later, and in this far more knowledgeable and sophisticated market, will likely fetch considerably more in this outing as well. **Choice Crisp Uncirculated.** (3,000-5,000)

- 29335 **Harrisville, NY** - \$5 1929 Ty. 2 The First NB Ch. # 10767

A scarce note, but with a bit of light staining. **Fine-Very Fine.** (300-500)

- 29336 **Hartwick, NY** - \$10 1929 Ty. 2 The Hartwick NB Ch. # 11657

A very tough Otsego County bank with a population of just six small (and one large) notes. That squares perfectly with our data, which shows just six offerings from here during the past six decades, or about one every ten years. **Very Fine.** (700-1,100)

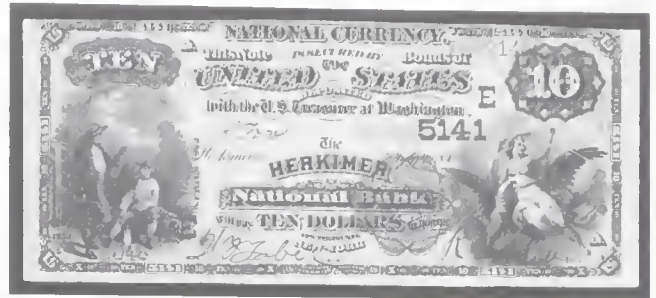

- 29337 **Herkimer, NY** - \$20 1902 Plain Back Fr. 650 The First NB Ch. # 3183

Herkimer, NY - \$20 1929 Ty. 1 The Herkimer NB Ch. # 5141

Two pieces, the large note **Fine**, the small example **Fine-Very Fine.** (Total: 2 notes) (200-250)

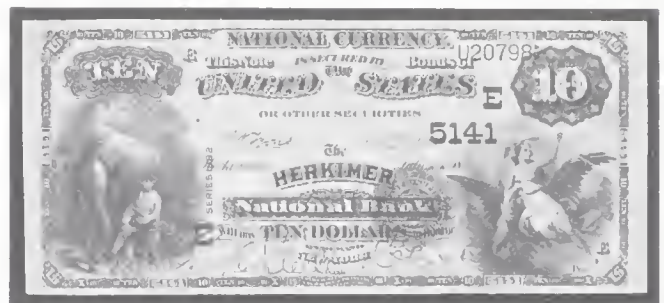

- 29338 **Herkimer, NY** - \$20 1929 Ty. 1 First NB of Herkimer Ch. # 3183

Herkimer was the home of F.L. Spinner prior to his service as Treasurer. This **Very Fine** example is a touch soft but attractive and well centered (125-175)

- 29339 **Herkimer, NY** - \$10 1882 Brown Back Fr. 490 The Herkimer NB Ch. # (E)5141

Not a rare bank, but this is the only Brown Back we've handled from here. Pen signed **Very Fine**, the top margin just a bit close. (700-900)

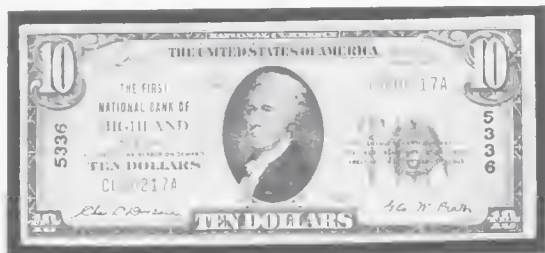

- 29340 **Herkimer, NY** - \$10 1882 Value Back Fr. 577 Herkimer NB Ch. # (E)5141

Although the census lists two \$10 Value Backs from this bank, this appears to have been double reported, once with the wrong bank serial number as the Treasury number is correct, and is therefore the only one known for the type. It is a pleasing **Very Fine-Extremely Fine** example with a number of folds but nice centering and good stamped signatures. (650-950)

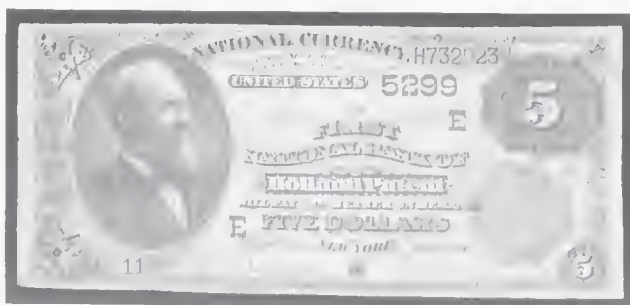

- 29341 **Highland, NY - \$5 1882 Date Back Fr. 537 The First NB Ch. # (E)5336**
Three notes comprise the large size census from this small community, which abuts the Hudson River in Ulster County's Hudson highlands. This is the only early note we've handled from here. Pleasing **Fine-Very Fine**. (1,250-2,250)

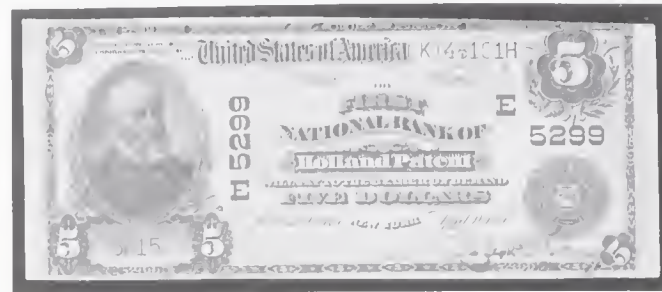

- 29342 **Highland, NY - \$10 1929 Ty. 1 The First NB Ch. # 5336**
A bit more common in small size, but not by much, with the Kelly census standing at just four pieces. **Fine**. (500-800)

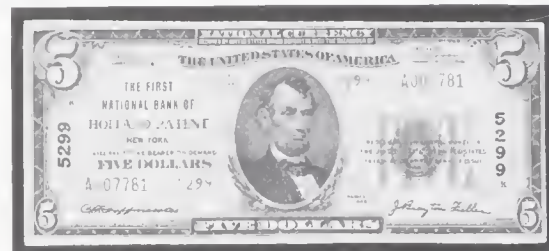

- 29343 **Highland Falls, NY - \$10 1902 Plain Back Fr. 626 The First NB Ch. # 8850**
A very tough note from this small town, which lies at the very front gate of West Point. **Extremely Fine** with engraved signatures, the bottom left margin a bit trimmed in. (1,200-1,600)

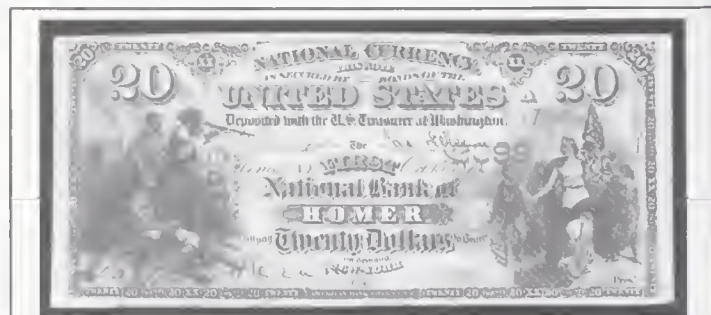

- 29344 **Holland Patent, NY - \$5 1882 Brown Back Fr. 477 The First NB Ch. # (1)5299**
A nice pen signed Brown Back, one of the very few early notes known from this one bank town. **Fine**. (900-1,400)

- 29345 **Holland Patent, NY - \$5 1902 Plain Back Fr. 607 The First NB Ch. # (E)5299**
A pleasant exception to the general rule that large notes from here are always low grade and poorly cut. This piece, while trimmed very slightly into the design at the very top right, is a nice **Very Fine-Extremely Fine** example with clear purple signatures. (650-950)

- 29346 **Holland Patent, NY - \$5 1929 Ty. 2 The First NB Ch. # 5299**
The only denomination issued, with just four small examples listed in the Kelly census. **Fine-Very Fine**. (450-750)

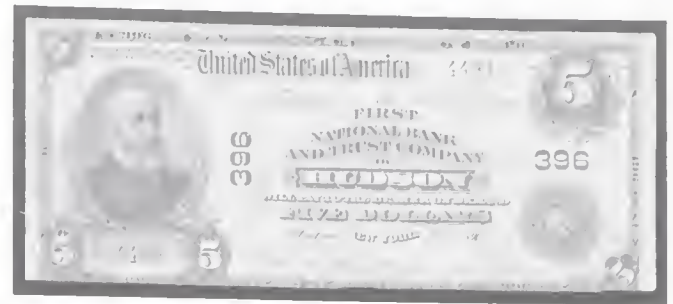

- 29347 **Homer, NY - \$20 1875 Fr. 434 The First NB Ch. # 2398**
First Charters and Brown Backs only from this Cortland County bank, which liquidated in 1900. Our records show no offerings from here since the Shiva collection sale of 1995, which is where Bill Sabis obtained this high grade First Charter \$20. It was graded there as **Extremely Fine**, but due to the light stain at the bottom right margin we will be conservative and call this example **Very Fine-Extremely Fine**. Whatever the technical grade, this is a rare type in unusually high grade, especially from a small town New York bank. Expect to see some spirited bidding before the hammer falls on this lot tonight. (3,500-5,500)

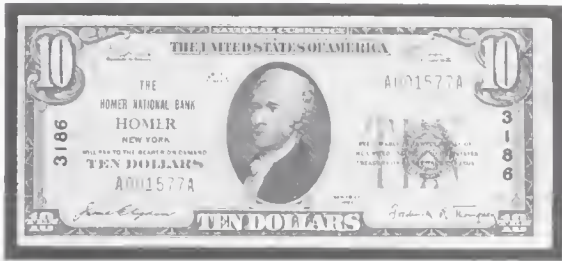

- 29348 **Homer, NY** - \$20 1902 Red Seal Fr. 639 The Homer NB Ch. # (E)3186

A very scarce bank in large size, with just five notes listed in the Kelly census. This piece is the only Red Seal. **About Fine.** (1,000-1,500)

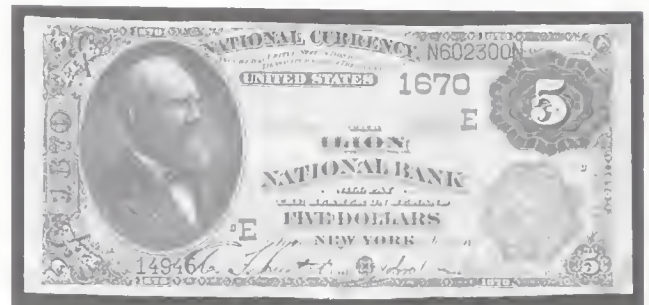

- 29352 **Hudson, NY** - \$5 1902 Plain Back Fr. 598 The First NB & TC Ch. # 396

A very scarce title which was used on large notes for only one year, with the census standing at just two recorded examples. **About Fine.** (500-800)

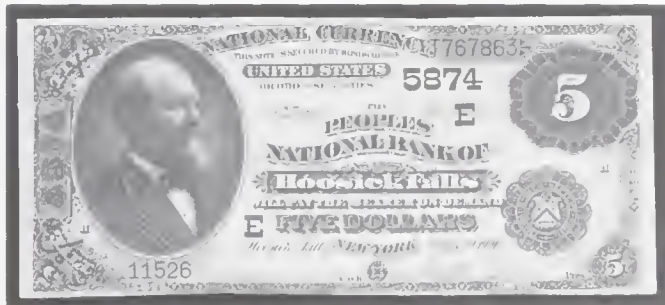

- 29349 **Homer, NY** - \$10 1929 Ty. 1 The Homer NB Ch. # 3186

A nice note which is easily the highest grade small note we know of. **Extremely Fine-About Uncirculated.** (250-450)

- 29353 **Ilion, NY** - \$5 1882 Brown Back Fr. 469 The Ilion NB Ch. # (E)1670

One of the few early notes known from here. **Very Fine**, but with some tape stains, as well as a bit of very light graffiti on the face. (400-600)

- 29350 **Hoosick Falls, NY** - \$5 1882 Value Back Fr. 574 The Peoples NB Ch. # (E)5874

A new piece to the Value Back census. **Extremely Fine**, cut a bit close at the bottom, a very nice type example. (500-700)

- 29354 **Ilion, NY** - \$20 1902 Plain Back Fr. 652 The Ilion NB Ch. # (E)1670

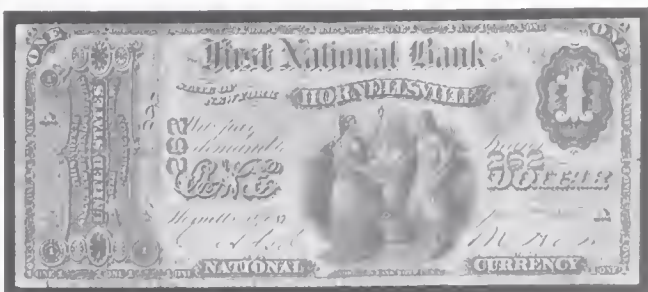

Fine-Very Fine. (150-200)

- 29355 **Ilion, NY** - \$5 1902 Plain Back Fr. 600 The Manufacturers NB Ch. # 9109

A slightly scarcer Ilion bank in large size. **Very Good+.** (150-250)

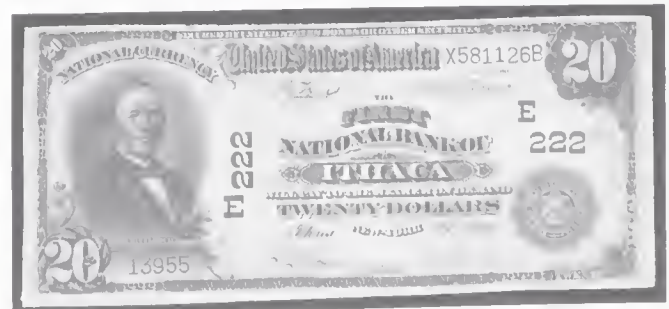

- 29356 **Interlaken, NY** - \$20 1929 Ty. 1 The Wheeler NB Ch. # 13037

Ten small notes are listed in the census from this private name Seneca County bank. **Very Fine-Extremely Fine**, with the signature of J.K. Wheeler as president, but with some rust staining in the top margin as well. (150-250)

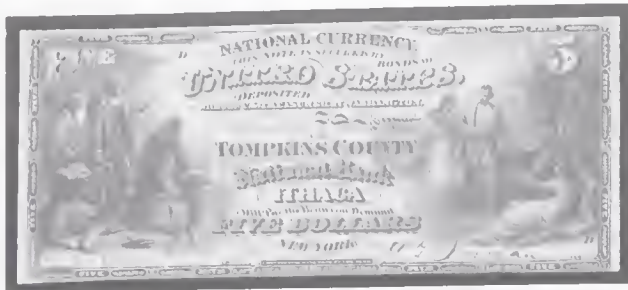

- 29351 **Hornellsville, NY** - \$1 Original Fr. 380 The First NB Ch. # 262

A very scarce note which is one of only three examples in the census from the Hornellsville issuing location. Nice **Fine**, with a couple of tiny margin splits which affect nothing. (900-1,400)

- 29357 **Ithaca, NY** - \$20 1902 Plain Back Fr. 650 The First NB Ch. # (E)222

One of the nicer grade large examples we've seen from here. **Very Fine.** (175-325)

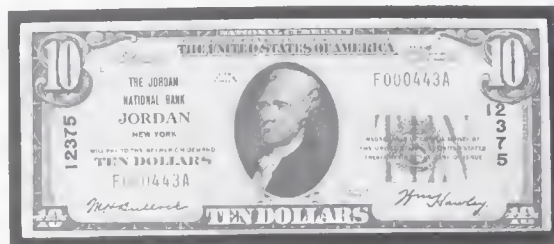

- 29358 **Ithaca, NY - \$5 Original Fr. 397 The Tompkins County NB Ch. # 1561**
A most attractive First Charter five from this avidly collected location. Bright **Very Fine-Extremely Fine**, another quality piece from the Sabis collection. (1,400-1,900)

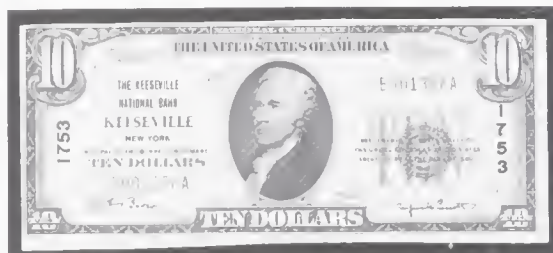

- 29359 **Jamestown, NY - \$5 1882 Brown Back Fr. 467 The City NB Ch. # 938**
An extremely rare note from a bank which issued under two titles during its brief existence, with both being prohibitively rare. Only one note is known bearing the first title, and two with this title, used on First Charters and Brown Backs only until the bank bowed out in 1896. It has been twenty years since any note from here has been offered at public sale, and if rarity is any guide, it might be that long again until this bank's next appearance. Bright **Very Fine**, with pen signatures and a layout we have never seen used on any other \$5 Brown Back. (2,000-4,000)

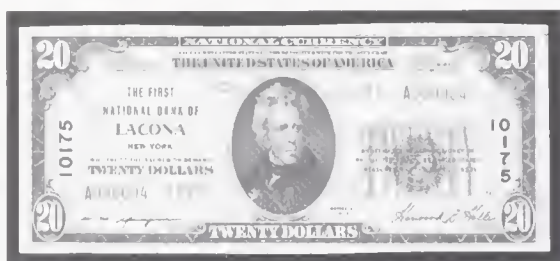

- 29360 **Jordan, NY - \$10 1902 Plain Back Fr. 661 The Jordan NB Ch. # 12375**
A very scarce Syracuse area bank which by 1935 had just \$640 in large notes outstanding. Four large notes are listed in the census. **Fine**, closely trimmed on the top and bottom, ex-Decker collection lot 1727. (900-1,400)

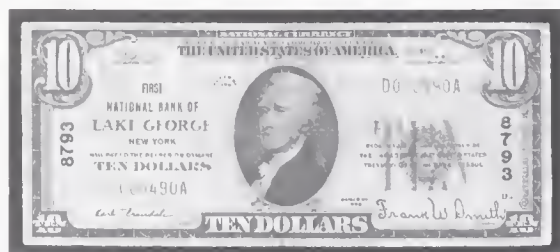

- 29361 **Jordan, NY - \$10 1929 Ty. 1 The Jordan NB Ch. # 12375**
A nice high grade small example to complement the large note above. Bright **Very Fine-Extremely Fine**. (750-1,250)

- 29362 **Keeseville, NY - \$10 1929 Ty. 1 The Keeseville NB Ch. # 1753**
Not a rare bank, but hardly common in this grade. Choice **Crisp Uncirculated**, a bit close at the top left. (250-450)

- 29363 **Lacona, NY - \$20 1929 Ty. 2 The First NB Ch. # 10175**
A beautiful note which Bill Sabis obtained from the Shiva collection sale, where it was lot 46. **Gem Crisp Uncirculated**, low serial number A000004. (600-900)

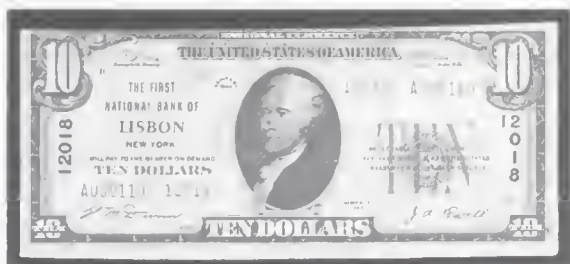

- 29364 **Lake George, NY - \$10 1929 Ty. 1 The First NB Ch. # 8793**
Only denomination issued by this resort community's sole bank. **Fine+++**. (300-400)

- 29365 **Lisbon, NY - \$10 1902 Plain Back Fr. 634 The First NB Ch. # 12018**

The emergence of this example from the Sabis holdings marks only the second time since 1975 that a note from this remote St. Lawrence County community has been available to collectors at public sale. Only one example has been listed in the census for a generation, with this note having been purchased quietly from the family of one of the bank officers and then obtained privately by Mr. Sabis in the course of his collecting pursuits. The addition of this piece to the census now raises the large size count from one to two, about the maximum that one could expect from a bank with only \$210 outstanding in large notes. This example is a pen signed beauty, with two color signatures and nary a trace of wear. The colors are spectacular and the notes appears to have been printed this morning. It is, in all respects, far superior to the large note from here which we sold in our last sale for over \$6600 on a \$2500-\$4500 estimate. It is difficult to speculate on what this rarity will bring tonight, but our best guess is... (5,000-7,000)

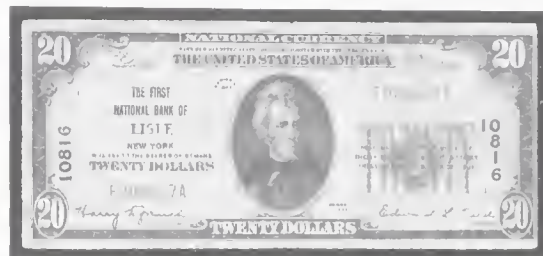

- 29366 **Lisbon, NY - \$10 1929 Ty. 2 The First NB Ch. # 12018**
Two notes are reported from Lisbon in small size, neither of which have ever traded publicly prior to this evening. **Very Fine**, the top margin a bit tight, a great small size item from the Sabis collection. (1,250-1,750)

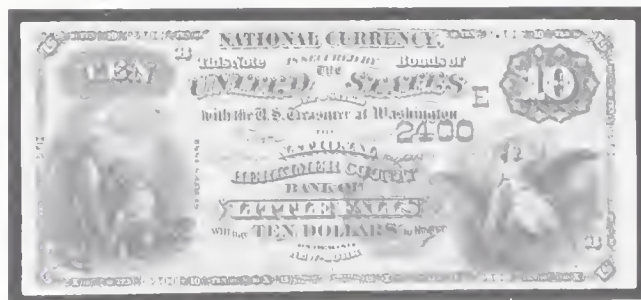

- 29367 **Lisle, NY - \$10 1902 Plain Back Fr. 632 The First NB Ch. # 10816**

A rare bank which was the sole issuer in this small southern tier community and had just \$430 outstanding in large notes in 1935. The last offering of any note from here took place when Bill Sabis obtained this specimen from the Shiva collection sale back in 1995. Nice **Fine-Very Fine**, with clear blue signatures. (1,500-2,500)

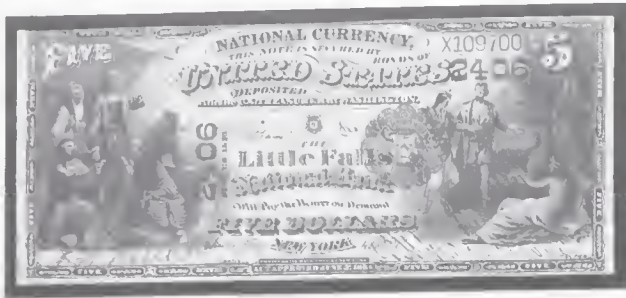

- 29368 **Lisle, NY - \$20 1929 Ty. 1 The First NB Ch. # 10816**

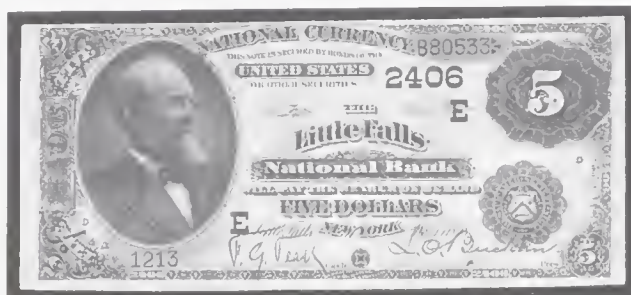

The depth of the Sabis holdings is shown when the collection contains both a large and a small example on a town which is as elusive to collectors as Lisle. **Fine**. (700-1,000)

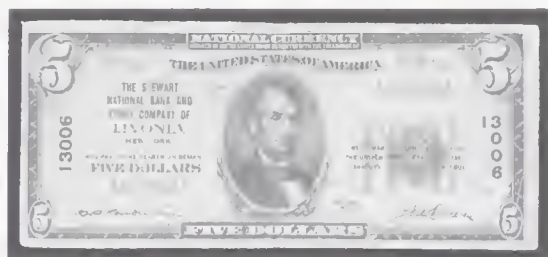

- 29369 **Little Falls, NY - \$10 1882 Brown Back Fr. 490 The National Herkimer County Bank Ch. # (E)2400**
Large notes only from this tougher Herkimer County bank, which went out in 1917. **Fine-Very Fine**. (650-950)

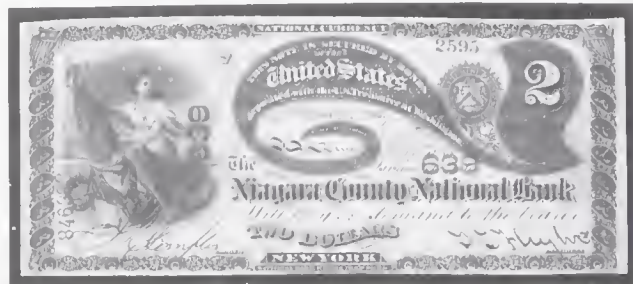

- 29370 **Little Falls, NY - \$5 1875 Fr. 404 The Little Falls NB Ch. # 2406**
A very bright and attractive early Little Falls example, with a title layout that is as close to ornate as one is likely to find on any First Charter example. **Very Fine**, the top trimmed just a bit close, ex-Shiva collection sale, lot 49. (1,000-1,300)

- 29371 **Little Falls, NY - \$5 1882 Date Back Fr. 537 The Little Falls NB Ch. # (E)2406**
An attractive Date Back, the top trimmed just a bit close. **Very Fine**. (450-750)

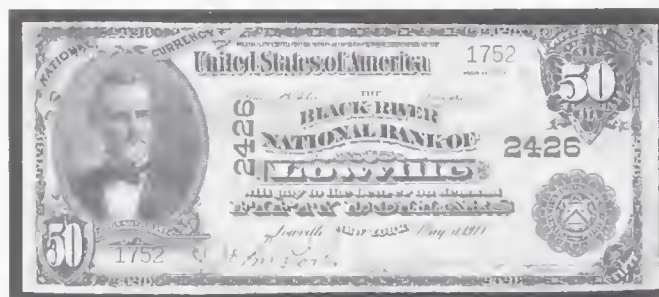

- 29372 **Livonia, NY - \$5 1929 Ty. 1 The Stewart NB & TC Ch. # 13006**
The only denomination issued by this bank, and quite rare in small size, with just one example in the census with this title and one other with the bank's other small size title. **Very Good**. (500-700)

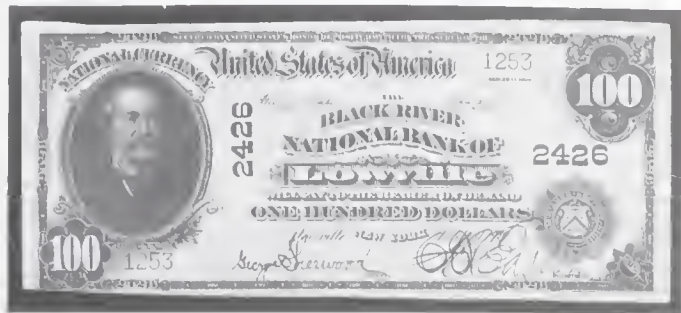

- 29373 **Lockport, NY - \$2 Original Fr. 387 The Niagara County NB Ch. # 639**
The only Lazy Deuce recorded from this bank in the new Kelly census. Nice **Fine-Very Fine**, with a tiny edge split. (1,300-1,700)

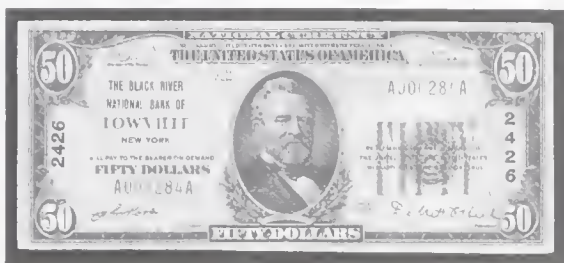

- 29374 **Lowville, NY - \$5 1882 Brown Back Fr. 466 The First NB Ch. # 348**
A lovely \$5 Brown Back with a neat title layout from this rare Lowville bank, which has just four notes recorded in the census. Bill Sabis obtained this note back in 1995, which represents the last offering of any example from here. Pen signed **Very Fine-Extremely Fine**. (1,500-1,900)

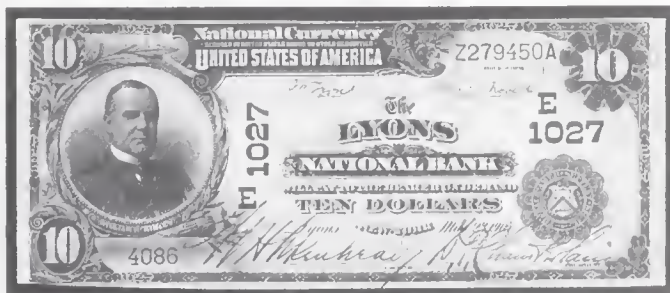

- 29375 **Lowville, NY - \$50 1902 Plain Back Fr. 682 The Black River NB Ch. # 2426**
High denominations only in third charters, with this collection containing both a fifty and a hundred. This example is new to the Kelly census, which shows a pair of Plain Back fifties. **Fine**. (800-1,200)

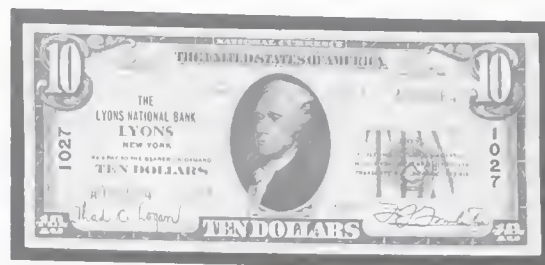

- 29376 Lowville, NY - \$100 1902 Plain Back Fr. 704 The Black River NB Ch. # 2426
A much higher grade example, with this piece considerably the nicer of the two listed by Kelly. Pen signed **Very Fine-Extremely Fine**, trimmed in a bit at the left, ex-Shiva collection sale, lot 50. (2,000-3,000)

- 29377 Lowville, NY - \$50 1929 Ty. 1 Black River NB of Lowville Ch. # 2426
Very scarce in small size as well, with just six notes listed in the Kelly census. **Very Fine**. (600-900)
- 29378 Lynbrook, NY - \$5 1929 Ty. 1 The Peoples NB & TC Ch. # 11603
Evenly circulated **Very Good-Fine** example from much collected Nassau County. (200-300)

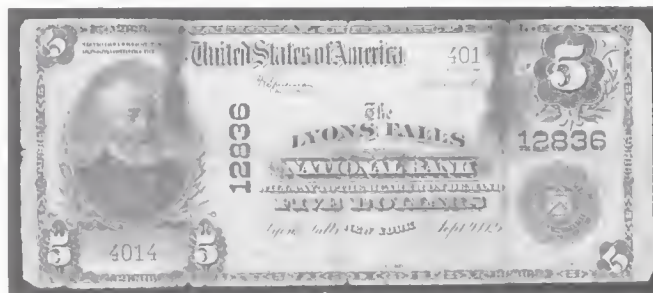

- 29379 Lyons, NY - \$10 1902 Date Back Fr. 616 The Lyons NB Ch. # 1027
A high grade example which is as nice as any large note we've seen from here. Pen signed **Extremely Fine**. (450-650)

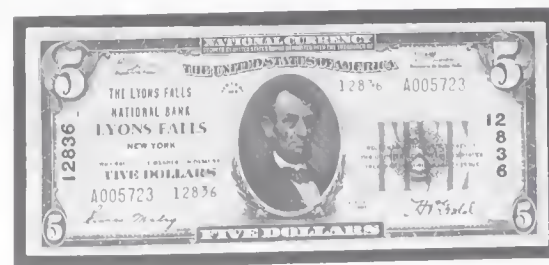

- 29380 Lyons, NY - \$10 1929 Ty. 2 The Lyons NB Ch. # 1027
A high grade small example which is much nicer than most from here. **Extremely Fine-About Uncirculated**. (300-500)

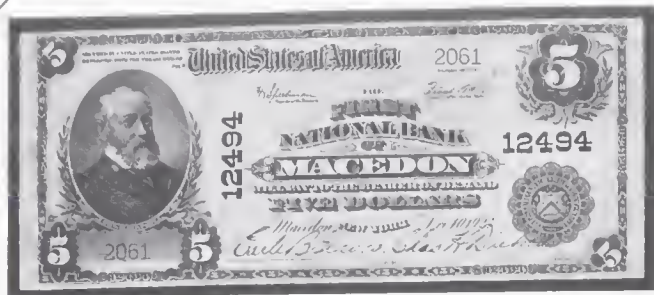

- 29381 Lyons, NY - \$10 1902 Date Back Fr. 616 The Gavitt NB Ch. # (E)7479
Large notes only from this bank, considerably the scarcer of Lyons' two issuers. **Fine**, with signatures of Gavitt and Gavitt. (450-750)

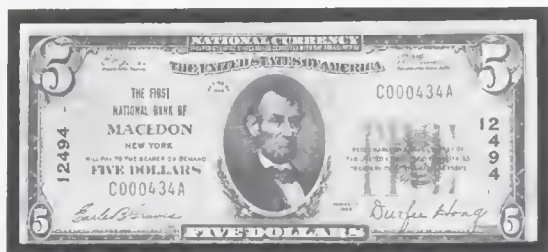

- 29382 Lyons Falls, NY - \$5 1902 Plain Back Fr. 609 The Lyons Falls NB Ch. # 12836
Three large notes are reported from this bank, which had but \$310 in large size outstanding at the end of 1935. Well circulated but intact **Very Good**, with some ink stains. (500-800)

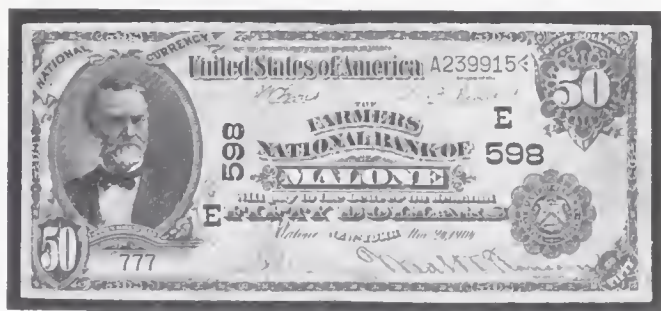

- 29383 Lyons Falls, NY - \$5 1929 Ty. 2 The Lyons Falls NB Ch. # 12836
A scarce note, particularly this nice **Choice Crisp Uncirculated**. (600-900)

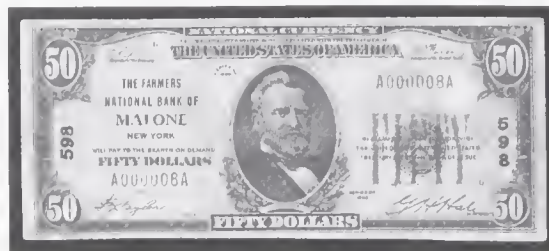

- 29384 **Macedon, NY - \$5 1902 Plain Back Fr. 609 The First NB Ch. # 12494**
 From our January, 2000 sale, where we described this as "A great note which combines rarity with beauty. This bank had a miniscule \$300 outstanding in large notes at its close in 1931. Few if any of the mere handful of survivors will even approach this example in grade, as this piece is new but for a couple of sharp corner folds. **Choice About Uncirculated**, an exceptional note worthy of a place in the finest of collections." At that time it realized \$2200 against an estimate of \$1200-\$1800. In today's far more dynamic market, expect the realization tonight to easily reach and perhaps even exceed... (3,000-5,000)

- 29385 **Macedon, NY - \$5 1929 Ty. 2 The First NB Ch. # 12494**
 A nice companion to the large note offered above, and actually even scarcer, with the census reporting only two Series 1929 examples extant. **Fine**, a bit close at the bottom. (900-1,400)

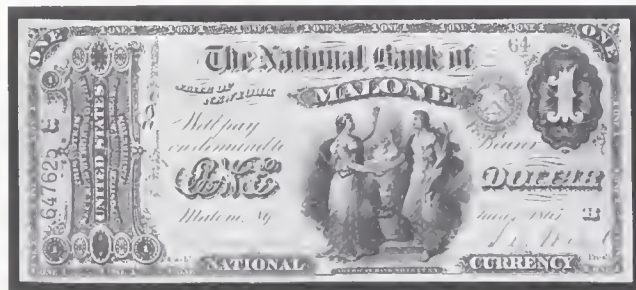

- 29386 **Malone, NY - \$50 1902 Date Back Fr. 667 The Farmers NB Ch. # 598**
 One of just two large fifties recorded in the new Kelly census from this bank, which issued high denomination examples only in third charters. This note was obtained by Bill Sabis from the Shiva collection sale, where it was lot 53. **Very Fine**, with a trace of bank stamp more than made up for by the pen signatures and low serial number 777. (1,250-2,250)

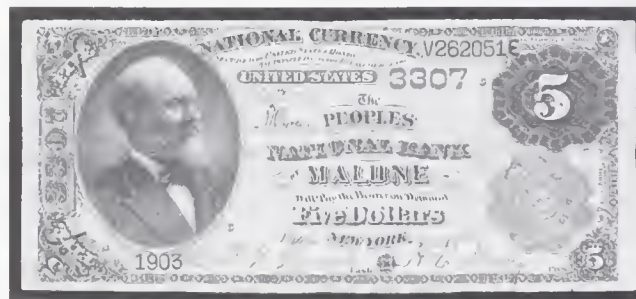

- 29387 **Malone, NY - \$50 1929 Ty. 1 The Farmers NB Ch. # 598**
 Fifties and hundreds only in small size. **Fine-Very Fine**. (450-650)

One of Two Known

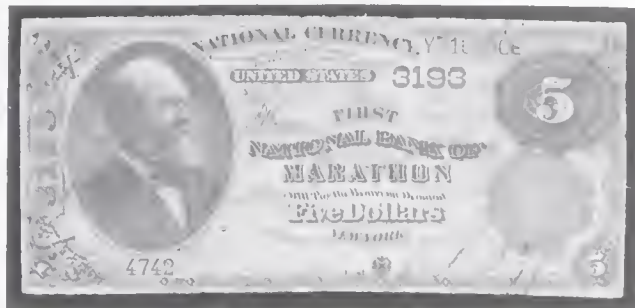

- 29388 **Malone, NY - \$1 Original Fr. 380 The NB of Malone Ch. # 914**
 One of only two notes known from this extremely rare bank, which issued First Charters only before liquidating at the expiration of its charter in 1885. This bank has had only two appearances at public sale in sixty years, one in 1989 and the other in 1946, when this note was lot 2324 in the fabled Grinnell sale. **Bright Very Fine-Extremely Fine**, a great note and a wonderful introduction to the finest assemblage of Malone notes ever offered. (2,000-4,000)

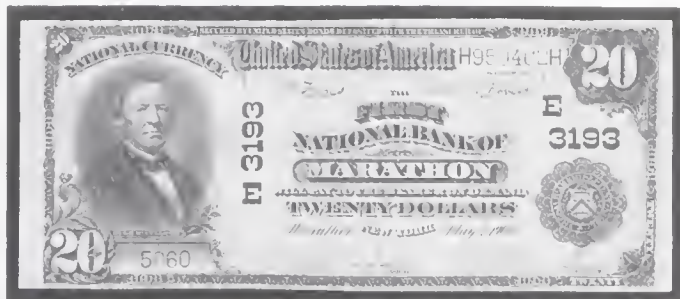

Second Offering Since 1946

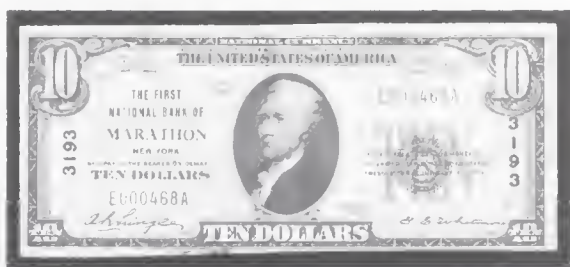

- 29389 **Malone, NY - \$5 1882 Brown Back Fr. 467 The Peoples NB Ch. # 3307**
 A great note which we sold to Bill Sabis in our September, 1997 auction, where we noted "Notes such as this give a new meaning to the term 'rare,' as the last (and only) time this bank was offered previously was 51 years ago, when the famed Grinnell holdings were auctioned. We are also reminded that the price levels on rare Nationals are still ridiculously low when compared to other collecting areas..." That situation has changed greatly in the past seven years, as the level of sophistication among collectors has risen dramatically and moved prices for great items along with it. Expect this New York trophy item, grading a nice evenly circulated **Fine**, to reach or exceed... (3,000-5,000)

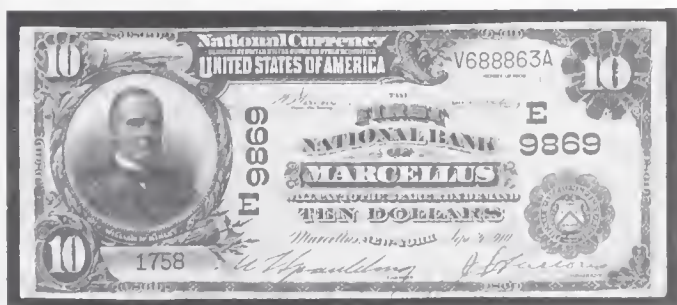

- 29390 **Marathon, NY** - \$5 1882 Brown Back Fr. 467 The First NB Ch. # 3193
Well circulated but intact **Very Good**, the only \$5 Brown Back we know of from this bank. (800-1,200)

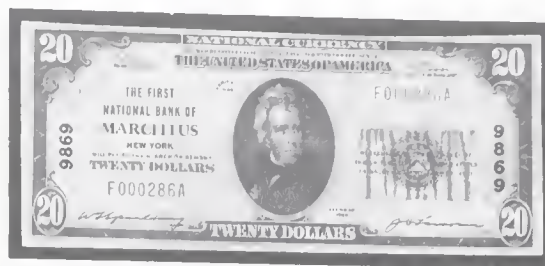

- 29391 **Marathon, NY** - \$20 1902 Plain Back Fr. 650 The First NB Ch. # 3193
Despite the fact that the Sabis collection offers two large Marathon notes, this is a very scarce bank, with these two pieces accounting for a third of the large size census. (800-1,200)

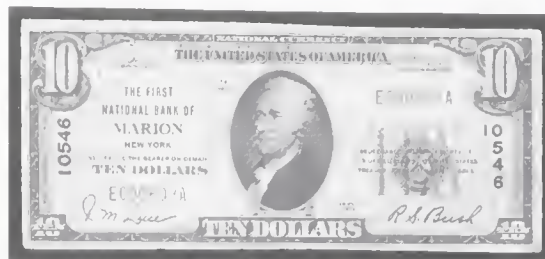

- 29392 **Marathon, NY** - \$10 1929 Ty. 1 The First NB Ch. # 3193
Fewer small notes than large are listed in the census, and this is as nice an example as we can recall handling from here. **Extremely Fine**. (700-1,100)

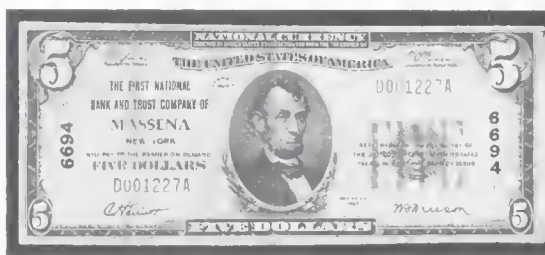

- 29393 **Marcellus, NY** - \$10 1902 Date Back Fr. 619 The First NB Ch. # (E)9869
A very scarce Onondaga County bank in large size, with just three such examples making up the entire census. This pen signed Date Back is certain to please. Nice **Fine-Very Fine**, likely to see bidding reach or exceed... (1,100-1,500)

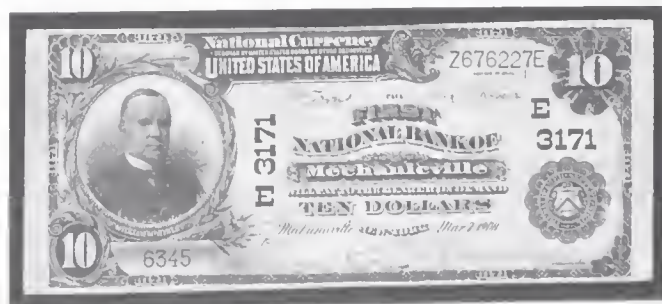

- 29394 **Marcellus, NY** - \$20 1929 Ty. 1 The First NB Ch. # 9869
A high grade small example. **Very Fine-Extremely Fine**. (350-550)

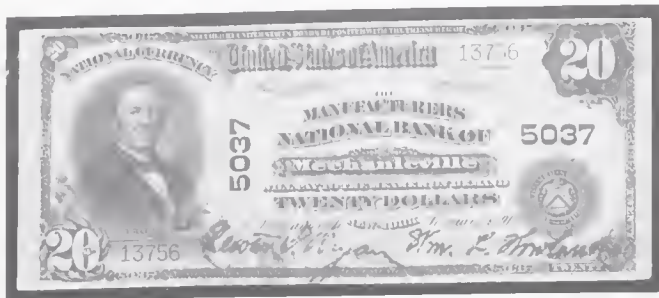

- 29395 **Marion, NY** - \$10 1929 Ty. 1 The First NB Ch. # 10546
Not quite as rare as the large example from here which sold in our last sale for \$3737.50, but still scarce enough to see some substantial bidding interest. **Fine-Very Fine**, with a couple of stray pinholes. (600-900)

- 29396 **Massena, NY** - \$5 1929 Ty. 1 The First NB & TC Ch. # 6694
A very scarce bank in small size as well as large, with the census standing at just four pieces. **Fine-Very Fine**. (750-1,250)

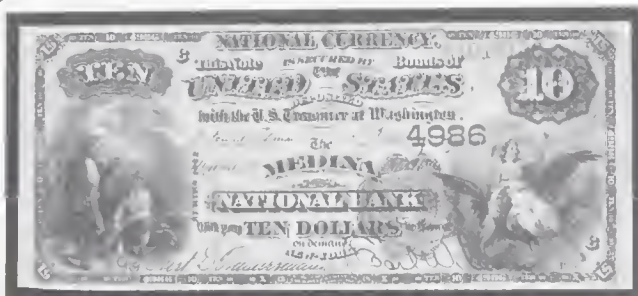

- 29397 **Mechanicville, NY** - \$10 1902 Plain Back Fr. 624 The First NB Ch. # 3171
By far the scarcer of Mechanville's two issuing banks, and a community that has always been very difficult to find, dating back to the days when every note from here was hoarded by a local corn dealer, who may well still have his purchases from the 1960's and 1970's. This is the highest grade large note from this bank we've handled in thirty years. **Bright Very Fine-Extremely Fine**. (1,200-1,600)

- 29398 **Mechanicville, NY - \$20 1902 Plain Back Fr. 658 The Manufacturers NB Ch. # 5037**
An exceptionally high grade example from this much collected Saratoga County community **Very Fine-Extremely Fine**, with bold black signatures. (700-900)

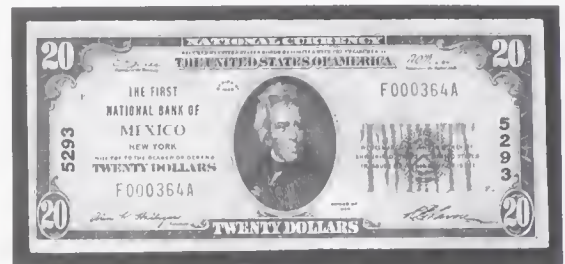

Excessively Rare Medina Brown Back

- 29399 **Medina, NY - \$10 1882 Brown Back Fr. 487 The Medina NB Ch. # 4986**
This is one of New York's classic rarities, which comes from a bank which emitted only 883 sheets of Brown Backs during its nine year existence before entering receivership in 1904. By 1916, the total outstanding from here had already dropped to just \$310. One other note is known from here, but when the hammer falls tonight it may be a long time before another note from Medina is available to the collecting fraternity. This was the last note Bill Sabis acquired before making the decision to sell his collection, and he could well earn a nice return on the \$4600 he paid for this rarity. Pen signed **Fine-Very Fine**. (4,000-6,000)

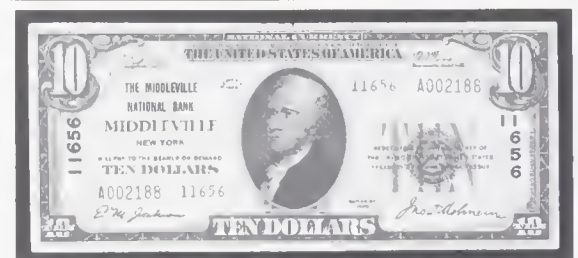

- 29400 **Mexico, NY - \$10 1902 Plain Back Fr. 633 The First NB Ch. # 5293**
We've had a fair number of small examples from here over the years, but large notes are another story altogether, with just three listed in the census. This piece, from the Sabis collection, is the first we've had in quite some time **Fine-Very Fine**. (900-1,200)

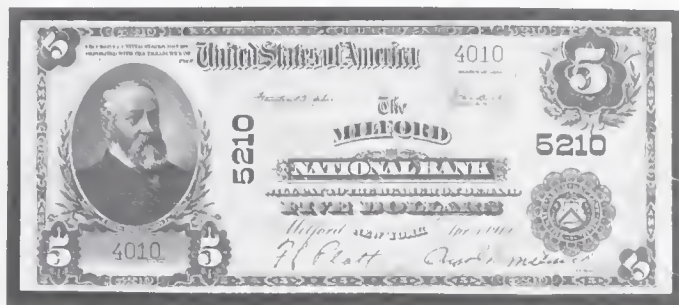

- 29401 **Mexico, NY - \$20 1929 Ty. 1 The First NB Ch. # 5293**
A much higher grade piece than what is normally available from this oddly named Oswego County community. **Bright Very Fine-Extremely Fine**, with the signature of female cashier Alice K. Halligan. (400-600)

- 29402 **Middletown, NY - \$10 1902 Plain Back Fr. 633 The Middletown NB Ch. # (E) 11656**
A lovely note with a nice pedigree, having been obtained by Bill Sabis at the Shiva collection sale of 1995. This was the only denomination issued by the bank, and this is the only serial number 1 example listed from here in the new Kelly compendium. It is also from plate position "A", making this truly the first note issued by this none too common bank. Pen signed **Crisp Uncirculated**, with a couple of barely noticeable corner folds mentioned for total accuracy in cataloguing. (2,500-3,500)

- 29403 **Middletown, NY - \$10 1929 Ty. 2 The Middletown NB Ch. # 11656**
A high grade small example to complement the large note above. **Very Fine+**. (300-500)

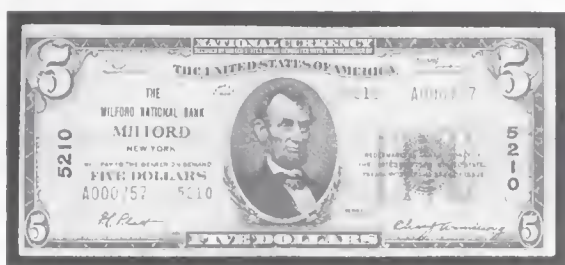

29404 Milford, NY - \$5 1902 Plain Back Fr. 606 The Milford NB Ch. # 5210

An extremely rare Otsego County bank, particularly in large size, where the census stands at just three pieces, about what one could expect from a bank which had only \$700 outstanding in large size in 1935. This is a beautiful note, with bright white paper, delicate pen signatures, and three light folds taking it from the new category. **Extremely Fine.** (1,200-1,600)

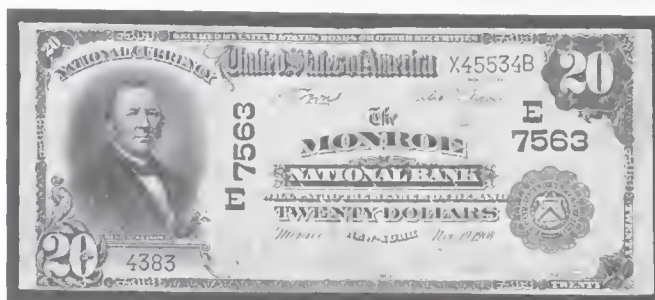

29408 Monroe, NY - \$10 1902 Plain Back Fr. 624 The Monroe NB Ch. # (E)7563

The Kelly census shows just four examples reported from this large only bank, with our records showing no offerings whatever from here since 1992 save for this example. **Bright Fine-Very Fine.** (750-1,050)

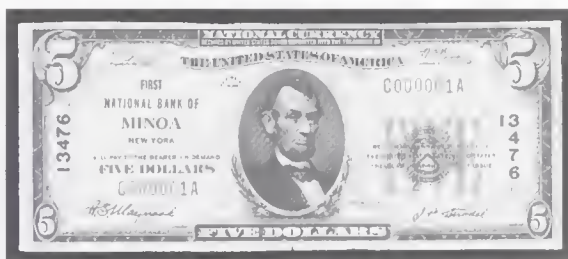

29405 Milford, NY - \$5 1929 Ty. 2 The Milford NB Ch. # 5210

A tough note in small size as well, with only four such examples recorded in the Kelly census. Evenly circulated **Fine-Very Fine.** (350-550)

29409 Monroe, NY - \$20 1902 Plain Back Fr. 650 The Monroe NB Ch. # (E)7563

The only bank to issue in this now fast growing New York exurban community, which was predominantly farmland when this note was circulating. **Fine,** trimmed a bit tight at the bottom. (1,000-1,400)

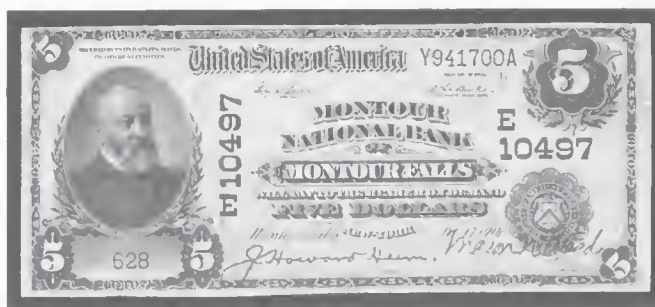

29406 Minoa, NY - \$5 1929 Ty. 1 First NB Ch. # 13476

Only the second serial number 1 example known from this small Onondaga County hamlet. Interestingly, both are circulated, with this piece, from the Sabris collection, considerably the nicer of the pair. **Extremely Fine,** with two hard folds, visible mostly on the back. (1,000-1,500)

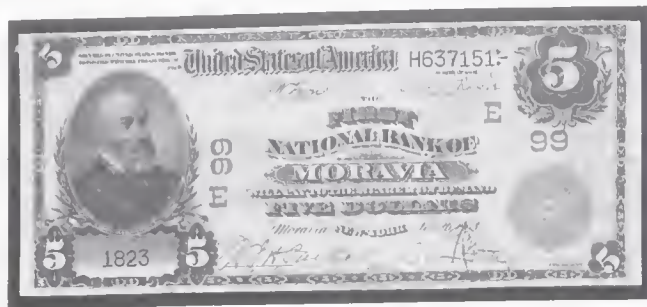

29407 Mohawk, NY - \$20 1902 Plain Back Fr. 650 The National Mohawk Valley Bank Ch. # 1130

An evenly circulated **Fine** large example. (225-375)

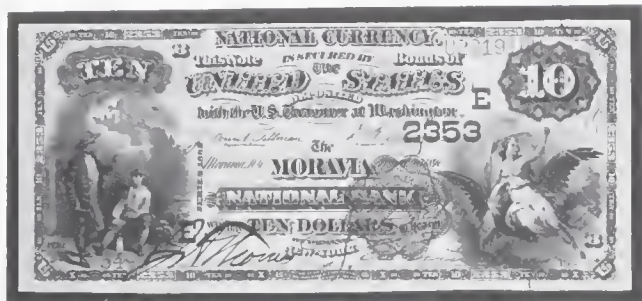

29410 Montour Falls, NY - \$5 1902 Date Back Fr. 597 Montour NB Ch. # (E)10497

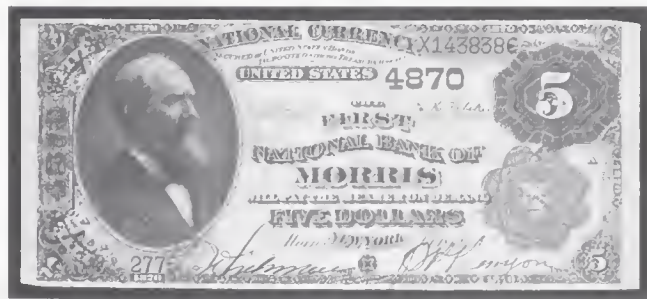

This bank should not be confused with the far more common high charter bank from this town, which issued small notes only. The Kelly census shows just three large size examples recorded from here, along with three small notes. **Fine-Very Fine.** (700-1,100)

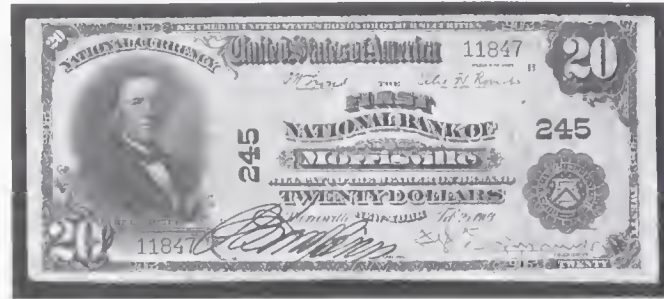

- 29411 Moravia, NY - \$5 1902 Red Seal Fr. 587 The First NB Ch. # (E)99
A lovely Red Seal from this low charter bank. Pen signed **Choice About Uncirculated**, with great color and appeal. (1,250-1,750)

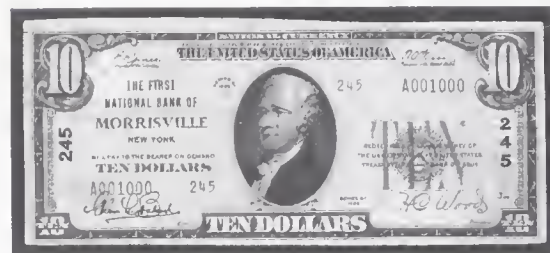

- 29412 Moravia, NY - \$10 1882 Brown Back Fr. 487 The Moravia NB Ch. # (E)2353
By far the finest note we've ever seen from Moravia's other (and very considerably scarcer) bank, which issued Second Charters only **Very Fine-Extremely Fine**, with one black and one purple pen signature, a lovely Brown Back with great color and appeal and a look far superior to what is normal for its technical grade. (1,750-2,750)

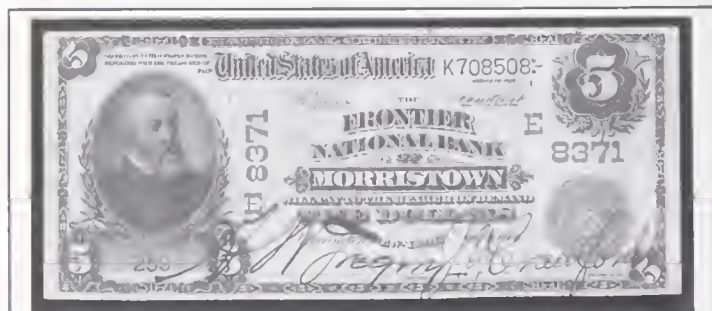

- 29413 Morris, NY - \$5 1882 Brown Back Fr. 472 The First NB Ch. # 4870
An attractive pen signed \$5 Brown Back, one of the very few early notes we've seen from this small Otsego County location. **Very Fine**. (800-1,200)

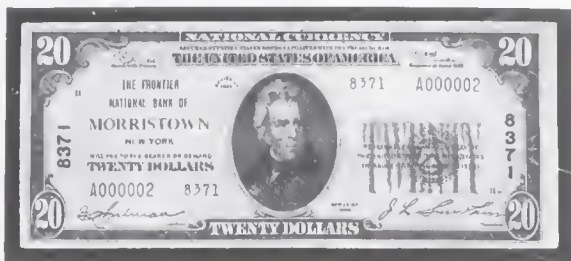

- 29414 Morrisville, NY - \$20 1902 Plain Back Fr. 650 The First NB Ch. # 245
A very scarce note from the only bank to issue in this Madison County hamlet. We sold this pen signed **Fine-Very Fine** example two years ago, when it realized \$935 against a \$200-\$400 pre-sale estimate. Look for it to bring even a bit more this evening. (800-1,200)

- 29415 Morrisville, NY - \$10 1929 Ty. 2 The First NB Ch. # 245
Well matched in grade to the large note above, and well matched in rarity as well, with the census here standing at just five notes, compared to three large. Nice **Fine-Very Fine**. (450-750)

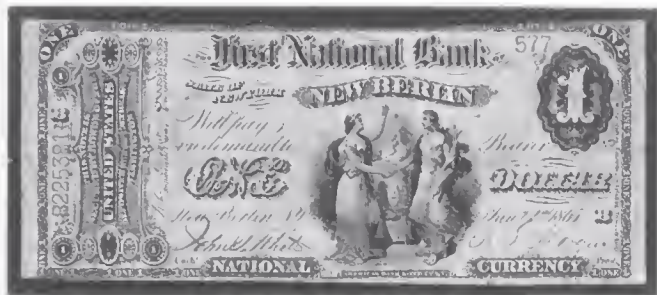

- 29416 Morristown, NY - \$5 1902 Red Seal Fr. 587 The Frontier NB Ch. # 8371
Three large notes make up the entire census from this one bank community, with this example the only Red Seal listed in the new Kelly compilation. It is a lovely note, with a vivid red overprint contrasting perfectly with the note's bright white paper and and black oversize vanity signatures. Only a literal handful of Red Seals were issued from here, making the chances of another waiting in the wings highly unlikely. **Very Fine+++**, a real winner of a note likely to see some spirited competition before the hammer falls tonight. (2,000-4,000)

29417 Morristown, NY - \$20 1929 Ty. 2 The Frontier NB Ch. # 8371

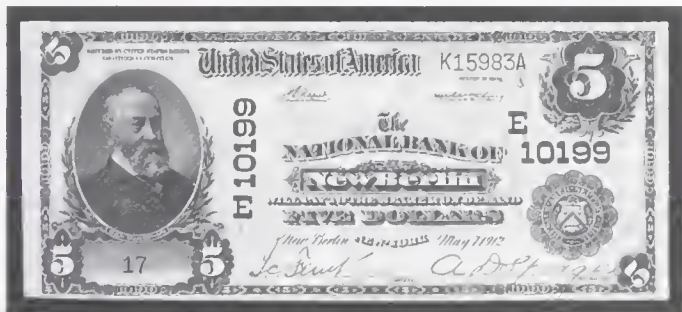

Trust the Sabis collection to have a worthy small note from here to go with the gorgeous Red Seal above. **Very Fine**, with low serial number A000002, (750-1,050)

29418 New Berlin, NY - \$1 1875 Fr. 383 The First NB Ch. # 151

A scarce early New Berlin bank, with three examples recorded in the Kelly census. This piece grades **Fine**, but the seal and charter numbers have faded badly, and the top margin is trimmed into the design as well. (450-750)

First Ever Public Offering

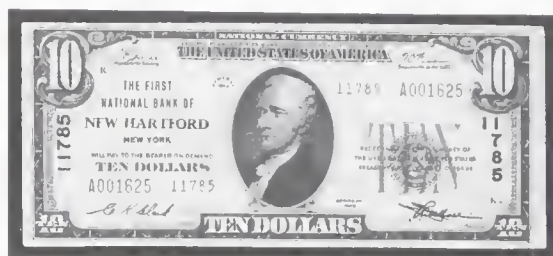

29419 New Berlin, NY - \$5 1902 Date Back Fr. 594 The NB of New Berlin Ch. # (E)10199

An excessively rare Chenango County bank which has never appeared at public sale before this evening's offering. The Kelly census stands at two large, with \$640 outstanding, likely ensuring that this will always remain a rarity. Bright pen signed **Very Fine**, a real winner from the Sabis collection. (2,000-4,000)

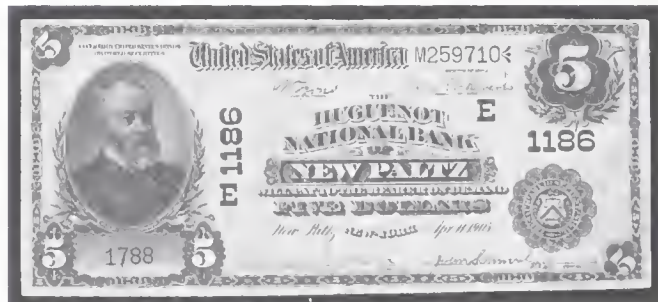

29420 New Hartford, NY - \$10 1902 Plain Back Fr. 633 The First NB Ch. # 11785

A relatively common bank in small size but not so in large, with the census showing just two examples extant. This piece is a problem free **About Fine** specimen which most would grade as **Fine**. (1,200-1,800)

29421 New Hartford, NY - \$10 1929 Ty. 2 The First NB Ch. # 11785

A nice small example from this Oneida County hamlet. **Very Fine**. (350-550)

29423 New Paltz, NY - \$5 1902 Plain Back Fr. 598 Huguenot NB of New Paltz Ch. # (E)1186

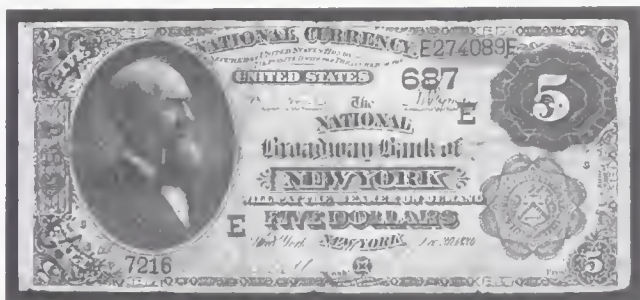

Nice pen signatures enhance the appeal of this large size note from Ulster County. **Fine**. (125-175)

- 29424 New York, NY - \$5 1902 Date Back Fr. 590 The First NB of the City of New York Ch. # (F)29

- 29425 New York, NY - \$5 1902 Plain Back Fr. 598 The First NB Ch. # (E)29
A bright and fresh low charter example, fully new but with a bit too much handling to call Choice. Crisp Uncirculated. (250-350)

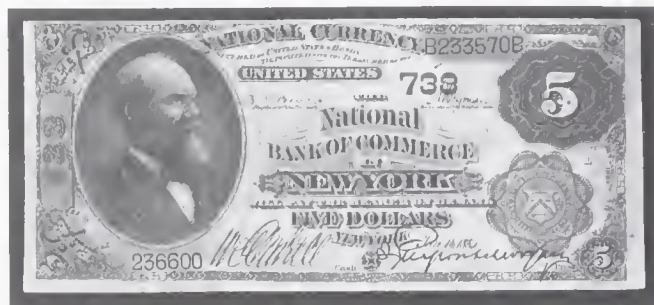

- 29426 New York, NY - \$5 1929 Ty. 1 First NB of the City of New York Ch. # 29
A broadly margined, well embossed, strictly original example that is perfect for type collecting purposes. Gem Crisp Uncirculated. (150-200)

- 29427 New York, NY - \$5 1882 Brown Back Fr. 467 The National Broadway Bank Ch. # (E)687

- 29433 New York, NY - \$20 1882 Brown Back Fr. 494 The NB of Commerce Ch. # 733

- 29439 New York, NY - \$10 1902 Plain Back Fr. 624 The New York County NB Ch. # (E)1116
A lovely example from this considerably tougher New York City bank which is certainly as nice as any note we know of from here. Choice Crisp Uncirculated, also from the Graves collection. (500-800)

29442 New York, NY - \$10 1882 Brown Back Fr. 482 The Galatin NB Ch. # 1324

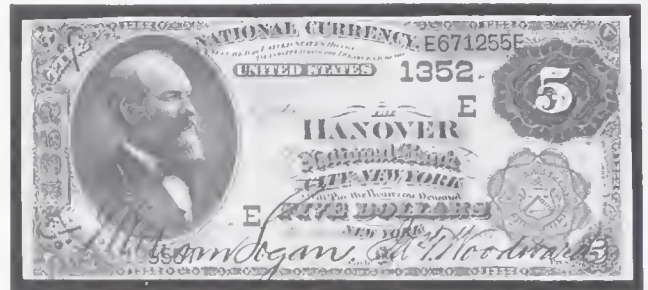

A high grade \$10 Brown Back from the Graves holdings with great color and strong signatures. **Extremely Fine**. (500-700)

Bold black vanity signatures cover the bottom of this \$5 Brown Back. **Fine**. (250-350)

A beautiful \$20 Red Seal which our consignor purchased over thirty years ago. This is one of the very nicest examples of this very scarce type we have seen in recent years, boasting four broad margins, full originality, and an exceptionally vivid red overprint. Expect this note to bring a premium price when it hits the block this evening. Gem Crisp Uncirculated. (3,000-4,000)

- 29453 New York, NY - \$20 1882 Date Back Fr. 553 The Chase NB Ch. # (E)2370

29458 New York, NY - \$10 1882 Value Back Fr. 577 The Lincoln NB Ch. # (E)2608

This is a rare type from New York City, with only two of the 162 banks chartered within the city limits issuing Value Backs. Just three such examples are listed in the new Kelly compendium, with this example the only one grading better than Fine. **Very Fine+**, with bright colors and strong signatures. (750-1,250)

- 29464 New York, NY - \$10-\$10-\$10-\$10 1902 Plain Back Fr. 633 Seventh Avenue NB Ch. # 11844 Uncut Sheet
One of the very few \$10-\$10-\$10-\$10 uncut sheets we've ever handled. This is a most attractive sheet with one center fold and some minor handling, along with a couple of lighter bends which affect nothing. The sheet is exceptionally bright and has retained its full top and bottom selvage, and bears a great New York City title as well. **Uncirculated.** (2,500-3,500)

- 29465 New York, NY - \$50 1929 Ty. 2 National Bank of Yorkville Ch. # 12965

- 29467 New York, NY - \$20 1929 Ty. 1 The Washington Square NB Ch. # 13360
The first title used by this short lived bank, which lasted but three years while issuing under two titles. This is the scarcer of the pair, with the census showing just two examples. **Very Good.** (700-900)

- 29471 Newark Valley, NY - \$20 1929 Ty. 1 The First NB Ch. # 10111

A high grade Type 2 example, one of only 25 issued in this denomination. **Extremely Fine**. (300-500)

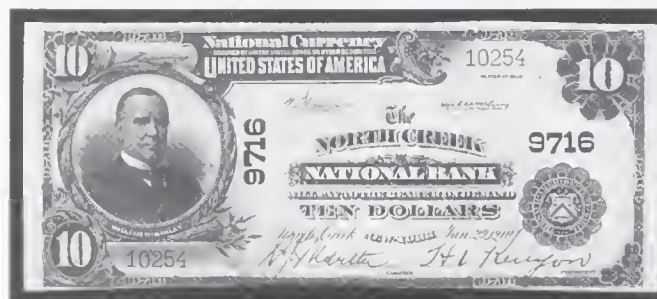

- 29473 Niagara Falls, NY - \$5 1902 Plain Back Fr. 606 The Falls NB Ch. # 11489

- 29476 North Creek, NY - \$10 1902 Plain Back Fr. 627 The North Creek NB Ch. # 9716
A beautiful note from the only bank to issue in this Warren County hamlet. The census shows just four large examples, and we've not seen any that even come close to this one. Pen signed **Extremely Fine-About Uncirculated**, the bottom just a trifle close. (1,500-2,500)

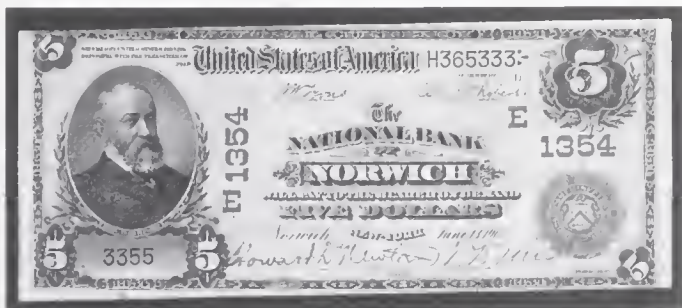

29477 North Rose, NY - \$5 1902 Plain Back Fr. 601 The First NB Ch. # 10016

A note with a lot going for it, not the least of which is its combination of grade and rarity. This is one of only three large notes in the census from this one bank community, and bears the signature of its female cashier, Martha A. Peck. It has been ten years since any note has been from this obscure Wayne County location, and this example makes the wait worth it. **Extremely Fine.** (2,000-4,000)

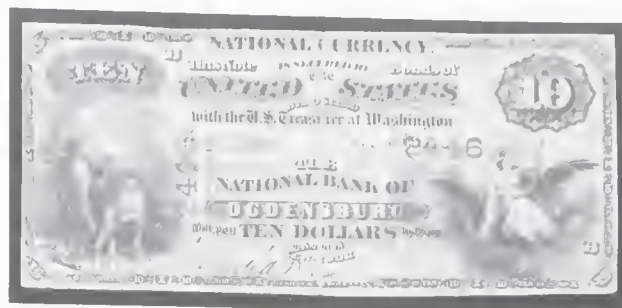

29478 North White Creek, NY - \$1 Original Fr. 380 The Cambridge Valley NB Ch. # 1275

The first issuing location, and quite rare, as notes were issued from here only until 1875. Three notes are known from this location, with this the only one we've recorded. Nice **Fine-Very Fine**, the margins a bit close. (1,250-1,750)

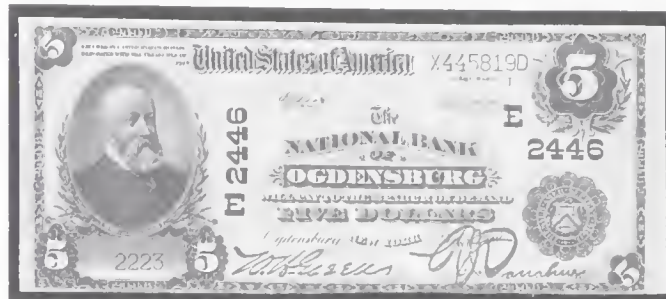

29479 Norwich, NY - \$5 1902 Red Seal Fr. 587 The NB of Norwich Ch. # (E)1354

One of two Red Seals from here in the new census, the other being a \$10 that was in the Grinnell sale in 1946 and seems to have disappeared from the market. This is an attractive example, with a bright red overprint, good signatures, and considerable brightness for the grade. **Fine-Very Fine.** (900-1,200)

29480 Ogdensburg, NY - \$10 1875 Fr. 419 The NB of Ogdensburg Ch. # 2446

A decent I-CP \$10 with a few margin splits and a rather sharp crease down the middle which can barely be seen on the reverse. Bright **Fine-Very Fine.** (750-1,050)

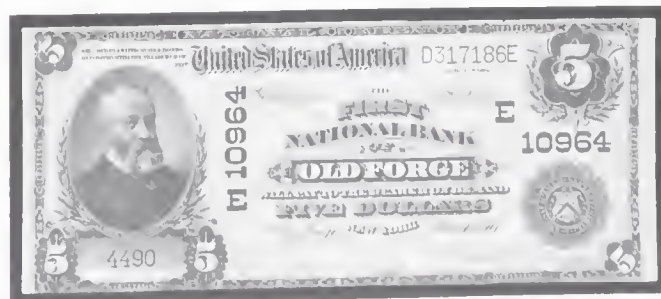

29481 Ogdensburg, NY - \$5 1902 Plain Back Fr. 607 The NB of Ogdensburg Ch. # (E)2446

29483 Old Forge, NY - \$5 1902 Plain Back Fr. 606 The First NB Ch. # (F)10964

A nice example from this tougher Herkimer County bank **Very Fine+**, the bottom margin trimmed a bit close. (450-750)

- 29484 Old Forge, NY - \$10 1929 Ty. 1 The First NB Ch. # 10964
A none too common bank in small size either. **Fine-Very Fine.** (300-400)

A nice First Charter from this otherwise common bank. Pleasing **Fine-Very Fine**, much closer to the higher grade than the lower. (700-900)

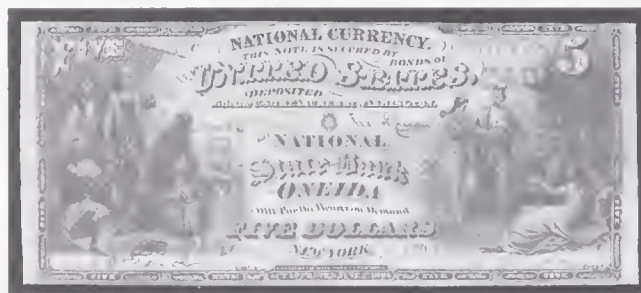

Serial Number 1 Date Back

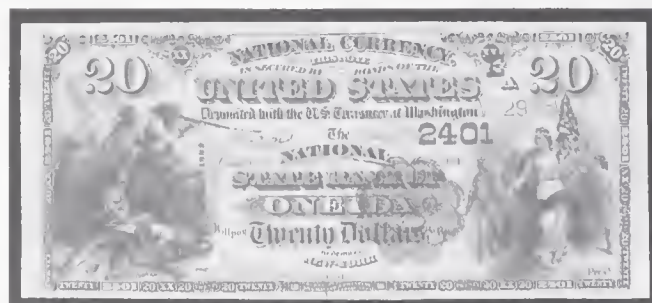

- 29486 Olean, NY - \$10 1902 Date Back Fr. 619 The Olean NB Ch. # (E)9822
A beautiful note which is fully embossed, exceptionally bright, and all that one could ask for in a serial number one note. Date Backs only were issued by this short lived bank, with the census currently standing at three, all of which are serial number 1 examples. **Choice Crisp Uncirculated.** (2,500-4,500)

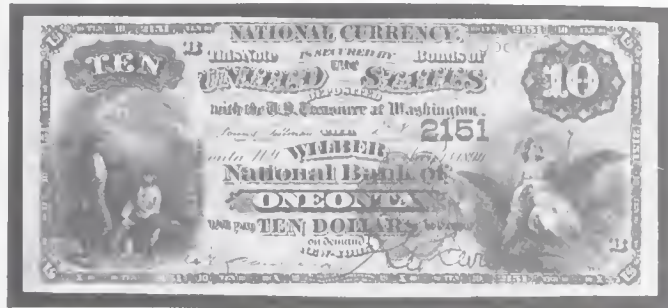

- 29487 Oneida, NY - \$2 Original Fr. 387 The Oneida Valley NB Ch. # 1090
Notes such as this explain why the Sabis collection is the most significant offering of New York Nationals to appear at public sale since the Grinnell sale of 1945, as they demonstrate the effort Mr. Sabis expended to obtain rare types on otherwise common banks, and high grade examples wherever possible on rare banks. The collection contains just about one hundred First Charter notes, more than can be found these days in the combined inventories of most of the major currency dealers at any given show. Bright **Very Fine**, with just the smallest touch of ink erosion at the cashier's signature, and new to the recent Kelly census, which lists no Deuces whatever from Oneida. (1,500-2,000)

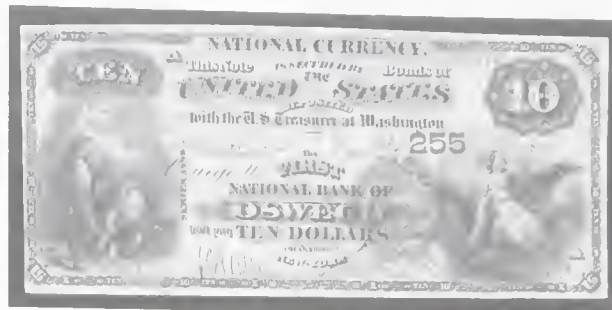

- 29488 Oneida, NY - \$5 1875 Fr. 404 The National State Bank Ch. # 2401
A more than acceptable First Charter example from this bank. **Fine.** (500-700)

- 29489 Oneida, NY - \$20 1882 Brown Back Fr. 504 The National State Bank Ch. # (E)2401
As nice a large note as we've ever handled from here, and a \$20 Brown Back to boot. **Extremely Fine.** (800-1,100)

tion. **Extremely Fine**, with a tiny ink spot in the left margin. (350-550)

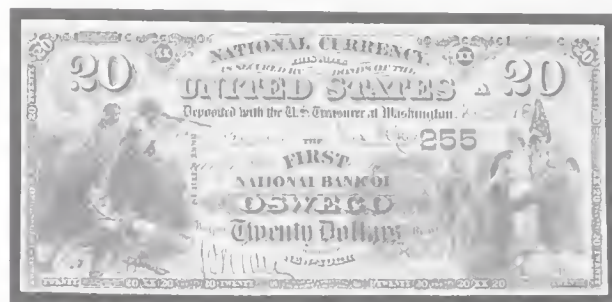

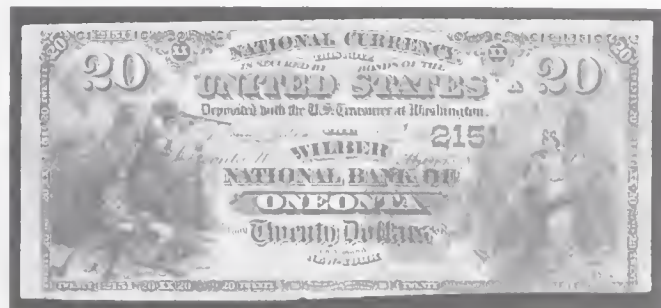

- 29490 Oneonta, NY - \$10 1882 Brown Back Fr. 487 The Wilber NB Ch. # 2151

A lovely Brown Back which is easily the finest such example we've seen from this well collected community. Pen signed **About Uncirculated**, with a tiny age spot in the left margin. (1,400-2,200)

- 29494 Oswego, NY - \$10 1882 Brown Back Fr. 479 The First NB Ch. # 255

A high grade Brown Back which is the sheet mate to the \$20 example offered below. Pen signed **About Uncirculated**, the margins trimmed a bit close. (900-1,100)

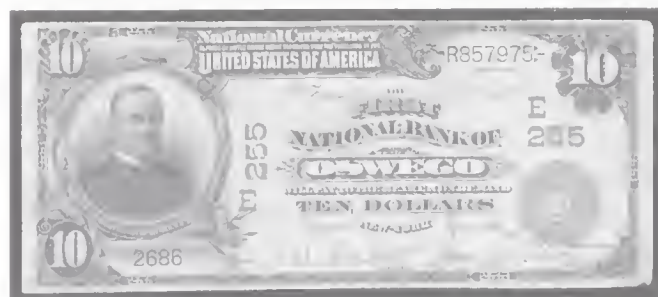

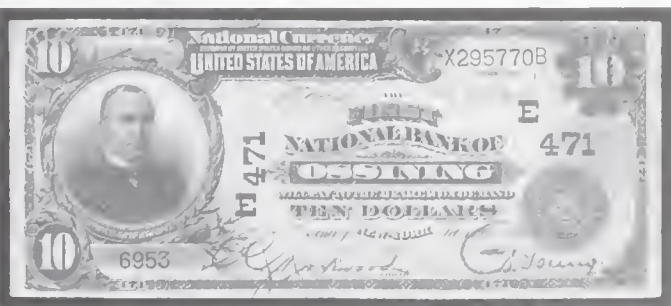

- 29491 Oneonta, NY - \$20 1882 Brown Back Fr. 501 The Wilber NB Ch. # 2151

This piece pales somewhat in comparison to the example above, which was likely lot 2406 in the landmark Grinnell sale, but it is nevertheless a very tough early note which is seldom available from here. **Very Good-Fine**, with a corner tip off. (450-750)

- 29495 Oswego, NY - \$20 1882 Brown Back Fr. 493 The First NB Ch. # 255

A very attractive Brown Back notwithstanding its tight margins, and the sheet mate to the \$10 offered above. Pen signed **About Uncirculated**. (1,000-1,400)

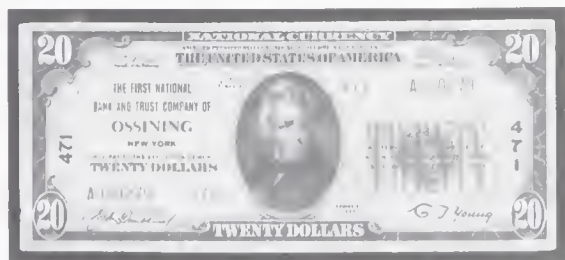

- 29492 Ossining, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (E)471

A scarce Westchester County bank which is always in demand. **Fine**, with clear signatures. (500-800)

- 29496 Oswego, NY - \$10 1902 Red Seal Fr. 613 The First NB Ch. # (E)255

Another nice Red Seal from the Sabis collection, one of just two reported in the new Kelly census from this bank. **Bright Fine+++**. (1,000-1,200)

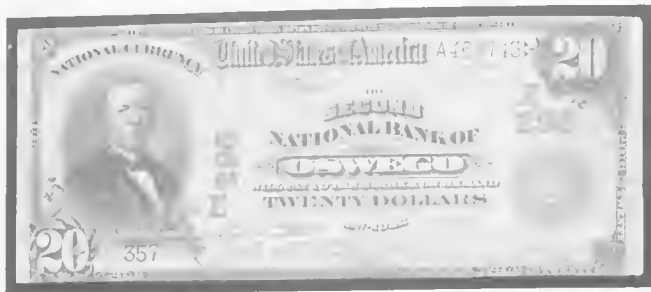

- 29497 Oswego, NY - \$20 1929 Ty. 2 First & Second NB & TC Ch. # 255

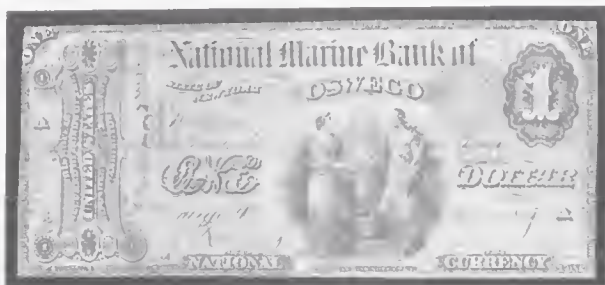

A nice high grade small example. **Extremely Fine+**. (100-150)

- 29493 Ossining, NY - \$20 1929 Ty. 2 The First NB & TC Ch. # 171

A high grade example of this tougher type and denomina

- 29498 **Oswego, NY** - \$20 1902 Red Seal Fr. 639 The Second NB Ch. # (E)296
New to the census and only the second Red Seal known from the bank. **Very Good**, the front quite pleasing but the back a little mottled. (600-800)

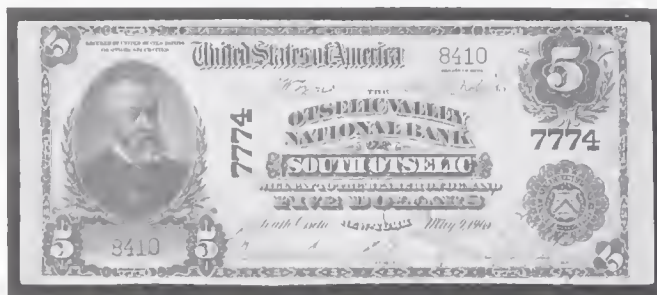

- 29499 **Oswego, NY** - \$1 1875 Fr. 383 The National Marine Bank Ch. # 821
First Charters only from this short lived Oswego bank, which issued only until 1879. Three pieces constitute the entire census, with the Sabis example a blue end paper ace. **Fine**, the margins trimmed close. (1,000-1,300)
- 29500 **Oswego, NY** - The National Marine Bank Ch. # 821
A die proof of the title layout used on the First Charter fives from here. **New**. (50-100)

Only Reported Example

- 29501 **Oswego, NY** - \$2 Original Fr. 387 The Lake Ontario NB Ch. # 1375
A rare Oswego bank that issued First Charters only before liquidating in 1877 This Lazy Two is the only note reported from the bank. It is quite well circulated, but amazingly intact, displaying just a lot of honest wear. **Good**, but where can another be obtained at any price? (1,500-2,500)

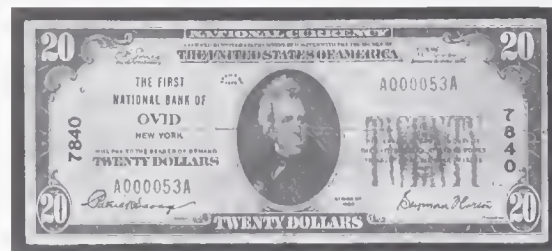

- 29502 **Otselec Valley, NY** - \$5 1902 Plain Back Fr. 598 The Otselec Valley NB Ch. # 7774
A nice **Very Fine** large example from this tougher Chenango County bank. (450-650)

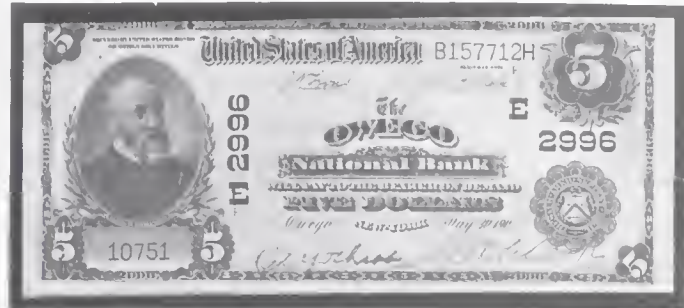

Second Public Offering Since 1946

- 29503 **Ovid, NY** - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (E)7840
An extremely rare New York note, with our records showing just two offerings of any kind at public sale, large or small, in the past sixty years. One came back in 1992, when we sold a low grade small example, and the other back in 1946, when the Grinnell example was sold. While it might not be another 57 years before the opportunity arises for collectors to obtain a large note from this one bank community, it just as easily might. Collectors who know will likely try their best to avail themselves of tonight's opportunity. Nice pen signed **Fine**. (2,000-4,000)

- 29504 **Ovid, NY** - \$20 1929 Ty. 1 The First NB Ch. # 7840
A very rare note in small size as well. **About Fine**. (800-1,200)

29505 Owego, NY - \$5 1902 Plain Back Fr. 598 The Owego NB Ch. # (E)2996

A high grade example from this seldom seen bank. **Extremely Fine**, cut just a bit close at the top, and with a couple of pinholes as well. (300-400)

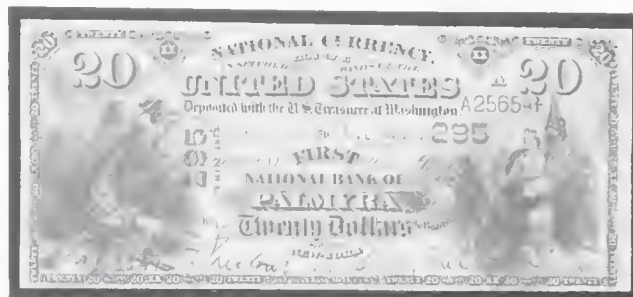

29508 Painted Post, NY - \$5 1929 Ty. 2 The First NB Ch. # 13664

One of the great town names in Nationals, and a bank which is always in demand. **Very Fine**, with low serial number A000004. (800-1,400)

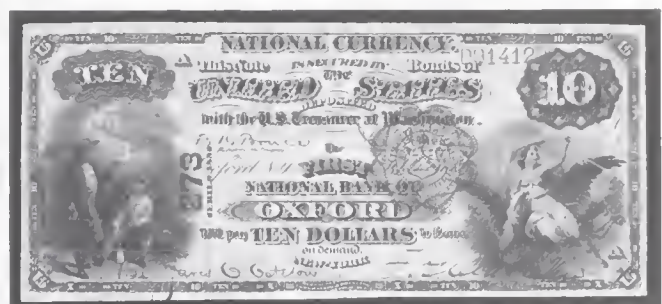

29506 Oxford, NY - \$5 Original Fr. 394 The First NB Ch. # 273

A significant and rare note, as this early example bears the Chittenden-Spinner signature combination used only in the first days of National Bank Note issuance. Bright **Very Fine+**, with fancy serial number 777 as a bonus. (1,400-1,900)

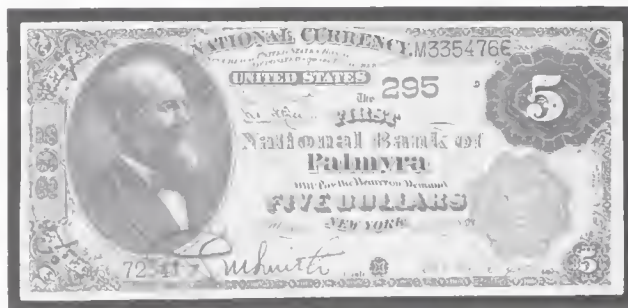

29509 Palmyra, NY - \$20 1875 Fr. 435 The First NB Ch. # 295

One of the scarcest and most underrated of National types, with even the most advanced collections seldom containing more than one or two examples. This piece is a bright, evenly circulated note with a nice appearance and no real problems whatever. **Fine+++**. (1,500-1,900)

29507 Oxford, NY - \$10 1882 Brown Back Fr. 479 The First NB Ch. # 273

A lovely Brown Back with the first format utilized on Brown Backs, with the seal positioned high on the right side and the charter number off to the left. This type was issued by only a relatively few banks, and only during the first years of Brown Back issuance. Notes of this type probably account for less than two percent of the surviving Brown Backs, and are encountered so infrequently that even experienced collectors are somewhat perplexed by them. Pen signed **Extremely Fine**, a significant National Bank Note rarity. (1,250-1,750)

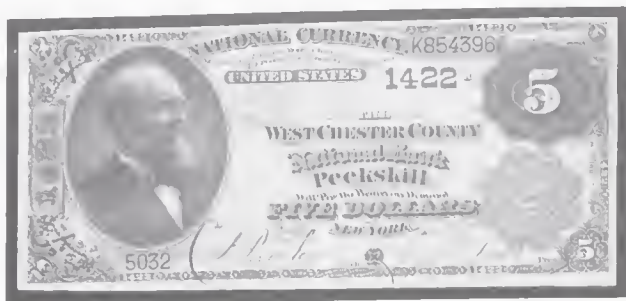

29510 Palmyra, NY - \$5 1882 Brown Back Fr. 466 The First NB Ch. # 295

A nice \$5 Brown Back with a rather ornate layout. Nice **Very Fine-Extremely Fine**. (700-1,000)

29511 Pawling, NY - \$5 1902 Plain Back Fr. 598 The NB of Pawling Ch. # (E)1269

This bank, the sole issuer in this rural Dutchess County town, is hardly common, especially in large size, where the Kelly census stands at just eight examples. **About Fine**, the top a bit close. (200-300)

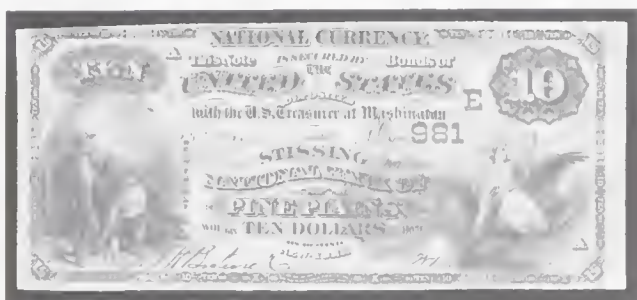

- 29512 Peekskill, NY - \$5 1882 Brown Back Fr. 469 The West Chester County NB Ch. # 1422

A lovely \$5 Brown Back with a neat layout from this much in demand Westchester County bank. The don't come much nicer than this pen signed beauty. **Very Fine-Extremely Fine**, with the appearance of an even higher grade example. (1,250-1,750)

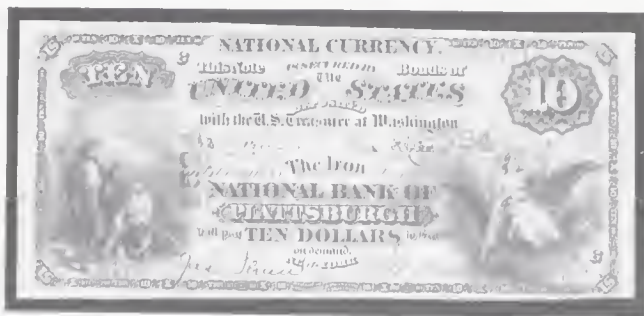

- 29513 Peekskill, NY - \$5 1902 Plain Back Fr. 598 West Chester County NB of Peekskill Ch. # 1422

Well circulated **Very Good**, but a tougher large size Westchester County note worthy of a bid in the range of... (350-450)

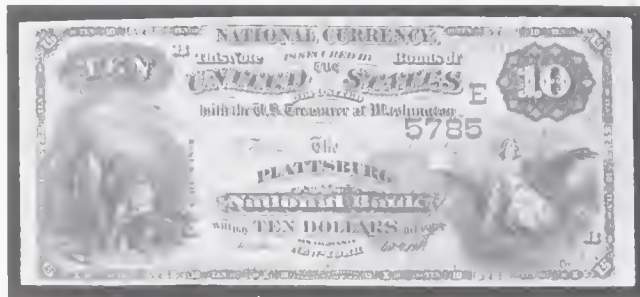

- 29514 Pine Plains, NY - \$10 1882 Brown Back Fr. 480 The Stissing NB Ch. # 981

A very scarce early example from this northern Dutchess County hamlet. This is the only Brown Back we've had from this bank, certainly not for lack of trying, for Dutchess County was our home for several years. Pen signed **Fine-Very Fine**, with good color for the grade. (800-1,100)

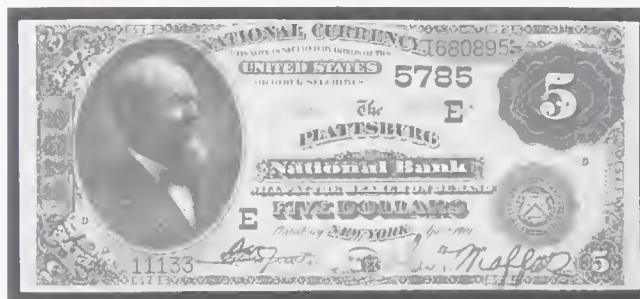

- 29515 Plattsburgh, NY - \$10 1875 Fr. 420 The Iron NB Ch. # 2534

First Charters only from this rare bank, which liquidated at the expiration of its charter in 1901. Three notes are known, with this the nicest of the trio. Bright **Very Fine+**, with two color pen signatures. (1,750-3,250)

- 29516 Plattsburg, NY - \$10 1882 Brown Back Fr. 490 The Plattsburg NB Ch. # 5785

This city, like Pittsburgh, P.A., suffers from confusion amongst its bankers as to how the community's name should be spelled, with each bank feeling free to utilize its own version. **Very Fine**, a nice Brown Back. (450-750)

- 29517 Plattsburg, NY - \$5 1882 Value Back Fr. 574 The Plattsburg NB Ch. # (E)5785

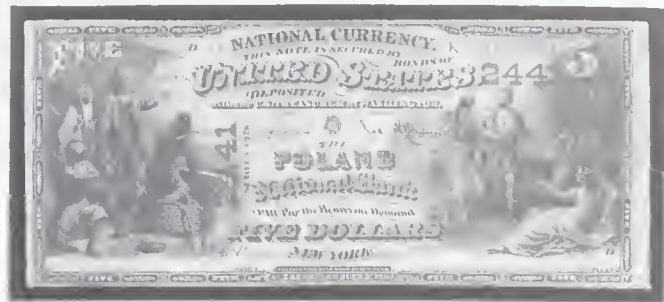

Three Value Backs, including this high grade piece, are listed from this bank in the new Kelly census. This is considerably above the average for any Value Back from any bank. Bright **Very Fine-Extremely Fine**. (750-950)

Rare Plattsburgh Red Seal-Unique for the Bank

- 29518 Plattsburgh, NY - \$10 1902 Red Seal Fr. 613 The City NB Ch. # (E)6613

One of the most significant notes in the Sabis collection, from a short lived Plattsburgh bank that issued only until 1920. This is the only Red Seal known from the bank, which the Kelly census credits with two notes extant. We have heard of a third, but whether two or three, the fact is that no example from here has changed hands at public sale since this piece crossed the block as part of the Shiva collection in 1995. **Very Fine**. (1,750-2,750)

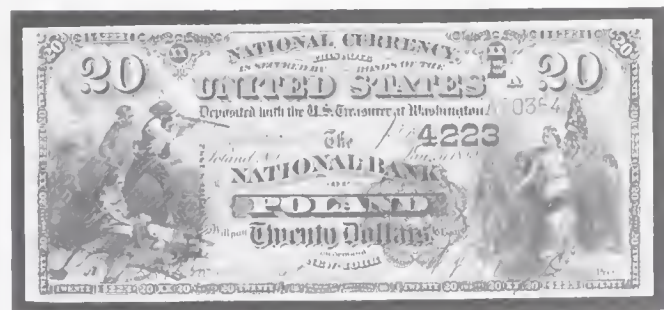

29519 Poland, NY - \$5 1875 Fr. 404 The Poland NB Ch. # 2441

A rare bank which issued First Charter fives only from its inception in 1879 until its liquidation in 1890. By 1910 a meager \$550 was outstanding. The census shows two pieces extant, including this example, which was last offered as part of the Shiva collection, where it was lot 85. In a market that could only be characterized as prehistoric compared to what we enjoy today, this note realized \$880. Expect this **Fine** First Charter to bring considerably more this evening, likely in the range of... (2,000-4,000)

29520 Poland, NY - \$10 1882 Brown Back Fr. 484 The NB of Poland Ch. # 4223

A wonderful note which is one of two from this bank in the Sabis collection. Three examples make up the entire census from here, not surprising as this bank issued only from 1890 until the expiration of its charter in 1910. Pen signed by two members of the Brayton family, the organizers of both of Poland's issuing banks. **Extremely Fine+**, with the appearance of an uncirculated example. (1,750-3,250)

29521 Poland, NY - \$20 1882 Brown Back Fr. 498 The NB of Poland Ch. # (E)4223

A second gorgeous Brown Back, this with a pedigree going back to its appearance as lot 2437 in the Grinnell sale of 1946, where it was described as "Beautiful note, Pract. Unc. Crisp." Pen signed **About Uncirculated**, with the last offering from here coming back in 1993. (2,000-4,000)

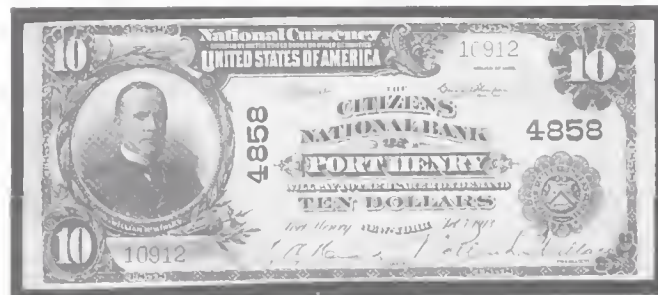

29522 Poland, NY - \$20 1902 Plain Back Fr. 653 The Citizens NB Ch. # (E)9804

A very scarce bank in large size. This institution was organized in 1910 upon the liquidation of the Poland NB, and this example is signed by J.W. Brayton and G.R. Brayton. **Fine**, with a small split. (600-900)

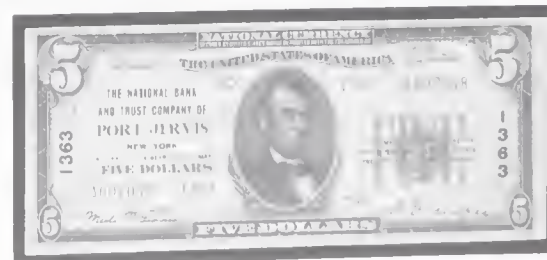

29523 Poland, NY - \$20 1929 Ty. 2 Citizens NB of Poland Ch. # 9804

A high grade Type 2 example. **Bright Extremely Fine**. (350-550)

29524 Port Henry, NY - \$10 1902 Plain Back Fr. 629 The Citizens NB Ch. # 4858

A very scarce Essex County bank, with just six large examples recorded in the Kelly census. This pen signed example has got to be one of the nicest **Extremely Fine+**, an attractive note further enhanced by the very scarce Napier-Thompson Treasury signatures. (400-600)

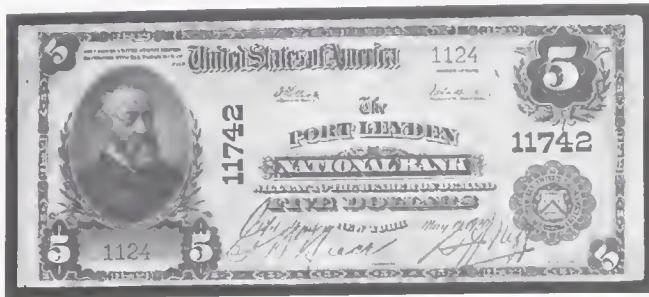

29525 Port Jervis, NY - \$5 1929 Ty. 2 The NB & TC of Port Jervis Ch. # 1363

By far the nicest note we've seen from here, and the only one in this grade we can recall. **Gem Crisp Uncirculated**. (250-450)

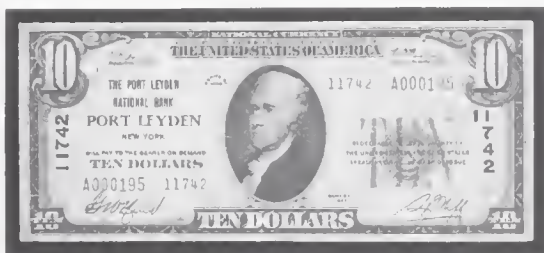

- 29526 Port Jervis, NY - \$5 1902 Plain Back Fr. 598 The NB & TC of Port Jervis Ch. # 1363

The scarcer second title, used here for just three years before the transition to small size notes. Nice **Very Fine-Extremely Fine**, with a tiny split in the left margin. (200-300)

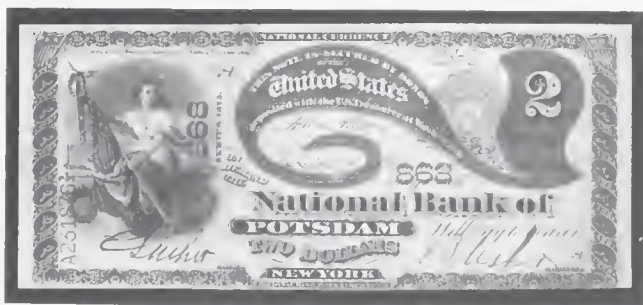

- 29527 Port Leyden, NY - \$5 1902 Plain Back Fr. 607 The Port Leyden NB Ch. # 11742

A very rare bank, particularly in large size, where only \$360 was outstanding in 1935. This is one of two examples listed in the census from this one bank community. **Fine-Very Fine**. (2,000-4,000)

- 29528 Port Leyden, NY - \$10 1929 Ty. 2 The Port Leyden NB Ch. # 11742

Very scarce in small size as well, with a similar two notes in the census. This piece came from George Decker's small size collection. **Fine**, with a small ink mark on the front. (750-1,050)

- 29529 Potsdam, NY - \$2 1875 Fr. 390 The NB of Potsdam Ch. # 868

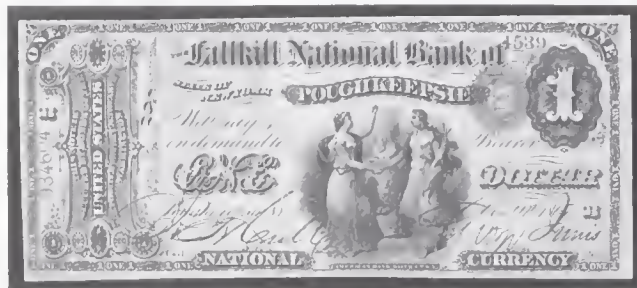

A scarce Potsdam bank which went out in 1897. Four notes are known on the bank, with three of those Deuces. Of that group, this is the finest by a huge margin **Very Fine-Extremely Fine**, trimmed just a bit into the design at the bottom right. (2,750-3,250)

- 29530 Potsdam, NY - The NB of Potsdam Ch. # 868

A title Proof with an impression used on First Charter fives. **New**, with a bit of foxing about the edges. (50-90)

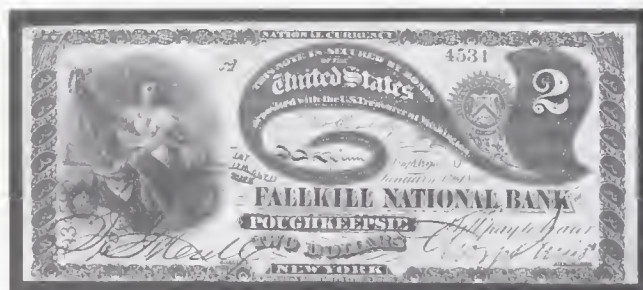

- 29531 Potsdam, NY - \$5 1929 Ty. 2 The Citizens NB Ch. # 5228

Fine-Very Fine, the top trimmed a bit close at the right. (175-275)

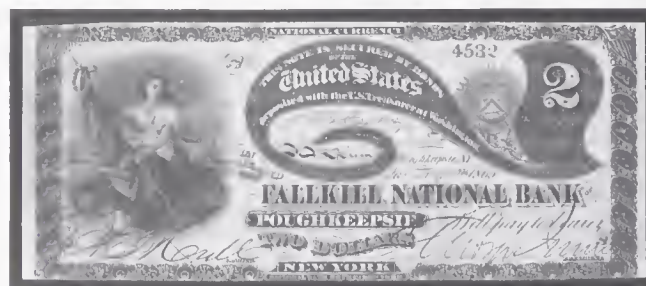

- 29532 Poughkeepsie, NY - \$1 Original Fr. 380 The Fallkill NB Ch. # 659

A beautiful example which is nicer in appearance than most uncirculated examples. Vividly colored **Extremely Fine-About Uncirculated**, a fully embossed piece just perfect for type which is new but for two light folds. (700-1,000)

- 29533 Poughkeepsie, NY - \$2 Original Fr. 387 The Fallkill NB Ch. # 659

A beautiful Lazy Deuce, part of a consecutive pair offered here, which is utterly original and fully gem but for a slightly trimmed in bottom margin. The colors here are lovely, the paper crackling fresh, and the note has the look of one printed this morning. **Choice Crisp Uncirculated**. (4,250-5,250)

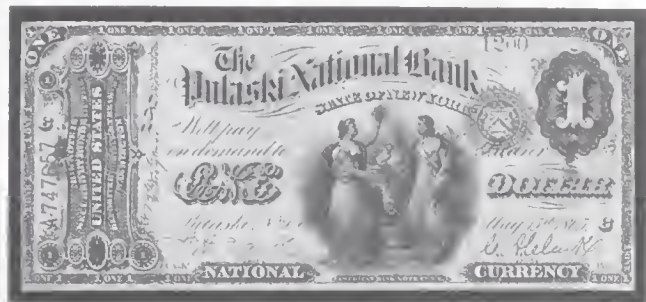

- 29534 Poughkeepsie, NY - \$2 Original Fr. 387 The Fallkill NB Ch. # 659

The other of this consecutive pair, and once again a totally original crackling fresh piece which would be a flaming gem but for its lack of a bottom margin. The colors, signatures, and paper quality are simply beyond reproach. **Choice Crisp Uncirculated**. (4,250-5,250)

- 29535 Poughkeepsie, NY - \$5 1882 Brown Back Fr. 467 The Fallkill National Bank Ch. # (E)659
An interesting layout highlights this \$5 Brown Back. Pen signed **Fine**, the bottom close. (400-600)

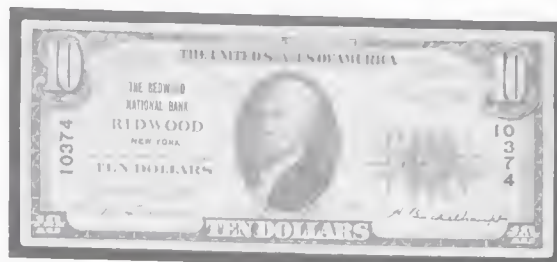

- 29536 Pulaski, NY - \$1 Original Fr. 380 The Pulaski NB Ch. # 1496
A just plain rare note from this one bank Oswego County community. The Kelly census shows just three notes extant from here, and our records reveal that it has been an even dozen years since the last offering of any example from here at public sale or on a fixed price list. This ace grades a nice bright **Very Fine**, but there are a couple of small age spots and a couple of pinholes that must be mentioned. (1,750-2,750)

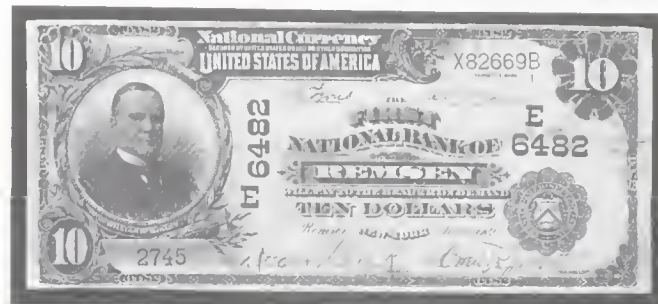

Serial Number 1 Redwood

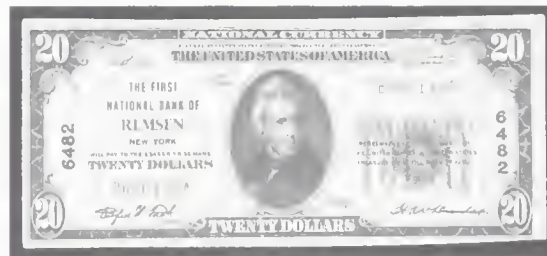

- 29537 Redwood, NY - \$10 1902 Date Back Fr. 621 The Redwood NB Ch. # 10374
One of the most exciting notes in the sale, and a note that every New York collector has lusted for since Bill Sabis obtained it in the Shiva sale of 1995. This is one of only two large notes reported from this small single bank community, and the only number 1. It is from the "A" plate position as well, making it truly the first large note issued from here. The note is a pen signed beauty, with vivid colors, bright paper, and an exceptionally attractive appearance. For the collector of Nationals, this is a true trophy item **Extremely Fine**. (5,000-8,000)

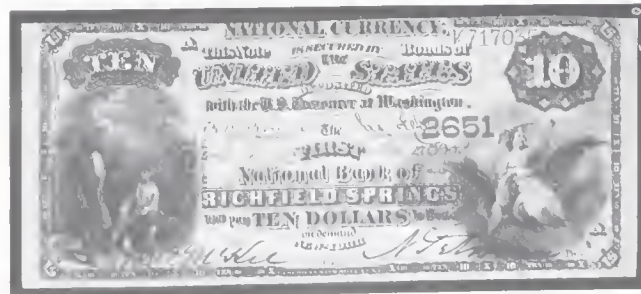

- 29538 Redwood, NY - \$10 1929 Ty. 1 The Redwood NB Ch. # 10374
While clearly not in the same category as the serial number 1 example above, this is hardly an item to be sneezed at, as it is one of only two small examples in the census from this thinly capitalized bank. **Fine**. (900-1,300)

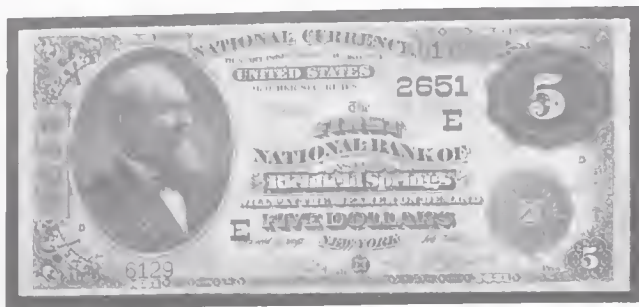

- 29539 Remsen, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (E)6482
A very scarce Oneida County bank with just two large notes recorded in the census. Pen signed **Fine-Very Fine**. (1,500-2,500)

- 29540 Remsen, NY - \$20 1929 Ty. 1 The First NB Ch. # 6482
As nice a small note as we can recall seeing from this one bank location. **Very Fine-Extremely Fine**. (600-900)

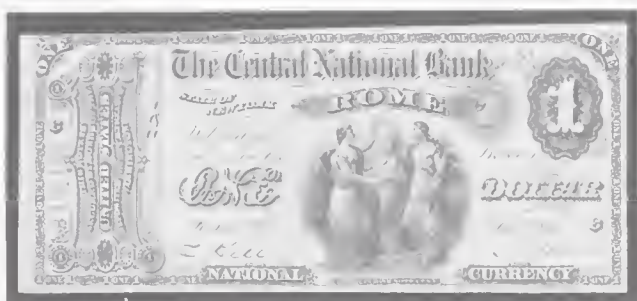

- 29541 Richfield Springs, NY - \$10 1875 Fr. 420 The First NB Ch. # 2651
One of the last banks in New York to issue First Charters and a scarce bank as well, with seven large notes making up the Kelly census. This nice First Charter ten is one of them, and contains an interesting engraving anomaly, where the engraver, after putting in the town name, ran out of space and had to put the letters "N Y" on the line below, something we've not previously seen. Pen signed **Very Fine**, the top trimmed very close. (1,400-1,900)

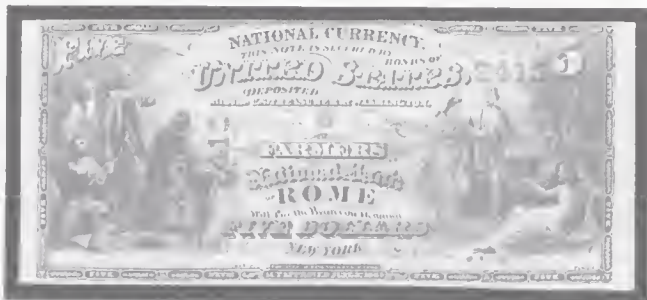

- 29542 **Richfield Springs, NY** - \$5 1882 Value Back Fr. 574 The First NB Ch. # (E)2651
The only Value Back from Richfield Springs listed in the new Kelly census. **Fine**, with good margins and signatures for this scarce type. (900-1,400)

- 29543 **Rochester, NY** - \$10 1902 Plain Back Fr. 635 NB of Rochester Ch. # 12538
A nice looking note from the home of the Kodak Company. **Extremely Fine**. (150-250)

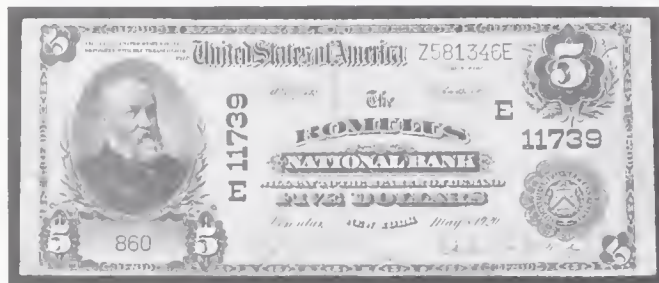

- 29544 **Rome, NY** - \$1 Original Fr. 380 The Central NB Ch. # 1376
A scarcer Rome bank which issued only until 1895. Three notes are listed in the Kelly census. **Extremely Fine**, a bit aged and with a rubber stamped message on the back. (800-1,100)

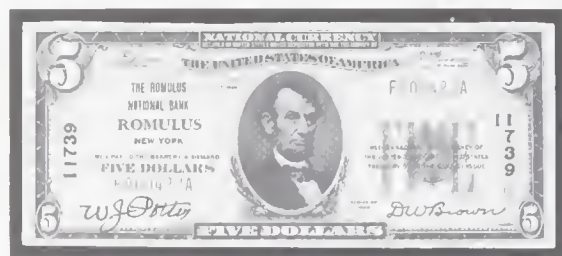

- 29545 **Rome, NY** - \$5 1875 Fr. 404 The Farmers NB Ch. # 2410
A high grade First Charter from this Rome bank. **Very Fine-Extremely Fine**. (900-1,100)

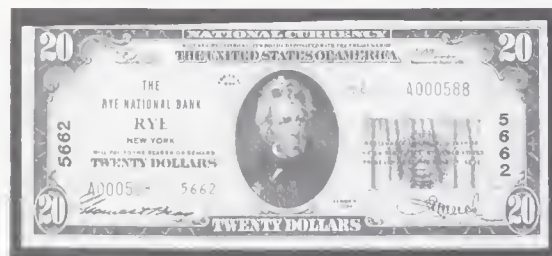

Excessively Rare Large Size Romulus Note \$170 Outstanding

- 29546 **Romulus, NY** - \$5 1902 Plain Back Fr. 607 The Romulus NB Ch. # (E)11739
A great New York rarity from a bank which had only \$170 outstanding in large notes at its close in 1933. Two large examples are known, both of which sold within a year of each other in the mid-1990's and then disappeared into major New York holdings. Expect a fight to determine which fortunate collector goes home with this prize tonight. Pen signed **Fine-Very Fine**. (2,500-4,500)

- 29547 **Romulus, NY** - \$5 1929 Ty. 1 The Romulus NB Ch. # 11739
Just as rare in small size, where the census also stands at just two. Nice **Very Fine-Extremely Fine**, a great note for the small size New York collector. (1,000-1,500)

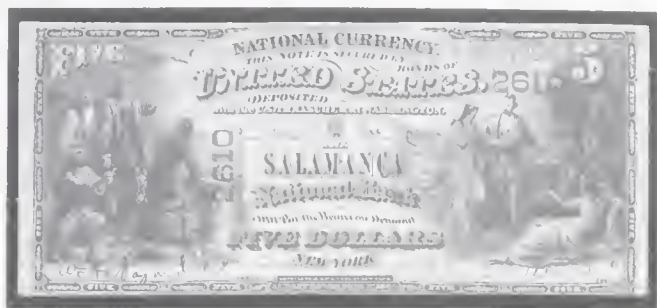

- 29548 **Rye, NY** - \$20 1929 Ty. 2 The Rye NB Ch. # 5662
A lovely Westchester County example from a very scarce bank. **About Uncirculated**. (900-1,200)

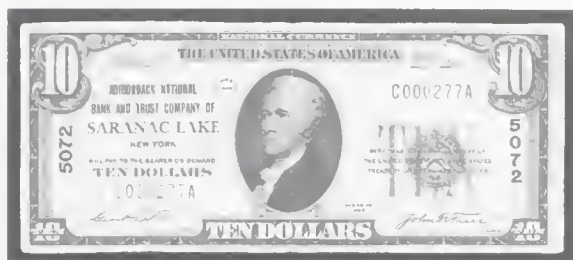

- 29549 **Salamanca, NY** - \$5 1882 Date Back Fr. 537 The First NB Ch. # (E)2472

A nice early type example from considerably the more common of the two banks to issue here. **Very Fine+**. (550-850)

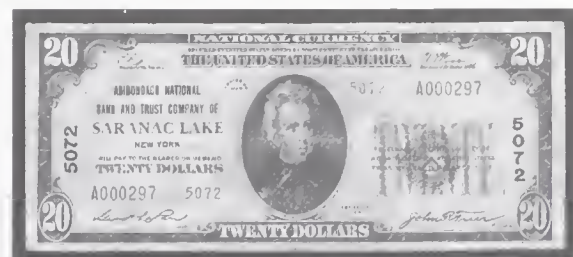

- 29550 Salamanca, NY - \$5 1875 Fr. 405 The Salamanca NB Ch. # 2610

First Charters and a literal handful of Brown Backs make up the entire issue from this early Salamanca bank, with the Kelly census showing just three examples. This is as nice as any we know of. **Bright Very Fine**. (1,100-1,400)

- 29551 Saranac Lake, NY - \$10 1929 Ty. 1 Adirondack NB & TC Ch. # 5072

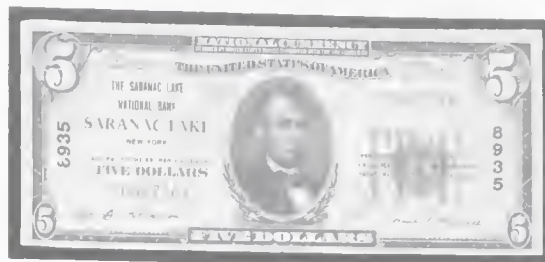

Until some large notes from here turn up, small will have to do, which is why the Sabis collection contains two small examples. **Very Fine**. (500-700)

- 29552 Saranac Lake, NY - \$20 1929 Ty. 2 Adirondack NB & TC Ch. # 5072

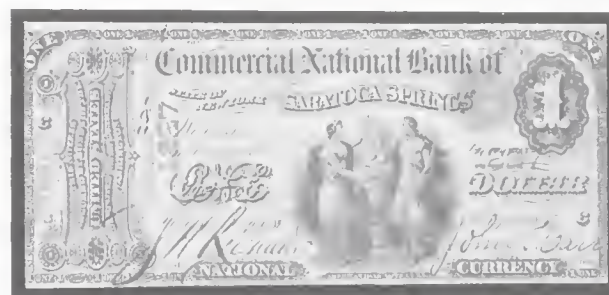

A nice evenly circulated Type 2 example. **Fine+**. (400-700)

Second Offering in Sixty Years

- 29553 Saranac Lake, NY - \$5 1929 Ty. 1 The Saranac Lake NB Ch. # 8935

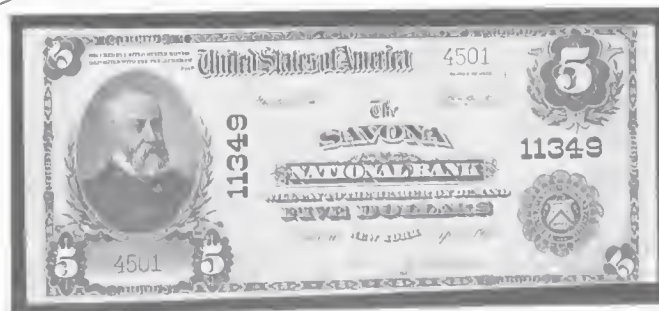

An old friend we owned twenty five years ago and sold to George Decker for his personal collection. From there it made its way into the Sabis holdings, where it now becomes the first note to be offered publicly from here since 1985. There are only two notes known from this bank, both small, and the whereabouts of the second piece, which has been off the market for years, is currently unknown. Expect some stiff competition before the hammer falls on this most attractive **Very Fine-Extremely Fine** small size New York rarity tonight. (1,000-2,000)

- 29554 Saratoga Springs, NY - \$1 Original Fr. 380 The Commercial NB Ch. # 1227

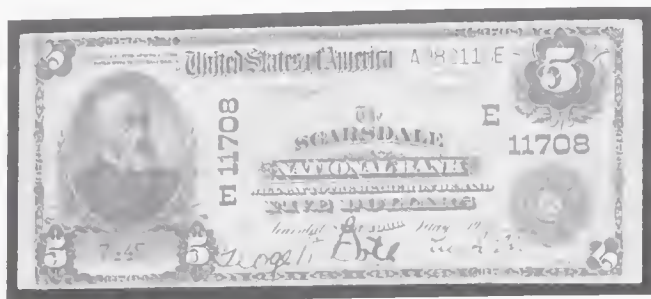

First Charters only from this Saratoga County bank, from which the Kelly census lists just four examples. This is a nice one, with excellent color and oversize blue signatures. **Very Fine**, trimmed at both side borders. (900-1,300)

Savona Large Size Note-Finest of Three Known

- 29555 Savona, NY - \$5 1902 Plain Back Fr. 606 The Savona NB Ch. # 11349

By far the finest of the three large notes known from this bank, the sole issuer in this tiny Steuben County community. Only \$720 was outstanding from here in large size when this bank closed in 1931, making the chances of others turning up rather remote. **Bright Very Fine-Extremely Fine**, ex Shiva collection sale, lot 98, a great note worthy of a strong bid. (1,750-3,250)

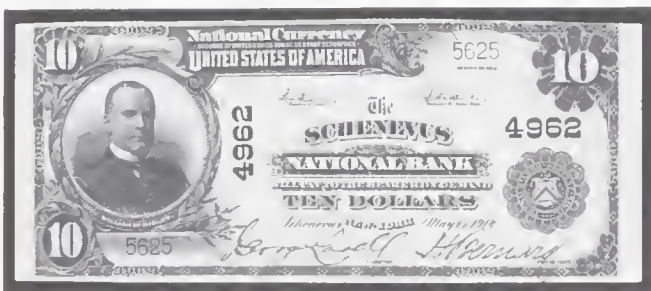

29556 Scharsdale, NY - \$5 1902 Plain Back Fr. 607 The Scharsdale NB Ch. # (E)11708

An evenly circulated large example from this much sought after Westchester County enclave. **Very Good+**, with strong signatures. (300-500)

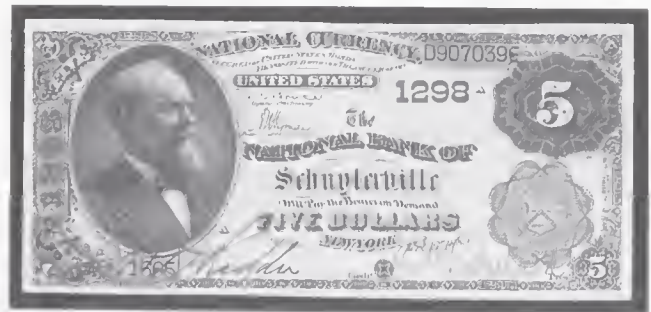

29557 Schenectady, NY - \$5 1902 Plain Back Fr. 628 Union NB of Schenectady Ch. # 4711

From a community settled by the Arent Van Curler in 1662. The first ever passenger train in the United States made its initial run from here to Albany in 1831. Schenectady is the home of Union College, founded in 1795 and the first college to receive a charter from the New York State Board of Regents. **Fine+++**. (150-250)

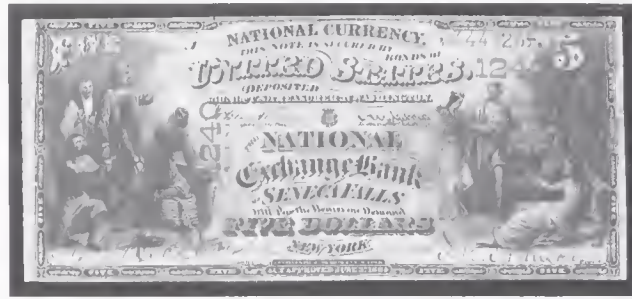

29558 Schenectady, NY - \$10 1902 Plain Back Fr. 631 The Schenectady NB Ch. # 4962

A beautiful note which shows almost no sign of any circulation, easily the finest large note we've ever seen from this one bank community. **About Uncirculated**. (750-1,050)

29559 Schuylerville, NY - \$5 1882 Brown Back Fr. 467 The NB of Schuylerville Ch. # 1298

An attractive \$5 Brown Back with a nice title layout. Only three large notes are recorded in the Kelly census from this small Saratoga County institution, with this the last note of any kind to be sold publicly, when Bill Sabis purchased it in the 1996 Memphis sale. Pen signed **Very Fine-Extremely Fine**, with a small repaired split in the top margin and a bit of writing in the right back margin. (1,200-1,600)

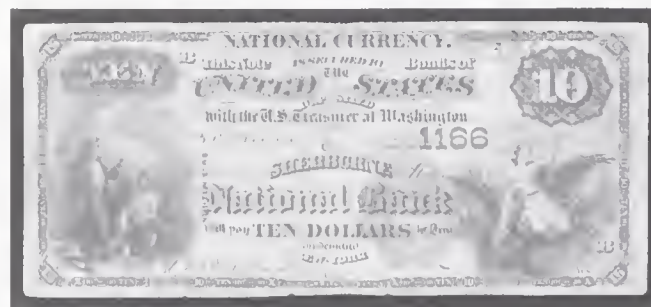

29560 Seneca Falls, NY - \$5 1875 Fr. 401 The National Exchange Bank Ch. # 1240

The census shows two notes recorded from this very rare Seneca Falls bank, which issued First Charter examples only before liquidating in 1885. This is the only one we've ever handled, and it has a nice pedigree, coming to Bill Sabis from the Shiva collection, where it was lot 100. It is an attractive **Very Fine** example, with one tiny nick in the top margin which is barely worthy of mention. If real rarity is any guide here, expect this piece to likely reach and perhaps even exceed our conservative estimate of... (1,750-3,250)

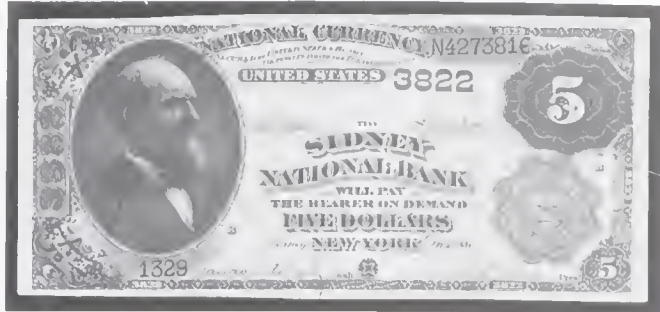

29561 Seneca Falls, NY - \$5 1882 Brown Back Fr. 467 The Exchange NB Ch. # 3329

A nice \$5 Brown Back, a type Bill Sabis always tried to obtain whenever they were available. This piece came from the Shiva sale, where it was lot 99. **Very Fine**, with a small margin split at the bottom. (700-1,000)

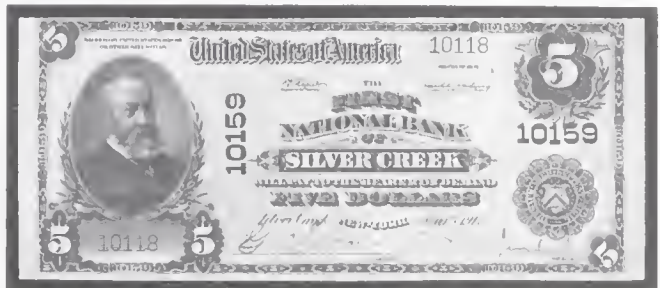

29562 Sherburne, NY - \$10 1882 Brown Back Fr. 481 The Sherburne NB Ch. # 1166

This pen signed Brown Back was sold to New York collector Marvin Levine by Curt Iversen in 1980, and was obtained in a trade by Bill Sabis some years later. The bank is not rare, but we've not seen more than a couple of Brown Backs from here in thirty years. **Very Good**. (600-800)

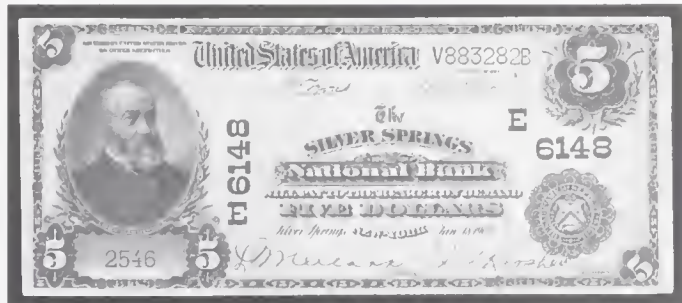

29563 Sidney, NY - \$5 1882 Brown Back Fr. 470 The Sidney NB Ch. # 3822

A very tough early note from this scarce Delaware County bank. **Extremely Fine**, with just the slightest foxing, more than made up for by an interesting and unusual title layout. (1,100-1,500)

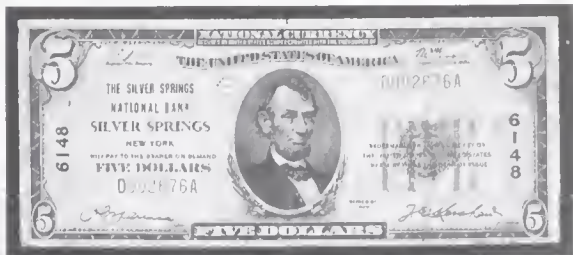

29564 Silver Creek, NY - \$5 1902 Plain Back Fr. 602 The First NB Ch. # 10159

A high grade example which is very close to new. **Extremely Fine-About Uncirculated**, with bright purple signatures. (500-700)

29565 Silver Springs, NY - \$5 1902 Plain Back Fr. 598 The Silver Springs NB Ch. # (E)6148

An attractive large example from this western New York bank. Pen signed **Very Fine**. (600-900)

29566 Silver Springs, NY - \$5 1929 Ty. 1 The Silver Springs NB Ch. # 6148

The only denomination issued from here in small size, and a very rare note, with the census showing just one uncut sheet (which we've not ever seen) plus three single examples. **Fine+**. (550-850)

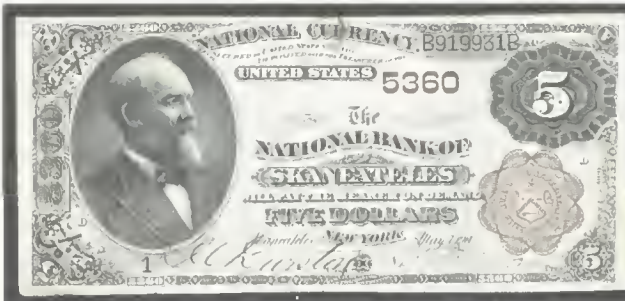

Unique for the Bank-First Ever Public Offering

29567 Skaneateles, NY - \$1 Original Fr. 380 The First NB Ch. # 303

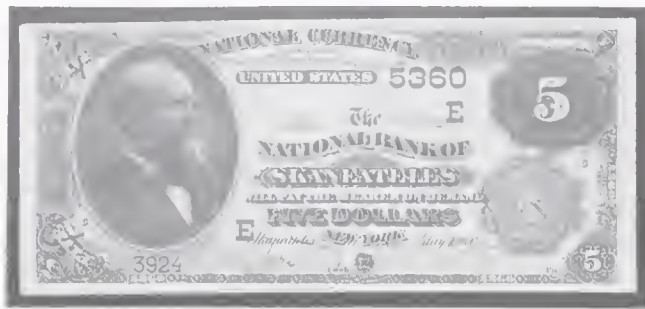

One of the highlights of the Sabis collection and one of the great rarities in New York Nationals, as this bank lasted but three years before liquidating in 1867. It has been unreported since records have been kept, but several years ago this example turned up in western New York and was quietly offered to Bill, who paid what was then an utterly unthinkable price to obtain it. Now that the market has become far more rarity driven, and with current research allowing collectors to make ever more informed decisions about populations and offering histories, Bill's decision to pay what it took to obtain this unique piece appears brilliant in retrospect. This is a true trophy item for the collector of New York Nationals, and a note which will likely be forever unique. **Very Fine**. (6,000-9,000)

Serial Number 1 Brown Back

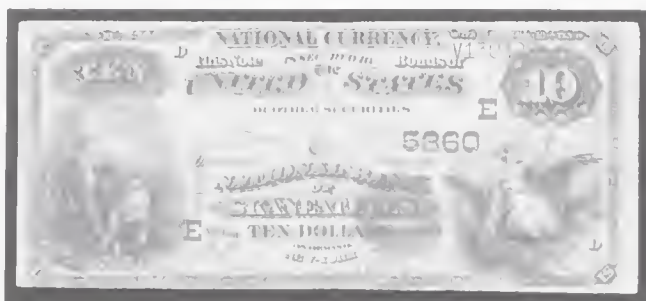

29568 Skaneateles, NY - \$5 1882 Brown Back Fr. 477 The NB of Skaneateles Ch. # 5360

This serial number 1 Brown Back is new to the census, which lists no serial number 1 examples of any kind from this small Onondaga County community. It's a brightly colored and very attractive \$5 example, with sharp pen signatures, and certain to arouse the interest of the many collectors of number 1 notes nationwide. **Extremely Fine**. (3,000-5,000)

- 29569 Skaneateles, NY - \$5 1882 Brown Back Fr. 477 The NB of Skaneateles Ch. # (E)5360

A lovely \$5 Brown Back for those collectors who do not wish to pay the premium for the number 1 example offered here from this bank. This is a perfect example for those who like their notes with just a minimum of circulation, as this broadly margined and exceptionally vivid specimen has retained much of its original embossing despite its few folds. **Extremely Fine.** (900-1,300)

- 29570 Skaneateles, NY - \$10 1882 Value Back Fr. 577 The NB of Skaneateles Ch. # (E)5360

The first Value Back we can recall handling from here, although, according to the census, three are known, not including this example, which is unreported. **Very Good.** (400-600)

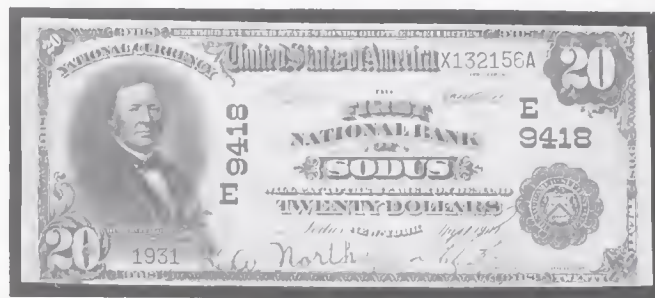

- 29571 Skaneateles, NY - \$10 1902 Plain Back Fr. 633 The NB of Skaneateles Ch. # (E)5360

As nice an example from this bank as likely exists. Bright **Crisp Uncirculated**, with great colors and margins. Choice but for a couple of unimportant corner folds. (750-950)

- 29572 Skaneateles, NY - \$20 1929 Ty. 1 NB & TC of Skaneateles Ch. # 5360

Evenly circulated **Very Fine** small example. (125-175)

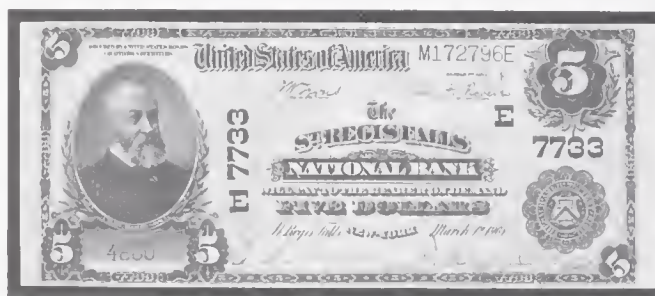

- 29573 Sodus, NY - \$20 1902 Date Back Fr. 644 The First NB Ch. # (E)9418

This small town is often available in small size, but this is the first large example we've ever had to offer from here. Fortunately for collectors, it is a beauty, with bright colors of paper and inks and clear signatures. The Kelly census shows three large notes from here, and we seriously doubt whether any could even approach this in grade. Ex-Albert A. Grinnell sale of 1946, lot 2517. **Choice About Uncirculated.** (1,500-2,500)

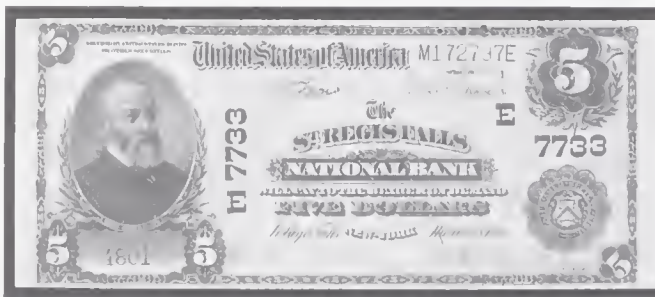

- 29574 Sodus, NY - \$20 1929 Ty. 1 The First NB Ch. # 9418

An evenly circulated **Fine** small example. (250-350)

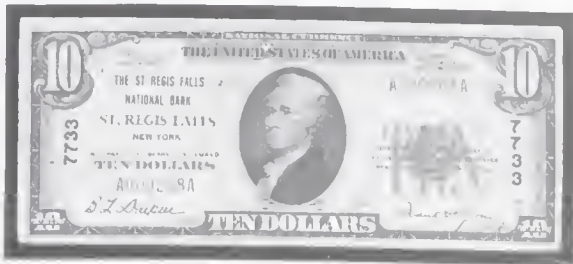

- 29575 St. Regis Falls, NY - \$5 1902 Plain Back Fr. 598 The St Regis Falls NB Ch. # (E)7733

The first note of a wonderful pair, combining extraordinary grade and appeal with true bank rarity. Three large notes are listed in the census from the sole bank to issue in this paper and pulp making community, and two of those three pieces are contained in the Sabis collection. This piece is a real beauty, the kind of **Extremely Fine** that every collector dreams of finding, which is basically an uncirculated note with three folds. That is what we have here, with this example having the vibrant color and bright white paper along with three folds likely picked up in storage over the years. Hard to estimate, but for rarity and appeal this note, along with its mate below, have few equals. (1,750-3,250)

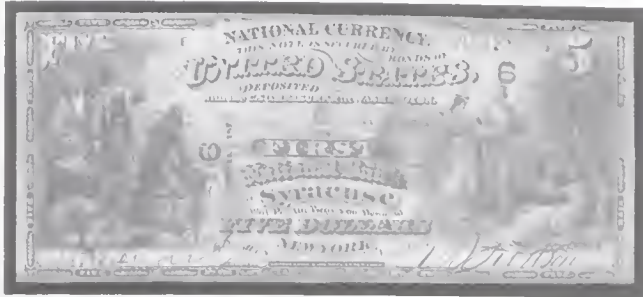

- 29576 St. Regis Falls, NY - \$5 1902 Plain Back Fr. 598 The St Regis Falls NB Ch. # (E)7733

From the next sheet, and the twin to the note above in every respect. **Extremely Fine.** (1,750-3,250)

29577 St. Regis Falls, NY - \$10 1929 Ty 1 The St Regis Falls NB Ch. # 7733

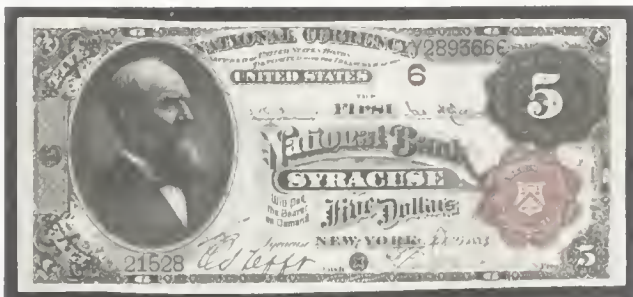

Not quite so rare as the large size examples above, but scarce enough to raise considerable interest on the part of New York's Series 1929 note collectors. **Fine-Very Fine**, (700-900)

29578 Syracuse, NY - \$5 1875 Fr. 404 The First NB Ch. # 6

A very significant note leads off an outstanding group of Syracuse material, no surprise as this was Bill Sabis' home town and he made a real effort to acquire every important Syracuse note that he could find. This example is one of only three First Charter notes recorded in the new Kelly census from this low charter bank, the first National Bank established in the state of New York. Pleasing **Very Good-Fine**, with good color and body for the grade, likely to see bidding reach or even exceed... (1,500-2,500)

Magnificent Circus Poster \$5 Brown Back

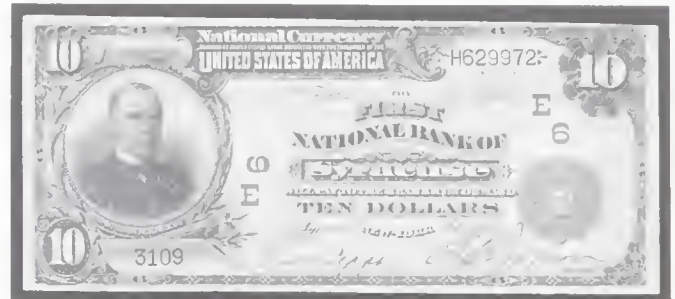

29579 Syracuse, NY - \$5 1882 Brown Back Fr. 466 The First NB Ch. # 6

One picture is truly worth a thousand words in describing this note, which is simply the ne plus ultra of circus poster \$5 Brown Backs. It is the only Brown Back of any denomination known from this bank, and has every attribute that a collector could desire, with bold pen signatures, bright white paper, exceptionally vivid colors, and the appearance of a note which was printed this morning. While not new, the paper has retained the "flash" of a note that is new. We can go on and on, but ultimately the market will determine what this unique item is worth tonight. Expect that price to be higher than any of us can conjecture before the hammer falls. **Extremely Fine**, (10,000-15,000)

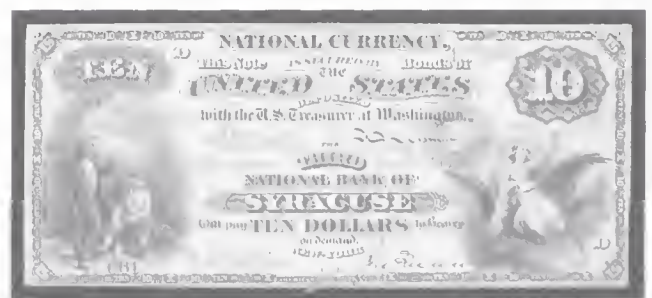

29580 Syracuse, NY - \$5 1902 Date Back Fr. 590 The First NB Ch. # (E)6

A high grade example from this low charter bank. The Kelly census lists only nine examples from here, three of which are in the Sabis holdings, along with the unique Sabis Brown Back, which is not in the census. **Extremely Fine**, a note certain to see considerable demand from the many collectors of first hundred charter notes. (600-900)

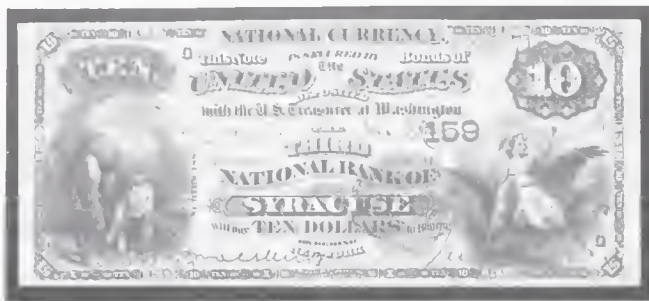

29581 Syracuse, NY - \$10 1902 Red Seal Fr. 613 The First NB Ch. # (E)6

Two Red Seals are recorded in the new census from this bank, with this beauty the nicer of the pair. This is a note which even the most particular of collectors would fall in love with, as it combines both type and bank rarity along with condition in one single note. Pen signed **Extremely Fine**, with a vivid red overprint, a real winner of a note that is clearly destined for a most important collection. (2,500-3,500)

29582 Syracuse, NY - \$10 Original Fr. 409 The Third NB Ch. # 159

A nice example of this very scarce and underrated type, which looks even better than its technical grade. The margins are good, the signatures clear, and the color sharp enough to easily support the grade. **Very Fine**, (1,250-1,750)

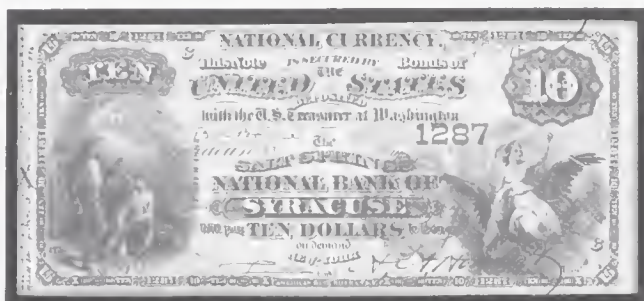

- 29583 Syracuse, NY - \$10 1882 Brown Back Fr. 479 The Third NB Ch. # 159

A high grade Brown Back which is as nice as any note we've ever seen from here. Bright **Extremely Fine+**. (600-900)

- 29584 Syracuse, NY - \$10 1902 Plain Back Fr. 624 The Third NB Ch. # 159

Bright Crisp **Uncirculated**, but cut slightly into the design at the bottom, and with more than a fair amount of light handling. (275-425)

- 29585 Syracuse, NY - \$10 1882 Brown Back Fr. 481 The Salt Springs NB Ch. # 1287

An interesting Brown Back with a message on the left margin which reads "Last Bill signed [by] Alfred Adolphus Howlett as President of Salt Springs Bank, Monday, December 28, 1896." Bright **Extremely Fine**, ex-Shiva collection sale, lot 103. (600-900)

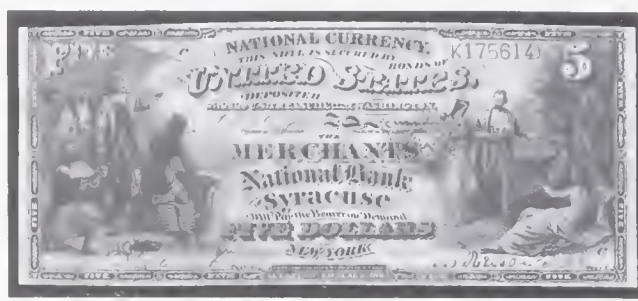

- 29586 Syracuse, NY - \$20 1902 Plain Back Fr. 650 The Salt Springs NB Ch. # (E)1287

Large notes only from this tougher Syracuse bank. **Fine**. (175-275)

- 29587 Syracuse, NY - \$1 Original Fr. 380 The Syracuse NB Ch. # 1341

First Charters only from this very rare Syracuse bank, with the Kelly census showing just two examples extant. Well circulated but intact **Very Good**, with good color for the grade. (900-1,400)

- 29588 Syracuse, NY - \$5 Original Fr. 397 The Merchants NB Ch. # 1342

A tough note to grade, as the piece displays little real circulation and has bright colors, but shows substantial aging and has a small edge repair. **Very Fine**, inspection advised. (400-600)

- 29589 Syracuse, NY - \$10-\$10-\$10-\$20 1902 Plain Back Fr. 624/650 The Merchants NB & TC Ch. # 1342

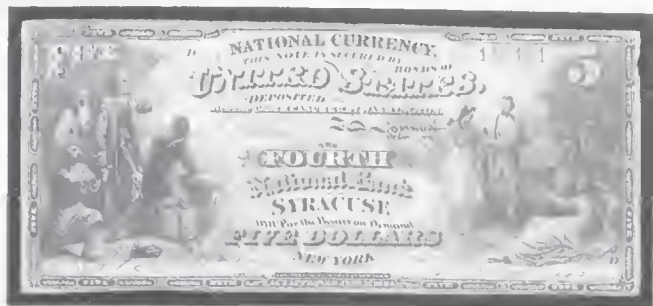

A lovely pen signed uncut sheet from the Sabis collection which is the only large size uncut sheet reported from Mr. Sabis' home town. There is a bit of light handling common to these oversize items, and one sharp fold at the bottom of the sheet, but the notes are otherwise as new **Crisp Uncirculated**. (2,500-3,500)

29590 Syracuse, NY - \$20 1902 Plain Back Fr. 650 The Merchants NB Ch. # 1342

Syracuse, NY - \$10 1929 Ty. 1 The Merchants NB & TC Ch. # 1342

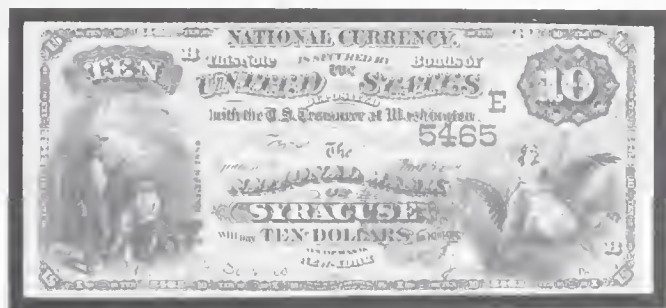

Two pieces, the large note **Fine**, with a tight bottom margin, the small note **Fine+**, with a tiny number on the front. (Total: 2 notes) (120-160)

Unique for the Bank

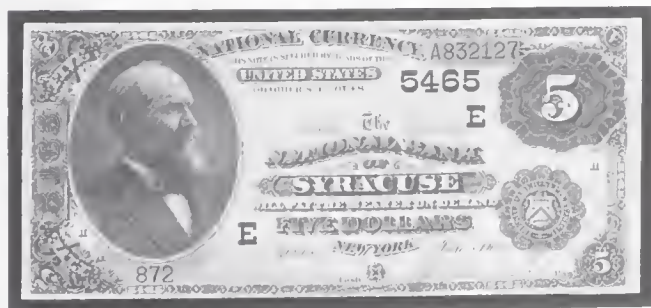

29591 Syracuse, NY - \$5 Original Fr. 397 The Fourth NB Ch. # 1569

Unique to our best knowledge, with this note coming from a bank which issued only until its demise in 1872. Bright **Fine++**, a great note which is likely to remain unique forever. (2,500-4,500)

29592 Syracuse, NY - \$10 1882 Brown Back Fr. 490 The NB of Syracuse Ch. # (E)5465

Brown Backs and Date Backs only from this bank. Pen signed **Very Fine**. (400-500)

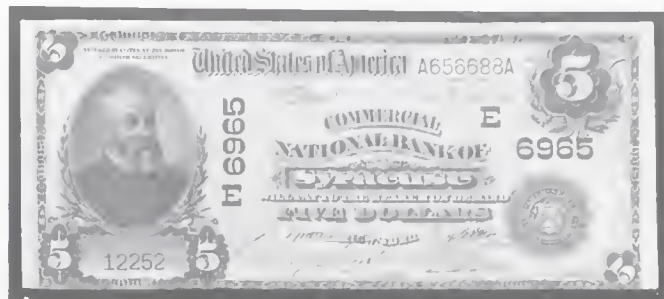

29593 Syracuse, NY - \$5 1882 Date Back Fr. 537 The NB of Syracuse Ch. # (E)5465

A lovely note from this tougher Syracuse bank that could well be the highest grade example known from here. **Choice Crisp Uncirculated**, with exceptionally vivid color and appeal. (1,250-1,750)

29594 Syracuse, NY - \$10 1882 Date Back Fr. 545 The NB of Syracuse Ch. # (E)5465

The only other type issued here. **Fine-Very Fine**. (350-450)

29595 Syracuse, NY - \$5 1902 Date Back Fr. 590 The Commercial NB Ch. # (E)6965

This Date Back is easily the highest grade example we've seen from this short lived bank. **Extremely Fine**, trimmed close at the bottom. (400-600)

29596 Syracuse, NY - \$10 1902 Red Seal Fr. 613 The Commercial NB Ch. # (E)6965

Two Red Seals are listed from here in the new Kelly census, neither of them this example. This short lived bank issued only Red Seals and Date backs before departing in 1915. **Fine**, with strong signatures. (500-700)

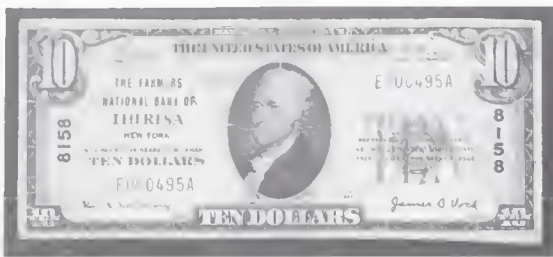

29597 Syracuse, NY - \$10, \$20 1929 Ty. 1 Lincoln NB & TC of Syracuse Ch. # 13393

Two pieces, both **Very Fine** or a bit better. Bill Sabis started collecting by obtaining these notes, showing once again how important each National, however inexpensive, is in starting and encouraging new collectors. (Total: 2 notes) (60-80)

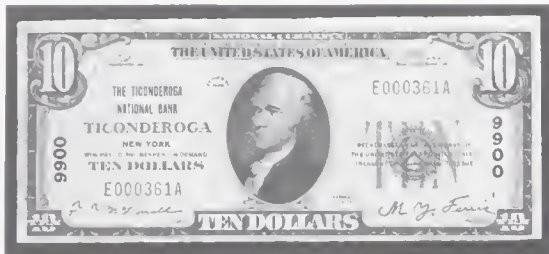

29598 Theresa, NY - \$20 1902 Plain Back Fr. 651 The Farmers NB Ch. # (E)8158

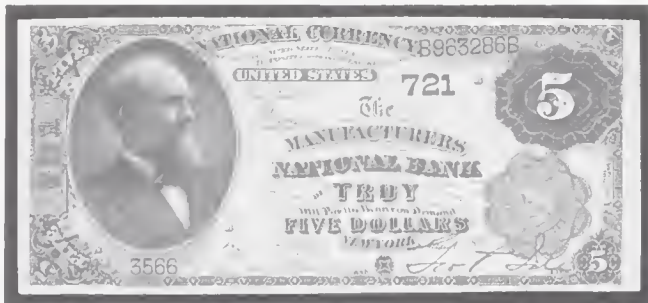

A very rare bank in large size, with just two examples recorded in the census. **Fine**, with a miniscule corner tip gone. (1,200-1,800)

- 29599 **Theresa, NY - \$10 1929 Ty. 1 The Farmers NB Ch. # 8158**
Evenly circulated **Fine** small example, with a tiny piece of bank stamp on the front. (450-650)

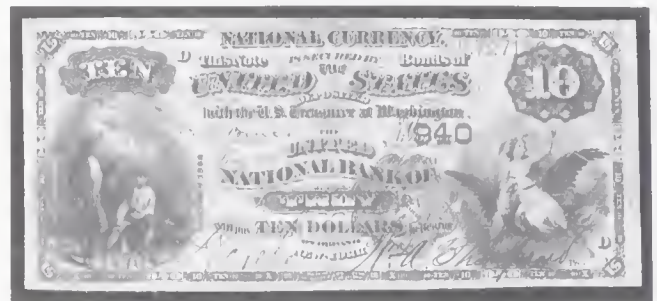

- 29600 **Ticonderoga, NY - \$10 1929 Ty. 1 The Ticonderoga NB Ch. # 9900**
The only bank to issue Series 1929 examples from the site of one of our country's great military victories, when Ethan Allen and his Green Mountain Boys took Fort Ticonderoga, the citadel that the British thought was impregnable, denying the British control of strategic Lake Champlain. Nice **Fine-Very Fine**. (300-400)

- 29601 **Troy, NY - \$5 1882 Brown Back Fr. 467 The Manufacturers NB Ch. # 721**
A lovely \$5 Brown Back with a great layout and minimal evidence of any real circulation. Pen signed **Very Fine-Extremely Fine**, with the appearance of a note several grades higher. (800-1,200)

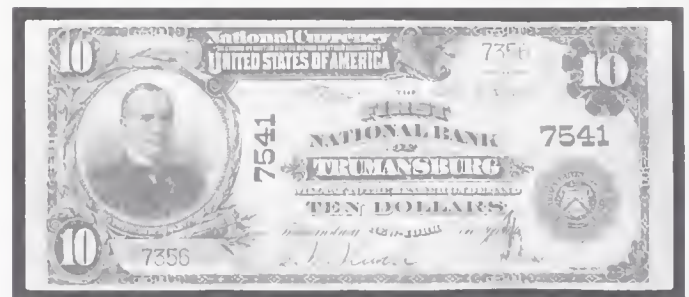

- 29602 **Troy, NY - \$5 1929 Ty. 2 The Manufacturers NB Ch. # 721**
Crackling fresh Gem Crisp Uncirculated. (200-300)

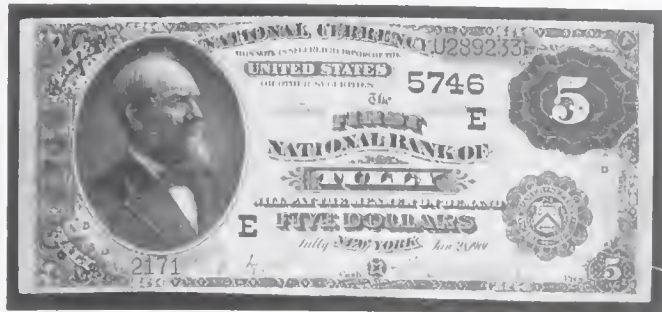

- 29603 **Troy, NY - \$10 1882 Brown Back Fr. 480 The United NB Ch. # 940**
An attractive pen signed Brown Back. **Very Fine**. (400-600)

- 29604 **Troy, NY - \$1 Original Fr. 380 The National State Bank Ch. # 991**
A First Charter ace bearing serial number 1. Judging from its condition, this was carried in a wallet or as a pocket piece for some years, as there is very little actual wear save for considerable aging, splits at the three hard folds, and a bit of wallet stain on a quarter of the reverse. This is the only serial number 1 note reported from here, and worthy of a substantial bid notwithstanding its grade of **Fine**. (1,250-1,750)

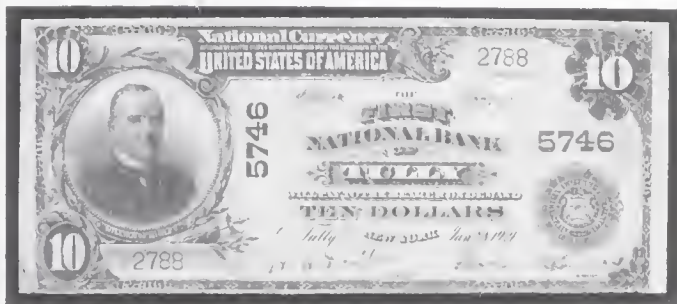

- 29605 **Trumansburg, NY - \$10 1902 Plain Back Fr. 624 The First NB Ch. # 7541**
A tougher Tompkins County bank which was the only issuer in town. The Kelly census shows just six large notes. Pen signed **Fine-Very Fine**. (1,000-1,500)

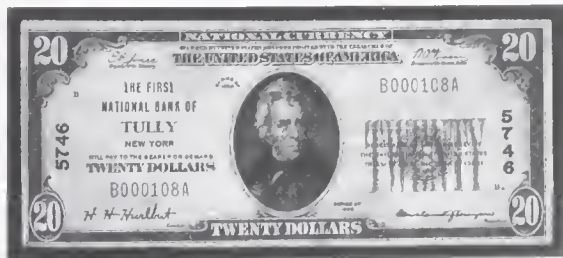

- 29606 Tully, NY - \$5 1882 Value Back Fr. 574 The First NB Ch. # (E)5746

A very rare type from a very rare bank, with this the sole reported Value Back from this small bank in the new Kelly census. We sold this note back in September of 1999, when it realized a very strong \$2640, a testament to its rarity even in a considerably weaker market. Expect this pen signed **Fine-Very Fine** example to now to exceed that number, likely ending in the range of... (2,750-4,250)

- 29607 Tully, NY - \$10 1902 Plain Back Fr. 633 The First NB Ch. # 5746

A just plain rare bank in large size, with this Syracuse area issuer showing just \$620 outstanding in large notes by 1935. The census shows three pieces known, and Bill Sabis, through years of searching, has two, one this pen signed Plain Back. **About Fine**. (1,500-2,500)

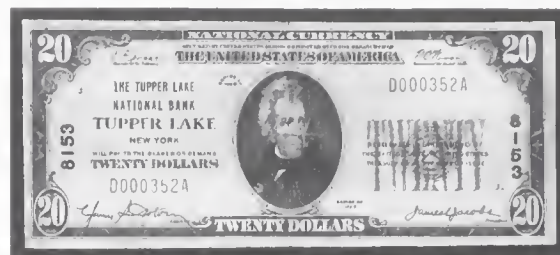

- 29608 Tully, NY - \$20 1929 Ty. 1 The First NB Ch. # 5746
This is a rare bank in small size as well, with just three examples listed in the Kelly census. Evenly circulated **Fine-Very Fine**. (800-1,200)

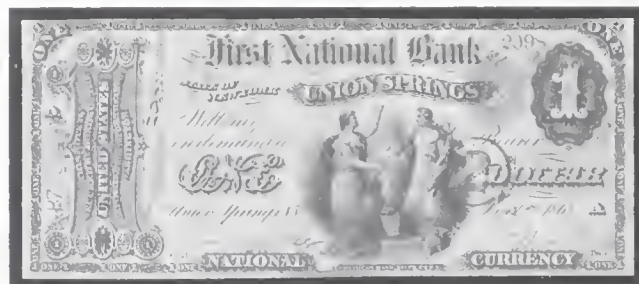

- 29609 Tupper Lake, NY - \$10 1902 Plain Back Fr. 625 The Tupper Lake NB Ch. # 8153

A very scarce large note from a small town nestled in the great swath of wilderness that makes up the huge Adirondack State Park. Just three large examples make up the entire census, with this easily the finest we know of. **Bright Extremely Fine**. (1,500-2,500)

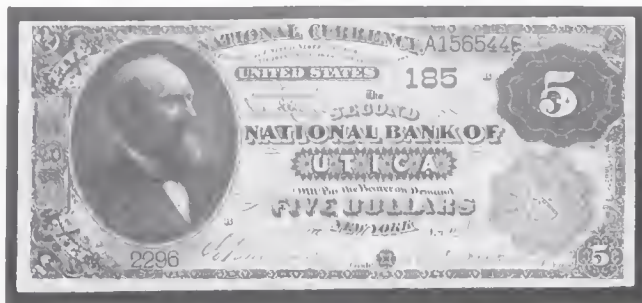

- 29610 Tupper Lake, NY - \$20 1929 Ty. 1 The Tupper Lake NB Ch. # 8153

Eight small notes are reported, but this is still a bank which is very infrequently seen. **Fine+**. (550-850)

- 29611 Union Springs, NY - \$1 Original Fr. 380 The First NB Ch. # 342

An exceptionally rare note from the only bank chartered in this tiny Cayuga County village. First Charters and Brown Backs only were issued, with the bank liquidating in 1890. The Kelly census shows one note known. This example was obtained by Bill Sabis from the 1995 Shiva collection sale, where it was lot 107. That also marks the last offering from here, making this an opportunity for one New York collector to add a previously unrepresented town to his holdings. **Fine**, with a stamped number on the front. (2,500-4,500)

- 29612 Utica, NY - \$5 1882 Brown Back Fr. 466 The Second NB Ch. # 185

The paper is not quite as bright as it could be, the the title layout on this \$5 Brown Back is a real knockout. Pen signed **Very Fine-Extremely Fine**. (1,000-1,500)

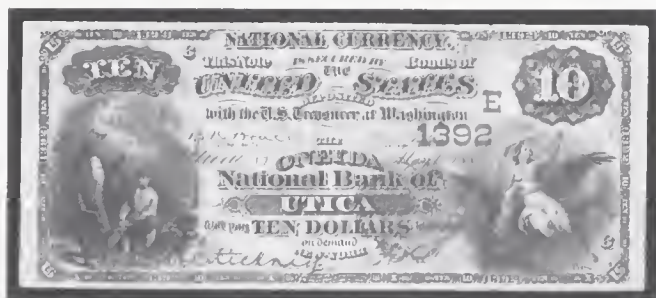

- 29613 Utica, NY - \$10 1882 Brown Back Fr. 481 The Utica City NB Ch. # 1308

Fine, with a couple of minor splits at the center. (250-350)

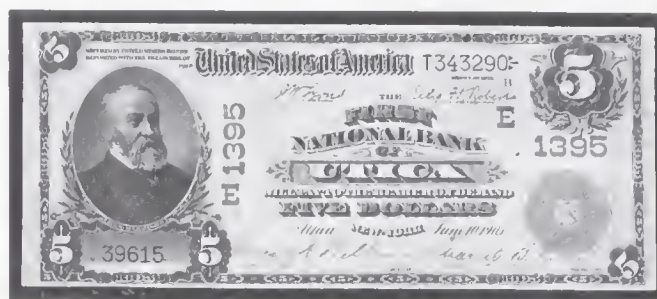

- 29614 Utica, NY - \$20 1902 Red Seal Fr. 639 The Utica City NB Ch. # (E)1308

The only \$20 Red Seal reported of three examples from here listed in the new Kelly Red Seal census. **Fine-Very Fine**, with one small age spot. (500-700)

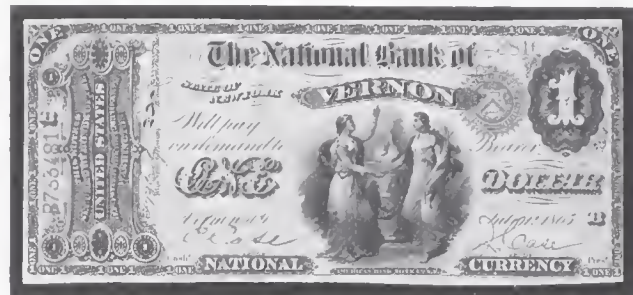

- 29615 Utica, NY - \$10 1882 Brown Back Fr. 481 The Oneida NB of Utica Ch. # (E)1392

A decent Brown Back from this not terribly scarce bank. **Fine-Very Fine**, with a couple of pinholes. (300-500)

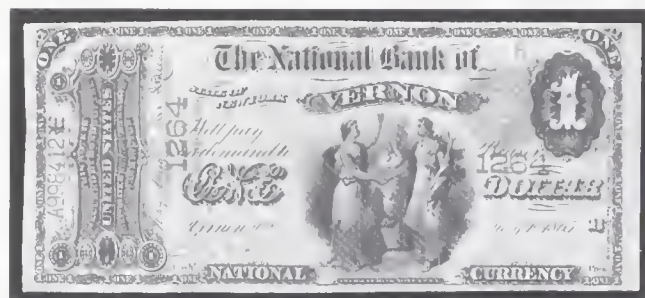

- 29616 Utica, NY - \$5 1902 Red Seal Fr. 587 The First NB Ch. # (E)1395

New to the census and one of just two Red Seals reported from this otherwise available bank. **Very Fine-Extremely Fine**, the red overprint just a bit muted (600-800)

- 29617 Vernon, NY - \$1 Original Fr. 380 The NB of Vernon Ch. # 1264

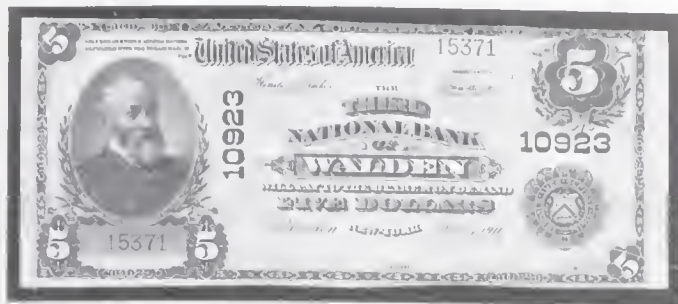

The first of a pair of First Charter aces from this Oneida County community. This is a very pretty note, with delicate pen signatures of E. Case and J. Case. Bright **Extremely Fine**, the right margin trimmed a bit close. (1,100-1,400)

- 29618 Vernon, NY - \$1 1875 Fr. 385 NB of Vernon Ch. # 1264 A Series 1875 example with low serial number 8. **Very Fine**. (800-1,200)

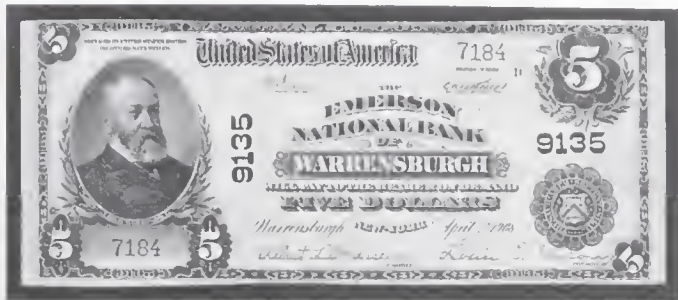

- 29619 Vernon, NY - \$10 1902 Plain Back Fr. 624 NB of Vernon Ch. # (E)1264

A more than acceptable Third Charter example, a very seldom seen type from this bank. **Fine-Very Fine**. (300-500)

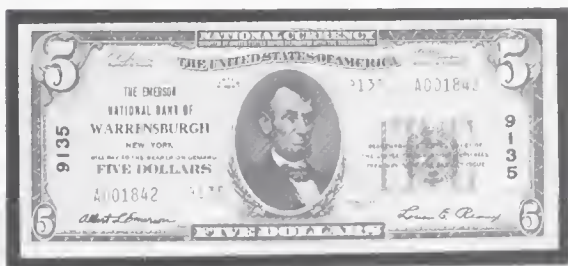

29620 Walden, NY - \$5 1902 Plain Back Fr. 606 The Third NB Ch. # 10923

A high grade example from this Orange County bank, with a Kelly census of just five large notes. **Very Fine-Extremely Fine.** (450-650)

29621 Warrensburgh, NY - \$5 1902 Plain Back Fr. 600 The Emerson NB Ch. # 9135

A very scarce private name bank, particularly in large size, where the Kelly census lists just three examples. We've seen none finer than this piece from the Sabis collection. **Extremely Fine**, with the signature of Albert L. Emerson as cashier. (1,000-1,500)

29622 Warrensburgh, NY - \$5 1929 Ty. 2 The Emerson NB Ch. # 9135

The only small note we've ever seen or heard of from here in anywhere near this grade. **Choice About Uncirculated**, Choice New but for the lightest of center bends. Again, Albert L. Emerson signs as cashier, the real position of influence at most rural banks, which reserved the position of president for a prominent local citizen but left the cashier to actually run the operations of the bank. (500-800)

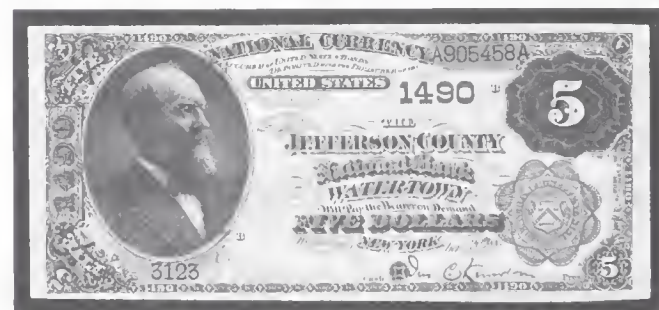

29623 Waterloo, NY - \$1 Original Fr. 380 The First NB Ch. # 368

Only one we've handled from this scarce Seneca County bank. Bright **Very Fine-Extremely Fine**, but with a few splits, which barely affect the appearance of the note. (900-1,200)

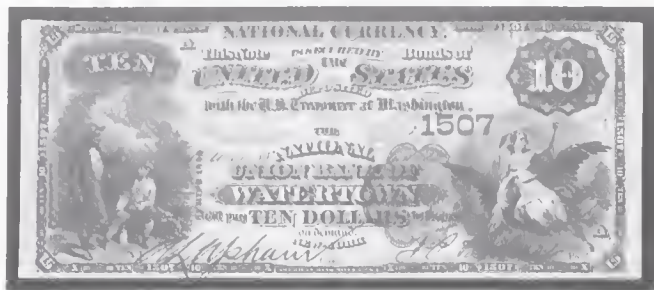

29624 Waterloo, NY - \$10 1902 Red Seal Fr. 613 FNB of Waterloo Ch. # 368

A new piece for the Red Seal census, and the finer of the now two Red Seals reported from here. Bright **Fine**, with a strong red overprint, the top margin trimmed just a bit close. (900-1,200)

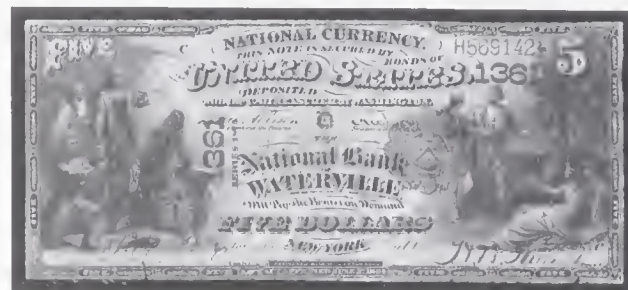

29625 Watertown, NY - \$5 1882 Brown Back Fr. 470 The Jefferson County NB Ch. # 1490

A nice high grade \$5 Brown Back from the Sabis collection. **Extremely Fine-About Uncirculated.** (750-1,150)

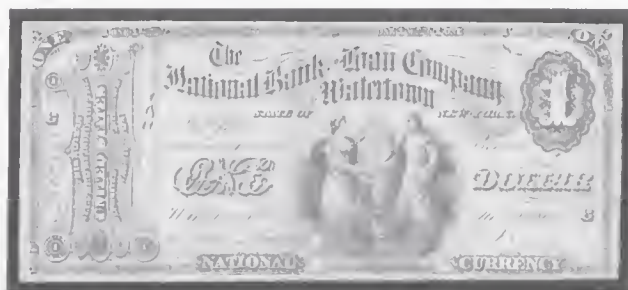

- 29626 Watertown, NY - \$10 1882 Brown Back Fr. 482 The National Union Bank Ch. # 1507

A scarcer Watertown bank which went out in 1910. This \$10 Brown Back is as nice a note as we've seen from here. Pen signed **Extremely Fine**, the top margin a bit tight (900-1,200)

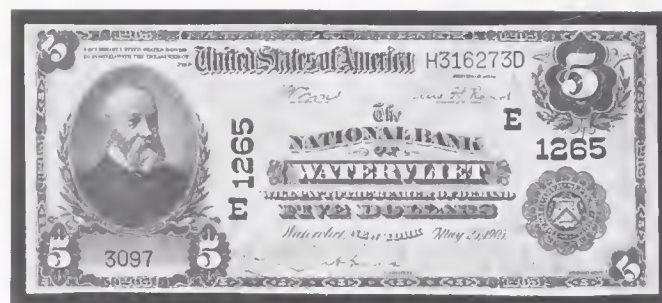

- 29631 Waterville, NY - \$5 1875 Fr. 401 The NB of Waterville Ch. # 1361

Despite a long and rather prolific issue, notes from this one bank Oneida County location are in very short supply, with the census showing just four large size examples of all kinds. This First Charter five is more than acceptable. **Very Good-Fine**, with excellent color for the grade. There is a tiny split that affects nothing. Our records show no offerings whatever from here since a 1989 auction appearance. (900-1,200)

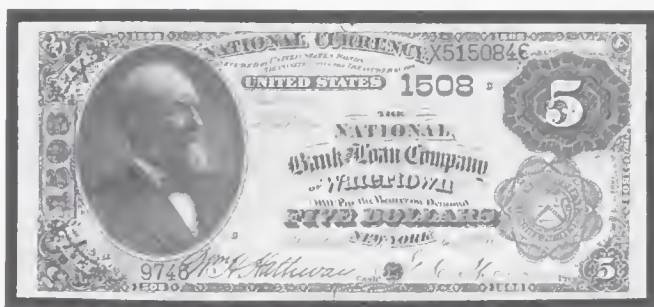

- 29627 Watertown, NY - \$1 Original Fr. 380 The NB & Loan Company of Watertown Ch. # 1508

A very scarce early note from this unusually titled bank. Chartered in 1865 within days of its rival (and consecutively numbered) National Union Bank, it chose to liquidate in December of 1910...on the very same day as did the National Union Bank. This is the only ace we've recorded from the bank. **Fine**. (800-1,100)

- 29632 Watervliet, NY - \$5 1902 Plain Back Fr. 598 The NB of Watervliet Ch. # (E)1265

Bill Sabis seldom wasted time or resources to obtain notes from common banks, but when he did he only acquired high grade examples such as this **Choice Crisp Uncirculated** specimen. (400-600)

- 29628 Watertown, NY - \$5 1882 Brown Back Fr. 469 The NB & Loan Company of Watertown Ch. # 1508

A high grade pen signed \$5 Brown Back with a fancy layout...just what Bill Sabis sought after and what he bought whenever possible. Nice **Very Fine**. (1,100-1,500)

- 29629 Watertown, NY - \$5 1902 Date Back Fr. 590 The Watertown NB Ch. # (E)2657

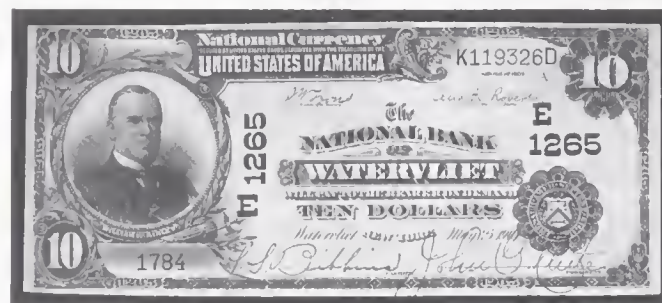

Evenly circulated **Fine-Very Fine** Date Back. (150-200)

- 29630 A Watertown, NY Trio of High Grade Third Charter \$10 Notes, All **Extremely Fine**.

Watertown, NY - \$10 1902 Plain Back Fr. 624 Jefferson County NB Ch. # 1490 (two examples)

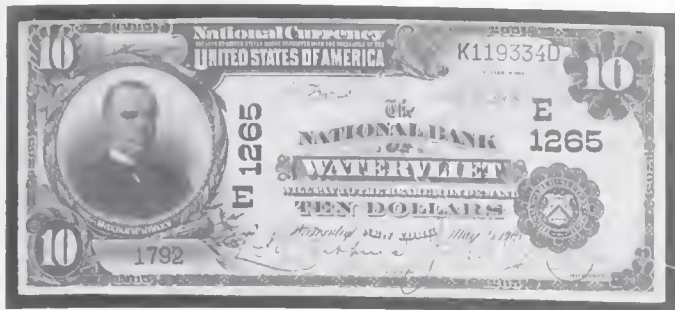

Watertown, NY - \$10 1902 Date Back Fr. 616 Watertown NB Ch. # (E)2657

(Total: 3 notes) (600-1,000)

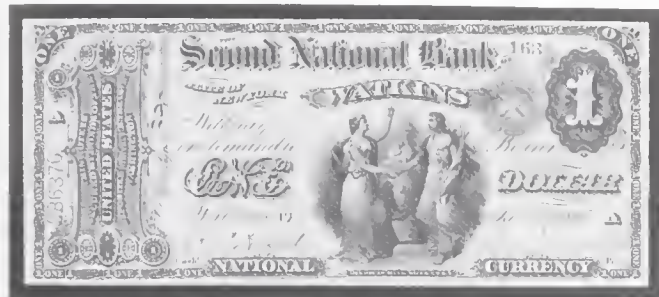

- 29633 Watervliet, NY - \$10 1902 Plain Back Fr. 624 NB of Watervliet Ch. # (E)1265

This note from the Graves collection is from this bank's second title. Only six large size notes on this title are reported, and this **Choice Crisp Uncirculated** example with bold stamped signatures is as pretty as any of them (400-600)

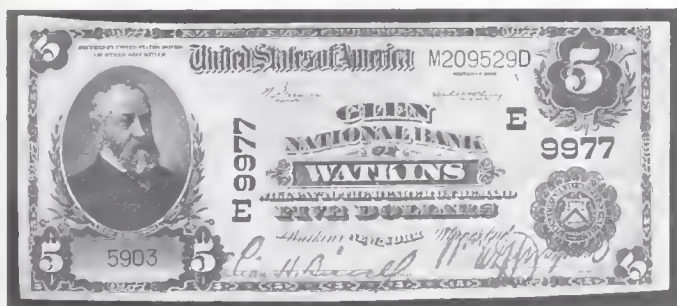

- 29634 Watervliet, NY - \$10 1902 Plain Back Fr. 624 NB of Watervliet Ch. #(E) 1265

This is the second title under which this Albany County bank issued. Watervliet has long been home to a federal arsenal. **CGA Choice Uncirculated 63.** (400-600)

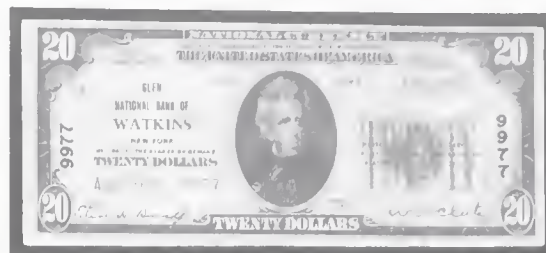

- 29635 Watkins, NY - \$1 Original Fr. 380 The Second NB Ch. #456

First Charters only from this bank, which went out in 1876. Nice **About Uncirculated**, a very scarce note. (1,750-2,250)

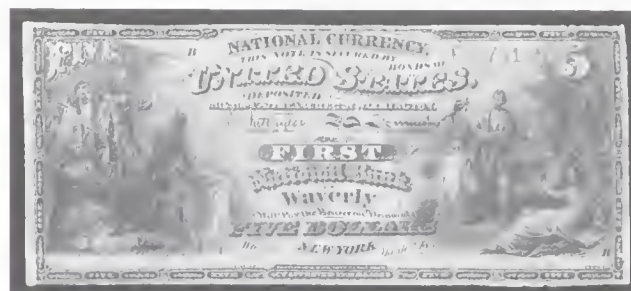

- 29636 Watkins, NY - \$5 1902 Plain Back Fr. 601 Glen NB Ch. #(E)9977

This is not a private name bank, but takes its title from nearby Watkins Glen, a spectacular landscape which is one of New York's premier tourist attractions. Only six large notes are listed in the Kelly census from this bank, with this exceptionally bright and barely circulated example at the very top of that short list. **Extremely Fine.** (900-1,300)

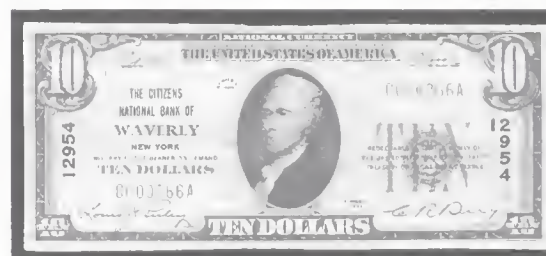

- 29637 Watkins, NY - \$20 1929 Ty. 2 Glen NB Ch. #9977
A nice small example from this seldom seen bank. **Very Fine.** (300-400)

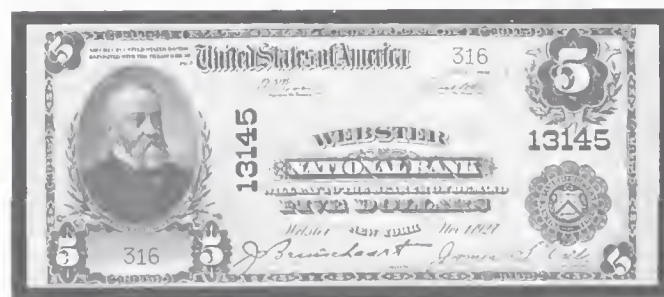

- 29638 Waverly, NY - \$5 Original Fr. 394 The First NB Ch. #297

A scarce early note from this tough Tioga County bank. **Very Good**, with a tiny corner repair. (500-800)

- 29639 Waverly, NY - \$10 1929 Ty. 1 The Citizens NB Ch. #12954

Nice **Very Fine** specimen from this scarcer Waverly issuer. (300-400)

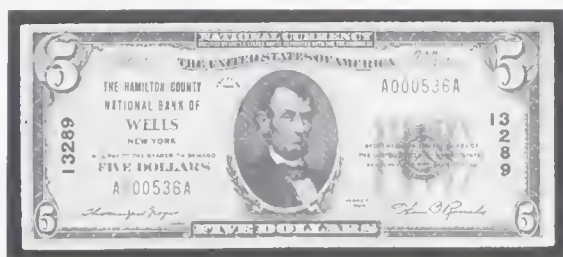

- 29640 Webster, NY - \$5 1902 Plain Back Fr. 610 Webster NB Ch. #13145

A beautiful example from this prohibitively rare issuer in large size, with the bank represented by the one large note in the Kelly census plus the uncut sheet we sold from here back in 1999. **Extremely Fine**, with bright white paper, vivid colors, and bold signatures, a winner of a note from a late charter bank which had but \$725 outstanding in large at its close in 1933. (1,750-3,250)

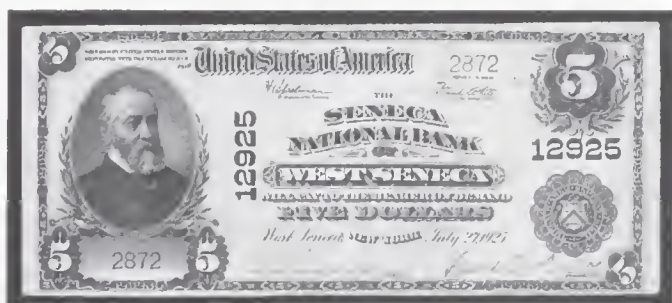

29641 Weedsport, NY - \$10 1902 Plain Back Fr. 632 The First NB Ch. # 11020

A tough note from the sole bank to issue in this small Cayuga County location. **Fine**, with blue pen signatures, from a bank which closed with just \$660 outstanding in large notes. (1,100-1,400)

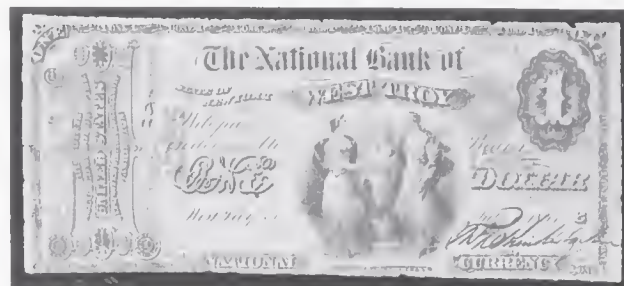

29642 Wells, NY - \$5 1929 Ty. 1 The Hamilton County NB Ch. # 13289

A very rare note from the only bank to issue in rural Hamilton County. Four notes are known from here, exactly matching our offering records, a good indicator that all have been closely held in collections for years, as there have been no opportunities for collectors to acquire any note from here since a 1995 auction appearance. Nice **Fine+**. (1,000-1,500)

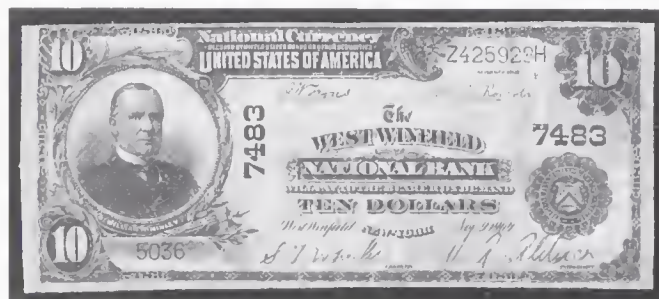

29643 West Seneca, NY - \$5 1902 Plain Back Fr. 609 The Seneca NB Ch. # 12925

A very rare large note from this Buffalo suburb. Just three large examples are known to exist, with a total of only \$855 outstanding from here in 1934 when the receiver showed up to close the doors for good. Our records show just five offerings of any kind from this bank in the past sixty years, with this by far the nicest note from here we know of. **Extremely Fine**, with purple signatures. (1,250-2,250)

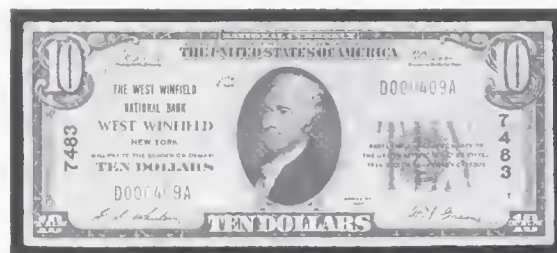

29644 West Troy, NY - \$1 Original Fr. 380 The NB of West Troy Ch. # 1265

This bank's original issuing location, from which four notes are recorded in the Kelly census. **Very Good**, with a couple of inconsequential nicks and splits. (600-900)

29645 West Winfield, NY - \$10 1902 Plain Back Fr. 624 The West Winfield NB Ch. # 7483

A very scarce Herkimer County bank with just three large examples listed in the Kelly census. **About Fine**. (750-1,250)

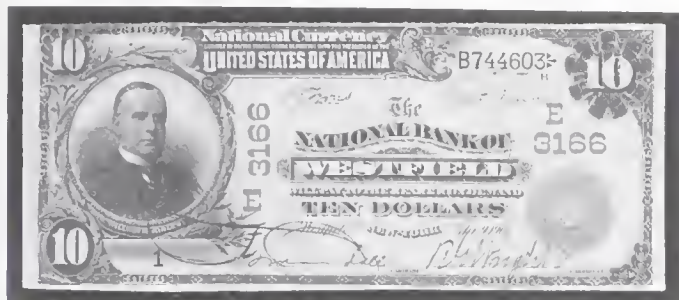

29646 West Winfield, NY - \$10 1929 Ty. 1 The West Winfield NB Ch. # 7483

Not much more common in small size, with the census standing at just four, including this evenly circulated **Very Good-Fine** example. (550-850)

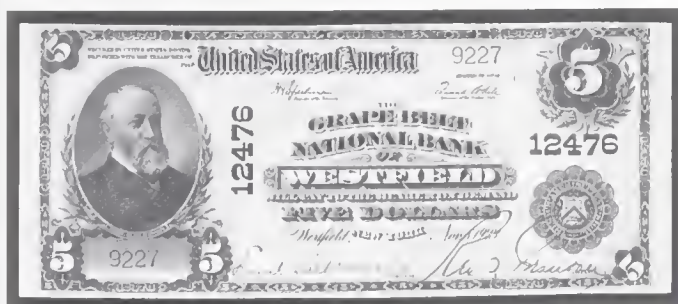

- 29647 Westfield, NY - \$5 Original Fr. 397 The First NB Ch. # 504
A very rare note from a bank which issued First Charter notes only before liquidating in 1884. Two notes are now known from here, with the other considerably lower grade and a bit damaged as well. **Fine**, with a tiny nick in the left margin. (1,500-2,000)

Serial Number 1 Red Seal

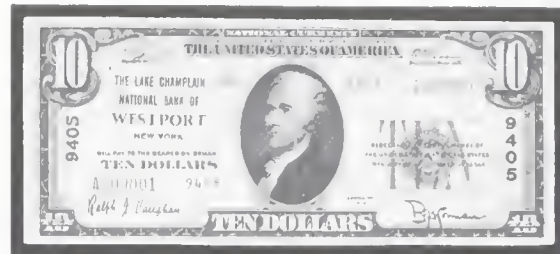

- 29648 Westfield, NY - \$10 1902 Red Seal Fr. 613 The NB of Westfield Ch. # (E)3166
A gorgeous serial number 1 Red Seal from the Sabis collection which is the only number 1 Red Seal reported on the bank. There is some handling, and the top is trimmed close, apparently with a straight edge, but the original embossing is fully present, the overprint blood red, and the pen signatures as fresh as though they had been applied yesterday. **Choice Crisp Uncirculated**. (4,000-7,000)

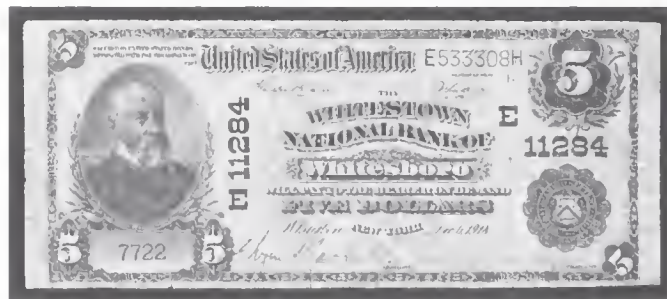

- 29649 Westfield, NY - \$5 1902 Plain Back Fr. 609 The Grape Belt NB Ch. # 12476
A magnificent note with a unique title. All of the superlatives in the world apply here, but suffice it to say that notes do not come any nicer than this well nigh perfect pen Signed **Gem Crisp Uncirculated** example. (1,750-2,250)

- 29650 Westfield, NY - \$5 1929 Ty. 1 The Grape Belt NB Ch. # 12476
A very rare bank in small size, with fives only being issued for less than two years. The census of known examples stands at just two, with this the first we've handled. **About Fine**. (800-1,100)

- 29651 Westport, NY - \$10 1929 Ty. 2 The Lake Champlain NB Ch. # 9405
Serial number A000001, a great note from one of New York's smallest and most obscure issuers. Only two Series 1929 examples are recorded in the census from here, with this of course the sole serial number 1. This was one of the last notes Bill added to his collection, obtaining it in May of 2002, when it brought \$2875 in our Burnside collection sale. **Very Fine**, with a tiny ink mark at the "Y" of New York in the title, likely to again see some serious bidding ending in the range of... (2,500-3,500)

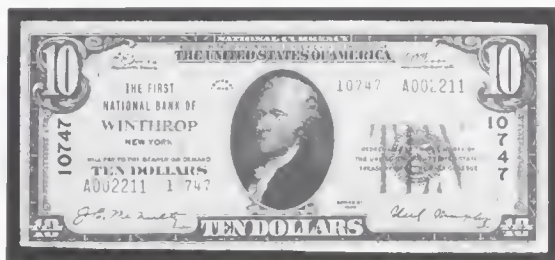

- 29652 Whitesboro, NY - \$5 1902 Plain Back Fr. 606 The Whitestown NB Ch. # (E)11284
Large fives only from this excessively rare bank, which had but \$510 outstanding in 1935. This is the Decker collection example, which was lot 1716 in his 1981 sale. Three notes, including this one, are known from this one bank location, but our records show no offerings from here since 1985. Problem free **Very Good-Fine**. (1,750-3,250)

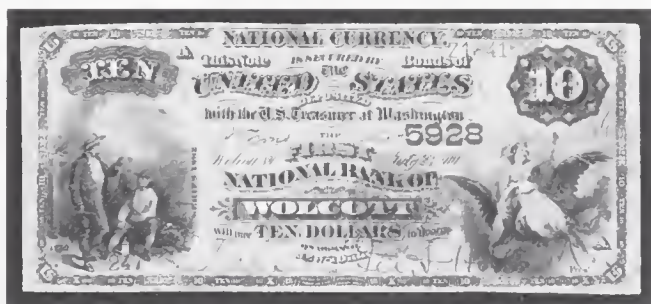

- 29653 Winthrop, NY - \$10 1902 Plain Back Fr. 632 The First NB Ch. # 10747

A small St. Lawrence County bank which had only \$840 outstanding in large notes in 1935. This is as nice an example from here as we know of. **Very Fine**. (1,000-1,500)

- 29654 Winthrop, NY - \$10 1929 Ty. 2 The First NB Ch. # 10747

A nice evenly circulated **Fine** example from this obscure issuer. (600-900)

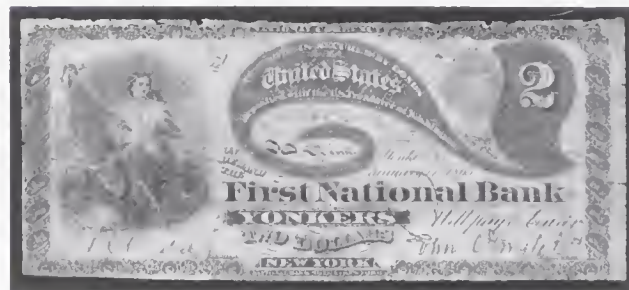

- 29655 Wolcott, NY - \$10 1882 Brown Back Fr. 490 The First NB Ch. # 5928

A very scarce early note from this elusive bank. The Kelly census shows just four large examples from this one bank location. Pen signed **Fine**. (1,200-1,600)

- 29656 Yonkers, NY - \$1 Original Fr. 380 The First NB Ch. # 653

One of the nicest First Charter Westchester County notes we've had the pleasure of handling, as the quality here is well above average on this by no means common FCP ace. There are more than a few storage folds, but the colors and signatures are exceptionally vivid and the note has the look of one which was printed yesterday. **Very Fine+++**, nicer looking than most notes with considerably higher technical grades. (1,250-1,750)

- 29657 Yonkers, NY - \$2 Original Fr. 387 The First NB Ch. # 653

This is one of only two Lazy Deuces enumerated in the new Kelly census from this Westchester County bank, and the only one likely to be available to collectors in the near future, as the other resides in a major Westchester County holding. While not high grade, it is intact, and decent enough to be a part of any significant collection. Well circulated **Very Good**, with several splits and tears but quite intact and still very collectible. (1,500-2,000)

- 29658 An Assortment of Higher Grade New York Third Charters

Buffalo, NY - \$5 1902 Plain Back Fr. 598 Manufacturers and Traders NB Ch. # (E)6186 EF, but with a corner scuff
Poughkeepsie, NY - \$10 1902 Plain Back Fr. 624 Farmers and Manufacturers NB Ch. # 1312 EF
Troy, NY - \$10 1902 Plain Back Fr. 624 Natl City Bank Ch. # 7612 EF
Utica, NY - \$20 1902 Plain Back Fr. 650 Oneida NB Ch. # 1392 EF. (Total: 4 notes) (300-500)

- 29659 Four New York State Big City Third Charter Nationals

New York, NY - \$5 1902 Plain Back Fr. 598 Natl Park Bank Ch. # (E)891 VG
Buffalo, NY - \$5 1902 Plain Back Fr. 607 Community NB Ch. # 11768 Fine
New York, NY - \$10 1902 Date Back Fr. 616 Chemical NB Ch. # (E)1499 Fine
Buffalo, NY - \$10 1902 Plain Back Fr. 633 VG. (Total: 4 notes) (200-300)

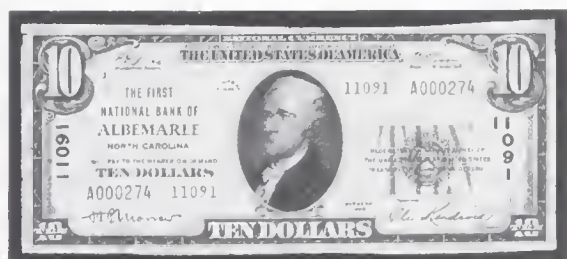

29660 **A Grouping of New York State Nationals from the 1929 Series**

Troy, NY - \$5 1929 Ty. 1 Union NB Ch. # 963 VF
 Troy, NY - \$5 1929 Ty. 1 Natl City Bank Ch. # 7612 VG

 Rochester, NY - \$10 1929 Ty. 2 First NB & TC Ch. # 13330 Fine
 Amsterdam, NY \$20 1929 Ty. 1 Amsterdam City NB Ch. # 4211 VF. (Total: 11 notes) (400-800)

NORTH CAROLINA

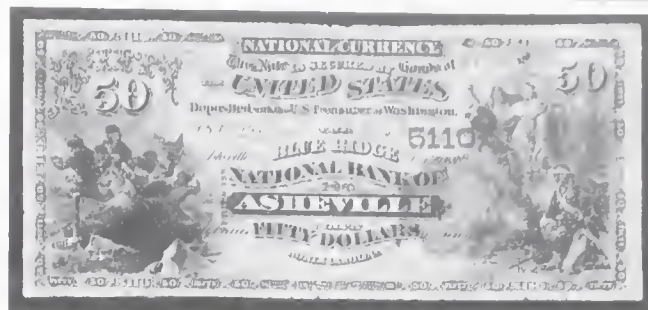

The Coastal Collection of North Carolina National Bank Notes

It is our pleasure to present below the most comprehensive offering of North Carolina National Bank Notes we have had in any of our sales. Formed in the 1960's and early 1970's, the collection is an array of notes which includes early material, rare types, and banks that are almost never available. The collection was put away around 1976 and has remained in a lock box until it was consigned to us for this sale. With demand for better North Carolina notes at historically high levels, its unexpected appearance promises a unique opportunity for the collectors of this state's notes. Enjoy this offering, as it may be a long time until a comparable collection again becomes available.

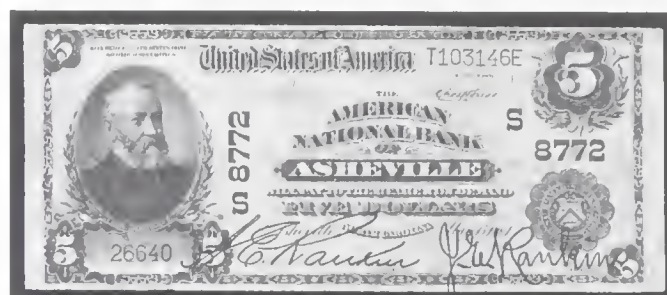

29661 **Albemarle, NC - \$10 1929 Ty. 2 First NB of Albemarle Ch. # 11091**

Although the census lists three uncut sheets and seven individual small size notes from this Stanly County bank, most must be in tight hands or in the state museum holdings as only once has an example appeared for public sale, at a Stack's sale in September, 1996. This example, a lovely **Very Fine** Type Two \$10, is problem-free for the grade and would be an outstanding addition to any collection. A great rarity that should reach or exceed... (750-1,250)

29662 **Asheville, NC - \$50 1882 Brown Back Fr. 517 The Blue Ridge NB Ch. # 5110**

An excessively rare type from an excessively rare bank which issued Brown Backs only before liquidating in 1907. Our records show that the first, last, and only public offering of any note from this bank came back in the landmark Grinnell sale of 1946. Only three \$50 Brown Backs from the entire state are recorded in the Kelly census, with this piece from the Coastal Collection a new addition to that census. **About Fine**, with a few pinholes and minor edge splits, a note likely to see some spirited bidding likely ending in the range of... (5,000-8,000)

29663 **Asheville, NC - \$5 1902 Plain Back Fr. 600 The American NB Ch. # (S)8772**

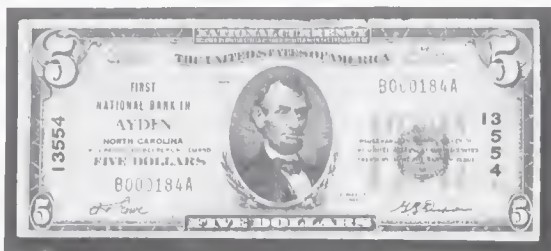

A nice companion to the ultra-rare high denomination example from here which follows, and by no means a common note even in this denomination. Nice **Fine-Very Fine**, with jet black signatures of A.E. Rankin and J.W. Rankin. (400-800)

Excessively Rare North Carolina Dated Back \$50 Unique for the State

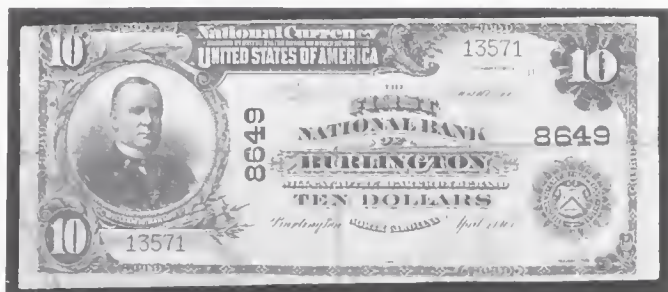

29664 **Asheville, NC - \$50 1902 Date Back Fr. 669 The American NB Ch. # (S)8772**

A new discovery which comes to us courtesy of the Coastal Collection, as this example is the only known \$50 Third Charter Date Back from any bank in North Carolina. It is an attractive piece as well, with vivid colors, excellent paper quality, and exceptionally bold black signatures. If true rarity and real desirability are any guide, expect this **Fine-Very Fine** North Carolina trophy item to bring a very strong price, likely in the range of... (5,000-9,000)

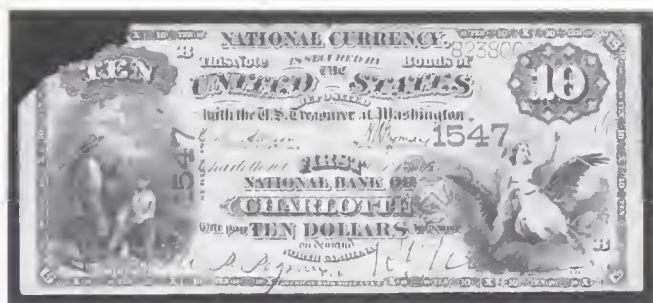

29665 Ayden, NC - \$5 1929 Ty. 1 First NB Ch. # 13554

An extremely scarce note from the only bank to issue from here. The Kelly census number stands at six, but almost all have been closely held for years, as our records show a total of only three appearances at public sale from here during the past sixty years, the last coming back in 1996. **Fine-Very Fine**, the top margin just a tiny bit frayed at the center. (500-800)

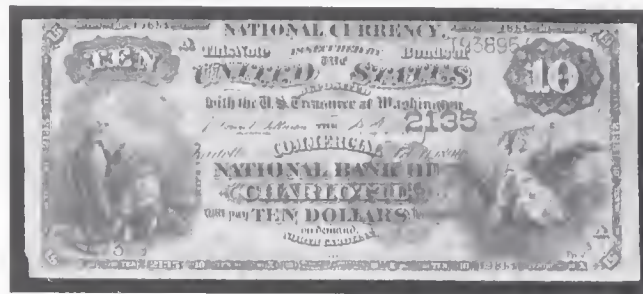

29666 Burlington, NC - \$10 1902 Plain Back Fr. 626 The First NB Ch. # 8649

Only bank in this Alamance County community to issue large notes. **About Fine**, the signatures faded. (350-550)

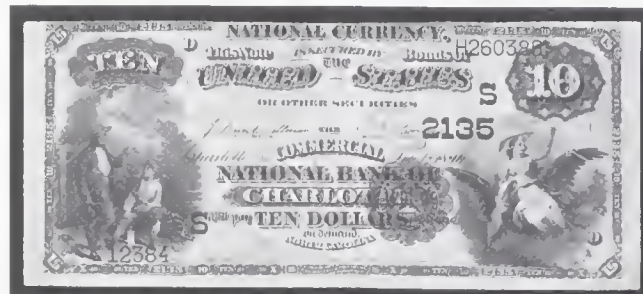

29667 Charlotte, NC - \$10 1875 Fr. 417 The First NB Ch. # 1547

The only First Charter we've ever seen from this bank, and in nice grade as well, with a vivid red overprint and great color. Unfortunately, this otherwise **Very Fine** example has a fairly large piece missing from the upper left corner of the note, turning this from a \$4500 note into something less. How much less will be decided by the collecting public tonight. (1,250-2,500)

29668 Charlotte, NC - \$10 1882 Brown Back Fr. 487 The Commercial NB Ch. # 2135

This is not a rare bank, but early notes from here, particularly First or Second Charters, are scarce items indeed. This Brown Back is the first we've seen from here offered for sale in many years. **Fine**. (900-1,200)

29669 Charlotte, NC - \$10 1882 Date Back Fr. 542 The Commercial NB Ch. # (S)2135

A second early Charlotte example, this grading a nice **Fine-Very Fine**. (600-900)

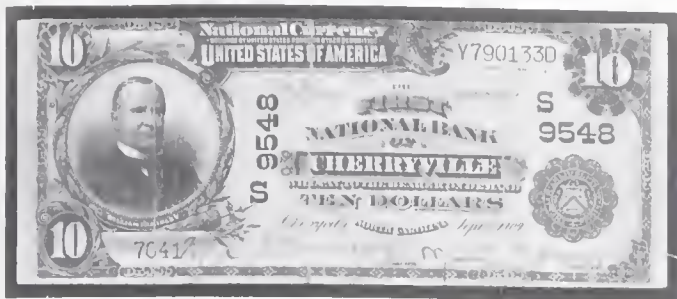

29670 Charlotte, NC - \$5 1902 Plain Back Fr. 605 The Commercial NB Ch. # (S)2135

A nice Third Charter example to round out this Charlotte trio. **Very Fine**. (200-300)

29671 Charlotte, NC - \$10 1902 Plain Back Fr. 631 Commercial NB of Charlotte Ch. # 2135

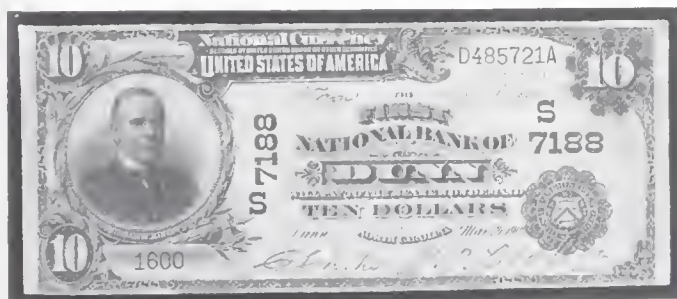

A beautiful **Extremely Fine+** example from the Ralph Graves Collection. From a common bank, but from a state that is becoming more difficult to locate in higher grades. (300-400)

- 29672 **Cherryville, NC - \$10 1902 Plain Back Fr. 626 The First NB Ch. # (S)9548**
Large notes only from this scarce Gaston County bank, which was the only issuer in town. Our consignor obtained this example back in 1969. **Fine-Very Fine.** (500-800)

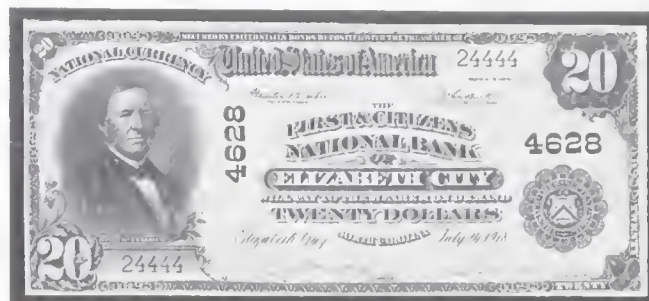

- 29673 **Concord, NC - \$10 1902 Plain Back Fr. 626 The Concord NB Ch. # 3903**
Not a really rare bank in either large or small size, but tough to find, with our records indicating some four years since the last offering of any note from here at public sale. Pleasing **Fine.** (300-500)

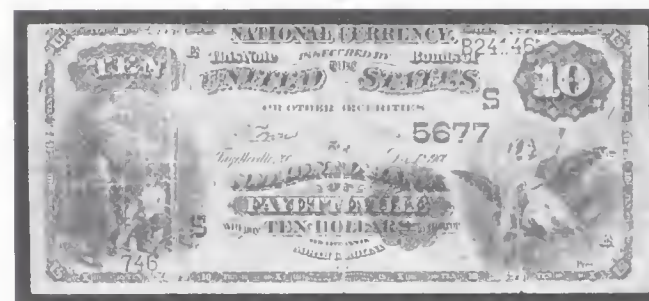

- 29674 **Dunn, NC - \$10 1902 Date Back Fr. 616 The First NB Ch. # (S)7188**
This would be a rare bank but for an original pack of 100 notes from here that changed hands years ago and then disappeared from sight. Until that group comes out (if it ever does), any note from this bank is tough indeed, as our records indicate a total of only four appearances of any example from here at public sale in over sixty years. **Very Good-Fine.** (500-700)
- 29675 **Durham, NC - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 3811**
The upper left corner is rounded, the top margin close, and the left margin is a bit frayed, but otherwise this example grades a solid **Very Fine** or better (125-225)

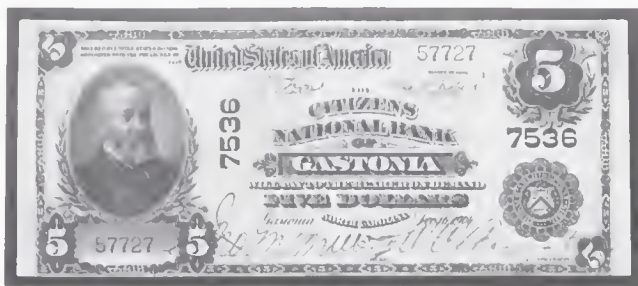

- 29676 **Elizabeth City, NC - \$10 1902 Plain Back Fr. 632 The First & Citizens NB Ch. # 4628**
A rare note, as it is a circulated large example from the bank, one of the classic CU hoard institutions. **Fine.** (150-250)

- 29677 **Elizabeth City, NC - \$20 1902 Plain Back Fr. 658 The First & Citizens NB Ch. # 4628**
One of the many uncirculated examples, though not one of the nicest, as the margins are trimmed close and the reverse shows traces of foxing. **Crisp Uncirculated.** (250-450)

- 29678 **Fayetteville, NC - \$10 1882 Date Back Fr. 545 The NB of Fayetteville Ch. # (S)5677**
A scarcer type and denomination from this state. **Very Good-Fine.** (500-700)
- 29679 **Fayetteville, NC - \$5 1882 Value Back Fr. 574 The NB of Fayetteville Ch. # (S)5677**
A very scarce type and denomination from this state, with reported examples coming from just two banks. Of the seven \$5 Value Backs listed in the census, this may well be the worst, as the note is stained, has a few pieces missing from the bottom, and displays a crude reverse repair. It is however, a Value Back, and, given its rarity, a good space filler until a nicer one comes along. **Good.** (200-400)
- 29680 **Fayetteville, NC - \$5 1902 Date Back Fr. 592 The Fourth NB Ch # (S)8682**
The Kelly census shows just three notes recorded from this rare Fayetteville bank, but if this piece is in the census it has got to be the worst of the three, as the note is missing a good size chunk from the right end, making it a perfect match for the two Fayetteville beauties offered above. **Good.** (200-400)
- 29681 **Gastonia, NC - \$10 1902 Plain Back Fr. 627 The First NB Ch. # (S)4377**
An evenly circulated **Fine+++** example, cut a bit right at the top. (175-275)

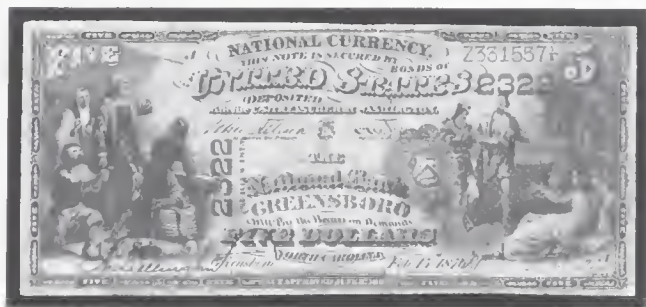

- 29682 **Gastonia, NC - \$5 1902 Plain Back Fr. 598 The Citizens NB Ch. # 7536**

As nice an example from here as we have ever seen. **Choice About Uncirculated**, with one brown and one green pen signature, fully Choice New but for one center fold. (450-650)

- 29683 **Gastonia, NC - \$10 1902 Plain Back Fr. 624 The Citizens NB Ch. # (S)7536**

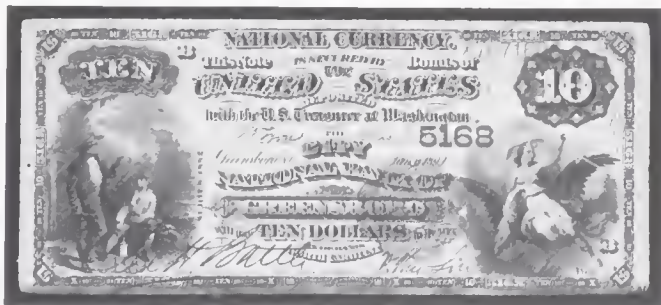

Very Good-Fine large example, the signatures somewhat faded. (150-200)

- 29684 **Greensboro, NC - \$5 1875 Fr. 401 The NB of Greensboro Ch. # 2322**

A very rare type from this southern state, from a bank which issued First Charter fives only until it liquidated at the expiration of its charter in 1896. Our data, listing over 275,000 appearances of notes from all banks combined, shows only two offerings from here in the past decade, with the last coming when we sold a note very similar to this in grade for just under \$2100 back in 2001. Pleasing **Fine**. (2,000-3,000)

Extremely Rare Greensboro Brown Back

- 29685 **Greensboro, NC - \$10 1882 Brown Back Fr. 490 The City NB Ch. # 5168**

One of the great rarities from the Coastal Collection, with this bank having issued Brown Backs only during its short existence from 1899 to 1908. The Kelly census shows just one note extant from here, matching our records, which show just one offering at public sale from here in the past sixty years. Pen signed **Very Fine+**, with a bit of old tape stain affecting the bottom margin only. (2,500-4,500)

- 29686 **Greensboro, NC - \$5 1902 Plain Back Fr. 602 The American Exchange NB Ch. # (S)10112**

First of the three issuing titles used here. Nice **Fine+++**. (200-300)

- 29687 **Greensboro, NC - \$10 1902 Plain Back Fr. 628 American Exchange NB Ch. # 10112**

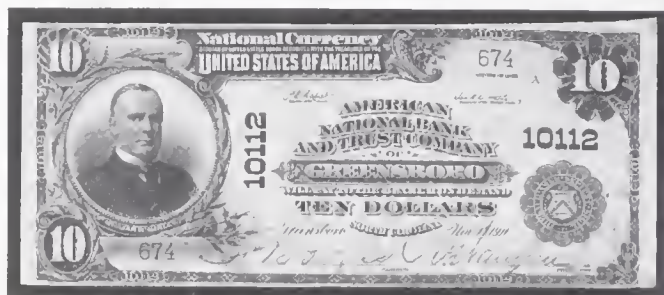

The second title used here, this from 1922 through 1928. Pleasing **Very Fine-Extremely Fine**, a bit close at the top. (200-400)

- 29688 **Greensboro, NC - \$10 1902 Plain Back Fr. 628 The American Exchange NB Ch. # (S)10112**

One of a trio of tens from this bank, with each piece displaying one of the three titles used here. This note bears the first title, used between 1911 and 1922. **Fine**. (150-250)

- 29689 **Greensboro, NC - \$20 1902 Plain Back Fr. 654 The American Exchange NB Ch. # (S)10112**

An attractive and problem free \$20 example rounds out the offering from this Greensboro bank. **Fine-Very Fine**. (175-275)

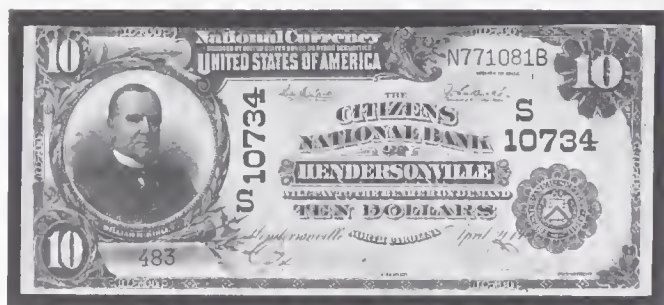

- 29690 **Greensboro, NC - \$10 1902 Plain Back Fr. 628 American NB & TC Ch. # 10112**

The last title used by the bank, found only on notes issued between late 1928 and early 1929. Notes displaying this short lived nomenclature are quite scarce. **Very Fine**. (250-450)

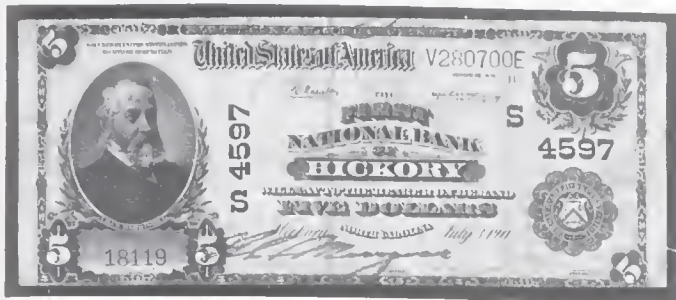

- 29691 **Henderson, NC - \$5 1902 Plain Back Fr. 598 The First NB Ch. # 7564**

Evenly circulated **Very Good+**, a trifle close at the top. (250-350)

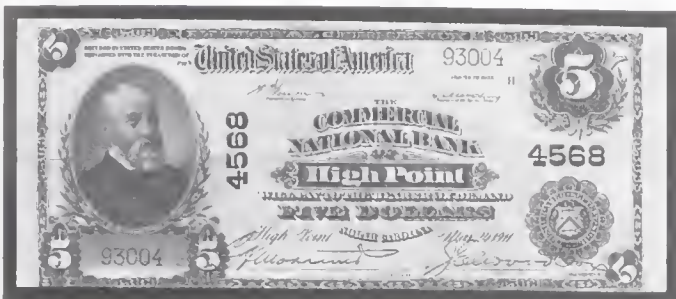

- 29692 **Hendersonville, NC - \$10 1902 Date Back Fr. 623 The Citizens NB Ch. # (S)10734**

A very nice example from this just plain rare bank, and one of our favorite notes from this collection. Bright **Very Fine**, with purple signatures. (800-1,400)

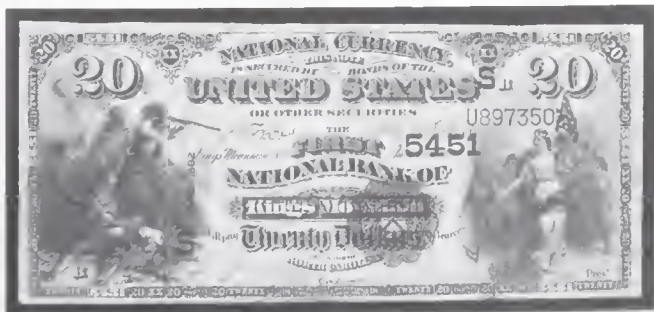

- 29693 **Hickory, NC - \$5 1902 Plain Back Fr. 602 The First NB Ch. # (S)4597**
The only bank to issue in Hickory, and, while quite common in small, not terribly so in large. **Fine-Very Fine**, (250-450)

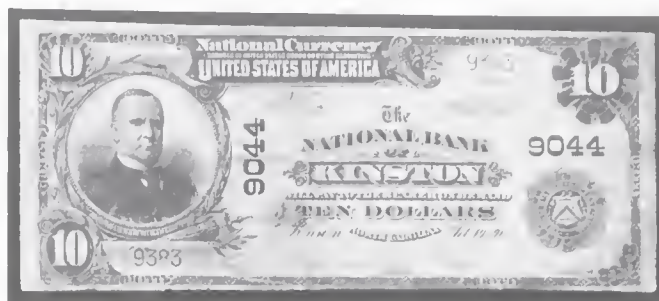

- 29694 **High Point, NC - \$5 1902 Plain Back Fr. 601 The Commercial NB Ch. # 4568**
One of two High Point notes in this collection, with this the nicer of the pair. **Bright Very Fine**, (250-450)
- 29695 **High Point, NC - \$20 1902 Plain Back Fr. 653 The Commercial NB Ch. # (tS)4568**
Version with the regional letter. **Fine**, the bottom margin a bit trimmed in. (175-275)

**Excessively Rare North Carolina \$20 Value Back
One of Three Known**

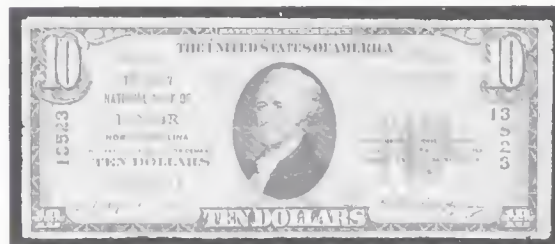

- 29696 **Kings Mountain, NC - \$20 1882 Value Back Fr. 581 The First NB Ch. # (S)5451**
An exceptionally rare denomination and type from North Carolina, and from a none too common bank as well. The new Kelly census lists only 23 Value Backs known from this state in all denominations, with just three twenties, including this piece, which has been off the market for 30 years. One of the other twenties is an impaired "Good," the third is listed without a grade, making this perhaps the finest of the known trio. Nice **Very Good-Fine**, an attractive piece with the grade lowered due to a bit of light staining on the reverse and a small and quite well concealed repaired split, still a major North Carolina rarity likely to see bidding reach or exceed (3,000-5,000)

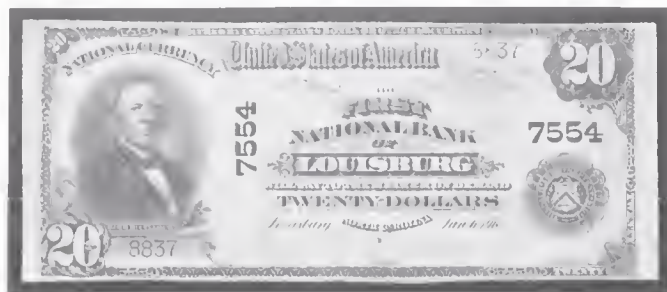

- 29697 **Kinston, NC - \$10 1902 Plain Back Fr. 626 The NB of Kinston Ch. # 9044**
This small Lenoir County community boasted two issuing banks, both chartered in the same month in 1908. Both are quite scarce, with this institution being slightly the more available, although by no means easy to find. The Coastal collection boasts an example from each bank. **About Fine**, with a bit of light soil, most visible on the reverse. (600-900)

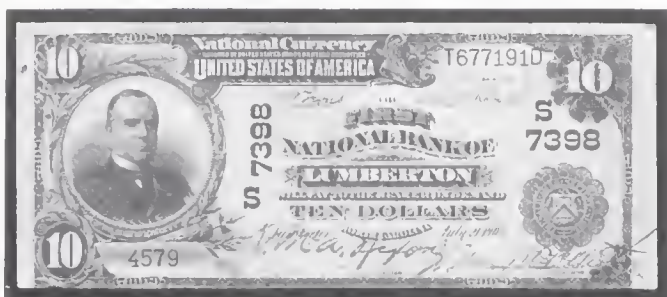

- 29698 **Kinston, NC - \$20 1902 Plain Back Fr. 652 The First NB Ch. # 9085**
Despite a similar survival rate to its Kinston sibling, notes from this bank are significantly harder to find, with our records showing that the last offering of any kind from here, large or small, came back on a Curt Iversen fixed price list some sixteen years ago. **Very Good-Fine**, (750-1,250)

- 29699 **Lenoir, NC - \$10 1929 Ty. 1 Union NB of Lenoir Ch. # 13523**
An extremely rare Caldwell County bank that is represented by a mere five notes, all small size, in the Kelly census. Only two previous public offerings of this bank in the last 60 years are recorded in our records, the last coming in a Stack's sale in 1996. This **Very Good** example is problem-free for the grade and should certainly draw the interest of North Carolina specialists. (400-700)

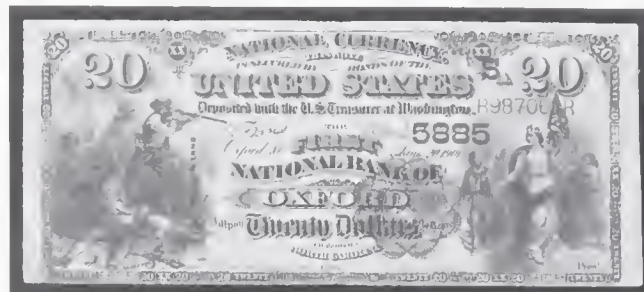

- 29700 **Louisburg, NC** - \$20 1902 Plain Back Fr. 650 The First NB Ch. # 7554
A rather scarce bank with just eight large examples listed in the Kelly census. **Fine+++**, (450-650)

- 29701 **Lumberton, NC** - \$10 1902 Plain Back Fr. 624 The First NB Ch. # (S)7398
Large notes only from this very scarce issuer, with the last appearance of any example from here coming almost ten years ago. Nice **Fine**, one of the better notes in the Coastal Collection. (750-1,250)

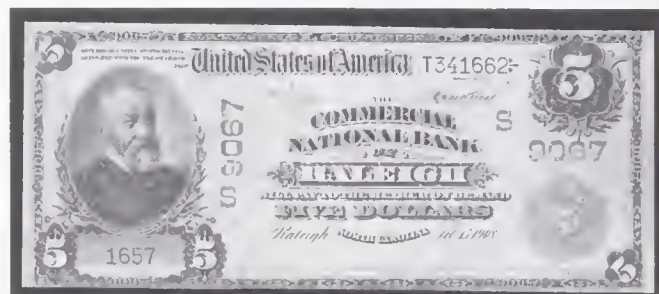

- 29702 **Marion, NC** - \$20 1902 Plain Back Fr. 660 The First NB Ch. # 6095
A tougher large note from the sole bank to issue in this small McDowell County location. **Fine-Very Fine**, the signatures faded. (550-850)

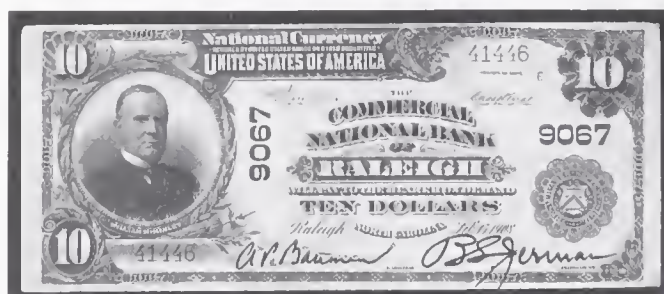

- 29703 **Oxford, NC** - \$20 1882 Brown Back Fr. 504 The First NB Ch. # (S)5885
A great early note from the Coastal Collection, from a just plain rare bank which issued large notes only. We've seen no other Brown Backs from here in many years. **Fine+**, with good color for the grade, and a small margin split listed solely for accuracy in grading. (1,750-2,750)

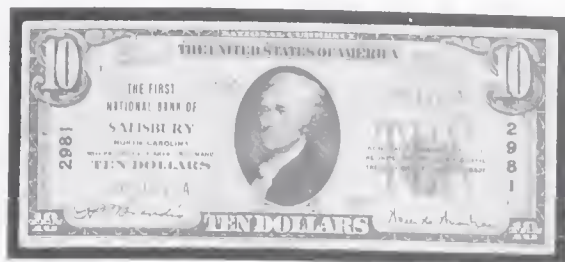

Excessively Rare State Capital \$5 Red Seal

- 29704 **Raleigh, NC** - \$5 1902 Red Seal Fr. 589 The Commercial NB Ch. # (S)9067
Red Seals from this state lack the publicity (and the stratospheric prices) compared to their brethren in nearby South Carolina, but the census for the two states is nearly equal, with Kelly reporting 15 known examples from South Carolina and 18 from North Carolina. This piece, newly reported and part of the Coastal Collection for over 30 years, is only the third \$5 Red Seal recorded on the entire state and the sole Red Seal known from the capital city of Raleigh. It is increasingly difficult to estimate notes of this rarity, as they are impossible to duplicate, but any realization tonight for this evenly circulated **Very Good-Fine** example will likely look like a bargain tomorrow morning. (4,000-6,000)

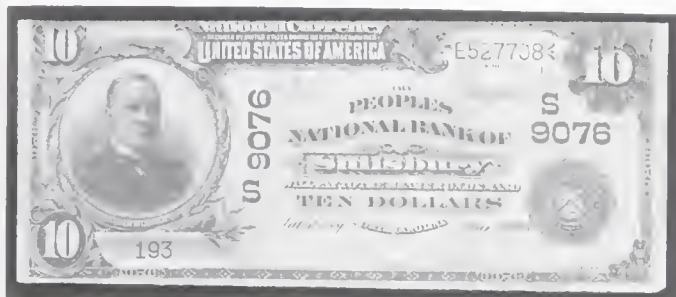

- 29705 **Raleigh, NC** - \$10 1902 Plain Back Fr. 626 The Commercial NB Ch. # 9067
A lovely state capital example. **About Uncirculated**, with great color and signatures. (450-750)

29706 **Salisbury, NC** - \$10 1929 Ty. 1 First NB of Salisbury Ch. # 2981

This scarce Rowan County bank is represented in the census by 15 small size notes. **Very Fine**, problem-free for the grade and with even margins. (350-550)

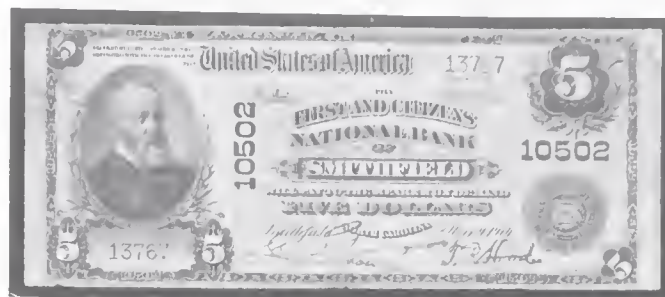

29707 **Salisbury, NC** - \$10 1902 Date Back Fr. 618 Peoples NB of Salisbury Ch. # (S)9076

A rare large size-only bank that is represented by less than half a dozen notes in the census. It rarely appears on the market however, as most examples must be closely held. The only other public offering in the last 60 years was in our January, 2002 FUN sale, a \$5 Plain Back in lower grade. This nice **Fine+** example has a top margin that is cut slightly into the design, but the signatures are faintly visible and the eye appeal is still quite good. Likely to appeal to the many collectors from this state who have been waiting for a second opportunity to own a note from this bank. (900-1,400)

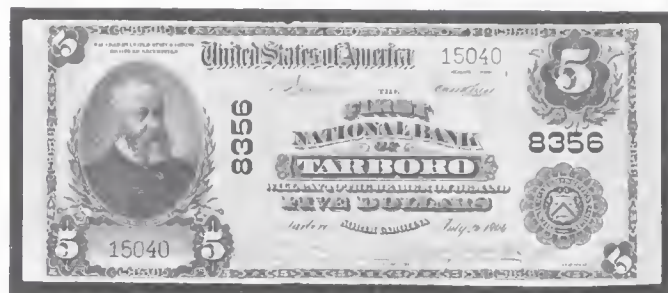

29708 **Shelby, NC** - \$20 1902 Plain Back Fr. 650 The First NB Ch. # 6776

Considerably the more common of Shelby's two issuing banks. **Very Good-Fine**. (200-300)

29709 **Smithfield, NC** - \$5 1902 Plain Back Fr. 605 The First & Citizens NB Ch. # 10502

A very scarce note from the only collectible bank in this Johnston County hamlet. Our records show no appearances whatever at public sale from here since our first sale back in 1990. **About Fine**, with strong signatures. (650-950)

29710 **Tarboro, NC** - \$5 1902 Plain Back Fr. 600 The First NB Ch. # 8356

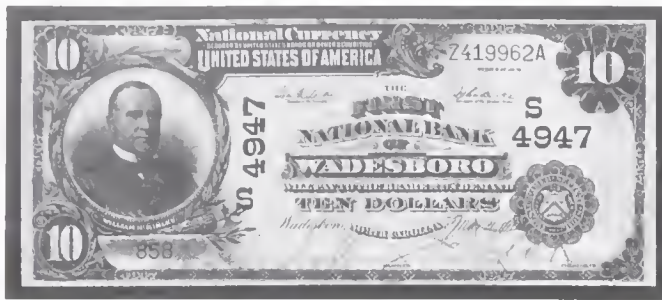

A beautiful example from this very scarce one bank community. The Kelly census shows just six notes recorded from here, and we doubt that many are nicer than this example, which is fully embossed and brand spanking new but for three folds clearly acquired during storage. Vividly colored **Extremely Fine+**, a nice combination of rarity and condition courtesy of the Coastal Collection. (800-1,200)

\$20 Tarboro Red Seal

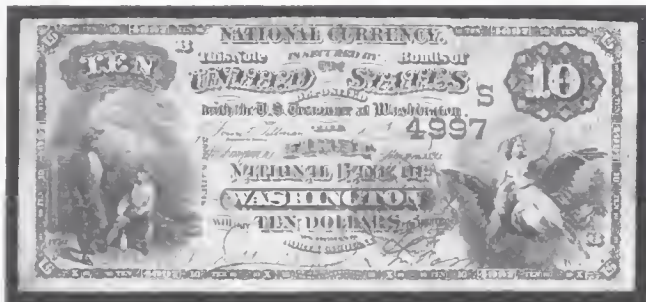

29711 **Tarboro, NC** - \$20 1902 Red Seal Fr. 641 The First NB Ch. # (S)8356

One of the highlights of this great North Carolina offering, as this hitherto unreported Red Seal is the first \$20 example discovered from Tarboro and one of only six \$20 Red Seals known from the entire state. The note displays much evidence of encirculation, but the red overprint is exceptionally vivid and the pen signatures clear and bold. **About Fine**, likely to see considerable attention from this state's many avid collectors. (3,000-4,000)

29712 Wadesboro, NC - \$10 1902 Date Back Fr. 623 The First NB Ch. # (S)4947

Common in small size but very scarce in large, with this example from the Coastal Collection the finest by far we've ever handled. While technically only **Extremely Fine-About Uncirculated** due to its three light folds, the note appears never to have circulated at all, displaying blazing colors, vivid blue signatures, and its full original embossing. It's a premium piece fit for the finest of collections. (800-1,200)

29713 Washington, NC - \$10 1882 Brown Back Fr. 487 The First NB Ch. # (S)4997

Another winner from the Coastal Collection, as this is the first Brown Back we've seen from this bank in many years. Pen signed **Fine**, a scarce early note certain to see considerable bidding before the hammer falls tonight. (1,750-2,750)

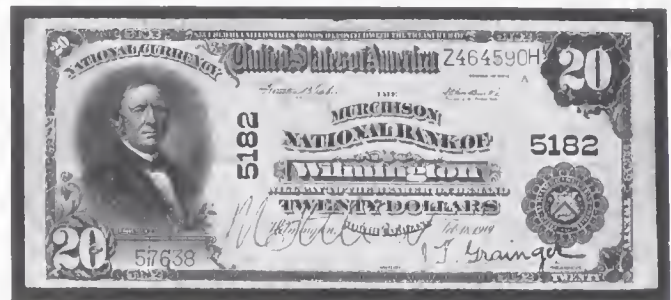

29714 Washington, NC - \$10 1902 Plain Back Fr. 631 The First NB Ch. # 4997

A more than acceptable large example from this tougher Beaufort County bank. **Fine**, with just a touch of light soiling. (350-550)

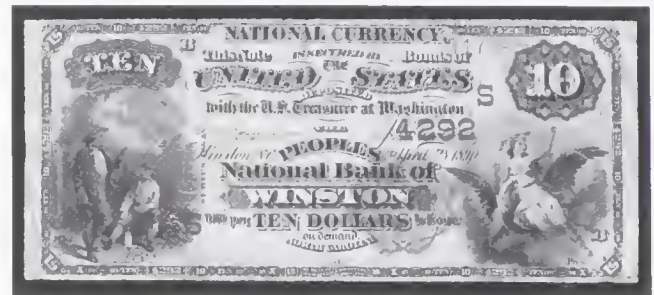

29715 Wilmington, NC - \$10 1902 Plain Back Fr. 632 The Murchison NB Ch. # 5182

A lovely example which is about as nice as any note we've seen from here. The note is close cut at the bottom and has a tiny spot in the top left margin, but is bright, fresh, and fully new. **Choice Crisp Uncirculated**. (500-800)

29716 Wilmington, NC - \$20 1902 Plain Back Fr. 658 The Murchison NB Ch. # 5182

This community had seven issuing banks, not one of which survived to issue Series 1929 examples. This nice looking piece is as late as they come. **Very Fine**, with an inconspicuous light paper clip stain on the reverse. (150-200)

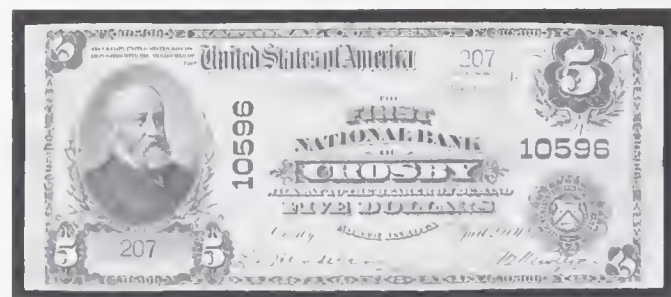

29717 Winston, NC - \$10 1882 Brown Back Fr. 484 The Peoples NB Ch. # (S)4292

A nice way to end this unusually broad North Carolina offering from the Coastal Collection. This is a nice evenly circulated Brown Back from a bank which is certainly not common in early notes and a piece certain to please its new owner. **Fine+**. (1,750-2,750)

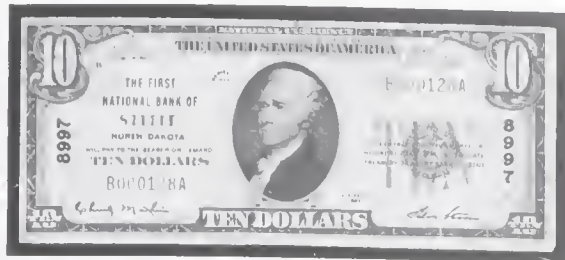

NORTH DAKOTA

\$100 Large Outstanding

29718 Crosby, ND - \$5 1902 Plain Back Fr. 605 The First NB Ch. # 10596

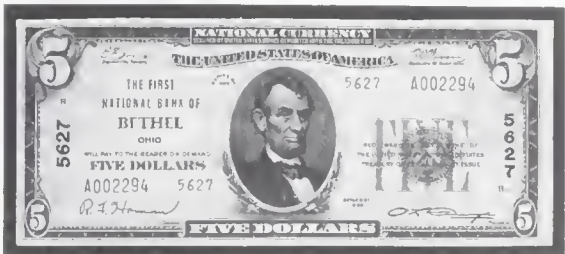

An extremely tough note from the sole bank to issue in this Divide County hamlet. By the time this bank entered receivership in 1932, the total of large notes outstanding had already dropped to \$100. Pen signed **Fine**, a note likely to stay rare forever, with the three examples in the census likely all there ever will be. (2,000-3,000)

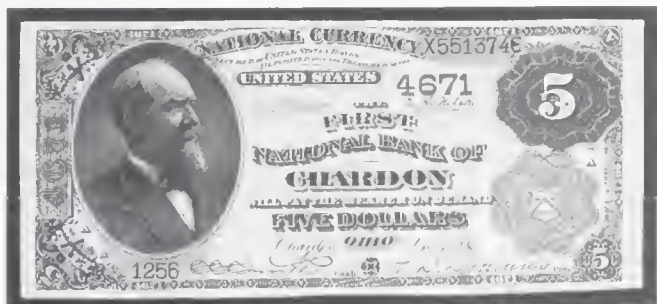

- 29719 **Steele, ND** - \$10 1929 Ty. 1 The First NB Ch. # 8997
From the holdings of Bob Steele, and one of his favorite notes, for obvious reasons. It's also on a very scarce bank which was this small community's sole issuer. Our records show just four offerings of any kind from here, large or small, over the past sixty years, the last coming back in 1997. Nice **Fine-Very Fine**, with one tiny margin split barely worthy of mention. (600-900)

- 29720 **Bellaire, OH** - \$20 1929 Ty. 1 First NB of Bellaire Ch. # 1944

- 29728 Cincinnati, OH - \$5 1902 Plain Back Fr. 607 Lincoln NB of Cincinnati Ch. # (M) 2524
Originally the German National Bank, this institution and many others changed their names during a period of anti-German feeling during World War I. The present example has two light wallet bends and is as appealing and attractive as any uncirculated note, a grade which some would suggest it actually merits. Expect this piece to sell for a price more consistent with a higher grade. **Choice About Uncirculated.** (300-500)

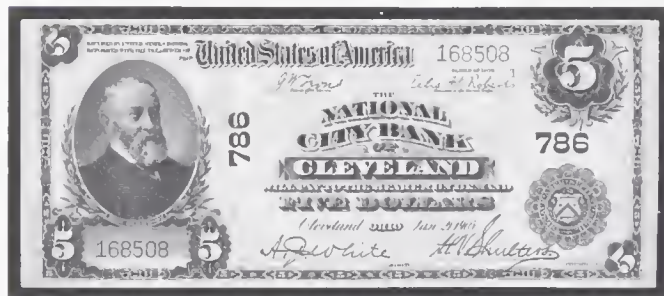

- 29729 Cincinnati, OH - \$5 1902 Date Back Fr. 592 Fifth-Third NB of Cincinnati Ch. # (M) 2798
This is the third title under which this large Ohio bank issued. The offered example is as fresh as the day it left the presses and displays deeply original embossing. A faint crease at left is all that keeps this attractive piece from being considered uncirculated. **Choice About Uncirculated.** (250-450)

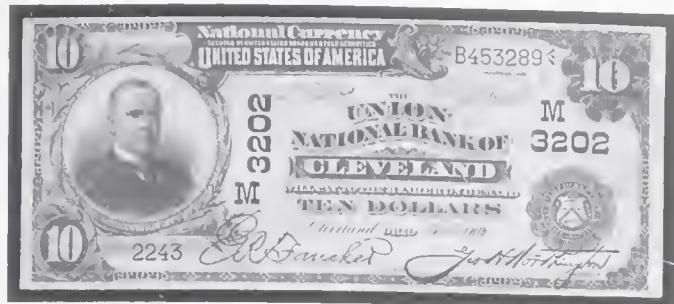

- 29730 Cincinnati, OH - \$5 1882 Brown Back Fr. 469 The Ohio Valley NB Ch. # 3606
A truly scarce Cincinnati bank which issued Brown Backs only before liquidating in 1904. The Kelly census shows just three examples, with this \$5 note from the Sabis collection displaying the ornate layout found only on a handful of the early \$5 Brown Backs. **Fine.** (1,250-2,250)

- 29731 Cleveland, OH - \$5 1902 Date Back Fr. 590 The National City Bank Ch. # (M)786

- 29735 Cleveland, OH - \$20 1902 Plain Back Fr. 658 Union Commerce NB Ch. # (M) 11141
A truly lovely example from this very short lived Cleveland bank, which lasted barely two years before disappearing for good in 1920. We have not seen any note from here even close in grade to this piece, which is exceptionally bright, nicely centered, and boasts two color pen signatures. But for some very light handling, proof of the note's originality, this is a screaming gem which is sure to please its new owner. Choice Crisp Uncirculated. (600-900)

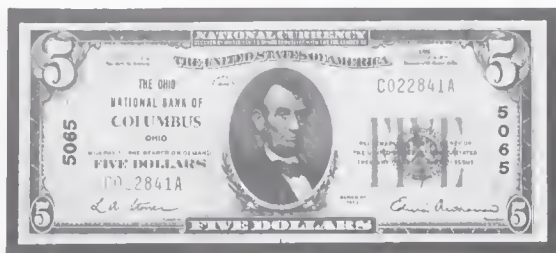

- 29736 Cleveland, OH - \$5 1902 Plain Back Fr. 607 Brotherhood of Locomotive Engineers Co-Operative NB of Cleveland Ch. # (M) 118762
A gorgeous, full original example, from the Ralph Graves collection, of the longest bank name of the more than 14,000 chartered National Banks. The note has its full original embossing, including that of the bank name and design elements, and it would be fully Gem if the bottom margin was as broad as the other three. As it lays, it is a Choice-Gem Crisp Uncirculated example that will likely inspire many spirited bids. (1,000-1,500)

29782 **Dauphin, PA** - \$10 1902 Plain Back Fr. 632 Dauphin NB Ch. # 11512

It was the only bank in town, and issued a miniscule 3,741 sheets of large size notes and had just \$940 in large size currency outstanding in 1935. Not surprisingly, only two large size notes are in the census. A nice pen signed example from this Montgomery County bank. While we have handled a fair number of small notes from here, this is the first large example we've had from here in many years, not surprising in view of the Kelly census total of just four pieces. **Fine+++**. (700-1,000)

- 29798 Harrisburg, PA - \$10 1902 Plain Back Fr. 624 The Harrisburg NB Ch. # (E) 580

A considerably above average example from the Pennsylvania state capital. Bright **Extremely Fine-About Uncirculated**. (250-450)

A remarkably well-preserved near-Gem example from this rare bank that reports a mere four large size notes to the census. - 29820 Philadelphia, PA - \$5 1882 Brown Back Fr. 467 The Farmers & Mechanics NB Ch. # 538
Not a rare bank, but hardly common with this ornate layout either. **Fine-Very Fine**. (300-500)

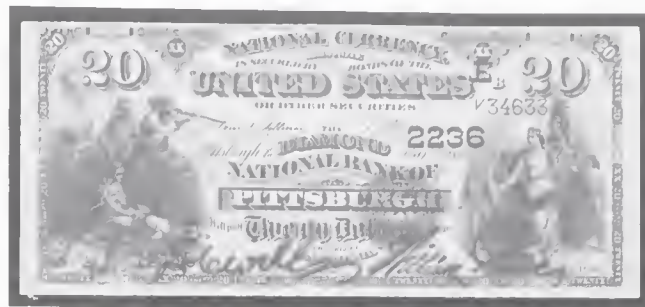

- 29821 **Philadelphia, PA - \$20 1882 Brown Back Fr. 494 Corn Exchange NB of Philadelphia Ch. # 542**

- 29825 **Pittsburgh, PA - \$5 1882 Brown Back Fr. 474 Marine NB of Pittsburgh Ch. # (E)2237**

- 29833 Red Lion, PA - \$5 1902 Plain Back Fr. 598 Farmers and Merchants NB of Red Lion Ch. # 6708

A very nice moderately circulated example from this York County community that had two banks, neither especially common. Less than ten large size notes are reported from this bank, which had just \$2,340 in large size outstanding in 1935. **Fine-Very Fine.** (400-600)

- 29840 Sharon, PA - \$10 1902 Date Back Fr. 618 McDowell NB of Sharon Ch. # (E)8764

Very Fine-Extremely Fine, with the eye appeal of the latter grade but a few too many folds are apparent to qualify. Bright paper and stamped signatures combine with rich colors to produce a nice overall appearance. (250-350)

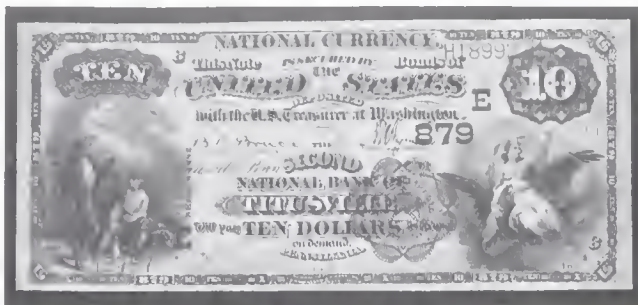

- 29841 Susquehanna, PA - \$10 1902 Plain Back Fr. 624 The City NB Ch. # (E)3144

A lovely example from the Graves collection, from this scarce bank in Schuylkill County. Only seven large size notes are in the census according to Kelly, and this must certainly be one of the nicest. **Choice About Uncirculated**, with a single light, off center fold and some trace handling that prevent an even higher grade on this bright, crisp, boldly embossed and fully original example. The blue stamped signatures are clear and pronounced. (350-550)

Inspection is advised, as the description makes the note sound worse than it really appears. (250-450)

SOUTH CAROLINA

Extremely Rare South Carolina Value Back

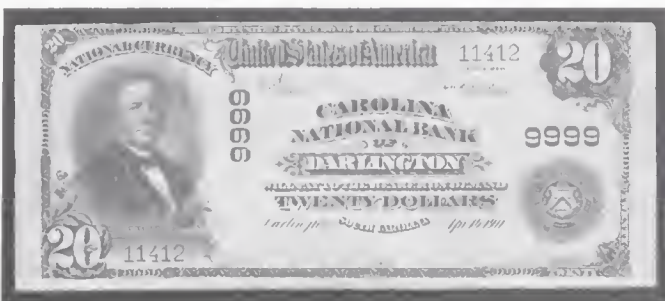

- 29858 **Batesburg, SC - \$10 1882 Value Back Fr. 577 The First NB Ch. # (S) 5595**
This is an excessively rare South Carolina type, with the new Kelly census recording just three examples from South Carolina in a national census which has enumerated almost 2000 Value Backs. This piece is new to the census, and, while not as nice as the example in last week's Lyn Knight auction, likely not to carry the \$15,000 price tag of that example. Evenly circulated **Very Good-Fine**, certainly rare enough to see bidding easily reach or exceed... (4,500-6,500)
- 29859 **Charleston, SC - \$20 1902 Plain Back Fr. 651 The Peoples NB Ch # 1621**
A considerably above average large Charleston note. **Bright Fine-Very Fine.** (175-325)

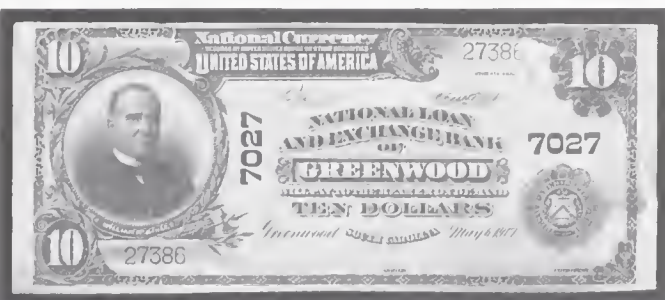

29860 Charleston, SC - \$20 1902 Plain Back Fr. 654 The South Carolina NB Ch. # 2044

29861 Darlington, SC - \$20 1902 Plain Back Fr. 653 Carolina NB Ch. # 9999

29862 Greenwood, SC - \$10 1902 Plain Back Fr. 626 N Loan & Exchange B of Greenwood Ch. # 7027

A beautiful note which is one of the very nicest examples we have had to offer from any South Carolina bank. While fourteen large examples are recorded from here in the census, most all have been ensconced in collections for years, leaving few for the many collectors who want even one note in this grade in their state collections. **Choice About Uncirculated**. (1,750-3,250)

29864 Lexington, SC - \$10 1902 Plain Back Fr. 626 The Home NB Ch. # (S)9296

- 29889 Bartlett, TX - \$10 1902 Plain Back Fr. 607 The First NB Ch. # (S)5422

Although often available in small size, this bank usually only appears in large size when great state collections are sold. Only Plain Back \$10s were produced, and just \$3,480 in large size notes was outstanding in 1935. This well signed **Fine+++** example is attractive and problem-free for the grade. (750-1,050)

- 29894 **Brenham, TX - \$10 1929 Ty. 1 Farmers NB of Brenham Ch. # 10860**

A problem-free small size example. **Fine-Very Fine**. (125-175)

Attractive Brownsville Red Seal

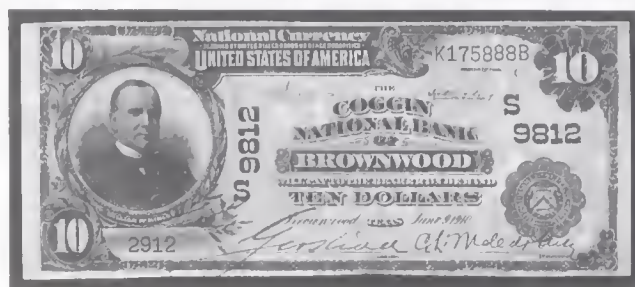

- 29895 **Brownsville, TX - \$10 1902 Red Seal Fr. 613 The Merchants NB Ch. # (\$)7002**

A newly discovered Red Seal that is the third to be reported from Brownsville. While circulated, it has retained excellent color and body for the grade, and is certain to please its new owner. Nice **Fine**, likely to see some stiff competition before the hammer falls, as any Texas Red Seal is a significant item today. (4,000-6,000)

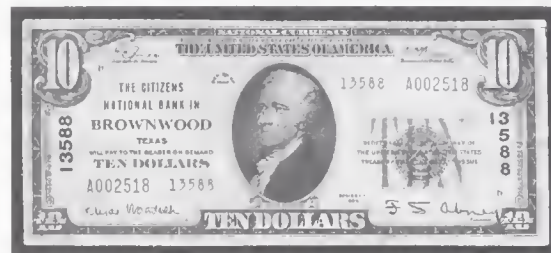

- 29896 **Brownsville, TX - \$20 1929 Ty 1 State NB of Brownsville Ch. # 12236**

A decent, problem-free example from this southernmost tip of Texas. **About Fine**. (150-250)

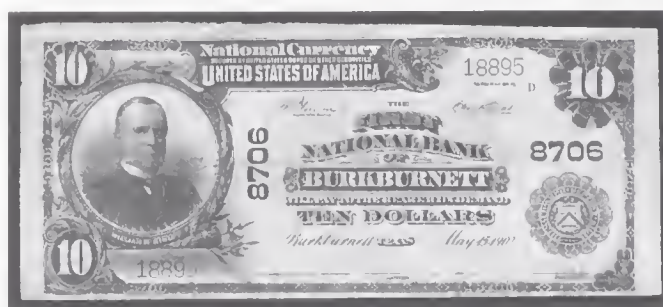

- 29897 **Brownwood, TX - \$10 1902 Date Back Fr. 619 The Coggin NB Ch. # (\$)9812**

This private name bank is one of Brownwood's scarcest, with the Kelly census showing just two large and two small examples from here. The Irish/Ivy specimen was considerably lower grade, and Everson lacked any example from this bank in his holdings. Pen signed **Very Fine**, from the Ralph Graves collection. (1,500-2,500)

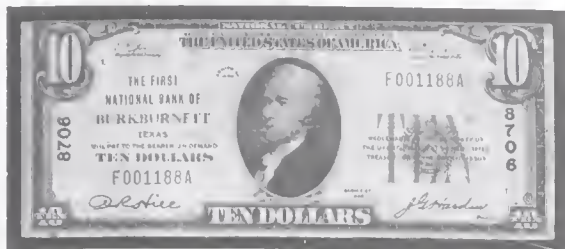

- 29898 **Brownwood, TX - \$10 1929 Ty. 2 Citizens NB in Brownwood Ch. # 13588**

- 29902 Cleburne, TX - \$5 1902 Plain Back Fr. 601 Farmers & Merchants NB of Cleburne Ch. # (S)4386
Although this scarce large size-only bank is represented by less than 10 notes in the census, we have the rare pleasure of offering two examples in this sale. This note is an attractive **Fine+** example that is problem-free save for a small ink smear in the left margin that is mentioned solely for the sake of accuracy. (450-650)

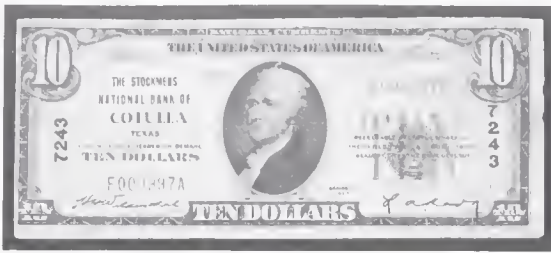

- 29903 Cleburne, TX - \$10 1902 Plain Back Fr. 635 The City NB Ch. # 13107
A common bank in small, but definitely not so in large, as this late charter institution issued Series 1902 notes for only two years before the transition to small. The Kelly census shows three large examples reported, with this pen signed beauty unquestionably the finest. This charter was absent from both the Everson and Ivy collections, and represented by a small example only in the Irish holdings. **Choice Crisp Uncirculated**, from the Ralph Graves collection. (1,250-2,250)

- 29904 Cleburne, TX - \$10 1929 Ty. 2 The City NB Ch. # 13107

29908 Dallas, TX - \$10 1902 Plain Back Fr. 633 City NB of Dallas Ch. # 2455

A gorgeous, fully embossed, well margined and boldly signed Dallas example from the Graves Collection that exudes perfect originality. As popular as Dallas notes are nowadays, runaway bidding on this one might not be unexpected. **Gem Crisp Uncirculated**. (700-1,000)

29909 Dallas, TX - \$5 1929 Ty. 2 NB of Commerce of Dallas Ch. # 3985

This very scarce bank is missing from most collections, as only a half dozen small size survivors are recorded in the latest census. **Fine**. (250-450)

A very scarce private name Dallas bank which was open only from 1917 until 1920. Five notes are listed in the Kelly census. A low grade example missing the signatures realized \$660 in our January sale. This piece, a bit higher grade and with the bold signature of Mr. Tenison as President should bring just a bit more. **Fine**, with a little soiling on one quarter of the back. (600-900)

29911 Dallas, TX - \$20 1902 Plain Back Fr. 661 Republic NB of Dallas Ch. # 12186

- 29918 El Paso, TX - \$20 1929 Ty. 1 El Paso NB Ch. # 12769

A mere three small size notes are recorded in the census from this bank's first title, for which only 1582 sheets of Type One \$10s and \$20s were issued. **Very Good**, slightly finer but for some minor soiling from circulation. (300-600)

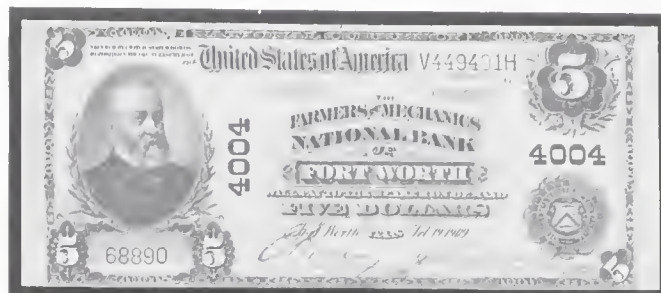

- 29920 Floresville, TX - \$20 1902 Plain Back Fr. 652 City NB of Floresville Ch. # (S)8519

This bank was missing from the Everson collection, and only four large size notes have shown up over the years. The signatures have faded on this nice **Fine** example, but this small detriment is more than made up by both the eye appeal and rarity. (600-900)

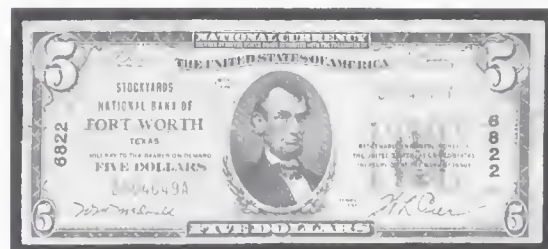

- 29921 Forney, TX - \$20 1929 Ty. 1 Farmers NB of Forney Ch. # 9369

Only eight small size notes from this bank are recorded by Kelly in his census, making this the most "common" of the three banks from this Kaufman County community. **Fine+++**. (250-450)

- 29922 Fort Worth, TX - \$5 1902 Plain Back Fr. 600 Farmers & Mechanics NB of Fort Worth Ch. # 4004

- 29925 Galveston, TX - \$5 1902 Plain Back Fr. 609 United States NB of Galveston Ch. # 12475

An absolutely gorgeous, fully embossed example with just a couple of folds. Wonderful engraved signatures and excellent centering add to the already tremendous eye appeal. **Extremely Fine-About Uncirculated.** (250-450)

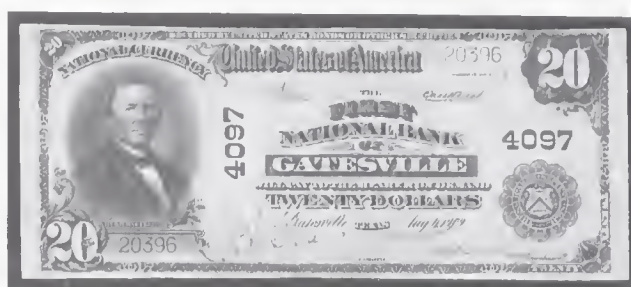

- 29926 Galveston, TX - \$5 1902 Plain Back Fr. 609 United States NB of Galveston Ch. # 12475

A "forbidden title" bank from this Texas community which is a center of serious bird watching activity. Fresh and crispy with darkly stamped signatures. The bottom margin touches the design. A nice **Very Fine.** (150-250)

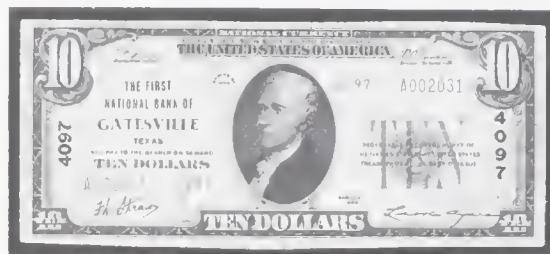

- 29927 Galveston, TX - \$100 1902 Plain Back Fr. 707 United States NB of Galveston Ch. # 12475

An outstanding \$100 from this "forbidden title" bank, a note that Ralph Graves had to outbid Steve Ivy in order to purchase from the Everson sale. In today's market for good Texas material, this beautiful **Very Fine-Extremely Fine** example with great signatures could far surpass the top range of our estimate. (1,000-1,500)

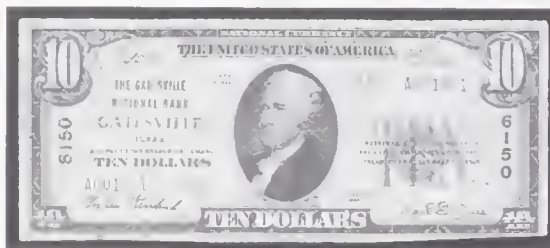

- 29928 Gatesville, TX - \$20 1902 Plain Back Fr. 652 The First NB Ch. # 4097

- 29930 Gatesville, TX - \$10 1929 Ty. 2 Gatesville NB of Gatesville Ch. # 6150

A well worn but credibly decent example from the scarcer of the two banks in this community. Missing from the Everson Collection, and with only a single small size example (this note) in the Irish Collection. **Very Good.** (300-500)

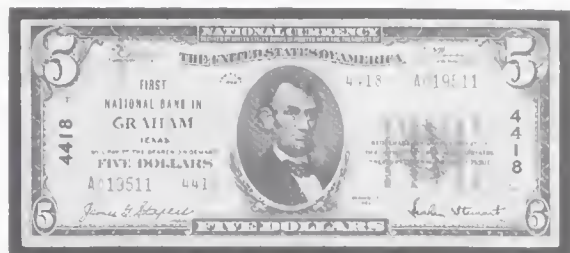

- 29931 Gilmer, TX - \$20 1902 Plain Back Fr. 659 Farmers and Merchants NB of Gilmer Ch. # 5741

- 29932 Gonzales, TX - \$20 1929 Ty. 1 Farmers NB of Gonzales Ch. # 8392

- 29939 Hamlin, TX - \$10 1929 Ty. 1 First NB of Hamlin Ch. # 8252

There were three banks in this community, and this is by far the most common—quite a feat for such a small bank that had just \$39,150 outstanding at its close in 1934 and is represented by just seven small size notes in the census. **Very Good**, a nice problem-free note for the grade. (400-600)

A nice Type 2 serial number 1 sheet from the Graves collection. There is the usual handling found on these large items, and a light fold through the center, along with a fold in the bottom note, but this is an attractive number 1 sheet in a hot market for these items. **Crisp Uncirculated**. (2,500-3,500)

Notes from this one bank community have been virtually unobtainable to collectors, save for the offerings from the Everson and Irish collections, with Everson having a low grade large example and Irish a low grade small note. This piece is far superior to either of those examples, and is likely the finest example extant from here outside of the Philpott collection, ensconced in a foundation for the last thirty plus years. - 29973 Navasota, TX - \$10 1929 Ty. 1 First NB of Navasota Ch. # 4253

Yet another scarce Texas small size note, this from a bank that has less than 10 small size examples in the census. **Fine.** (300-500)

Choice Crisp Uncirculated Nocona Value Back

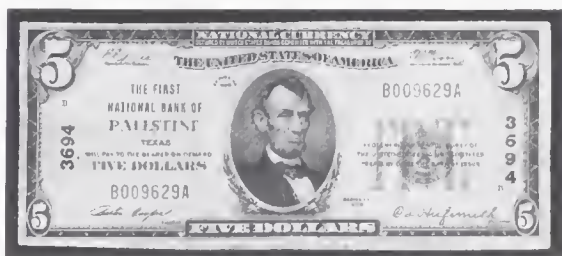

- 29974 Nocona, TX - \$10 1882 Value Back Fr. 577 The Nocona NB Ch. # (S)5338

A beautiful Texas Value Back which is one of a run of five listed in the Kelly census, all of which are New. Unusually for a Value Back, the margins here are exceptional, and the colors are simply unimprovable. This is a simply lovely note worthy of a place in the finest of collections. Pen signed **Choice Crisp Uncirculated.** (2,500-4,500)

- 29975 Orange, TX - \$10 1929 Ty. 1 First NB of Orange Ch. # 4118

A small paper peel on the front near the Treasury seal is the only readily apparent flaw on this otherwise nice circulated \$10. **Fine.** (150-250)

- 29976 Orange, TX - \$20 1929 Ty. 1 The First NB Ch. # 4118
A decent **Fine+** example from this SE Texas community. (200-300)

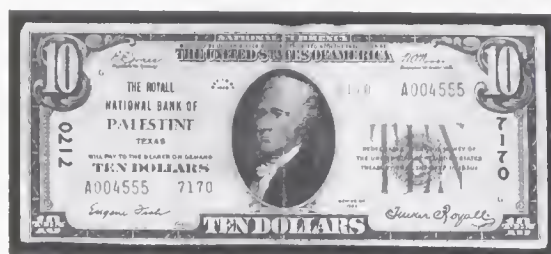

- 29977 Palestine, TX - \$5 1929 Ty. 1 First NB of Palestine Ch. # 3694

Only nine small size notes are reported from this bank. **Fine**, with a couple of unimportant pinholes that are mentioned for complete accuracy. (250-450)

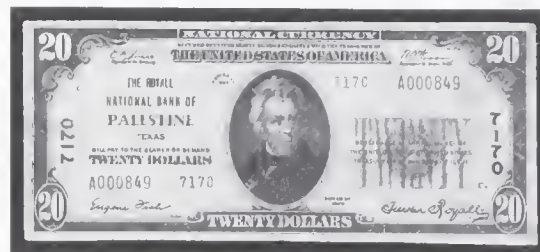

- 29978 Palestine, TX - \$5 1929 Ty. 1 First NB of Palestine Ch. # 3694

A second example, just a touch more worn than the last. **Very Good-Fine.** (200-400)

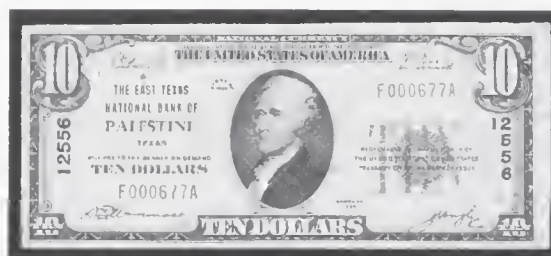

- 29979 Palestine, TX - \$10 1929 Ty. 2 Royall NB of Palestine Ch. # 7170

A nice Type Two \$10 that is signed by Tucker Royall as bank president. **Fine.** (250-450)

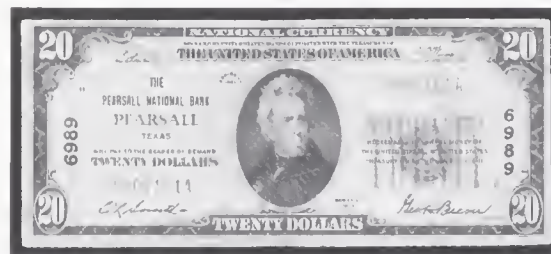

- 29980 Palestine, TX - \$20 1929 Ty. 2 The Royall NB Ch. # 7170

- 29981 Palestine, TX - \$10 1929 Ty. 1 East Texas NB of Palestine Ch. # 12556

- 29982 Pearsall, TX - \$20 1929 Ty. 1 Pearsall NB Ch. # 6989

The census lists 10 small size notes from this bank, the more "common" of the two in town. **About Fine.** (400-600)

- 29983 Port Arthur, TX - \$10 1929 Ty. 1 First NB of Port Arthur Ch. # 5485

- 29984 Port Arthur, TX - \$10 1929 Ty. 2 First NB of Port Arthur Ch. # 5485

- 29985 Port Arthur, TX - \$10 1929 Ty. 2 First NB of Port Arthur Ch. # 5485

A second type two Ten from here, this one **Fine+++.** (125-225)

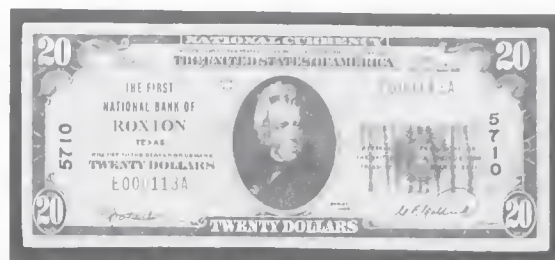

- 29986 Post City, TX - \$20 1929 Ty. 1 The First NB Ch. # 9485

A very rare west Texas note from the only bank to issue in rural Garza County. The Kelly census shows just four small notes reported from here, three with this title and one with the second title. **Fine.** (500-900)

- 29987 Rio Grande, TX - \$20 1929 Ty. 1 The First NB Ch. # 11591

One of the great town names in Nationals, with an evocative sound that fits perfectly in Texas. This was the only community to issue in remote Starr County, on the Rio Grande bordering Mexico, and was prohibitively rare until the Irish collection, which contained several notes from here, was dispersed. The Irish notes have long since been absorbed into collections, and now examples from here are again very scarce. **Fine.** (500-800)

- 29988 Roston, TX - \$20 1929 Ty. 1 The First NB Ch. # 5710

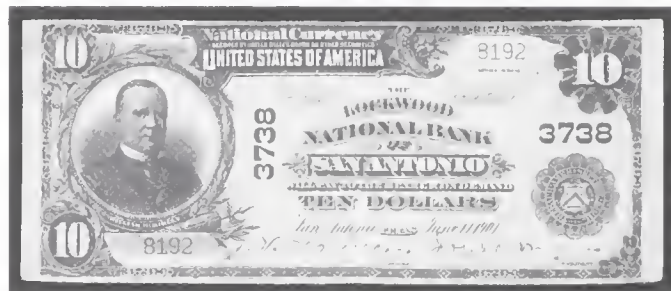

A very rare note from the only bank to issue in this rural Lamar County community. The Kelly census shows just two Series 1929 examples reported from here, with this town missing completely from the Ivy collection. **Very Fine.** (900-1,400)

- 29991 San Antonio, TX - \$10 1902 Plain Back Fr. 626 Lockwood NB of San Antonio Ch. # 3738

Only eight notes are reported from this large size-only private name bank. **Fine+** with nice pen signatures and a long black ink smear on the back that sounds much worse than it appears. (400-600)

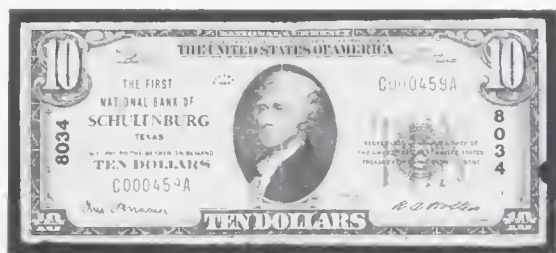

- 29992 San Antonio, TX - \$10 1882 Value Back Fr. 577 Frost NB of San Antonio Ch. # (S)5179

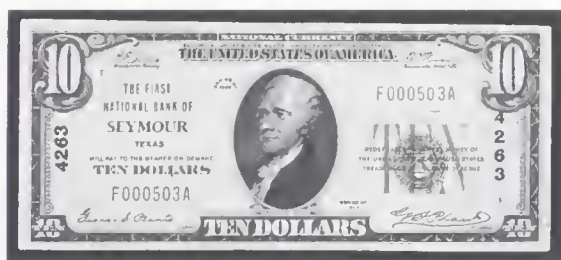

A strictly original Second Charter \$10 from this privately owned bank, the finest of the two Value Back \$10s that appear in the census. **Very Fine,** another nice note from the Ralph Graves Collection (700-1,000)

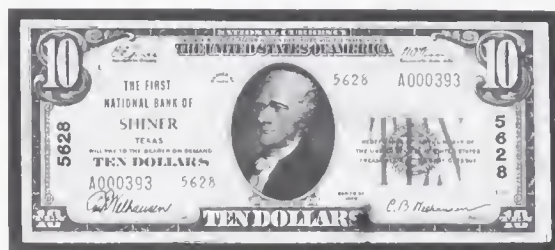

- 29993 San Antonio, TX - \$50 1902 Plain Back Fr. 682 City NB of San Antonio Ch. # (S)5217
This bank issued only \$50s and \$100s during its Third Charter period. This nice **Very Fine-Extremely Fine** example has bold signatures and is completely original and problem-free save for a small ink smear near the bottom edge. (750-1,050)

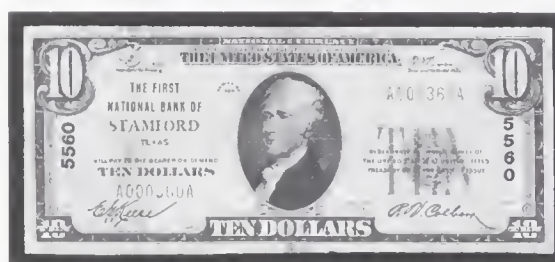

- 29994 Schulenburg, TX - \$10 1929 Ty. 1 First NB of Schulenburg Ch. # 8034
An extremely rare note from a tiny bank in Fayette County that was the only bank in town and had a mere \$25,000 outstanding in 1935. Kelly reports just four small size examples from here, and Ivy and Everson were both missing this bank. **Very Good-Fine** with a small notch missing from the right edge, but still rare enough to reach or exceed. . . (550-950)

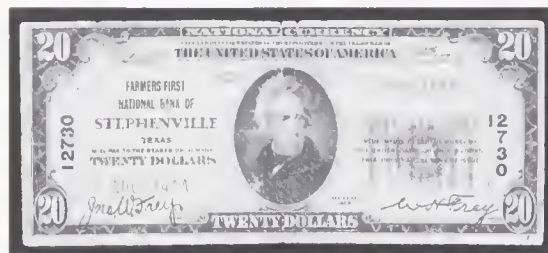

- 29995 Seymour, TX - \$10 1929 Ty. 1 The First NB Ch. # 4263

- 29997 Shiner, TX - \$10 1929 Ty. 2 First NB of Shiner Ch. # 5628
Much better known for the wonderful hoard of high grade \$5 Brown Backs that came from here, this bank is actually much scarcer in small size with only six examples reported in the census. This Type Two \$10 is a solid **Very Fine** but there is a burn hole near the bottom edge. (250-450)

- 29998 Stamford, TX - \$10 1929 Ty. 1 First NB of Stamford Ch. # 5560
Kelly reports only four small size notes from this rare bank, and examples typically only surface when great state collections are sold. **Very Good-Fine**, a nice example that will not likely need to be upgraded as the rarity of these notes is often much more impressive than the condition. (450-750)

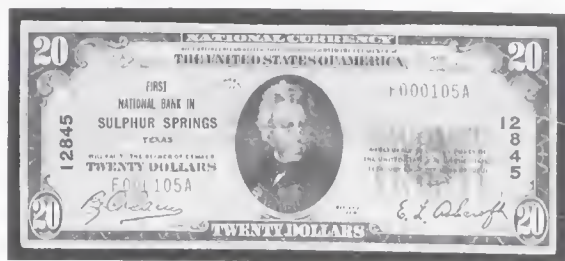

- 29999 Stephenville, TX - \$20 1929 Ty. 1 Farmers-First NB of Stephenville Ch. # 12730
The back of this scarce note has faded considerably, but the face is quite presentable. **Very Good**. (150-250)

- 30001 Sulphur Springs, TX - \$10 1929 Ty. 2 City NB of Sulphur Springs Ch. # 3989

A second example from here, this one a Type Two with no mentionable problems. **Fine.** (300-400)

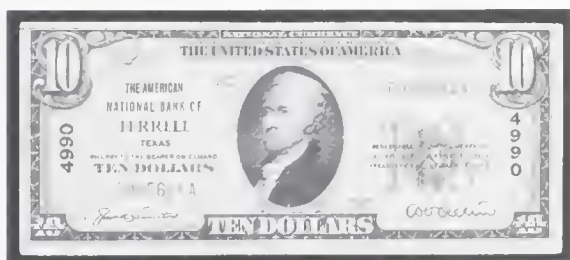

- 30002 Sulphur Springs, TX - \$20 1929 Ty. 1 First NB in Sulphur Springs Ch. # 12845

A nice **Fine** example from this scarcer bank from which Kelly lists just eight small size survivors. Only 852 sheets of \$20s with this interesting block font on the town name were issued. (400-600)

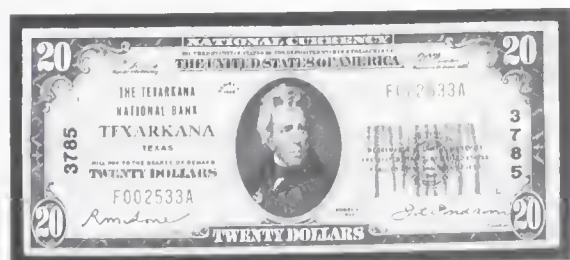

- 30003 Teague, TX - \$20 1929 Ty. 2 Teague NB Ch. # 13067
Kelly reports seven large and seven small size notes from this bank, and only 936 Type Two \$20s were printed. A couple of light water stains are barely noticeable at the top. **Fine.** (250-450)

- 30008 Tyler, TX - \$5 1902 Plain Back Fr. 607 Citizens NB of Tyler Ch. # 5343

A well-worn example with some fraying at the edges but clear signatures. **Very Good.** (125-175)

- 30009 Tyler, TX - \$10 1929 Ty. 1 Peoples NB of Tyler Ch. # 13110

A very rare bank from which Kelly reports only five small size notes in the census. **Fine+++**, an exceptionally nice note for the grade and a rare note that should reach or exceed... (300-500)

- 30010 Uvalde, TX - \$10 1929 Ty. 1 Commercial NB of Uvalde Ch. # 6831

One of only eight small size notes in the census, this \$10 unfortunately was bleached and lost the green color on the back. **Fine**, with the back faded to blue. (150-250)

This is the very last note to be cataloged in a marathon cataloging session that ends the writing for this mammoth sale, which will prove to be a record CAA sale both for number of lots and the weight of the catalog. **Fine**. (175-325)

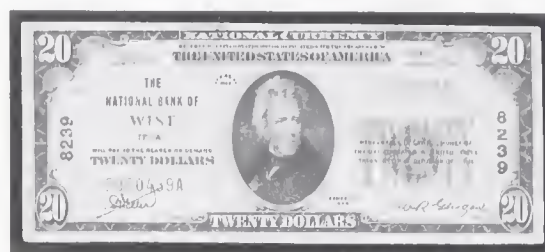

- 30014 Weatherford, TX - \$10 1929 Ty. 1 Citizens NB of Weatherford Ch. # 2723

About Fine, a little soft but still a decent representative of this scarce Parker County bank. (100-150)

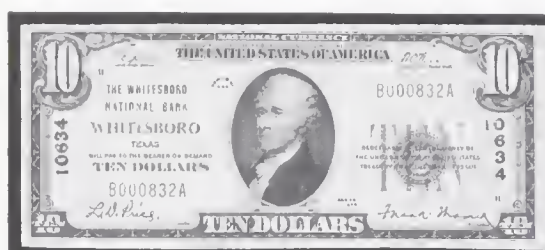

- 30015 Weatherford, TX - \$10 1929 Ty. 2 The Citizens NB Ch. # 2723

A tougher Type 2 example from this well collected community. **Very Fine**. (250-350)

- 30016 West, TX - \$20 1929 Ty. 1 NB of West Ch. # 8239

Just eight small size notes from this bank are recorded by Kelly, making it the most "common" of the three banks in town. **Fine** and problem-free for the grade. (400-600)

- 30017 Whitesboro, TX - \$10 1929 Ty. 1 Whitesboro NB Ch. # 10634

- 30022 **Wichita Falls, TX - \$50 1929 Ty. 1 City NB of Wichita Falls Ch. # 4248**

- 30023 **Yoakum, TX - \$20 1929 Ty. 1 Yoakum NB Ch. # 8694**

- 30025 **Moab, UT - \$5 1929 Ty. 1 The First NB Ch. # 10925**

- 30028 **Ogden, UT - \$20 1929 Ty. 2 First NB of Ogden Ch. # 2597**

- 30029 **Salt Lake City, UT - \$5 1882 Brown Back Fr. 474 The Deseret NB Ch. # (P)2059**

- 30031 Salt Lake City, UT - \$20 1929 Ty. 1 Utah State NB of Salt Lake City Ch. # 4341

WISCONSIN

The Bob Steele Collection of Wisconsin National Bank Notes

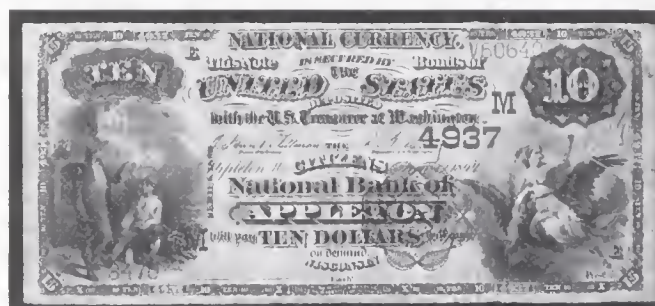

We are pleased to offer below the Wisconsin National Bank Note collection of Bob Steele, a gentleman who is a long time friend and client of Currency Auctions of America, and whose collection of small size star notes we sold in our last auction. Bob began to collect Wisconsin Nationals in the 1960's, specializing in small size notes, and built the finest collection ever assembled, lacking only one bank to completion. Along the way he picked up a few large notes as well, although he left most of the large examples to his friend and fellow collector Monte Sherwin. When Bob sold his collection of small notes, and Monte sold off most of his large, Bob began to acquire large examples in earnest, starting with some of Monte's notes. Over the past twenty or so years he has assembled a fine collection, which we are proud to offer in this sale.

But for two rust holes in the left hand vignette, this is a presentable example for the grade. The brown signatures are light but legible. There are more than a dozen large size notes in the census, but it is unlikely that many are Brown Backs. **Fine**. (450-650)

30081 Blair, WI - \$10 1902 Plain Back Fr. 657 The First NB Ch. # (M)10667

A very scarce note from a bank with a Kelly census population of five in large size. There is a miniscule nick at the top and a small hole in the right margin, but otherwise this attractive pen signed example from the Steele collection easily grades **Fine+**. (800-1,200)

Crackling fresh, fully embossed, beautifully margined and with exceptionally vivid colors, in short, a real peach of a note from the Steele collection. This example also bears the scarce Napier-Thompson Treasury signatures, an added bonus for the lucky buyer tonight. There are just a few stray handling marks, just enough in fact to deny this lovely note the technical grade of Choice, but in reality its appearance is much superior to most examples labeled as Gem. **Crisp Uncirculated**. A truly rare large size note from the only bank to issue here. Four large notes are listed in the Kelly census, including this example. **Fine.** (1,250-2,250)

- 30163 Oshkosh, WI - \$5 1882 Brown Back Fr. 471 The National Union Bank Ch. # (M)4508
A scarcer Oshkosh bank which issued Brown Backs only before liquidating in 1909. This \$5 Brown back has a most unusual title layout, in contrast to the \$10 below, which has the far more pedestrian standard layout. Evenly circulated no problems **Fine-Very Fine.** (750-1,050)

- 30164 Oshkosh, WI - \$10 1882 Brown Back Fr. 484 The National Union Bank Ch. # (M)4508
Not quite as nice as the \$5 above but still quite acceptable. Pleasing **Very Good-Fine.** (550-750)

- 30165 Oshkosh, WI - \$10 1882 Value Back Fr. 577 The Commercial NB Ch. # (M)5557
Second Charter notes only from this bank, which went out in 1919. This is a nice evenly circulated Value Back. **Fine++**, with good color and body for the grade. (500-800)

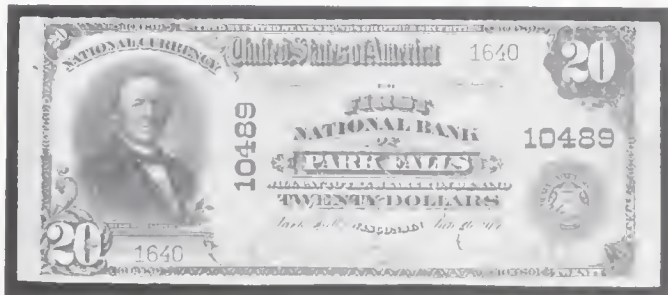

- 30166 Oshkosh, WI - \$20 1902 Plain Back Fr. 650 The Old-Commercial NB Ch. # (M)6604
The second title used here, and the scarcest of the three employed by the bank. The Kelly census total stands at just seven. Bright **Very Fine.** (450-650)
- 30167 Oshkosh, WI - \$5, \$10 1902 Plain Backs Fr. 600, 626 The City NB Ch. # (M)9347
Two pieces, the \$5 **Fine-Very Fine**, the bottom margin tight, the \$10 a nice **Fine.** (Total: 2 notes) (300-500)
- 30168 Oshkosh, WI - \$20 1929 Ty. 1 City NB of Oshkosh Ch. # 9347
A nicer looking note than the purely technical grade we have attached would imply. Likely to sell for a price more consistent with a higher grade due to its eye appeal. From a Wisconsin city most well known for the clothing brand with which it shares a name. **Extremely Fine.** (100-150)
- 30169 Oshkosh, WI - \$5 1929 Ty. 2 Oshkosh NB Ch. # 13806
A pretty, well centered note that is graded **Choice About Uncirculated** due to a single light center fold. We are trying really hard not to put the phrase "b'gosh" into this description, so we won't. (150-250)

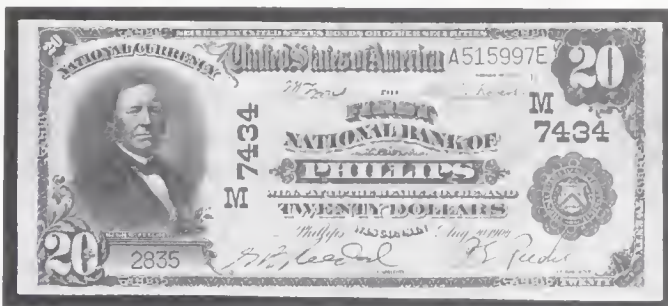

- 30170 **Park Falls, WI - \$5 1902 Plain Back Fr. 605 The First NB Ch. # 10489**

The first of a pair of large notes from this elusive bank, both from the Steele collection. The Kelly census shows just five such examples in the census. This piece is a nice **Fine+++**, with bold pen signatures and a tiny area of light bank stamp which barely distracts at all. (800-1,200)

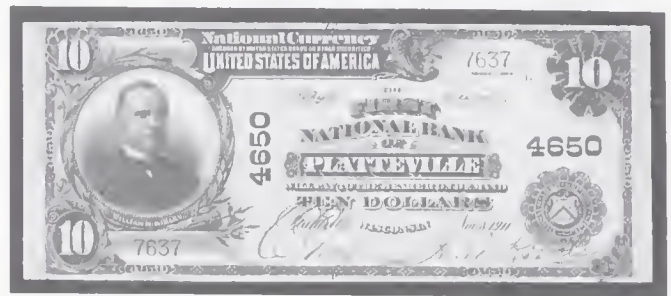

- 30171 **Park Falls, WI - \$20 1902 Plain Back Fr. 657 The First NB Ch. # 10489**

A very pleasing example which Bob Steele obtained from Dean Oakes in 1978. **Fine-Very Fine**, with sharp purple signatures. (900-1,300)

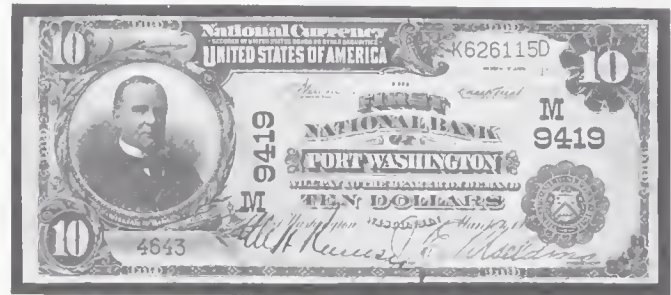

- 30172 **Phillips, WI - \$20 1902 Plain Back Fr. 650 The First NB Ch. # (M)7434**

A very rare bank, especially in large size, where the census stands at just four pieces. This example is the nicest large note from here we've seen. **Very Fine+**, with bold pen signatures. (1,000-1,500)

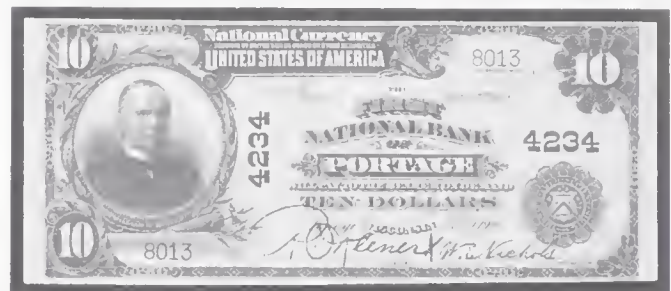

- 30173 **Platteville, WI - \$10 1902 Plain Back Fr. 628 The First NB Ch. # 4650**

- 30174 **Port Washington, WI - \$10 1902 Plain Back Fr. 626 The First NB Ch. # (M)9419**

Five large notes constitute the Kelly census from this very scarce bank. We sold this piece to Bob Steele in our January, 1992 sale. **Very Fine**. (900-1,200)

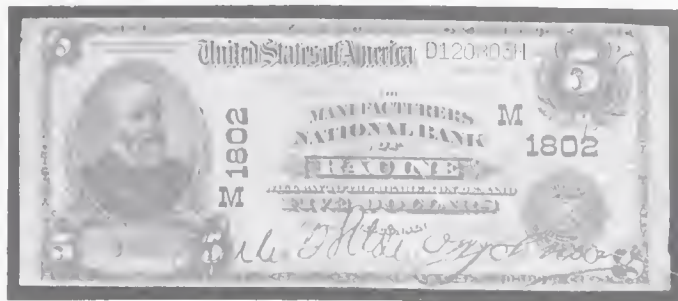

- 30175 **Portage, WI - \$10 1902 Plain Back Fr. 627 The First NB Ch. # 4234**

- 30178 **Rhinelander, WI - \$5 1882 Brown Back Fr. 471 The First NB Ch. # (M)4312**
A rare bank in large size, and a \$5 Brown Back with a neat layout as well. Pen signed **Very Good-Fine**, with a couple of pinholes. (1,000-1,500)

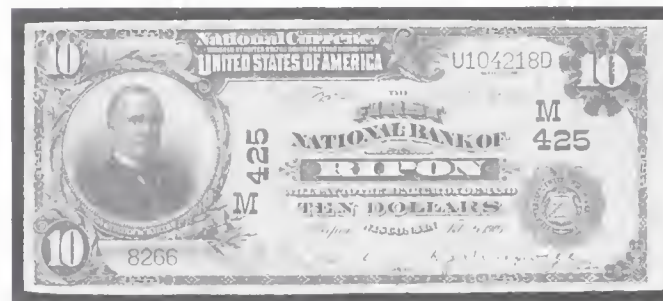

- 30179 **Rhinelander, WI - \$5 1902 Plain Back Fr. 601 The First NB Ch. # (M)4312**
A beautiful piece which is far and away the finest large example we know of from this bank. The Kelly census shows just five large examples known. Fully original, beautifully embossed, and as bright as the day it was printed, this piece is a screaming gem but for the close trim at the top and bottom margins. **Choice Crisp Uncirculated**, a lovely note fit for the finest of collections. (1,000-1,500)

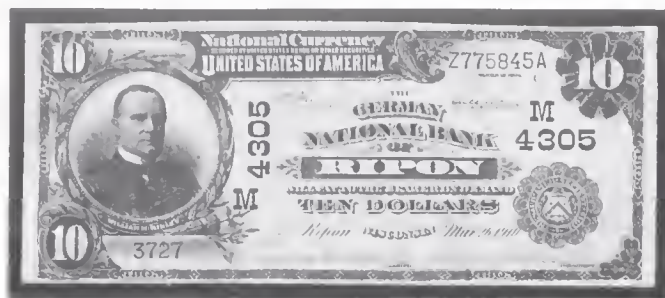

- 30180 **Rhinelander, WI - \$10 1902 Plain Back Fr. 633 The Oneida NB Ch. # (M)11646**

CURRENCY AUCTIONS OF AMERICA – HERITAGE

Knowledge - The Priceless Numismatic Resource

A well organized numismatic library is the key to a successful collecting experience. Currency Auctions of America's catalogs and prices realized will help you answer such questions as:

- What have items similar to the one I am considering adding to my collection actually sold for in the recent past?
- How often has a particular item come on the market over the years? Can it or similar pieces be found with regularity, or are its appearances few and far between?
- Has the specific note I am now considering purchasing appeared in a past auction, and if so, what did it actually sell for?
- Have price trends for the items I am considering buying been generally up or down over the years?

A library of Currency Auctions of America's past auction catalogs and prices realized is a valuable collecting resource and asset. It will tell you at a glance what items are really selling for, not simply what they are offered at and perhaps remain unsold for extended periods.

The knowledge gained from a study of Currency Auctions of America's past catalogs and prices realized will repay your modest investment to acquire them many times over.

Since 1990 we have conducted 31 sales and placed in excess of 72,000 lots in the hands of the collecting fraternity. Do you have a complete set?
